BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne Indiana Aug. 3rd 1905

Regular meeting held at 7 30 o'clock P. M.

Present: Peter Eggemann and H. C. Gallinger.

Moved, that the work performed under Improvement Resolution #372 which provides for paving Clinton Street from Lewis Street to Holman Street; also Improvement Resolution #379 which provides for paving Lafayette

Street from Main Street to Washington Street be and the same be hereby accepted, and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 5th day of August 1905 and the 17th day of August 1905 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objection or remonstrances against the work performed under the aforementioned Improvement Resolution, or against the Assessment Roller as approved by the Board, and will determine the question as to whether such lots or tracts of land have been or will be benefitted by said improvement in the amount named on said Assessment Roll. Adopted.

Improvement: For the construction of a artificial brick Sewer in and along the Alley between Wall Street and Swinney Avenue from the brick sewer on Nelson Street to Riedmiller Avenue, which were upon motions approved.

The City Civil Engineer submitted plans and specifications for the following

Local Sewer Improvement Resolution # 138.

Resolved, by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley between Wall Street and Swinney Avenue from the brick sewer on Nelson Street to Riedmiller Avenue. Said sewer shall be 15 and 12 inches in diameter, and said sewer with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City. Adopted.

Improvement: For the laying of the Alley between Wayne Street and Berry Street from Rockhill Street to College Street, which were upon motions approved.

The City Civil Engineer submitted plans and specifications for the following

Improvement Resolution # 400.

Resolved by the Board of Public Worker of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the Alley between Berry Street and Wayne Street from Rockhill Street to College Street by grading and paving with # 2 vitrified paving block upon a six (6") inch broken stone foundation all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

Adopted.

Moved, that notice to property owners of the adoption of Improvement Resolution # 138 – 400 be published in the Fort Wayne Journal Gazette on the 5th and 12th days of August 1905 and that the 24th day of August 1905 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of aforementioned Improvement Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of aforesaid Improvements, and to said City if any will be equal to or exceed the estimated cost of the proposed Improvements.

Adopted.

The petition of C. A. Paul and 7 others for a Street Light at the corner of Berry Street and Lafayette Street was received and placed on file.

The petition of Van B. Perrine and 4 others for paving the Alley between between Main Street and Berry Street from Fulton Street to Fairfield Avenue was received and granted and the City Civil Engineer was instructed to prepare plans and specifications.

Improvement Resolution # 403 which provides for Cement

sidewalks on both sides of Jackson Street from Washington Street to Jefferson Street;

Declaratory Resolution # 120 which provides for the vacation of the Alley East of South Wayne Avenue from Wildwood Avenue to the first Alley South of Wildwood Avenue; Declaratory Resolution # 121 which provides for the opening and extending of Leith Street from the West line of Lasalle Ct Lot 12 to Hanna Street.

Local Sewer Improvement Resolution # 139

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley South of Jones Street from the brick sewer on Nelson Street to the Alley between Nelson Street and Gardew Street from the Alley South of Jones Street to a point 50 feet South of the Alley South of Jefferson Street. Said sewer shall be 12 inches in diameter, and said sewer, with all its appurtenances shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution # 140.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley West of Runion Avenue from the Alley North of Main Street to the City limits. Said sewer shall be 12 inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Main Sewer Improvement Resolution # 19.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that the construction of a Main sewer which from its size and character, is not only intended and adapted for use by property holders whose property abuts along the line of said sewer but is also intended and adapted for receiving sewage from collateral drains already constructed or which may be hereafter constructed, be and the same is hereby ordered in and along Holton Avenue from the brick sewer on Pontiac Street to the Alley South of Pontiac

Street on the West side of Holton Avenue, in the Alley South of Pontiac Street from Holton Avenue to the Alley between Thoman Street and Holton Avenue, in the Alley between Thoman Street and Holton Avenue from the Alley South of Pontiac Street to McKee Street. Said sewer shall be a 15 inch vitrified clay pipe sewer and to be built in accordance with the profile, specification, details plans, map and estimates now on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution # 401

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the South side of Penn Street from the Alley East of Walton Avenue to Grant Avenue by grading to a width of ten (10) feet and paving with brick to a width of five (5) feet all in accordance with the profile, details, drawings and specification on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution # 402

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Fisher Street from Holton Avenue to Winter Street by grading the roadway to a width of 26 feet and by grading the sidewalk on both sides to a width of 12 feet, and paving the same with brick to a width of 5 feet all in accordance with the profile, details, drawings and specification on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution # 403

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Jackson Street from Washington Street to Jefferson Street by grading to a width of 5 feet and paving with Cement to a width of 5 feet all in accordance with the profile, details, drawings and specification on file in the office of the Department of Public Works of said City.

Adopted.

Declaratory Resolution # 120

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the Alley East of South Wayne Avenue from Wildwood Avenue to the first Alley South of Wildwood Avenue. All as shown by a plan of such

proposed vacation now on file in the office of the Department of Public Works of said City.

Adopted.

Declaratory Resolution # 121.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Leith Street from the West line of Lasalle Cut Lot # 12 to Hanna Street. Said opening and extending to be made by condemning and appropriating for Street purposes sufficient lots and parcels of land described as follows: 50 feet by 220 feet South of the North 314 4/10 feet of Lasalle Cut Lot No. 12; the South 31 6/10 feet of lot No. 8 and the North 18 4/10 feet of lot No. 9 Trentman and Mennings sub-division. All as shown by a plan of such proposed opening and extending of Leith Street now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolutions # 139-140-19-401-402-403 be published in the Fort Wayne Journal Gazette on the 9th and 16th days of September 1905 and that the 28th day of September 1905 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of aforementioned Improvement Resolutions and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to each of aforementioned Improvements and to said City if any will be equal to or exceed the estimated cost of the proposed Improvements.

Adopted.

Moved that notice to property owners of the adoption of Declaratory Resolutions # 120-121 be published in the Fort Wayne Journal Gazette on the 11th and 18th days of September 1905 and that the 5th day October 1905 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of aforementioned Declaratory Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of aforesaid Improvements ~~Resolutions~~ and to said City if any will be equal to or exceed the estimated cost of the proposed Improvements.

Adopted.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne Indiana Sept. 14th 1905

Regular meeting held at 7:30 o'clock P. M.

Present: Peter Eggemann Wm. Doehrmann and H. C. Zollinger.

This being the date and time previously fixed by the Board when they would receive and open proposals for various work to be done under public contract, the Board now proceeded to open such proposals and obtained the following results:

Local Sewer Improvement Resolution #138 which provides for a vitrified clay Pipe Sewer in the Alley between Hall Street and Swinney Avenue from the brick sewer on Nelson Street to Riedmiller Avenue.

J. Derheimer and Co bid per lineal foot	$1.18
Anton Rieg " " " "	$1.24
Moellering Construction Co " " " "	$1.14

Improvement Resolution #400 which provides for paving the Alley between Berry and Wayne Streets from Rockhill Street to Colley Street.

J. Derheimer and Co bid per lineal foot	$2.40/100
Mollering Construction Co. " " " "	$2 15/100

Upon motion the contracts for Local Sewer Improvement Resolution #138 and Improvement Resolution #400 were awarded to the Moellering Construction Co. they being the lowest and best bidder.

The Plumbers and Gasfitters Bond of Albert Rolf and Bro. was approved.

The petition of Chas. Schreck to relay under private contract a brick sidewalk on Holman Street abutting on lot #30 Hamilton 1st Addition was granted.

The petition of Herman W. Feltz and 3 others which provides for a 4 foot Cement sidewalk on Thompson Avenue from Broadway West and North to a point 150 feet North of Clifton Avenue was received and placed on file.

The petition of B. W. Vesey and 9 others which provides for a Sewer to commence in the Alley on Beaver Avenue where the Sewer is now completed, thence West along the Alley to a point 150 feet East of Broadway. Thence southwesterly in a straight line till it reaches the Alley laid out there, thence along the Alley East of Broadway to Organ Avenue or to the first Alley North of Organ Avenue.

running East and West. Also a branch in the Alley between Kinnaird and Packard Avenues to connect with the Alley East of Broadway. Said Sewer to run East to the Alley West of Beaver Avenue, was upon motion not granted.

The petition of L. H. McAfee to construct under private contract a 5 foot Cement sidewalk on the West side of Wells Street from the River Bridge to the Rail Road was granted.

This being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution # 371 which provides for paving Clinton Street from Berry Street to Lewis Street; also Improvement Resolution # 376 which provides for paving Jefferson Street from Hanna Street to Harmer Street; also Improvement Resolution # 390 which provides for Cement sidewalks on both sides of Rockhill Street from Berry Street to Jefferson Street; also Improvement Resolution # 391 which provides for a Cement sidewalk on the North side of Berry Street abutting on lot # 199 Rockhills Addition; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under the aforementioned Resolutions which Assessment Rolls contain a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions # 371 – 376 – 390 – 391 was finally accepted and the Assessment Rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

Moved that the work performed under Improvement Resolution # 396 which provides for paving Fulton Street from Pearl Street to Jefferson Street; also Improvement Resolution # 397 which provides for paving Fulton Street from Jefferson Street to Brackenridge Street be and the same is hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 16th day of September 1905 and the 2d day October 1905 at 3 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the

aforementioned Resolution or against the Assessment Roller as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefitted by said improvements in the amounts named on said Assessment Roller.

Adopted.

A plat of a subdivision of lots Nos 11-12-13 Jones Addition and the south 6 ft. of vacated Alley North of same were approved by the Board.

The Board decided to reject a proposition submitted by the Fort Wayne Gas Co. pertaining to the furnishing of Gas to the Citizens of Fort Wayne for fuel and lighting purposes, as the prices quoted in said proposition seemed to be exorbitant and untenable, and instructed the clerk to notify said Gas Co of the fact.

The Board then adjourned.

Regular meeting held at 7.30 o'clock P. M.

Present: Peter Eggemann Wm. Dochrmann and H. C. Gollinger.

The City Civil Engineer submitted estimates of the total cost of work to be performed under Public contract to be as follows: Local Sewer Improvement Resolution # 139. total cost: $752.40/100

Local Sewer Improvement Resolution # 140. " " $507.10/100

Main Sewer Improvement Resolution # 19. " " $1156.68/100

Improvement Resolution " 401 " " $197.00/100

Improvement Resolution " 402 " " $650.00/100

Improvement Resolution " 403 " " $487.00/100

The City Civil Engineer was instructed to prepare plans and specifications for the construction of a 4 ft brick sidewalk on the North Side of Maud Street from Thomas Street to Holton Avenue.

The petition of Mrs. Nola M. Bailey and 10 others which provides for sidewalks on the East side of Clinton Street, from the South side of Wallace Street to Murray Street was received and placed on file.

The petition of A. E. Pember and 3 others to construct under private contract a 4 foot walk on the West side of Degroff Street from High Street to Polk Street was granted.

The Bond of Wm. Wietfeldt covering the construction of an Isolation Hospital was approved.

The Bond of Henry F. Franke covering the Plumbing in the Isolation Hospital was approved.

The Sewer Builders Bond of Ernst Jenne was upon motion approved.

The petition of E. Linhardt and 27 others which provides for the erection of a Street Light at the corner of Scott and Thompson Avenues was received and placed on file.

The remonstrance of Milton M. Thompson and Bridget Foley against the construction of Cement sidewalks on both sides of Jackson Street from Washington Street to Jefferson Street was received and placed on file.

Upon motion the Clerk was unanimously instructed to notify

A. D. Cressler Arsident of the Kerr Murray Mfg. Co to remove the obstruction from Clinton and Murray Streets within 24 hours

This being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution #139 which provides for a vitrified clay pipe sewer in the Alley south of Joner Street from the brick sewer on Nelson Street to the Alley between Nelson Street and Garden Street and in the Alley between Garden Street and Nelson Street from the Alley south of Joner Street to a point 50 feet south of the Alley south of Jefferson Street; also Local Sewer Improvement Resolution #140 which provides for a vitrified clay pipe sewer in the Alley west of Runion Avenue from the Alley north of Main Street to the City limits; also Main Sewer Improvement Resolution #19 which provides for a vitrified clay pipe sewer in and along Holton Avenue from the brick sewer on Pontiac Street to the Alley south of Pontiac Street on the west side of Holton Avenue in the Alley south of Pontiac Street from Holton Avenue to the Alley between Thomas Street and Holton Avenue in the Alley between Thomas Street and Holton Avenue from the Alley south of Pontiac Street to McKee Street; also Improvement Resolution #401 which provides for a brick sidewalk on the south side of Penn Street from the Alley east of Walton Avenue to Grant Avenue; also Improvement Resolution #402 which provides for grading Fisher Street from Holton Avenue to Winter Street and brick sidewalks on both sides of Fisher Street from Holton Avenue to Winter Street; the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever against any of the aforementioned Improvement Resolutions upon motion the same were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution #403 which provides for Cement sidewalks on both sides of Jackson Street from Washington Street to Jefferson Street, there now appeared Milton M. Thompson and Thomas Foley for Bridget Foley and objected to the proposed improvement on the ground that the present walk was in a good condition and a new walk was not necessary. The Board however decided that the objections were not well taken and the construction of said sidewalk should not

be delayed. The Board also found that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement, and upon motion the aforementioned Improvement Resolution was confirmed as in the original.

Milton M. Thompson and Thomas Foley for Bridget Foley now gave notice that they would appeal from the decision of the Board.

Moved that notice to contractor of the work to be performed under Local Sewer Improvement Resolution # 139-140, Main Sewer Improvement Resolution #19 also Improvement Resolution # 401-402-403 be published in the Fort Wayne Journal Gazette on the 30th day of September 1905 and on the 7th day of October 1905 and the 19th day of October 1905 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open proposals for the work to be done under the aforementioned Resolution.

June 7, 1909.

Messrs. Bellairs & Bellairs,

City.

Gentlemen:

We have you herewith a memorandum showing the manner in which Track Elevation Resolution No. 1 is to be amended as affecting the Wabash Company and showing the construction by the Company and the City of the elevation for or to proper division of cost.

It is understood by us that the memorandum is agreeable on condition that the Wabash Company consents that its plan designated as "Fort Div. Bridge over Calhoun Street", dated April 1st, 1909 be amended by striking out all of retaining walls along side of Calhoun Street south of abutments supporting superstructure and all other work on Calhoun Street south of superstructure and substructure lines and that the Wabash estimate be amended by striking out any estimate on work so stricken from the plan.

In connection with the vacation of Grand Street it is understood that we will take steps to establish a five foot side walk on the south side of Grand Street from a point opposite the east line of the Company's present freight house as shown on the plan for cost of such side walk to be assessed

The City Civil Engineer submitted a plat showing the proposed opening of an Alley east of Wells Street from the Alley north of 6th Street to Miller Lane. Upon motion the plat was approved.

Declaratory Resolution # 123.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open an Alley 10 feet in width from the Alley north of Sixth Street to Miller Lane. Said opening to be made by condemning and appropriating for Alley purposes sufficient lots and parcels of land described as follows:

A tract of land 10 feet in width commencing at a point on the south line of lot # 3 Reeder Addition, 145 feet east of

the east line of Wells Street in the south-west corner of lot # 8 Wells Reserve, township 31, North Range 12 East, thence north parallel with the east line of Wells Street through lots # 3 and 4 Feeder Addition and part of lot 8 Wells Reserve to the south line of Millers Lane, thence east on the south line of Millers Lane 10 feet, thence south parallel with the east line of Wells Street through part of lot 8 Wells Reserve and lots # 4 and 3 Feeder Addition to the south line of lot # 3, thence southwest on the south line of lot # 3 to the place of beginning. All as shown by a plan of such proposed opening now on file in the office of the Department of Public Works of said City. The property which may injuriously or beneficially affected by the opening of said Alley above described is described as all lots or parcels of land lying north of the south line of Feeder Addition, east of Wells Street, south of Millers Lane and west of a line 300 feet east of Wells Street. All of said lots and lands above described being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening of the Alley described in Declaratory Resolution # 123 be published in the Fort Wayne Journal Gazette on the 20th and 27th days of December 1905 and the 18th day of January 1906 at 7 30 o'clock P. Special Session.

Fort Wayne Indiana Feb. 15th 1906
Regular meeting held at 7:30 o'clock P. M.
Present: Ed. J. Lemon Henry Schwartz, Jesse Brosius.

The City Civil Engineer submitted plans and specifications for the following improvements, which were upon motion approved:

Improvement Resolution No. 405 which provides for paving Wallace Street from the east property line of Calhoun Street to the west property line of Lafayette Street with sheet lake asphalt;

Improvement Resolution No. 406 which provides for paving Wallace Street from the east property line of Lafayette Street to the west property line of Hanna Street with sheet lake asphalt;

Improvement Resolution No. 407 which provides for paving Wallace Street from the east property line of Hanna Street to the east property line of John Street with sheet lake asphalt;

Improvement Resolution No 408 which provides for paving Wallace Street from the east property line of John Street to the west property line of Smith Street with sheet lake asphalt;

Local Sewer Improvement Resolution No 141 which provides for a Sewer in the Alley south of Jones Street from the brick Sewer on Nelson Street etc.

Declaratory Resolution No 124 which provides for opening the Alley north of Horace. Street from the Alley east of Thomas Street to the intersection with the Alley north of Bard Addition.

Improvement Resolution # 405

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Wallace Street from the east property line of Calhoun Street to the west property line of Lafayette Street by grading and paving the roadway to a width of 32 feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone, and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution # 406

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Wallace Street from the east property line of Lafayette Street to the west property line of Hanna Street by grading and paving the roadway to a width of 40 feet, with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, resetting old curb Stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution # 407

Resolved by the Board of Public Works of the City of Fort Wayne.

Indiana, that it (property) is deemed necessary to improve Wallace Street from the east line of Hanna Street to the east property line of John Street by grading and paving the roadway to a width of 40 feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb Stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution # 408

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Wallace Street from the east property line of John Street to the west property line of Smith Street by grading and paving the roadway to a width of 30 feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb Stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City

Adopted.

Local Sewer Improvement Resolution # 141.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley south of Jones Street from the brick Sewer on Nelson Street to the Alley west of Rockhill Street, and in the Alley west of Rockhill Street from the Alley south of Jones Street to Jones Street. Said Sewer shall be 12 inches in diameter, and said Sewer, and said Sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolutions # 405 - 406 - 407 - 408 — 141 be published in the Fort Wayne Journal Gazette on the 17th and 24th days of February 1906 and that the 8th day of March 1906 at 7:30 o'clock P. M.

be fixed a date and time when the Board will hear and consider objections or remonstrances against each of aforementiond Improvement Resolutions and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to each of aforementioned Improvements, and to said City if any will be equal to or exceed the estimated cost of the proposed Improvements.

Adopted.

Declaratory Resolution # 124

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana that it is desired and deemed necessary to open and extend the Alley north of Horace Street from the west line of Lot No 4 Bards Sub. of Lot No 5 Hanna's Plat "A" to the Alley on the north line of above mentioned Bard's Sub. All as shown by a plan of such proposed opening now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said Alley as above described is described as all lots or parcels of land lying south of P. Ft. W.d & C. R. R. west of Holton Avenue, north of Horace Street and east of Thomas Street. All of said lots and lands above described being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening and extending of the Alley described in Declaratory Resolution # 124 be published in the Fort Wayne Journal Gazette on the 17th and 24th days of February 1906, and the 15th day of March 1906 at 7.30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

The petition of Fred. Schmidt and 12 other which provides for brick sidewalks on the west side of Hanna Street from Rudisill Avenue to Pontiac Street was granted and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The petition of Henry Eckart which provides for opening a 40 ft Street along the east line of the Right-of way of the G. R. & I. R. R. from the south line of Main Street to a point 800 feet south of Main Street was received and upon motion the City Civil Engineer was instructed to prepare

a plat for said opening.

The petition of the Eckart Packing Co. which provides for vacating of a Street 40 feet wide from the south line of Main Street to the intersection of the Lake Shore R. R. and Mill Creek bounded on the east by land owned by the Eckart Packing Co and on the west by land owned by Henry Eckart was received and upon motion the City Civil Engineer was instructed to prepare a plat for same.

The petition of Louis F. Curdes and 4 others which provides for grading Colerick Street from the 1st Alley west of Smith Street to Hanna Street was taken up and upon motion the City Civil Engineer was instructed to prepare plans and specifications for grading said Colerick Street between the aforementioned points and for brick sidewalks on both sides of Colerick Street from the 1st Alley west of Smith Street to Hanna Street.

The petitions of H. G. Keegan and others for paving Old Main Street from Union Street to Rockhill, and paving Union Street from Main Street to Berry Street and vacating Old Main Street from Union Street to Rockhill Street were upon motion all refused.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne Indiana March 8th 1906
Regular meeting held at 7 30 o'clock P. M.
Present: Ed. J. Lennon Henry Schwartz and Jere Brosius.

The City Civil Engineer submitted estimates of the total cost of work to be performed under public contract as follows:
Improvement Resolution # 405 total cost $10.500.00
" " # 406 " " $11.350.00
" " "# 407 " " $7.750.00
" " " # 408 " " $5.550.00
Local Sewer Improvement Resolution # 141. total cost $804.70

This being a date and time when the Board would hear and consider objections or remonstrances against Improvement Resolution # 405 which provides for paving Wallace Street from Calhoun Street to Lafayette Street there now appeared W. H. Oleh for the Old Wagon Works and several others and objected to paving Wallace Street from Calhoun Street to Lafayette claiming there was no necessity for said Improvement as there were a sufficient number of paved Streets in the immediate vicinity. The Board however decided that the Improvement was a necessity and found that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne if any were equal to or exceeded the estimated cost of the proposed Improvement, and upon motion confirmed Improvement Resolution # 405 as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution # 406 which provides for paving Wallace Street from Lafayette Street to Hanna Street;
also Improvement Resolution # 407 which provides for paving Wallace Street from Hanna Street to John Street;
also Improvement Resolution # 408 which provides for paving Wallace Street from John Street to Smith Street;
also Local Sewer Improvement Resolution # 141 which provides for a vitrified clay pipe Sewer in the Alley south of Joner Street and west of Rockhill Street from the brick Sewer on Nelson Street to Joner Street; the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne if any are equal to or exceed the estimated cost of the proposed Improvements and there appearing no objections or remonstrances of any nature whatsoever against any of the aforementioned Improvement Resolutions upon motion the same were confirmed as in the original.

Moved, that notice to contractors of the work to be performed under Improvement Resolution # 405-406-407-408, also Local Sewer Improvement Resolution # 141 be publisked in the Fort Wayne Journal Gazette on the 10th and 17th days of March 1906 and that the 29th day of March 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open proposals for the work to be done under the aforementioned Resolutions.

Adopted.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for the following work to be done under public contract: Paving Holton Avenue from Buchanan Street to Pontiac Street with Sheet Lake Asphalt;
Paving Lewis Street from Calhoun Street to Harrison Street with Sheet Lake Asphalt;
Paving Pontiac Street from Webster Street to Fairfield Avenue with Sheet Lake Asphalt;
Paving Webster Street from Woodland Avenue to Pontiac Street with Sheet Lake Asphalt;
Paving St. Joe Boulevard from the Bridge to the north line of Lake Avenue with Sheet Lake Asphalt;
Paving Lake Avenue from St. Joe Boulevard to Crescent Avenue with Sheet Lake Asphalt.

The petition of W. H. Stellhorn and 14 other which provides for the erection of an electric Street Light at the intersection of South Wayne Avenue and Wildwood Avenue; also for transferring a light now at the corner of Cottage and South Wayne Avenues to the corner of South Wayne and Home Avenues was received and placed on file.

The plat of Louis Fox's Addition was upon motion taken under advisement.

The Board instructed the clerk to advertise for bids for printing and binding the annual reports for the year 1905, said bids to be opened Monday March 19th 1906 at 3 o'clock P. M.

The Board then adjourned.

Attest Henry W. Becker

Office Board of Public Works.

Fort Wayne Indiana March 15th 1906
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

The remonstrance of F. M. Coleman and 3 others against opening and extending the Alley north of Horace Street from the Alley east of Thomas Street to Holton Avenue was received and placed on file.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution #124 which provides for

opening and extending the Alley north of Horace Street from the west line of Lot No 4 Bards Sub. of Lot No 5 Hanna. Plat 'A.' to the Alley on the north line of above mentioned Bard's Sub. there now appeared Chas. T. Matott owner of real estate abutting on said Alley and remonstrated against the same on the ground that the extending of said Alley would not benefit the abutting property, as there already was an Alley abutting on said property. The Board however considered the ground not well taken and upon motion the aforementioned Declaratory Resolution # 124 was confirmed as in the original.

Moved that an Assessment Roll of benefits and damages in the matter of opening and extending the Alley North of Horace Street from the west line of Lot No 4 Bards Sub. of Lot No 5 Hanna's Plat 'A.' to the Alley on the north line of Bards Sub. under Declaratory Resolution # 124 be and the same is hereby approved and that notice of same to property holders affected thereby be given according to law and that the 5th day of April 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessments of benefits or awards of damages as approved by the Board.

Adopted.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne Indiana March 19th 1906

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lemon Henry Schwartz and Jesse Brosius.

This being the date and time previously fixed by the Board when they would receive and open sealed proposals for printing and binding the annual reports for the year 1905, the Board now proceeded to open such proposals and obtained the following result:

The Page Printing Co. bid for 500 copies per page .97 cts

The Journal Company " " " " " .96½ cts

Upon motion the contract was awarded to the Journal Company their bid being the lowest and best.

The petition of Herman P. Doenger and 5 others which provides for raising and relaying the brick sidewalk on the west side of Oliver Street between Thayer and Horace Streets was received and placed on file.

The clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Company to erect and maintain an Electric Street light at the corner of Calhoun Street and Woodland Avenue; also one light at the corner of Wells Street and Archer Avenue.

The remonstrance of Elizabeth Harmeyer and 10 others against paving Wallace Street from John Street to Gay Street was received and placed on file.

The Board now took a recess untill Tuesday March 20th at 9:30 oclock A. M.

The Board reconvened Tuesday March 20th 1906 at 9:30 oclock A. M. and took up the remonstrance against paving Wallace Street from John Street to Smith Street. It appearing to the satisfaction of the Board that the majority of the resident property owners on said Wallace Street were opposed to paving of the said Wallace Street between the aforementioned points as evidenced by their signatures on the remonstrance, the Board upon motion rescinded all former action taken under Improvement Resolution # 408.

The petition of the Kerr Murray Manufacturing Company

which provides for vacating Clinton Street from the north line of Murray Street to the right-of-way of the Wabash Railroad was received and upon motion the petition was not granted.

The plat of Fairview Amended Addition was upon motion approved.
The Board then adjourned.

Fort Wayne Indiana, March 22d 1906
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

This being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Main Sewer Improvement Resolution No. 19 which provides for a vitrified clay pipe Sewer in and along Holton Avenue from the brick Sewer on Pontiac Street to the Alley south of Pontiac Street on the west side of Holton Avenue, in the Alley south of Pontiac Street from Holton Avenue to the Alley between Thomas Street and Holton Avenue, in the Alley between Thomas Street and Holton Avenue from the Alley south of Pontiac Street to McKee Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed, and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefit each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objection or remonstrance of any nature whatsoever, upon motion the work performed under Main Sewer Improvement Resolution No. 19 was finally accepted

and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when the Board would hear and consider objection or remonstrance against Local Sewer Improvement Resolution No. 142 which provides for a vitrified clay pipe Sewer in the Alley east of Wells Street from the south line of Sixth Street to a point 14 feet south of Miller Lane, also in the Alley north of Sixth Street from the Alley east of Wells Street to a point 25 feet west of the east line of lot No. 199 North Side Addition; the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to exceed the estimated cost of the proposed improvement, and there appearing no objection or remonstrance of any nature whatsoever against the aforementioned Resolution upon motion Local Sewer Improvement Resolution No. 142 was confirmed as in the original.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under public contract as follows: Local Sewer Improvement Resolution No. 142.
Total cost $931.84.

Moved, that notice to contractors of the work to be performed under Local Sewer Improvement Resolution No. 142 be published in the Fort Wayne Journal Gazette on the 24th and 31st days of March 1906 and that the 12th day of April 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be done under the aforementioned Resolution.

Adopted.

The contract and Bond of the Journal Company for printing and binding the annual report for the year 1905 were upon motion approved.

The sidewalk builders Bond of Chas. W. Smith was upon motion approved.

The petition of Fred. R. Bierbaum and 8 others which provides for a sidewalk on the east side of Van Buren Street from St. Marys River to the Alley north of Superior Street was received and upon motion the City Civil Engineer was

instructed to prepare plans for same.

The petition of William Harris and 8 others which provides for a sidewalk on the north side of Balter Avenue from Spy Run Avenue to a point 180 feet east of Hanna Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The remonstrance of Emil Jamey and 17 others against paving Holton Avenue from Buchanan Street to Pontiac Street was received and placed on file.

The proposal of W. E. Harden to furnish all castings needed by the City for Street, Sewer and Crematory purposes until January 1st 1907 was upon motion accepted.

" " 4 " " Inlets, each " "B." $20.00
" cleaning and repairing old Catch Basins, each $8.00
" 12" vitrified clay pipe, used for connections per lineal foot $1.00
" 12"x12" Y's each " " " $1.70

Improvement Resolution No. 408
for paving Wallace Street from John Street to Smith Street.

The Western Construction Company bid for the work complete per lineal foot $8.65

The Cleveland Trinidad Paving Company bid for the same work $8.26 32/100

The Barber Asphalt Paving Company bid for the same work:
For Trinidad Pitch Lake Asphalt per lineal foot $8.46
" Solidad " " " " $8.23

The Moellering Construction Company bid for the same work $8.40

Local Sewer Improvement Resolution No 141
for a vitrified clay pipe sewer in the Alley south of Jones Street from the brick Sewer on Nelson Street to the Alley west of Rockhill Street etc:
Derheimer & Co bid for the work per lineal foot $1.15

Moellering Construction Company " " " $1.13

Anton Rieg bid " " " $1.09

Upon motion the work to be performed under Local Sewer Improvement Resolution No 141 was awarded to Anton Rieg

his bid being the lowest and best.

Upon motion, the bids for paving Wallace Street were taken under advisement till 2 o'clock P. M. March 30th 1906.

This being the date and time when the Board would hear and consider objections or remonstrances against Improvement Resolution #409 which provides for paving Huffman Street from Wells Street to Jessie Avenue, there now appeared a number of property owners on Huffman Street and presented a petition of a majority of the resident property owners on Huffman Street asking the Board to modify the above Resolution by changing it to Asphalt instead of Brick. After carefully examining the signatures on the petition, also the withdrawals from the Brick petition, the Board found that the signers to the petition were in the majority. Thereupon, upon motion Improvement Resolution #409 was modified and changed to "Sheet Lake Asphalt" instead of Brick, and then confirmed.

Upon motion the City Civil Engineer was instructed to prepare specification for paving Huffman Street from Wells Street to Jessie Avenue with Sheet Lake Asphalt.

The petition of Julius Rudolph and 20 others which provides for paving Huffman Street from Wells Street to Jessie Avenue with vitrified paving block was received and placed on file.

The petition of A. D. Kessler which provides for building a bridge over Mill Creek was received and placed on file.

The petition of A. E. Houck and 10 others which provides for the construction of a Cement sidewalk on the north side of Woodland Avenue from Clinton Street to Lafayette Street was received and placed on file.

The Board now upon motion took a recess till Friday, March 30th at 2 o'clock P. M.

The Board reconvened Friday, March 30th 1906 at 2 o'clock P. M. and proceeded to award contracts.

Upon motion the contract for the work to be performed under Improvement Resolution #405 which provides for paving Wallace Street from Calhoun Street to Lafayette Street, was awarded to the Barber

Asphalt Paving Company, their bid being the lowest and best. Improvement Resolution # 406 for paving Wallace Street from Lafayette Street to Hanna Street; upon motion the contract was awarded to The Barber Asphalt Paving Company.
Improvement Resolution # 407 for paving Wallace Street from Hanna Street to the east property line of John Street; upon motion the contract was awarded to The Barber Asphalt Paving Company.

Improvement Resolution # 408 for paving Wallace Street from the east property line of John Street to the west property line of Smith Street; upon motion the bids for this work were taken under further advisement.

The application of Charles Roberts for a Sewer Builders License was upon motion granted.

The request of Jacob Funk asking the City through the Board of Public Works to advance money for publication of notice to property owners assessed for improvements who do not take the benefit of the installment plan was upon motion granted.

The petition of The Home Telephone and Telegraph Co. to construct a man hole in the Alley between Washington and Jefferson Streets and Calhoun and Harrison Streets was upon motion granted.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Attest: Henry W. Becker
CLERK.

Office Board of Public Works.

Fort Wayne Indiana April 5th 1906

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of Benefits and awards of Damages in the matter of opening and extending an Alley north of Horace Street from the west line of lot No. 4 Bards Sub of lot No 5 Hanna's Plat "A." to its intersection with the Alley on the north line of Bards Sub. in accordance with Declaratory Resolution No. 124. There now appeared Wm. H. and M. Spreen and objected to the amount of Damages awarded him, claiming that the damage to their fence and chicken-coop would be greater than the amount awarded him. The Board however, after carefully looking into the matter decided the objection not well taken and upon motion the roll of assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 124 were confirmed as in the original and ordered delivered to the Department of Finance.

The petition of W. J. Haar and 10 others for the construction of a five foot Cement sidewalk on the west side of South Wayne Avenue from Creighton Avenue to the south line of lot No. 3 Fairfield 2d Addition was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Harry B. Menefee and 7 others for cement sidewalks on both sides of Emily Street from Gay Street to Thomas Street was received and placed on file.

The petition of Wm. Stephan and 38 others for paving Winter Street from Lewis Street to Pontiac Street was received and placed on file.

The City Civil Engineer submitted plans and specifications for the following improvements which were upon motion approved:

Improvement Resolution No. 410 for paving Holton Avenue from Buchanan Street to Pontiac Street.
Improvement Resolution No. 411 for paving Lewis Street from Calhoun Street to Harrison Street.

Local Sewer Improvement Resolution No. 143 for a clay pipe Sewer in the Alley between St. Joe Boulevard and Oneida Street from Eden Avenue to Harriet Avenue.

Improvement Resolution No. 410.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Holton Avenue from the south property line of Buchanan Street to the north property line of Pontiac Street, excepting the intersection of Creighton Avenue by grading and paving the roadway to a width of Twenty Six (26) feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone, and paving the wings of all connecting Streets and Alleys, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 411

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Lewis Street from the west property line of Calhoun Street to the east property line of Harrison Street by grading and paving the roadway to a width of Twenty Four (24) feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all

Street and Alley intersections, resetting old curbstone where necessary curbing with new curbstone where not already properly done, and paving the wings of all connecting Streets and Alleys, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 143.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, That the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley between St. Joe Boulevard and Oneida Street from Eden Avenue to Harriet Avenue. Said sewer shall be Twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolution No. 410 - 411 and Local Sewer Improvement Resolution No. 143 be published in the Fort Wayne Journal Gazette on the 7th and 14th days of April 1906 and the 26th day of April 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

Office Board of Public Works.

Fort Wayne Indiana April 26th 1906
Regular meeting held at 7 30 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under Improvement Resolution # 410 which is $15458.67
Improvement Resolution # 411 $2077.53
Local Sewer Improvement Resolution # 143 $309.00

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution Nos. 410. which provides for

paving Holton Avenue from Buchanan Street to Pontiac Street; also Improvement Resolution No. 411 which provides for paving Lewis Street from Calhoun Street to Harrison Street; also Local Sewer Improvement Resolution No. 143 which provides for a vitrified clay pipe sewer in the Alley between St. Joe Boulevard and Oneida Street from Eden Avenue to Harriet Avenue; the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever against any of the aforementioned Improvement Resolutions, upon motion the same were confirmed as in the original.

Moved that notice to contractors of the work to be performed under Improvement Resolution 410 – 411 and Local Sewer Improvement Resolution #143 be published in the Fort Wayne Journal Gazette on the 9th and 16th days of May 1906 and the 28th day of May 1906 at 3 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions

Adopted.

The City Civil Engineer submitted plans for the following Improvements which were upon motion approved.
For the vacation of the Alley south of Riverside Avenue from Spy Run Avenue to the first Alley east of Spy Run Avenue.

For the widening of Pontiac Street on the north side from Holton Avenue to Reed Street.

Declaratory Resolution No. 125

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the Alley south of Riverside Avenue from Spy Run Avenue to the first Alley east of Spy Run Avenue. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City.
The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 126

Resolved By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to widen Pontiac Street on the north side from Holton Avenue to Reed Street. Said widening to be made by condemning and appropriating for Street purposes sufficient lots and lands described as follows:
The south five feet of lots number 1 and 6 Moran's Subdivision of Reed's Out Lot No. 5 situated in the west ½ of east ½ of south east ¼ of section 12 Township 30 north range 12 east. All as shown by a plan of such proposed widening of Pontiac Street above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the widening of said Pontiac Street as above described, is described as all lots or parcels of land not occupied by Streets or Alleys abutting on said Pontiac Street from Hanna Street east to the City limits. All of said Street and lots and lands affected by said widening of said Pontiac Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the vacating of the Alley south of Riverside Avenue as described in Declaratory Resolution No. 125; also to property owners affected by the widening of Pontiac Street as described in Declaratory Resolution No. 126 be published in the Fort Wayne Journal Gazette on the 28th day of April and the 5th day of May 1906 and the 24th day of May 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The petition of Frank Kirbach and 18 others for the erection of an Electric Street Light at the corner of John Street and Colerick Street was received and placed on file.

The petition of E. G. Shulze and 13 others for Curb Cement sidewalks on both sides of Woodland Avenue from Clinton Street to Lafayette Street was received and upon motion was taken under advisement.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne Indiana May 10th 1906

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon Henry Schwartz and Jene Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 412 which provides for paving with sheet lake asphalt Pontiac Street from Calhoun Street to Fairfield Avenue there now was presented a petition by Louisa Kaiser and 10 others asking the Board to modify said Resolution substituting vitrified paving block for asphalt. The petitioners claiming to represent a majority of the resident property owners upon said Street, the question arose as to the eligibility of the petitioners to sign said petition, and the Board being desirous to obtain the true facts, upon motion took the matter under advisement until Friday the 11th day of May 1906 at 4 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 413 which provides for Cement sidewalks on the north side of Masterson Avenue from Clinton Street to Lafayette Street there now appeared several property owners on said Street and remonstrated against the improvement on the ground that their walks were in good condition and to the proper grade. The Board upon motion took the matter under advisement until 4 o'clock P. M. Friday May 11th 1906.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 414 which provides for Cement sidewalks on the north side of Woodland Avenue from Clinton Street to Lafayette Street there now was presented a remonstrance signed by E. G. Shulze and 8 others against the Resolution for the reason that it was desired by said property owners to have the walk placed next to the curb. The Board however having previously adopted a rule to construct no sidewalks next to the curb, and the property owners being opposed to a walk on the property line owing to certain conditions, upon motion the Board rescinded all former action taken under Improvement Resolution No. 414.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 415 which provides for Cement sidewalks on the west side of South Wayne Avenue from Creighton Avenue to the south line of lot No. 3 Fairfields 2nd. Addition; also Improvement Resolution No. 416 which provides for Cement sidewalks on the south and west sides of Thompson Avenue from Broadway to the Alley north of Cliffton Avenue the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne if any are equal to or exceed the estimated cost of the propored improvements and there appearing no objections or remonstrances of any nature whatsoever against any of the aforementioned Improvement Resolutions upon motion the same were confirmed as in the original.

The City Civil Engineer submitted his estimates of the total cost of the work to be performed under public contract to be as follows:

Improvement Resolution No. 412. total cost: $12598.28
" " " 413. " " $539.24
" " " 414 " " $793.80
" " " 415 " " $576.25
" " " 416 " " $633.60

The City Civil Engineer submitted plans for the following Improvements, which were upon motion approved:

For the opening and extending of Fifth Street through lots Nos. 17 - 18 Feeder Addition.

For the vacation of that part of Fifth Street from the south line of Fifth Street as propored to be opened and extended to Barthold Street.

For the vacation of the Alley abutting on the south and east of Lot 41, Trentman and Wagners Subdivision by Commissioners

For the vacation of Hench Street from the south line of Feeder Addition to the north line of Feeder Addition.

For the vacation of the Alley between Grant Avenue and Wabash Avenue from Washington Street to the first Alley south of Washington Street.

Declaratory Resolution No. 127

Resolved by the Board of Public Works of the City of Fort Wayne

Indiana, that it is desired and deemed necessary to open and vacate the following Streets and Alleys:
To open Fifth Street through lots Nos. 17 and 18 Feeder Addition from the south line of lot No. 18 Feeder Addition to Barthold Street. Said opening to be made by condemning and appropriating for Street purposes a strip of ground 26 feet in width through lots Nos. 17 and 18 Feeder Addition.
To vacate that part of Fifth Street from the south line of Fifth Street as proposed to be opened to Barthold Street. To vacate the Alley abutting on the east and south of lot No. 41, Trentman and Wagners Subdivision by Commissioners. Also to vacate Bench Street from the south line of Feeder Addition to the north line of Feeder Addition. All as shown by a plan of such proposed opening and vacations now on file in the office of the Department of Public Works of said City. The cost of said opening and all →

Adopted.

(→ expenses connected therewith to be assessed against the property beneficially affected thereby; All of said property affected being situated in the City of Fort Wayne, County of Allen and state of Indiana.
Adopted.)

Declaratory Resolution No. 128

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the Alley between Grant Avenue and Wabash Avenue from Washington Street to the first Alley south of Washington Street. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City.
The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening of Fifth Street through lots Nos. 17 and 18 Feeder Addition; also by vacating that part of Fifth Street from the south line of Fifth Street. also by the vacation of the Alley abutting on the south and east of lot No. 41 Trentman and Wagners Sub; also by vacating Bench Street from the south side of Feeder Addition to the north side of Feeder Addition, all as described in Declaratory Resolution No. 127. Also to property owners affected by the vacation of the Alley between Grant Avenue and Wabash Avenue from Washington Street to the first Alley south of Washington Street as described in Declaratory Resolution No. 128 be published in the Fort Wayne Journal Gazette on the 12th and 19th days of May 1906 and the 7th day of June 1906 at 7 30 o'clock P. M.

be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The plat of G. A. Selle's Sub. of lots Nos 8-9-10 Limecooleys Addition was upon motion approved.

The sidewalk Builders Bond of J. N. Humphrey was upon motion approved.

The Plumber and Gasfitter Bond, also the Sewer Builders Bond of Edward F. Kronmiller were upon motion approved.

The petition of L. W. Gallmeier to relay under private contract a brick sidewalk on Hunstin Avenue abutting on lots Nos 9-10 Thompsons 2d Addition was upon motion granted.

The petition of Edmund Schroeder and 75 others to pave Gay Street from Levin Street to Colerick Street was received and placed on file.

The petition of S. G. Throckmorton and 26 others for opening Leith Street from Hoagland Avenue to Fairfield Avenue was received and placed on file.

The petition of John P. Weimer and 11 others for paving East Creighton Avenue from Lafayette Street to Hanna Street was received and placed on file.

Upon motion the Board now took a recess until Friday May 11th 1906 at 4 o'clock P. M.

The Board reconvened at 4 o'clock P. M. Friday May 11th 1906 and took up the matter of paving Pontiac Street under Improvement Resolution No. 412. It appearing to the satisfaction of the Board that the petitioners for brick were in the majority, upon motion Improvement Resolution No. 412 was modified and changed to Standard Paving Block from Sheet Asphalt and the City Civil Engineer was instructed to prepare specifications for same.

Upon motion further action in the matter of constructing Cement

sidewalks on the north side of Masterson Avenue was deferred until Monday May 14th 1906.

The Board then adjourned.

Fort Wayne Indiana May 14th 1906
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon Henry Schwartz Jesse Brosius.

The petition of Francis A. Kleinreichert and 13 others which provides for a sidewalk on the north side of Buchanan Street between Winter Street and Holton Avenue was received and placed on file.

The petition of C. W. Gallmeier to relay under private contract a 6 foot brick walk abutting on No. 1932 Fairfield Avenue was upon motion granted.

This now being the date and time when the Board would hear further objections or remonstrances against Improvement Resolution No. 413 which provides for cement sidewalks on the north side of Masterson Avenue from Clinton Street to Lafayette Street there appeared A. M. Ohmeck and objected to the improvement on the ground that he already had a brick walk in good condition. The Board however after investigating the matter carefully, decided that the walk was not laid to the proper grade and needed other repairs, and finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and upon motion Improvement Resolution No. 413 was confirmed as in the original.

The Board then adjourned.

Upon motion the contract under Improvement Resolution No. 413 was awarded to Derheimer & Co they being the lowest and best bidder.

Upon motion the contract under Improvement Resolution No. 415 and 416 were awarded to the Moellering Construction Co they being the lowest and best bidder.

Moved that an Assessment Roll of Benefits and Damages in the matter of widening Pontiac Street on the north side from Holton Avenue to Reed Street under Declaratory Resolution No. 126 be and the same is hereby approved and that notice of same to property holders affected thereby be given according to law and the 5th day of July 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessments of benefits or awards of damages as approved by the Board.

Adopted.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract:

Improvement Resolution No. 421 for paving the Alley between Main Street and Berry Street from Union Street to Rockhill Street;
Local Sewer Improvement Resolution No. 145 for a clay pipe sewer along Beaver Avenue and branches;
Local Sewer Improvement Resolution No. 146 for a clay pipe sewer in the Alley between Wall Street and Swinney Avenue from Riedmiller Avenue to the west line of Swinney Addition.

Improvement Resolution No. 421.

Resolved By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the Alley between Main Street and Berry Street from Union Street to Rockhill Street by grading its full width and paving with vitrified paving block upon a six inch broken stone foundation all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 145.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along Beaver Avenue and the Alley between Cottage Avenue and Lukens Avenue from the Alley south of Home Avenue to South Wayne Avenue: Said sewer shall be 12 and 18 inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 146.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley between Wall Street and Swinney Avenue from the east line of Riedmiller Avenue to the west line Swinney's

Addition. Said sewer shall be 12 inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolution No. 421 and Local Sewer Improvement Resolution No. 145-146 be published in the Fort Wayne Journal Gazette on the 16th and 23rd days of June 1906 and that the 5th day of July 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to each of the aforementioned improvements, and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The petition of Morris Weikart and Chas. Pape for a 4 foot Cement sidewalk on the south side of Polk Street from St. Marys Avenue to De Groff Street was received and placed on file.

The remonstrance of S. B. Bond and 14 others against opening Leith Street from Hoagland Avenue to Fairfield Avenue was received and placed on file.

The petition of Chas. Schreck to relay under private contract a 5 foot brick sidewalk at the Cor. of Barr and Wallace Street, also to relay a 4 foot brick walk at the south east corner of Wallace and Lafayette Streets was upon motion granted.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, June 18th 1906
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

Moved that the work performed under Improvement Resolution No. 405 which provides for paving Wallace Street from Calhoun Street to Lafayette Street; also Improvement Resolution No. 406 which provides for paving Wallace Street from Lafayette Street to Hanna Street be and the same is hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 20th day of June 1906 and the 5th day of July 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolutions or against the Assessment Rolls as approved by the Board, and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said Assessment Rolls.

Adopted

The contract and bond of the Moellering Construction Co for constructing cement sidewalks under Improvement Resolutions No. 415 – 416 were upon motion approved.

Upon motion the Sewer Builders Bond of Chas. Rietdorf was approved.

The petition of Louis Koehler to relay under private contract a 6 foot brick sidewalk abutting on No. 454 Montgomery Street was upon motion granted.

The petition of S. F. Swayne and 13 others for grading Herman Street and opening Herman Street to Pape Avenue was received and placed on file.

The petition of C. C. Adams and 164 other for sprinkling east Lewis Street and regulating the speed of Street Car on said Street was refered to the Common Council as it was addressed to that body.

Moved, that the work performed under Local Sewer Improvement Resolution No. 142 which provides for a vitrified clay pipe sewer in the Alley east of Wells Street from the south line of 6th Street to a point 14 feet south of Miller Lane, also in the Alley north of 6th Street from the Alley east of Wells Street to a point 25 feet west of the east line of lot No. 199 North Side Addition be and the same is hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 20th day of June 1906 and the 5th day of July 1906 at 7.30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board, and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

Upon motion the Board accepted the proposition of Gerding and Auman Bros. to furnish and put on Warrens Anchor Brand Asphalt Roofs on Engine Houses No. 3 and 6 and make all other necessary repairs to gutters and down spouts for the sum of $167.00 each house or $334.00 for the two houses.

The petition of Mollie Haller and Gottlieb Haller praying for a refunder of money paid under an Assessment for paving Fairfield Avenue from Creighton Avenue to Organ Avenue was, upon motion taken under advisement.

The Common Council returned to the Board a Contract entered into by the Board of Public Works in behalf of the City with the Fort Wayne and Wabash Valley Traction Co. granting said Traction Co. a franchise for a right-of-way on Elizabeth Street from Spy Run Avenue to a point about 615 feet west of Spy Run Avenue, in

return for which the said Traction Co. agreed to furnish power for the new pumping station on the south side at 2½ cts per. K. W. The Council recommended that that part of the contract granting a franchise on Elizabeth Street be separated from that part of the contract wherein said Traction Co agree to furnish power to the City for operating its power Station. The Council further recommends that that part of the contract referring to such grant be amended by inserting therein a provision that all buildings constructed by said Traction Co on the land described in said contract be of fireproof material; also inserting a provision forbidding said Co the right to store its cars on said track; also providing for paving said Elizabeth Street by said Traction Co; which report of the Council was received and placed on file.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Attest: Henry W. Becker
CLERK.

Office Board of Public Works.

Fort Wayne, Indiana, June 25th 1906.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the Roll of Assessments of benefits or awards of damages in the matter of opening and extending Fifth Street through lots Nos. 17 and 18 Feeder Addition; also in the matter of vacating Fifth Street from the south line of Fifth Street as proposed to be opened to Barthold Street; also vacating the Alley on the south and east sides of lot No. 41 Trentman and Wagners Sub; also vacating Hench Street from the south line of Feeder Addition to the north line of Feeder Addition in accordance with Declaratory Resolution No. 127 and there appearing no objections or remonstrances whatever, upon motion the roll of Assessments of benefits and awards of damages approved under Declaratory Resolution No. 127 was confirmed as in the original and ordered delivered to the Department of Finance.

The City Civil Engineer submitted a plat for the opening of Leith Street from Hoagland Avenue to Fairfield Avenue, which was upon motion approved.

Declaratory Resolution No. 130.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Leith Street from Hoagland Avenue to Fairfield Avenue. Said opening to be made by condemning and appropriating for Street purposes, sufficient lots and lands described as follows: All of Lot No. 1 Burrow's Subdivision of part of Fairfields Out Lot No. 8, and the north 40 feet of the west 419 feet of Fairfields Out Lot No. 8 situated in the N. E. 1/4 of the N. W. 1/4 Section 14, Tp. 30. N. R. 12. E. All as shown by a plan of such proposed opening and extending of Leith Street as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said Leith Street as above described is described as all lots or parcels of land not occupied by Streets or Alleys lying south of Pontiac Street, west of Calhoun Street, north of Killea Street, and Killea Street extended west to Fairfield Avenue, and the property abutting on the west side of Fairfield Avenue from Wildwood

Avenue to Vermilyea Avenue. All of said Street and lots and lands affected by said opening and extending of said Leith Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners of the adoption of Declaratory Resolution No. 130 be published in the Fort Wayne Journal Gazette on the 26th day of June and the 3rd day of July 1906, and that the 26th day of July 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Declaratory Resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforesaid improvement and to said City if any will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

Upon motion the Plumbers and Gasfitters bond of Henry F. Franke was approved.

The Plumbers and Gasfitters bond of McPhail Bros. was upon motion approved, as was the Sewer Builders Bond of the same firm.

The Housemovers Bond of Sutton Bros. was upon motion approved.

Upon motion the Board approved a Contract with the Fort Wayne and Wabash Valley Traction Company for a franchise on Elizabeth Street from Spy Run Avenue to a point about 615 west of Spy Run Avenue in return for which the said Traction Company agrees to furnish Electric power for the new pumping station on the south side at 2½ cts per K. W. and the Clerk was instructed to submit the same to the Common Council for ratification.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving Fifth Street from Keller Street to Barthold Street with Sheet Lake Asphalt instead of brick as previously ordered. The reason for said change being in the fact that a majority of the resident property owners had withdrawn from the petition for brick on said Street and the plans not yet being completed the Board deemed it wise to make the change.

Upon motion the Clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Co. to erect and maintain

an Electric Street Light in front of No. 732 Cottage Avenue; also one light at the corner of Home and South Wayne Avenue. under the direction of the Board.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.
Fort Wayne, Indiana, June 28th 1906.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lemmon Henry Schwartz and Jesse Brosius

Moved that the work performed under Local Sewer Improvement Resolution No. 143 which provides for a vitrified clay pipe sewer in the Alley between St. Joe Boulevard and Oneida Street from Eden Avenue to Harriet Avenue be and the same is hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 30th day of June 1906 and that the 12th day of July 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board, and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

The Board having decided on the 7th day of June 1906 to withhold the confirmation of Declaratory Resolution No. 128 which provides for vacating the Alley between Grant Avenue and Wabash Avenue from Washington Street to the first Alley south of Washington Street until the Common Council had granted the Berghoff Brewing Co. a franchise for a right-of-way in said Alley, and the Common Council having on the 26th day of June 1906 by ordinance granted said franchise the Board now proceeded to hear and consider objections or remonstrances against vacating said Alley, and there

appearing no objections or remonstrancer of any nature whatsoever, upon motion Declaratory Resolution No 128 was confirmed as in the original

The City Civil Engineer submitted plans and specifications for the following improvements which were upon motion approved: Improvement Resolution No 422 for paving Pontiac Street from Webster Street to Fairfield Avenue; Improvement Resolution No 423 for paving Fifth Street from Wells Street to Barthold Street; Improvement Resolution No 424 for paving the Alley between Main Street and Berry Street from Fairfield Avenue to Fulton Street.

Improvement Resolution No 422.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Pontiac Street from the east line of Webster Street produced south, to Fairfield Avenue, excepting the intersections of Hoagland Avenue by grading and paving the roadway to a width of Twenty four (24) feet, with sheet lake Asphalt upon a six inch Portland Cement concrete foundation by placing a marginal finish at all Street and Alley intersections, curbing with curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No 423.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Fifth Street from the west property line of Wells Street to the east property line of Barthold Street by grading and paving the roadway to a width of Eighteen (18) feet with sheet lake Asphalt upon a six inch Portland Cement concrete foundation by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No 424.

Resolved, by the Board of Public Works of the City of Fort Wayne

Indiana, that it is deemed necessary to improve the Alley between Main Street and Berry Street from Fairfield Avenue to Fulton Street by grading its full width and paving with vitrified paving block upon a six inch broken stone foundation all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolution Nos 422 - 423 - 424 be published in the Fort Wayne Journal Gazette on the 30th day of June and the 7th day of July 1906 and that the 19th day of July 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolution and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to each of the aforementioned improvements, and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted

The petition of H. C. Trier and 11 others for the removal of the Interurban cars that are being stored on Clinton Street between Main Street and Columbia Street was received and placed on file

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, July 30th 1906.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jene Brosius.

The petition of E. L. Deffenbough and 16 other for the erection of an Electric Street Light at the west end of Wall Street was received and placed on file.

The petition of Morris Weikart and one other for a 4 foot cement sidewalk on the south side of Polk Street from St. Marys Avenue to Degroff Street was received

and placed on file.

The City Civil Engineer submitted a plan for opening Barthold Street from Fifth Street to Spring Street; also for the vacation of the south 8 feet of Spring Street from Andrew Street to Feeder Addition; also for the vacation of the Alley between Fourth Street and Spring Street from Barthold Street to Andrew Street which was upon motion approved.

Declaratory Resolution No. 132.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Barthold Street from the south line of Trentman and Wagner Subdivision by Commissioners to Spring Street. Said opening and extending to be made by condemning and appropriating for Street purposes sufficient lots and parcels of land described as follows: The east thirty and one half (30½) feet of lot No. 40, and the west nine (9) feet of lot No. 41 Trentman and Wagner's Subdivision by Commissioners. To vacate the south eight (8) feet of Spring Street from Andrew Street to its intersection with the north line of Feeder Addition; also for the vacation of the Alley south of Spring Street from Barthold Street to Andrew Street. All as shown by a plan of such proposed opening and vacations now on file in the office of the Department of Public Works of said City. All of said lots and lands affected by the opening and vacations above described being situated in the N. W. frl. 1/4 Sec. 2. T. 30 N. R. 12 E. and in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening and extending of Barthold Street as described in Declaratory Resolution No. 132 be published in the Fort Wayne Journal Gazette on the 1st and 16th days of August 1906 and the 6th day of September 1906 at 7½ o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

Moved that notice to contractors of the work to be performed under Improvement Resolutions No. 422-423-424 be published in the Fort Wayne Journal Gazette on the 1st and 8th days of August 1906, and that the 23rd day of August 1906 at

7 30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted.

Upon motion the clerk was instructed to arrange for an appropriation of $4000.00 to the new Street fund.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Company to erect and maintain an Electric Street Light at the corner of Main and Harrison Streets.

Moved, that the work performed under Improvement Resolution No. 416, which provides for a Cement sidewalk on the south and west side of Thompson Avenue from Broadway to the Alley north of Cliffton Avenue be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 2d day of August 1906 and that the 16th day of August 1906 at 7 30 oclock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lot or tract of land have been or will be benefited by said improvement in the amount named on said Assessment Roll.

Adopted.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for Cement sidewalks on both sides of Emily Street from Gay Street to Thomas Street.

The Board then adjourned.

The City Civil Engineer submitted a plan for the opening of Leith Street from Hoagland Avenue to Fairfield Avenue which was upon motion approved.

Declaratory Resolution No. 133.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Leith Street from Hoagland Avenue to Fairfield Avenue. Said opening and extending to be made by condemning and appropriating for Street purposes sufficient lots and parcels of land described as follows: All of lot No. 1 and the north 10 feet of lot No. 2 Burrow's Subdivision of east part of Fairfields Out Lot No. 8, and the north 50 feet of the west 419 feet of Fairfields Out Lot No. 8, situated in the N. E. 1/4 of N. W. 1/4, Sec. 14 T. 30. N. R. 12 E., all as shown by a plan of such proposed opening and extending of Leith Street as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said Leith Street as above described is described as all lots or parcels of land not occupied by Streets or Alleys laying south of Pontiac Street, and Pontiac Street extended west to South Wayne Avenue, west of Lafayette Street, north of Esmond Street to Calhoun Street, north of Killea Street to Hoagland Avenue, north of Cottage Avenue from Hoagland Avenue to Fairfield Avenue, and north of Wildwood Avenue from Fairfield Avenue to South Wayne Avenue, and east of South Wayne Avenue. All of said Street and lots and lands affected by said opening and extending of said Leith Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owner affected by the opening and extending of Leith Street as described in Declaratory Resolution No. 133 be published in the Fort Wayne Journal Gazette on the 8th and 15th day of August 1906 and the 6th day of September 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

The petition of The Forest Park Co and 2 others for the construction of a 5 foot Cement sidewalk on the west side of Crescent Avenue from Lake Avenue to Tennessee Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The petition of George Augevine and 16 others for the construction of sidewalks on both sides of Miner Street from Walnut Street to Poplar Street was received and placed on file.

Upon motion the Sidewalk Builders Bond of W. P. Smick was approved.

The communication of the Controller requesting the Board to prepare and submit their estimate of the amount of money required for the operation of their Department during the year 1907 was received and placed on file.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, August 16th 1906.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lemon Henry Schwartz and Jere Brosius.

The City Civil Engineer submitted estimates of the total cost of the work to be performed under the following Resolutions to be as follows: Improvement Resolution No. 425 total cost #1441.50

" " " 426 " " #268.18

" " " 427 " " #262.80

L. S. " " " 147 " " #732.00

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 425 which provides for Cement Sidewalks on the west side of Carr Street from Keller Street to Sixth Street, there now was presented a remonstrance by Catharine and F. C. Boltz and 12 others against the proposed improvement. It appearing to the satisfaction of the Board that the remonstrance represented only a minority of the resident property owners on said Street, upon motion the remonstrance was not sustained. The Board now finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and upon motion the aforementioned Resolution was confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 426 which provides for a brick sidewalk on the west side of Andrew Street from the south line of lot No. 8 Bauer Subdivision to Huffman Street; also Improvement Resolution No. 427 which provides for a Cement Sidewalk on the north side of Maud Street from Thomas Street to Holton Avenue, the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever against the aforementioned Resolutions upon motion the same were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No. 147 which provides for a vitrified clay pipe Sewer in the Alley south of

Third Street from the east line of Sherman Street to Oakland Street and in the Alley between Sherman Street and Oakland Street from the Alley south of Third Street to the Alley north of High Street, and in the Alley north of High Street from Sherman Street to Oakland Street upon motion Local Sewer Improvement Resolution No. 147 was amended to read as follows: "In the Alley south of Third Street from the west line of Sherman Street to Oakland Street and in the Alley between Sherman Street and Oakland Street from the Alley south of Third Street to the Alley north of High Street and in the Alley north of High from the west line of Oakland Street to Sherman Street." After so amending the aforementioned Resolution the Board finds that the benefit to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever against the aforementioned Resolution upon motion the same was confirmed as amended.

Moved that notice to Contractors of the work to be performed under Improvement Resolutions Nos. 425 - 426 - 427 and Local Sewer Improvement Resolution No. 147 be published in the Fort Wayne Journal Gazette on the 18th and 25th days of August 1906 and that the 6th day of September 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 416 which provides for Cement Sidewalks on the south and west sides of Thompson Avenue from Broadway to the Alley north of Clifton Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution No. 416 was finally accepted and the

Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

Upon motion the hearing of objections or remonstrances against the roll of Assessments of Benefits and Damages under Declaratory Resolution No. 129 was postponed until August 23rd 1906.

The City Civil Engineer submitted plans and specifications for the following Improvements which were upon motion approved:
Paving with Asphalt Buchanan Street from Lafayette Street to Hanna Street;
" " " Faber Street from Calhoun Street to Clinton Street;
" " " Fairfield Avenue from Berry Street to Main Street;
Grading Colerick Street from Hanna Street to Gay Street and paving with brick the Sidewalks on both sides of Colerick Street from Hanna Street to Gay Street;
Paving with Cement the Sidewalk on the west side of Grant Avenue from Alliger Street to the Wabash Railway;
Paving with Cement the Sidewalk on the west side of Broadway from Swinney Avenue to Taylor Street.

Improvement Resolution No. 428.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Buchanan Street from the east property line of Lafayette Street to the west property line of Hanna Street by grading and paving the roadway to a width of Twenty Eight (28) feet with Sheet Lake Asphalt upon a Six (6) inch Portland Cement Concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone, and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 429.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Faber Street from the east property line of Calhoun Street to the west property line of Clinton Street, by grading and paving the roadway to a width of Twenty Four (24) feet with Sheet Lake Asphalt upon a Six (6) inch Portland Cement Concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone, and paving the wings of all connecting Streets and Alleys, all in accordance with the profile, details, drawings and specifications on file in the office of the Department

of Public Works of said City.

Adopted.

Improvement Resolution No. 430.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Fairfield Avenue from the south property line of Main Street to the north property line of Berry Street by grading and paving the roadway to a width of Thirty two (32) feet with Sheet Lake Asphalt upon a six (6) inch Portland Cement Concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone, where not already properly done and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 431.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Colerick Street from the east property line of Wanna Street to the west property line of Gay Street by grading the roadway to a width of Thirty (30) feet and grading to a width of Ten (10) feet and paving with brick to a width of Five (5) feet the sidewalks on both sides all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 432.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the west side of Grant Avenue from Alliger Street to the Wabash Railway, by grading to a width of Ten (10) feet and paving with Cement to a width of Five (5) feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 433.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the Sidewalk on the west side of Broadway from Swinney Avenue to Taylor Street by grading to a width of Ten (10) feet and paving with Cement to a width of Six (6) feet all in accordance with the profile,

details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Improvement Resolutions Nos. 428-429-430-431-432-433 be published in the Fort Wayne Journal Gazette on the 18th and 25th days of August 1906 and the 6th day of September 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvements, and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

Upon motion the Contracts and Bonds of The Moellering Construction Co. covering the work to be performed under Improvement Resolutions Nos. 420 – 421 were approved.

The Bond of Carl J. Weber covering the construction of Cement Sidewalks on the south side of Cottage Avenue from Indiana Avenue to Beaver Avenue was upon motion approved.

The petition of Mossman Garnelle & Co. for permission to tap the Intercepting Sewer on Superior Street was upon motion granted.

Hamel and 1 other asking the Board to have the Fort Wayne and Wabash Valley Traction Co. remove their wires which they have stretched over the houses of the petitioners on Fox Avenue was received and upon motion the clerk was instructed to notify said Company to remove said wires.

The petition of Rudolph L. Wollert and 11 others for paving Suttenfield Street from Hanna Street to Lafayette Street was received and placed on file.

The Board of Jamer Ogden covering the work of relaying a brick side-walk abutting on lot No. 28 E. Hanna Ser. Sub. was upon motion approved.

The petition of W. P. Smick to relay under private an 8 foot brick sidewalk on Jefferson Street abutting on lots No. 164-165 Hanna's Addition was upon motion granted.

The petition of H. Hilgeman and Bro. to construct under private contract a 6 foot Cement sidewalk on Lafayette Street abutting on lots No. 213-214-212 Hamiltons 4th Addition was upon motion granted.

The petition of Auton Rieg to construct under private contract a 4 foot brick sidewalk on Meridian Street abutting on Lot No. 89 Becks 2d. Addition was upon motion granted.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for relaying the intersections on Halton Avenue from Buchanan Street to Pontiac Street, and on Huffman Street from Wells Street to Jesse Avenue, the Board now proceeded to open such proposals and obtained the following result:

W. P. Smick bid for the work complete on both Streets	$277.38
Gallmeier and Waxenfelder " " "	$266.85
George Wilhelm " " "	$211.00
Fred. H. Euelling " " "	$232.60
Chas. Schreck " " "	$240 00
Fred. Oetting bid for the work per lineal foot	.38 cts

Upon motion the work was awarded to George Wilhelm he being the lowest and best bidder.

Upon motion the contract and bond of The Barber Asphalt Paving Co. for paving Pontiac Street from Webster Street to Fairfield Avenue; also the contract and bond for paving Fifth Street from Wells Street to Barthold Street was approved.

Upon motion the contract and bond of Derheimer and Co. for paving the Alley between Main Street and Berry Street from Fairfield Avenue to Fulton Street was approved.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Attest: Henry W. Becker
CLERK

Office Board of Public Works.

Fort Wayne, Indiana, September 6th 1906.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jene Brosius.

The City Civil Engineer submitted estimates of the total cost of the work to be performed under various Resolutions to be as follows:

Improvement Resolution No.	428,	total cost			$10,093.50
"	"	"	429.	"	"	$2365.59
"	"	"	430	"	"	$2386.40
"	"	"	431	"	"	$1040.00
"	"	"	432	"	"	$604.25
"	"	"	433	"	"	$677.38

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 428 which provides for paving Buchanan Street from Lafayette Street to Hanna Street there now was presented a remonstrance of Mrs. J. Schoffman and 5 others, being resident property owners on Buchanan Street, who objected to the improvement. The remonstrants however, being in the minority, upon motion the remonstrance was not sustained. The Board now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement, and upon motion the aforementioned Resolution was confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 429 which provides for paving Faber Street from Calhoun Street to Clinton Street; also Improvement Resolution No. 432 which provides for Cement Sidewalks on the west side of Grant Avenue from Alliger Street to the Wabash Railroad, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and upon motion the aforementioned Resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 430 which provides for paving Fairfield Avenue from Main Street to Berry Street there now was presented a remonstrance by a majority of the resident property owners on said Street and objected to the improvement owning to the fact that a

petition signed by a majority of resident property owners on Fairfield Avenue from Berry Street to Pearl Street had been presented and had been favorably acted upon by the Board. Thereupon upon motion, the Board sustained the remonstrance and rescinded all former action taken under Improvement Resolution No. 430.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 431 which provides for grading Colerick Street from Hanna Street to Gay Street and paving with brick the Sidewalks on both sides of said Street, there was presented a remonstrance by Mrs. Sophia Heuer and one other objecting to the construction of a Sidewalk on the north side of said Street. Upon motion the remonstrance was sustained, and the Resolution modified as follows: Grading Colerick Street from the east property line of Hanna Street to the west property line of Gay Street and paving with cement the sidewalk on the south side of Colerick Street from Hanna Street to Gay Street. After so modifying the aforementioned Resolution the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement, and there appearing no objections or remonstrances of any nature whatsoever against the aforementioned Resolution as modified, upon motion the same was confirmed.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 433 which provides for Cement Sidewalks on the west side of Broadway from Swinney Avenue to Taylor Street upon motion further action was deferred until September 7th 1906 at 4 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 133 which provides for opening Leith Street from Hoagland Avenue to Fairfield Avenue there now was presented a remonstrance by A. S. Bond and 166 others against the proposed opening of said Street for various reasons. The Board after carefully considering the arguments of the petitioners and of the remonstrators decided that the opening of said Street was not a public necessity and upon motion the remonstrance was sustained and all former action taken under Declaratory Resolution No. 133 was rescinded.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against

Declaratory Resolution No. 132, which provides for opening Barthold Street from Fifth Street to Spring; also for vacating the south eight (8) feet of Spring Street from Andrew Street to Feeder Addition; also for vacating the Alley between Spring Street and Fourth Street from Barthold Street to Andrew Street, and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No. 132 was confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of Assessments of Benefits or awards of Damages in the matter of vacating Canal Street on the north line of Barr and Hough's Subdivision of the west 296 feet of Ewings Out Lot No. 14 in the E. ½ of the N. E. ¼. Sect. 3. T. 30. N. R. 12. E. in accordance with Declaratory Resolution No. 129, and there appearing no objections or remonstrances whatever upon motion the roll of Assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 129 was confirmed as in the original and ordered delivered to the Department of Finance.

The remonstrance of B. H. Mommer and 3 others against paving Fairfield Avenue from Main Street to Pearl Street was received and placed on file.

Moved, that the work performed under Local Sewer Improvement Resolution No. 146, which provides for a vitrified clay pipe Sewer in the Alley between Wall Street and Swinney Avenue from Riedmiller Avenue to the west line of Swinneys Addition be and the same is hereby accepted and that notice to property holders affected thereby, be published in the Fort Wayne Journal Gazette on the 8th day of September 1906 and that the 20th day of September 1906 at 7 30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board, and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

The petition of Fred. Giemendorff to construct under private contract a 4 foot Cement Sidewalk on the south side of High Street abutting on No. 415–417 High Street was upon motion granted.

The remonstrance of Berghoff and Fuelber against the construction of

Cement Sidewalks on the east side of Barr Street from Berry Street to Main Street was received and placed on file.

The petition of Samuel Henline and 8 others which provides for paving Barthold Street from High Street to Third Street was received and placed on file.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Co to erect Electric Street lights at the following places: One light at the corner of Taylor Street and Riedmiller Avenue; one light at the corner of Oliver Street and Creighton Avenue; one light at the intersection of Griswold and Parnell Avenues.

Moved, that notice to Contractors of the work to be performed under Improvement Resolutions Nos 428-429-431-432 be published in The Fort Wayne Journal Gazette on the 8th and 15th days of September 1906 and that the 27th day of September 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted.

An estimate of appropriations required by the Department of Public Works during the year 1907 was submitted to the Controller as follows:

Maintenance and Repair of Streets	$18000.00
Street Cleaning	$18000.00
Bridges	$ 3000.00
Sewer Repair	$ 4350.00
Blank Books and Stationary	$ 500.00
Advertising and Printing	$ 2000.00
City Hall	$3500.00
Expense City Civil Engineer's Office	$2800.00
Disposal of Garbage	$12000.00
Public Lights	$28000.00
Public Grounds and Buildings	$ 2000.00
Incidentals	$ 160.00
New Street Improvement Fund	$ 20,000.00
Drinking Fountains	$ 150.00
Insurance	$ 400.00
Furniture and Fixtures	$ 50.00
Total	$114.910.00

Upon motion the clerk was instructed to advertise for bids for the collection and removal of the Kitchen Garbage during the year 1907

said bids to be opened September 17th 1906 at 3 o'clock P. M.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for various work to be performed under public contract the Board now proceeded to open such proposals and obtained the following results:

Improvement Resolution No. 425, for Cement Sidewalk on the west side of Cass Street from Wells Street to Sixth Street:

Fred. Ziemendorff bid for the work complete per lineal foot	.67 cts
Moellering Construction Co. " " " " " "	.59
Derheimer and Co. " " " " " "	.58
Wm. Bussard and Co " " " " " "	.65
Fort Wayne Cement Stone Co " " " " " "	.69
George Wilhelm " " " " " "	.80
Oscar F. Menefee " " " " " "	.62

Improvement Resolution No. 426. Brick Sidewalk on the west side of Andrew Street from the south line of lot No. 8 Bauers Sub. to Huffman Street:

BOARD OF PUBLIC WO

Office Board of Public Works.

Fort Wayne, Indiana, September 7th 1906.
Special meeting held at 4 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

The Board met for the purpose of awarding contracts under the bids which were received and opened September 6th

Upon motion the contract for constructing a brick sidewalk on the west side of Andrew Street under Improvement Resolution No. 426 was awarded to George Wildelm, he being the lowest and best bidder.

Upon motion the contract for constructing a cement sidewalk on the north side of Maud Street under Improvement Resolution No. 427 was awarded to Oscar F. Menefee his bid being the lowest and best.

Upon motion the contract for constructing a vitrified clay pipe Sewer in the Alley south of Third Street under Local Sewer Improvement Resolution No. 147 was awarded to Anton Rieg he being the lowest and best bidder.

A petition of F. L. Racine and 21 other asking the Board to award the contract for constructing Cement sidewalks on the west side of Carr Street under Improvement Resolution No. 425 was received and placed on file.

Upon motion the matter of awarding the contract for constructing Cement sidewalks on the west side of Carr Street from Wells Street to Sixth Street was postponed till Monday September 10th 1906 at 3 o'clock P. M.

Upon motion further action in the matter of Improvement Resolution No. 433 which provides for Cement sidewalks on the west side of Broadway from Swinney Avenue to Taylor Street was postponed till Monday September 10th 1906 at 3 o'clock P. M.

Upon motion the Sewer Builders Bond of Conrad Kern was Approved.
The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, September 10th 1906.
Regular meeting held at 3 o'clock P. M.
Present: C. J. Lennon Henry Schwartz and Jene Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 433, which provides for Cement Sidewalks on the west side of Broadway from Swinney Avenue to Taylor Street, there now appeared several property owners on said Street and objected to the grade as established under the plans of the City Civil Engineer. Thereupon, the Board upon motion ordered the City Civil Engineer to prepare plans for said improvement, the grade of which is to conform with the curb grade on said Steet.

The Board now took up the matter of awarding the contract for constructing Cement Sidewalks on the west of Barr Street from Wells Street to Sixth Street under Improvement Resolution No. 425. Mr. Brosius made a motion to award the contract to The Moellering Construction Co. but received no second to his motion. Thereupon Mr. Schwartz made a motion to award the contract to Derheimer and Co. which was seconded by Mr. Lennon, and which was carried by the following vote: Ayes 2. namely Lennon, and Schwartz, Nays 1. Brosius.

Upon motion the Sidewalk Builders Bond of Ignatius Blent was approved.

The Sewer Builders Bond of Peter Schenkel was upon motion approved.

The petition of C. W. Gallmeier to construct under private contract a 4 foot brick sidewalk on Fox Avenue abutting on lot No. 49 Bonds 2d. Addition was upon motion granted.

Upon motion the City Civil Engineer was instructed to prepare plans for a 4 foot Cement Sidewalk on the north side of Sinclair Street from St. Mary's Avenue to the east line of lot No. 88 Bash's Addition; also for 5 foot Cement Sidewalks on both sides of Miner Street from Walnut Street to Poplar Street.

The petition of Lederer & Southern owner of lot No. 20, W. S. and J. W. Vesey's Addition to make a temporary tap in the Sewer running north to the Alley between Park Avenue and Maple

Avenue was upon motion granted.

Upon motion the annual reports of the City of Fort Wayne, for the year 1905, printed by the Journal Company, were approved and accepted.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, September 13th 1906.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jene Brosius.

The City Civil Engineer submitted specifications for the following work which were upon motion approved: Cement Sidewalks on both sides of Emily Street from Gay Street to Thomas Street; Brick Sidewalks on both sides of Lafayette Street from Esmond Street to Wiebke Street; Paving with Asphalt Berry Street from Calhoun to Harrison Street; Paving with Asphalt Berry Street from Harrison Street to Fairfield Avenue; Local Sewer in the Alley between Victoria Avenue and Pigua Avenue from the brick sewer on Darrow Avenue to Pigua Avenue.

Improvement Resolution No. 435.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Emily Street from Gay Street to Thomas Street, by grading to a width of ten feet and paving with Cement to a width of four feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 436.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Lafayette Street from the north line of Esmond Street to Wiebke Street, by grading to a width of ten feet and paving with brick to a width of five feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of

Public Works of said City.

Adopted.

Improvement Resolution No. 437.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Berry Street from the west property line of Calhoun Street to the west property line of Harrison Street by grading and paving the roadway to a width of 42 feet with Sheet Lake Asphalt, by placing a marginal finish at all Street and Alley intersections resetting old curb stone where necessary, curbing with new curb stone where not already properly done, and paving the wings of all connecting Streets and Alleys, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 438.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Berry Street from the west property line of Harrison Street to the west property line of Fairfield Avenue by grading and paving the roadway to a width of 32 feet with Sheet Lake Asphalt, by placing a marginal finish at all Steel and Alley intersections, resetting old curbing where necessary, curbing with new curb stone where not already properly done and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 148.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley between Victoria Avenue and Pigna Avenue from the brick Sewer on Darrow Avenue to Pigna Avenue; said Sewer shall be 18 inches in diameter, and said Sewer with all its appurtenances, shall be constructed in accordance with the profile, and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Improvement

Resolution No. 435-436-437-438 and Local Sewer Improvement Resolution No. 148 be published in the Fort Wayne Journal Gazette on the 15th and 22nd day of September 1906 and that the 4th day of October 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The City Civil Engineer having changed the plans for constructing Cement sidewalks on the west side of Broadway from Swinney Avenue to Taylor Street as ordered by the Board, the Board now finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and upon motion Improvement Resolution No. 433 was confirmed as modified.

Moved, that notice to Contractors of the work to be performed under Improvement Resolution No. 433. be published in the Fort Wayne Journal Gazette on the 15th and 22nd days of September 1906 and the 4th day of October 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolution.

Adopted

The Contract and Bond of Derheimer and Co. covering the work to be performed under Improvement Resolution No. 425 was upon motion approved.

The petition of Chas. Schieck to relay under private contract a 5 foot brick sidewalk on Huffman Street abutting on lots 8-14 Trentman and Wagners Addition was upon motion granted.

The petition of C. W. Smitley to construct under private contract a 6 foot Cement sidewalk on Lewis Street abutting on lot No. 27 E. Hanna Sur. Addition was upon motion granted.

The petition of Geo. Wilhelm to relay under private contract a 5 foot brick sidewalk on Huffman Street abutting on lot No. 68 Archers Addition was upon motion granted.

The petition of Herman W. Tapp to construct under private contract

a 6 foot Cement sidewalk abutting on lot No. 14 Tylers Addition; also a 6 foot Cement sidewalk on Hanna Street abutting on lot No. 1. Hanna's Out Lots was upon motion granted.

Upon motion the Sidewalk Builders Bond of Herman W. Tapp was approved.

The petition of Frank F. Allen and 17 others for the erection of an Electric Steet Light at the intersection of Putnam and Andrew Streets was received and placed on file.

Upon motion the bill of Mrs. W. B. Kress for money advanced for making a Sewer connection on South Wayne Avenue was allowed.

Upon motion the Board allowed George A. Spink the sum of $14.76 for money advanced in constructing Cement Sidewalk intersections at the corner of Harrison and Taber Streets.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works

Fort Wayne, Indiana, September 17th 1906.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under Improvement Resolution No. 434, which is $3418.51

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 434, which provides for paving Fairfield Avenue from Pearl Street to Berry Street, the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement

and upon motion the aforementioned Resolution was confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Improvement Resolution No. 434 be published in the Fort Wayne Journal Gazette on the 19th and 26th days of September 1906, and that the 8th day of October 1906, at 3 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolution.

Adopted.

Moved, that the work performed under Improvement Resolution No. 421, which provides for paving the Alley between Main Street and Berry Street from Union Street to Rockhill Street, be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 19th day of September 1906, and that the 4th day of October 1906 at 7.30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board, and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on Assessment Roll.

Adopted.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for the collections and removal of all Kitchen Garbage in the City of Fort Wayne during the year 1907, the Board now proceeded to open such proposals and obtained the following result:

Herman Scheele bid for the work $5490.00

Frank Drake " " " $4675.00

Upon motion the bids were taken under advisement.

The petition of Mary E. Bell and 1 other which provides for the construction of sidewalks on the north side of Packard Avenue from Broadway to Beaver Avenue was received and placed on file.

The Contract and Bond of George Wilhelm covering the work to be performed under Improvement Resolution No. 426 was upon motion approved.

The Contract and Bond of Anton Ricy covering the work to be

performed under Local Sewer Improvement Resolution No. 147 was upon motion approved.

Upon motion the clerk was instructed to submit the following to the Controller:

A. W. Schmidt Controller,

Dear Sir. The Board is of the opinion that our clerk is underpaid, and therefore we would ask you to please arrange for an appropriation sufficient that this man can be paid at the rate of $1000 per annum for 1907. Respt. Journ. Board of Public Works

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, September 24th 1906.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted a plan for the vacation of a 12 foot alley that was taken off of the north end of Lots Nos 1 to 9 inclusive of Edsalls and Lot No 11 Walls Addition and the 12 foot alley as laid out on the north line of Lot No 10 Walls Addition; also for the opening of a 12 foot alley through the north part of Lots Nos 1 to 9 inclusive of Edsalls Additions, and Lot No 11 Walls Addition, and for the opening of a 10 foot alley through the north part of Lot No 10 Walls Addition which was upon motion approved.

Declaratory Resolution No 134.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the 12 foot Alley that was taken off of the north end of Lots Nos 1 to 9 inclusive of Edsalls Addition and Lot No 11 Wall's Addition, and the 12 foot Alley as laid out on the north line of Lot No 10 of Wall's Addition. Also that it is desired and deemed necessary to open an Alley 12 feet in width through the north part of Lots Nos 1 to 9 inclusive of Edsall's Addition, and Lot No 11 Wall's Addition, and to open an Alley 10 feet in width through the north part of Lot No 10 Wall's Addition. Said opening to be made by condemning and appropriating for Alley purposes sufficient parcels of lots and

lands described as follows: A tract of land 12 feet in width being a part of the north part of Lots Nos 1, 2, 3, 4, 5, 6, 7, 8, and 9 of Edralls Addition, and Lot No 11 Wall's Addition commencing at a point on the west line of Union Street 158 6/10 feet north of the north line of Wall's ~~Street~~, thence west 550 feet to a point on the west line of Edrall's Addition, that is, 164 feet north of the north line of Wall Street, thence north 12 feet, thence east 550 feet, thence south 12 feet to place of beginning. Also commencing at a point on the east line of Union Street 160 1/3 feet north of the north line of Wall Street, thence east 82 feet to a point on the west line of Morrell Street, that is, 159 5/10 feet north of the north line of Wall Street, thence north 10 feet, thence west 82 feet, thence south 10 feet to place of beginning. All of the above described lots and lands are located in the S.W. 1/4 of the N.W. 1/4 of Sec. 11, T. 30, N. R. 12 E., and shown by a plan of such proposed vacating and opening as above described now on file in the office of the Department of Public Works of said City.

The property which may be injuriously or beneficially affected by the vacation and opening of said Alleys as above described is described as all lots or parcels of land not occupied by Streets or Alleys lying north of Wall Street, east of the west line of Section 11, T. 30, N. R. 12 E., south of the north right-of-way line of the Pittsburg, Fort Wayne and Chicago Railway, and west of the west line of Morrell Street, and the west line of Morrell Street produced north to said north right-of-way line.

All of said Alleys and lots and lands affected by the vacation and opening of said Alleys being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the vacation of a 12 foot Alley on the north end of lots Nos 1 to 9 inclusive of Edrall's Addition and lot No 11 Walk Addition and a 12 foot Alley on the north line of lot No 10 Wall's Addition; also opening a 12 foot Alley through the north part of lots Nos 1 to 9 inclusive of Edralls Addition and lot No 11 Walk Addition, and opening a 10 foot Alley through the north part of Lot No 10 Wall's Addition as described in Declaratory Resolution No 134 be published in the Fort Wayne Journal Gazette on the 25th day of September and the 2d day of October 1906, and that the 25th day of October 1906 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

The plat of Fairfields Heights Addition was upon motion approved.

The Sewer Builders Bond of J. F. Schwegman was upon motion approved.

The Sidewalk Builders Bond of L. F. Sunder was upon motion approved.

The petition of H. Fr. Hunsche and 17 others for a Street Light on Herman Street one blok east of St. Mary's Avenue was received and placed on file.

Upon motion the Contract and Bond of Oscar F. Meneffee covering the work to be performed under Improvement Resolution No. 427 was approved.

The petition of The Fort Wayne Roofing and Paving Co. to construct under private contract a 5 foot Cement sidewalk on West DeWald Street abutting on lot No. 20 Masler Addition was upon motion granted.

The petition of L. F. Sunder to construct under private contract a 5 foot Cement sidewalk on the north side of Lake Avenue from California Avenue to Crescent Ave; also a 5 foot Cement sidewalk from the south line of lot No. 423 Lake Side Add. to the intersection of Crescent Ave. and Tennessee Ave; also a 5 foot Cement sidewalk on the west side of California Ave. from Tennessee Ave. to Lake Ave; also a 5 foot Cement sidewalk on the east side of Crescent Ave. from Lake Ave. to Tennessee Ave. was upon motion granted.

The Board having arranged to attend the meeting of the Municipal League at Chicago decided to hold no meeting on Thursday Sept. 27th.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, October 1st 1906.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jene Brosius.

The Board proceeded to open sealed proposals for various work to be performed under public contract and obtained the following result:
Improvement Resolution No. 428 for paving Buchanan Street from Lafayette Street to Hanna Street with Sheet Lake Asphalt:
The Barber Asphalt Paving Co. bid for the work complete per lineal foot $7.64

There being no other bids submitted for this work, upon motion the contract was awarded to The Barber Asphalt Paving Co.

Improvement Resolution No. 429 for paving Taber Street from Calhoun Steet to Clinton Street with Sheet Lake Asphalt:
The Barber Asphalt Paving Co. bid for the work complete per lineal foot $6.41

There being no other bids submitted for this work upon motion the contract was awarded to the Barber Asphalt Paving Co.

Improvement Resolution No. 431, which provides for grading Colerick Street from Hanna Street to Gay Street and paving with cement the sidewalk on the south side of Colerick Street from Hanna Street to Gay Street:

Derheimer and Co. bid for grading Colerick Street per lineal foot	.26 cts
" " " " Cement Sidewalk " " "	.64 1/3 cts
Moellering Construction Co. bid for grading Colerick Street per lineal foot	.20 cts
" " " " " Cement Sidewalk " " "	.63 cts

Upon motion the contract for the work to be performed under Improvement Resolution No. 431, was awarded to The Moellering Construction Co. they being the lowest and best bidders.

Improvement Resolution No. 432, which provides for Cement Sidewalk on the west side of Grant Avenue from Alliger Street to the Wabash Railroad.

The Moellering Construction Co. bid for the work complete per lineal foot	.64 cts
Derheimer and Co. " " " " " " " "	.63 cts
Oscar F. Menefee " " " " " " " "	.67 cts

Upon motion the contract for the work to be performed under Improvement Resolution No. 432 was awarded to Derheimer and Co. they being the lowest and best bidders.

The petition of C. W. Gallmeier to relay under private contract a 4 foot brick sidewalk on Wilt Street abutting on lot No. 708 Hanna's Addition was upon motion granted.

The petition of Fr. Giemendorff to construct under private contract a 4 foot Cement Sidewalk on Locust Avenue abutting on Lot No. 578 Hanna's Addition was upon motion granted.

The Sidewalk Builders Bond of Fr. Giemendorff was upon motion approved.

Upon motion the following Resolution was adopted by the Board:

Whereas, on the 25th day of September 1906, the Common Council of the City of Fort Wayne, by ordinance duly passed, authorized and directed the Board of Public Works of the City of Fort Wayne, to construct or cause to be constructed, by contract or otherwise, a Municipal Electric Light Works, and by said ordinance provided, that the question whether or not such works shall be so constructed by said City be submitted to the qualified voters of the City of Fort Wayne, at the General Election to be held in the County of Allen in said City on the 6th day of November 1906; and

Whereas, under the law of the State of Indiana governing said City, and under the powers granted by said law to the Board of Public Works, it is necessary before said Board can construct or cause to be constructed, in any manner, such Electric Light Works, that the question be submitted to the qualified voters of said City at a general or special election; Therefore,

Be it Resolved, that the question whether or not the City of Fort Wayne, by and through its Board of Public Works, shall construct, or cause to be constructed, by contract or otherwise, maintain and operate, a municipal electric light works be submitted to the qualified voters of the City of Fort Wayne, at the General Election to be held in said City on the 6th day of November 1906, and that notice of the submission of such question be publised in the Fort Wayne Daily Sentinel on the 1st and 8th days of October 1906.

Edward J. Lennon
Henry Schwartz
Jesse Brosius

Upon motion the Board approved a contract with the Pennsylvania Rail Road Company, granting said Company permission and

authority to construct, maintain and operate a steam railroad track across Broadway Street, Union Street, College Street, Nelson Street and Hanna Street, and ordered the same submitted to the Common Council for ratification.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Attest: Henry W. Becker
CLERK.

Office Board of P.W.s Works.

Fort Wayne, Indiana, October 4th 1906.
Regular meeting held at 7:30 o'clock P. M.
Present: E.J. Lemmon Henry Schwartz and Jene Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for constructing a cement sidewalk on the west side of Broadway from Swinney Avenue to Taylor Street under Improvement Resolution No. 433 the Board now proceeded to open such proposals and obtained the following results:

Derheimer and Co. bid for the work complete per lineal foot .71 cts
The Moellering Construction Co. " " " " .73 cts

Upon motion the contract was awarded to Derheimer and Co. they being the lowest and best bidders.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 421, which provides for paving the Alley between Main Street and Berry Street from Union Street to Rockhill Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed, and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any

nature whatsoever, upon motion the work performed under Improvement Resolution No. 421 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 435, which provides for cement sidewalks on both sides of Emily Street from Gay Street to Thomas Street there now was presented a petition by C. M. Menefee and 3 others, owners of all the property on Emily Street between Oliver Street and Thomas Street asking for permission to construct their walks under private contract, so as to have the work completed before cold weather sets in. Upon motion the petition was granted. Thereupon, the Board upon motion modified Improvement Resolution No. 435 to read from Gay Street to Oliver Street. The Board finds that the benefits to abutting and adjacent property including the benefits to the city, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objection or remonstrances of any nature whatsoever against the aforementioned Resolution, upon motion the same was confirmed as modified.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under public contract to be as follows:

Improvement Resolution No.	435	total cost.		
"	"	" 436	"	" $1735.20
"	"	" 437	"	" $3000.00
"	"	" 438	"	" $7500.00
Local Sewer Improvement Resolution No.		148		$950.00

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 436, which provides for brick sidewalks on both sides of Lafayette Street from Esmond Street to Niebke, there now appeared a number of property owners on said Street and petitioned the Board to have said Street straightened to a regular width before constructing the sidewalks. Thereupon the Board upon motion postponed further action in the matter until said Lafayette Street could be straightened.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolutions No. 437, which provides for paving Berry Street from Calhoun Street to Harrison Street; also Improvement

Resolution No. 438, which provides for paving Berry Street from Harrison Street to Fairfield Avenue; also Local Sewer Improvement Resolution No. 148 which provides for a vitrified clay pipe sewer in the Alley between Victoria Avenue and Pigua Avenue from the brick sewer on Darrow Avenue to Pigua Avenue; the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever against any of the aforementioned Improvement Resolution, upon motion Improvement Resolution No. 437-438 and Local Sewer Improvement Resolution No. 148 were confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Improvement Resolution No. 435-437-438 and Local Sewer Improvement Resolution No. 148 be published in the Fort Wayne Journal Gazette on the 6th and 13th days of October 1906, and that the 25th day of October 1906 at 7:30 o'clock be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted.

The Board having carefully considered the bids submitted for the collection and removal of Kitchen Garbage during the year 1907, upon motion awarded the contract to Frank Draker at his bid for $4675.00 he being the lowest and best bidder.

The Bond of A. A. Chapin covering the relaying of a brick sidewalk abutting on No. 118 Douglas Avenue was upon motion approved and a permit granted.

The Bond of L. J. Gribben covering the relaying of a brick sidewalk abutting on No. 128 Douglas Avenue was upon motion approved and a permit granted.

The Sidewalk Builders Bond of the Moellering Construction Co. was upon motion approved.

The petition of The Moellering Construction Co. to construct under private contract a 6 foot Cement sidewalk on Webster Street and a 7 foot Cement sidewalk on Berry Street abutting on lots Nos. 526-527 Hanna's Addition; also to construct a 5 foot Cement sidewalk at No. 316 W. DeWald Street was upon motion granted.

The Contract and Bond of Derheimer and Co covering the construction of Cement sidewalks on the west side of Grant Avenue from Alliger Street to the Wabash Railroad was upon motion approved.

The petition of C. M. Menefee and 3 other for permission to construct under private contract Cement sidewalks on Emily Street from Oliver Street to Thomas Street was upon motion granted.

The petition of M. A. Ferguson and 17 other which provides for opening an Alley between lots Nos 17 and 18 Elizabeth Rudisills Add. from Spy Run Avenue to Spy Run Creek was received and upon motion the City Civil Engineer was instructed to prepare a plat of same.

Upon motion the City Civil Engineer was instructed to prepare plans for straightening Lafayette Street from Esmond Street to Wiebke Street.

The Board then adjourned.

Nantz and one other for vacating that part of Lawton Avenue from the St. Joe Road to the river; also that part of Central Avenue from the north line of the extension of Central Avenue to the river; and the ungraded and unused road lying north of Lots No. 11 and 31 Riverside 2d Addition, from the west line of Lawton Avenue to the east line of Central Avenue, was received and placed on file.

The following communication was received from The Fort Wayne and Wabash Valley Traction Co. in answer to a request from the Board of Public Works in relation to the cost of Electric

lighting for commercial purposes, and also in relation to the candle power furnished for public lighting.

Fort Wayne, Indiana, Dec. 7th 1906.

To the Board of Public Works of the City of Fort Wayne, Indiana.

Gentlemen:

The Common Council of this City has been advised that the cost of electric lighting in Fort Wayne has lately been increased something like 6 per cent, it is stated, due to a change in this company's system of distribution from high to low frequency. You have requested us to make a statement as to the facts in the matter with which request we are pleased to comply.

From the statement made to the Council the public is led to infer that the entire system of distribution has been changed over. This is not the case as a change has been made in certain districts only. By far the major portion of our customers are in districts outside of those in which the recent change was made. The business district, where our largest customers are located was changed over more than a year ago. Two of the residence districts have not been changed at all and will not be for some time to come. In the remaining districts the meters in use are, almost without exception, of modern type and a large majority of them have been changed over to suit the conditions. The are also interchangeable for both high and low frequency. When adjusted for high frequency and operated on low they register accurately in nearly every case on full loads and show but a slight inaccuracy on smaller loads. The work of reconnecting in these districts has been going on for some time and at the present rate will be completed in a very few days. It is a well known fact that a meter adjusted for a frequency of 60 cycles will not, if operated on 140 cycles, register the full amount of current consumed. A recent test showed an average of 12½ per cent slow. Notwithstanding this loss the company has been installing meters of this type, only, for the past eight months in anticipation of the new requirements.

Fort Wayne and Wabash Valley Traction Co.
By C. D. Emmons, Gen. Mgr.

Upon motion the clerk was instructed to submit the above communication to the Common Council.

Upon motion the clerk was instructed to notify The Fort Wayne and Wabash Valley Traction Co. to erect and maintain an electric

street light at the intersection of Butler and Harrison Street.

The Board then adjourned.

The following petition was received and upon motion granted.

Fort Wayne, Indiana, Dec. 20. 1906.

Board of Public Works.

Fort Wayne, Ind.

Gentlemen: I am the owner of the lot at the south-west cor. of High and Degroff Sts., and I hereby apply for a permit to tap my cellar drain into the end of the High St. main sewer and hereby agree the granting of this permit will not relieve me of paying assessments that may be charged against said lot for branch and Alley sewers that may be constructed in the future. I also agree to keep my sewer and connections in good order at my own expense.

(Signed) A. E. Pember.

Present: E. J. Lennon Henry Schwartz Jesse Brosius.

Upon motion the Board took a recess until Tuesday, Jan. 8th at 2 30 o'clock P. M.

The Board reconvened Tuesday Jan. 8th at 2 30 o'clock P. M.

The following petition was presented to the Board:
To the Honorable Board of Public Works:

The undersigned respectfully represents that heretofore on the 25th day of October 1906, he tendered for approval and acceptance a plat of Charles W. Scherer Addition to East Wayne Heights, which plat was on that day approved by you; that thereafter and before he caused the same to be recorded in the Recorder's Office of Allen County, Indiana, said plat was lost or mislaid, and he has been unable since that time to locate the same and therefore the same has never been recorded in said recorder's office. He further represents that the plat presented at this time for approval is an exact copy of the plat so lost or mislaid and respectfully asks that the plat now tendered for approval be approved by you as the original plat, and that the order heretofore granted approving said lost or mislaid plat be by you rescinded.

Respectfully submitted,
Chas. W. Scherer

Upon motion the petition was granted, and the plat approved and all former action taken October 25th 1906 pertaining to this plat rescinded.

The Fort Wayne and Wabash Valley Traction Company's Contract for lighting the Streets of the City of Fort Wayne during the year 1907 was upon motion approved and ordered submitted to the Common Council for ratification.

The petition of Wm. Klomp and 8 others which provides for a Sewer in the Alley north of Scott Avenue from Thompson Avenue to the first Alley west of Broadway was received and upon motion was referred to the City Civil Engineer.

Upon motion the Sewer Builders Bond of Anton Rieg was approved.

The petition of Wm. H. Shambaugh and 81 others which provides for cement sidewalks on both sides of Main Street between the east line of the right-of-way of the Grand Rapids Rail Road and the west side of said right of way; also for the erection of a Steel light at the crossing of Main Street and the Grand Rapids Rail Road was received and placed on file.

The City Civil Engineer submitted a plan for vacating Stockton Street and Custer Avenue and all the Alleys in Bank Addition to the City of Fort Wayne north of the Lake Shore and Michigan Southern Railway, which was upon motion approved.

Declaratory Resolution No. 137.

For the vacation of Stockton Street and Custer Avenue. Also for the vacation of all the alleys in the Bank Addition to the City of Fort Wayne north of the Lake Shore and Michigan Southern Railway.

Resolved, By the Board of Public Works of the City of Fort Wayne Indiana, that it is desired and deemed necessary to vacate Stockton Street and Custer Avenue. Also the alleys in Bank Addition as follows:

Between lots No. 1 and 2, alley on the south of lots 2 and 3, 4, 5 and 6, alley on the south of lots No. 17, 18, 19 and 20, alley between lots No. 16 and 21, 22 and 23 and alley in the west of lots No. 24, 25, 26, 27, 28, 29, 30 and 31.

All as shown by a plan of such proposed vacations now on file in the office of the Department of Public Works of said City.

The cost of said vacations and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property and lots and lands being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the vacation of Stockton Street and Custer Avenue, also by the vacation of all the alleys in the Bank Addition to the City of Fort Wayne as described in Declaratory Resolution No. 137, be published in the Fort Wayne Journal Gazette on the 9th and 16th days of January 1907 and the 7th day of February 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution. Adopted.

Fort Wayne, Ind., January 24- 1907

Board met in regular session at 7:30 P.M., present E. J. Lennon Henry Schwartz and Jesse Brosius. The agreement with Owen Ford retaining him as Consulting and Supervising Engineer for the construction of a Municipal Electric Light Plant for lighting the streets and public buildings was approved and entered into. Upon motion the agreement entered into between the City and Owen Ford of St Louis for his services as Consulting and Supervising Engineer was approved and ordered made a matter of record.

Upon motion the bond of F. C. Mitte as House mover was approved.

The petition of Frank L. Moffatt and 14 others for a street light at the corner of Maria and Franklin Street was received and placed on file.

Upon motion the City Civil Engineer was ordered to prepare plans and specifications for paving Gay Street with sheet lake asphalt from Lewis St to Colerick Street, omitting space between Wallace and Hayden Street.

Upon motion the City Civil Engineer was instructed to prepare plans for paving Barthold Street with asphalt from High Street to Third Street.

Upon motion the City Civil Engineer was instructed to prepare plans for paving Fock Street with brick from Clinton Street to Barr St.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving Union Street with asphalt from Berry Street to Main Street.

Following is the agreement together with the proposition submitted by Owen Ford, of St. Louis, Consulting and Supervising Engineer:

This Agreement made and entered into this the 23rd day of January 1907. by and bitwen the city of Fort Wayne, by and through its Board of Public Works, party of the first part, Owen Ford, party of the second part Witnesseth:

Whereas the said party of the second part has submitted to said Board of Public Works a proposition for his services in the preparation of the plans and specifications for a municipal electric light works to be constructed by said city, and as a Consulting and Supervising Engineer during the construction of such electric light works, which proposition is as follows:

Fort Wayne, Indiana Jan. 10-1907

The Board of Public Works,
Fort Wayne, Ind.

Dear Sirs:

Herein as set out below, I submit proposition for services of Consulting and Supervising Engineer in the constructing of your Municipal Electric Light and Power Plant, on that basis, which in my opinion, is best suited to the economical and proper handling of said work.

1. I will make all necessary preliminary examinations and investigations, get the local data, determine with the Board the kind and extent of plant to be adopted and get your instructions for the work.

2. Prepare preliminary estimate or estimates of cost, setting forth the general outline of the plant and submit to you for approval or alteration and final decision as to general nature of plant.

3. After said general outline of plant is finally decided upon, I will prepare the final estimates, specifications and plans for the complete plant, in accordance with which, after approval by the Board, bids are to be received and contracts awarded and the works erected.

4. When the above described plans and specifications are approved, the Board will advertise for bids, in the usual manner, setting a day for the opening of said bids. I will meet with the Board at the opening of said bids, advise with you and aid the Board in making of contracts for the work.

5. During the progress of the work, I will make the necessary inspections of the work, in person, and will oversee and direct the starting of the plant in operation, make final inspections, tests and report for final acceptance of the work and direct such changes as are necessary, if any, to have all work comply fully with the specifications and plans.

6. In addition to, and in connection with the above described engineering services, I will furnish during the active construction of the said work or plant; an inspector or representative upon said work, to look after the same, which said representative, as above described, and his services shall be in addition to the inspections and supervision, which I will make in person, as may be necessary and as described above, and either I or the said inspector or representative shall be present at all times on said work during its active construction as required by the said work.

7. My office in St Louis shall be at your disposal in this connection and copies of the plans and specifications kept on file there for use of bidders etc., and I will advise

with the Board and attend to all matters as Consulting Engineer, in accordance with usual customs in such cases and see that the plant is in every way strictly firstclass and in accordance with the specifications and plans.

8. In event the Board shall decide to undertake any part of the work directly, instead of letting it in completed form by contract, I or my representative upon the work or both, will make up list of materials necessary for such work and aid the Board in ordering such materials and securing and employing the help of all kinds necessary for such work.

9. I am to pay all my own expenses in connection with the said work, and also of said Inspector or representative, traveling, hotel expenses etc.

For the above described services of Consulting and Supervising Engineer, including the said Inspector, the Board shall pay to me a sum equal to four percent (4%) of the cost of the said plant or work to be paid as follows:

One and one quarter percent (1¼%) when that part of said work or services up to and including the estimates, plans and specifications are completed and the said estimates, plans and specifications are delivered to the Board, the bids are opened and contracts awarded for the work.

It is understood and agreed that if contracts cannot be let upon the original plans and specifications on account of discrepancy in prices between the estimates and the bids or for other reasons on account of the said plans and specifications, then I am to revise, alter and modify said plans and specifications as required, so that the said, ~~so that the said~~ contracts may be let for the plant.

Said changes in the plans and

specifications to be made if required without any additional charge therefor.

It is also agreed that should the Board fail or be unable from any cause (not the fault of the Consulting Engineer or his work) to award the said contracts for the plant, the said first payment of one and one-quarter percent (1-1/4%) as stipulated, shall be paid to the Consulting Engineer if so far as the work of the Consulting Engineer is concerned, said contracts may be awarded. Two and one quarter percent (2-1/4%) pro rata as payments are made upon the plant, and the balance when the plant is completed and in successful operation. Should the total cost of said plant exceed one hundred and sixty thousand dollar ($160000.00) my percentage of four percent, as above shall not apply on any excess over said amount. The work shall at all times be prosecuted with diligence until completion. I will begin the said engineering work within ten days from date of signing hereof. Two complete copies of the said plans and specifications shall be furnished to the Board and shall be and remain the property of the Board.

Very respectfully
(signed) Owen Ford,
Consulting and Supervising Engineer.

And whereas said city by and through its said Board of Public Works has accepted said proposition so made by the party of the second part.

It is therefore agreed that the said party of the second part be and is hereby retained and engaged as such Consulting and Supervising Engineer for and in the construction of said municipal electric light works, and to furnish the engineering services and work described, and in the manner stated, in the said proposition

above set out under the terms and conditions specified therein, and for the compensation in full for all of the work and labor set forth in said proposition thereon specified, and in case the total cost of the construction of said electric light works exceeds one hundred and sixty thousand dollars ($160000.00) then the party of the second part shall receive the said four (4%) percent of that sum in full for all services as stated in said proposition for the complete construction of said electric light works.

In witness whereof the parties hereto have set their hand and seal the day and year first above written.

present E. J. Lennon, Henry Schwartz & Jesse Brosius

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution 137, which provides for vacating Stockton Street and Custer Avenue and all alleys in Bank Addition, and there appearing no objection or remonstrance of any nature whatsoever, upon motion Declaratory Resolution No. 137 was confirmed as in the original. Also Local Sewer Improvement Resolution No. 144 which provides for a vitrified clay pipe sewer in the alley north of Antoinette Street from the alley east of Walton Avenue to Savannah Street, the Board finds that the benefits to abutting and adjacent property including the benefits to the city of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever against Local Sewer Improvement Resolution No. 144 was confirmed as in the original.

Moved that the work performed under Local Sewer Improvement Resolution No. 144, which provides for a vitrified clay pipe sewer in the alley South of Home Avenue etc., be and the same is hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal-Gazette on the 9th day of February 1907 and that the 7th day of March 1907 at 7:30 o'clock P. M., be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board, and will determine the question as to whether

such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

adopted.

⊕ Declaratory Resolution No. 138-1957

For the opening of Warsaw Street from Dewald Street to Creighton Avenue.

Resolved, By the Board of Public Works of the city of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Warsaw Street from Dewald Street to Creighton Avenue. Said opening and extending to be made by condemning and appropriating for street purposes a tract of land fifty feet in width described as follows:

Commencing at a point on the south line of Dewald Street 228 feet east of the west line of a tract of land known as Dewald Square in Lasselle's Addition situated in the west 1/2 of the S.W. 1/4 Sec. 12 T. 30, N. R. 12 E. Thence south to the north line of Creighton Avenue, thence east 50 feet, thence north parallel with the west line, to the south line of Dewald Street thence west to place of beginning

all as shown by a plan of such proposed opening and extending of Warsaw Street as above described now on file in the office of the Department of Public Works of said city

The property which may be injuriously or beneficially affected by the opening and extending of said Warsaw Street as above described is described as all lots or parcels of land not occupied by streets or alleys laying south of Wallace Street, west of Hanna Street, north of Pontiac Street and east of Lafayette Street.

All of said street and lots and lands affected by said opening and extending of Warsaw Street being situated in the City of Fort Wayne County of Allen and State of Indiana.

adopted

⊕ The City Civil Engineer submitted plans for the following improvements upon which were upon motion approved; For the opening of Warsaw Street from Dewald Street to Creighton Avenue; — For the vacation of Laurence Avenue and the alleys as laid out in A. G. Baker's addition; — For the vacation of the alley or the north line of Bardes Subdivision from its western terminus to its intersection with the north line of the alley as recently opened.

Declaratory Resolution No. 137.

For the vacation of Lawrence Avenue and the alleys as laid out in A.C. Baker's Addition.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate Lawrence Avenue and the alleys as laid out in A.C. Baker's Addition in the S.W. 1/4 of Section 36, T. 31, N.R. 12 E.

All as shown by a plan of such proposed vacations now on file in the office of the Department of Public Works of said City.

The cost of said vacations and all expenses connected therewith to be assessed against the property beneficially affected thereby.

All of said property affected being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 140

For the vacation of the alley on the north line of Bard's Subdivision from its western terminus to its intersection with the north line of the alley as recently opened.

Resolved by the Board of Public Works of the city of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the alley on the north line of Bard's Subdivision of lot No. 5 of Hanna's Out Lots Plat "A" from the east line of Lot No. 11 to its intersection with the north line of the alley as opened through Lots Nos. 2, 3, 4 and 5 in said Bard's Subdivision

All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said city.

The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby.

All of said property affected being situated in the city of Fort Wayne, County of Allen and State of Indiana.

adopted

Moved that notice to property owners affected by the opening of Warsaw Street from Dewald Street to Creighton Avenue as described in Declaratory Resolution 138; also to property owners affected by the vacation of Lawrence Avenue and the alleys as laid out in A. C. Baker's Addition as described in Declaratory Resolution No. 139; also to property owners affected by the vacation of the alley on the north line of Bards Subdivision from its western terminus to its intersection with the north line of the alley as recently opened, be published in the Fort Wayne Journal-Gazette on the 9th day of February and the 16th day of February 1906, and the 9th day of March 1907 at 7:30 o'clock P. M., be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolutions.

Adopted

The Fort Wayne and Wabash Valley Traction Company submitted blue prints showing concrete beams for street car track. Also blue prints showing double tracks across Spy Run River Bridge; also print showing "J" connecting Taylor Street and Broadway South.

Upon motion the plat of Bayer's addition consisting of lots 1 to 37 inclusive, was approved.

The Board then adjourned.

Ft. Wayne, Ind., Feb. 14 - 1907

Regular meeting held at 7:30 P. M., present C. J. Lennon, Henry Schwartz and Jesse Brosius.

The following communication was received from the Central Union Telephone Company, placed on file and made a matter of record:

"Board Public Works,
Fort Wayne, Ind.

Dear Sirs:

Permit me to report the completion of the work of marking with name and number every pole in the city of Fort Wayne owned by the Central Union Telephone Company as required by General Ordinance #281. The total number is 1168.

On March 1st 1906, we reported for taxation 933 poles, the difference between that number and the new total of 1168 being caused by additional poles set during 1906 on South Clinton, South Hanna, South Lafayette and East Lewis streets, and old poles brought under the tax ordinance by extension of city limits.

Yours truly,
(signed) C. L. Taylor
Manager."

The following bids were received for furnishing cement for year 1907:

Kruse and Busching — $2.20 per barrel
Trentman Supply Co — $2.25 " "

Upon motion the contract was awarded to Kruse and Busching, they being the lowest and best bidder.

Upon motion the House Mover's Bond of F. C. Tittle, was approved.

A Petition from Shambaugh & Thiene providing for an asphalt pavement on Kutter Avenue from Main Street to Lot 19 Lumbard's Addition was recived and filed.

The petition of Adolph F. Straube and six others providing for a twelve foot alley on Scott Avenue from Broadway to Thompson Avenue was received and filed.

The Board then adjourned.

The petition of Warren Smitley and 2 other for a cement sidewalk on the north side of Pontiac Street from Smith Street to Oliver Street was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The petition of Fred. W. Kierspe and 29 others for an Electric Street Light at the corner of Broadway and Michigan Avenue and Guthrie Street was received and placed on file.

The following communication was received from the City Clerk:

Fort Wayne, Indiana, Feb. 15th 1907.

The Board of Public Works Ft. Wayne Indiana,

Gentlemen, I wish to call your attention to Resolutions Nos. 15 and 16, adopted by the Common Council at a regular meeting on the 12th day of February 1907, and printed in the Council Proceedings of the above date.

Yours truly
J. Frank Mungovan
City Clerk.

Upon motion the communication was received and placed on file.

Upon motion the clerk was instructed to order two car

loads of No. 2 Paving Brick from the Harris Brick Co.

Moved that an Assessment Roll of Benefits and Damages in the matter of vacating Stockton Street and Custer Avenue and all the alleys in the Hamilton Bank Addition under Declaratory Resolution No. 137 be and the same be hereby approved and that notice of same to property holders affected thereby be given according to law and that the 7th day of March 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessments of Benefits or awards of Damages as approved by the Board.

Adopted

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Attest.
H. W. Becker
CLERK.

Office Board of Public Works.

Fort Wayne, Indiana, Feb. 28th 1907.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for the construction of a vitrified clay pipe Sewer in the Alley north of Antoinette Street from the alley east of Walton Avenue to Savannah Street, the Board now proceeded to open such proposals and obtained the following result:

The Moellering Construction Co. bid for the work per lineal foot, $1.03
Derheimer and Co " " " " " " " $1.12
Anton Rieg " " " " " " " .84

Upon motion the contract was awarded to Anton Rieg, he being the lowest and best bidder.

Upon motion the plat of W. H. F. Moellering's Subdivision of Lots Nos. 1-2-3-4-5-21-22-23-24-25-26-27 and 28 of Town Subdivision of Barnetts Out Lots Nos. 10 and 13 in the W. ½, N. E. ¼, Section 14, T. 30, N. R. 12 E. Lots Nos. 1 to 18 inclusive was approved.

The Board received the following bids for the construction of two large wagon beds, suitable for hauling leaves and cans.
L. C. Gollinger & Bro. bid for the 2 beds $60.00
W. A. Rinehart " " " $45.00
Upon motion the contract was awarded W. A. Rinehart he being the lowest and best bidder.

The Board also received bids for furnishing cart harness for the Street Cleaning Department.
Schaefer Bros. bid per set $13.85
Henry Klebe " " " $13.00
Fred. Hild " " " $12.00
Upon motion the contract was awarded to Fred. Hild, his bid being the lowest and best.

The petition of David Brundage and 14 others for a 5 foot cement sidewalk on the west side of Weller Street from Archer Avenue to St. Joseph Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of John Nieman and 58 others for double tracks on Washington Boulevard east from Harmer Street to Glasgow Avenue was received and placed on file.

The petition of W. F. Vance and 13 others for a Street Light at the intersection of Hale Avenue and Riedmiller Avenue was received and placed on file.

The petition of P. B. Arnold and 5 others for the construction of cement sidewalks on both sides of Woodlawn Avenue from Weller Street to Koch Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Anthony W. Kohlmeyer and 10 others for a cement sidewalk on the east side of Koch Street from Archer Avenue to St. Joseph Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Henry A. Lantz and 8 others for grading Baker Avenue and paving with cement the sidewalks on both sides of Baker Avenue from Kentucky Avenue to

St. Joe Boulevard was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of August C. Laurent and 2 others for permission to construct under private contract a 5 foot brick sidewalk on High Street abutting on lots Nos 113-114-115-116 Bash's Addition was received and upon motion action on same was postponed for one week.

The petition of The Fort Wayne and Wabash Valley Traction Co. for permission to construct at their own expense a brick pavement on Washington Street from Harmer Street to Glasgow Avenue between the rails and for a distance of one foot on either side of said rails was upon motion referred to the City Attorney.

The request of Anton Rieg for an extension of 60 days in which to complete the work to be performed under Local Sewer Improvement Resolution No. 147 was upon motion granted.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Co. to erect the lights that were taken from the tower at the corner of Broadway and Taylor Street at the following places: One at the corner of Nelson and Taylor Streets, one at the corner of Broadway and Park View Avenue, and one at the corner of Taylor Street and Lindley Avenue, the fourth light from said tower having already been placed at the corner of Broadway and Taylor Street. The lights that were taken from the Hanna Street tower were ordered placed as follows: One at the corner of Hanna and Wallace Streets, one at the corner of Hanna and Lasalle Streets, one at the corner of Monroe and Masterson Streets and the fourth one to be located later. Also one new light to erected at the corner of Faber and Webster Streets.

The Sidewalk Builders Bond of Chas. W. Smitley was upon motion approved.

Upon motion the Sewer Builders Bond of Ernst Jenne was approved.

As previously requested by the Board to ascertain the location of an Alley in Gollar and Swayne's Addition, the City Attorney submitted

the following statement: I find that the alley in question is south of lot 51 and that there is no alley between lots 51 and 52; that the north and south alley extends only to the south line of lot 51; that no amended plat or any statement amending the plat has been filed in the Recorder's office by the parties laying out the Addition.

The above facts will be found in Deed Record 101 page 561.

Guy Colerick.

Upon motion the above report was received and placed on file.

A communication from The Fort Wayne and Springfield Railway Co. asking the Board to locate the stops of said company's cars in the City of Fort Wayne was received and placed on file.

The Board then adjourned.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolution No. 144 which provides for a vitrified clay pipe sewer in the alley south of Home Avenue and branches; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Local Sewer Improvement Resolution No. 144 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the Roll of Assessments of Benefits or awards of Damages in the matter of vacating Stockton Street and Custer Avenue and all the alleys in Bank Addition in accordance with Declaratory Resolution No. 137, and there appearing no objections or remonstrances whatever, upon motion the roll of assessment of Benefits and awards of Damages approved under Declaratory Resolution No. 137 was confirmed as in the original and ordered delivered to the Department of Finance.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 139, which provides for vacating Lawrence Avenue and alleys in A. L. Baker Addition and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No. 139 was

confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 140, which provides for vacating the alley north of Bards Sub. from its western terminus to its intersection with the north line of the alley recently opened and there appearing no objections or remonstrances of any nature whatsoever upon motion Declaratory Resolution No. 140 was confirmed as in the original.

The petition of R. K. Erwin and 7 others for a Sewer in the Alley south of High Street from the Alley east of St. Marys Avenue east was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Herman F. Rehm and 9 others for an Electric Street Light on Scott Avenue west of Broadway was received and placed on file.

The following communication was received from the Fort Wayne and Wabash Valley Traction Co.

Fort Wayne, Indiana, March 13th 1907.

Board of Public Works, Fort Wayne, Indiana.

Gentlemen: Answering your favor of the 12th, in reference to petition from property owners on East Washington Street for double track from Harmer to Glasgow Avenue, I beg to advise that by General Ordinance No. 244, dated May 23, 1905, this company relinquished the right for double track upon East Washington Street, not seeing the necessity of the same if Lewis Street were used for the entrance of the Lima interurban railway, which is so being used. We therefore, do not desire a double track on East Washington Street.

Your Very truly

C. D. Emmons

General Manager.

Upon motion the above communication was placed on file.

The City Civil Engineer submitted plans and specifications for the following improvements which were upon motion approved.

Paving Creighton Ave. from Lafayette Street to Hanna Street with Sheet Lake Asphalt; paving Dock Street from Clinton Street to

Barr Street with vitified Paving Block; paving Gay Street from Lewis Street to Hayden Street and from Wallace Street to Colerick Street with Sheet Lake Asphalt; paving Superior Street from Wells Street to a point 32 feet west of the east line of Jackson Street with Sheet Lake Asphalt; paving Union Street from Main Street to Wayne Street with Sheet Lake Asphalt; paving Washington Boulevard East from Harmer Street to Glasgow Avenue with Sheet Lake Asphalt; paving Barthold Street from High Street to Third Street with Sheet Lake Asphalt.

Improvement Resolution No. 439.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Creighton Avenue from the east property line of Lafayette Street to the west property line of Hanna Street by grading and paving the road-way to a width of twenty eight (28) feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all con-necting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 440.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Dock Street from the east property line of Clinton Street to the west property line of Barr Street by grading and paving the roadway to a width of twenty four (24) feet with vitified paving block upon a six inch Portland Cement concrete foundation and curbing with new curb-stone where necessary all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted

Improvement Resolution No. 441.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Gay Street from the south property line of Lewis Street to the north property line of Hayden Street, and from the south property line of Wallace Street to the north property line of Colerick Street, (excepting the intersections of Streets already paved) by grading and paving the roadway to a width of twenty eight (28) feet with Sheet Lake

Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 442.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Superior Street from its intersection with the west line of Wells Street to a point thirty two (32) feet west of the east line of Jackson Street by grading and paving the roadway to a width of thirty (30) feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 443.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Union Street from the south property line of Main Street to the north property line of Wayne Street (Excepting the intersection of Berry Street) by grading and paving the roadway to a width of twenty eight (28) feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation by placing a marginal finish at all Street and Alley intersections curbing with new curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 444.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Washington Boulevard East from the east property line of Harmer Street to the west property line of Glasgow Avenue by grading and paving the roadway with Sheet Lake

Asphalt upon a six inch Portland Cement Concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

The City Civil Engineer submitted a plan showing the vacation of that part of Field Street laying east of the east line of lots Nos. 18 and 29 Oak Knoll Addition and for the vacation of the Alley between Grove Street and Field Street etc. which was upon motion approved.

Declaratory Resolution No. 141.

For the vacation of that part of Field Street laying east of the east line of lots Nos. 18 and 29 Oak Knoll Addition and the vacation of the Alley between Grove Street and Field Street laying east of the east line of lot No. 18. Also the vacation of the Alley abutting on the east side of lot No. 16 Oak Knoll Addition. Also for the opening of an Alley through the east 10 feet of lot No. 18 Oak Knoll Addition.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate that part of Field Street laying east of the east line of lots Nos. 18 and 29. Also for the vacation of the Alley between Grove Street and Field Street laying east of the east line of lot No. 18. Also for the vacation of the Alley abutting on the east line of lot No. 16. All in Oak Knoll Addition. Also for the opening of an Alley through the east 10 feet of lot No. 18 Oak Knoll Addition.

All as shown by a plan of such proposed vacation and opening now on file in the office of the Department of Public Works of said City.

The cost of said vacations and opening and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected being situated in the N. E. 1/4. Sec. 35, T. 31, N. R. 13. E.

Adopted.

The remonstrance of J. E. Bickel and 196 others against the opening of Warsaw Street was received and placed on file.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 138, which provides for

opening Warsaw Street from De Wald Street to Creighton Avenue, there now was presented a remonstrance of J. E. Bickel and 196 others against the opening of said Street. Upon motion further action in the matter was postponed until Monday March 18th 1907 at 3 o'clock P. M.

Upon motion the Board now took a recess until Saturday March 16th 1907 at 2 o'clock P. M.

The Board reconvened Saturday March 16th 1907 at 2 o'clock P. M.

The Board having approved the plan and specifications for paving Barthold Street from High Street to Third Street adopted the following resolution

Improvement Resolution No. 445.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Barthold Street from the north property line of High Street to the south property line of Third Street by grading and paving the roadway to a width of twenty feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolutions No. 439-440-441-442-443-444-and 445 be published in the Fort Wayne Journal Gazette on the 18th and 25th days of March 1907 and that the 4th day of April 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

Moved that notice to property owners affected by the vacation of Field Street etc. as described in Declaratory Resolution No. 141 be published in the Fort Wayne Journal Gazette on the 18th and 25th days of March 1907 and that the 4th day of April

1907 at 7 30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

The Board then adjourned.

H. W. Becker
CLERK.

Office Board of Public Works.
Fort Wayne, Indiana, April 4th 1907.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances againt the roll of assessments of Benefits or awards of Damages in the matter of vacating Lawrence Avenue and the Alleys in A. E. Baker Addition in accordance with Declaratory Resolution No. 139; also a date and time when they would hear and consider objections or remonstrances againt the roll of assessments of Benefits or awards of Damages in the matter of vacating the Alley north of Bards Sub. from its Western terminus to its intersection with the north line of the Alley recently opened in accordance with Declaratory Resolution No. 140, and there appearing no objections or remonstrances whatever upon motion the roll of assessments of Benefits and awards of Damages approved under Declaratory Resolutions No. 139 and 140 were confirmed as in the original and ordered delivered to the Department of Finance.

The City Civil Engineer submitted his estimates of the total cost of the work to be performed under the following resolutions to follow: Improvement Resolution No. 439, total cost $9252.22. Improvement Resolution No. 440, total cost $1857.95. Improvement Resolution No. 441, total cost $39847.09. Improvement Resolution No.

442. total cost #19.156.43. Improvement Resolution No. 443, total cost #4726.40. Improvement Resolution No. 444 total cost #36669.44. Improvement Resolution No. 445 total cost #3001.77

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 439, which provides for paving Creighton Avenue from Lafayette Street to Hanna Street; also Improvement Resolution No. 440, which provides for paving Dock Street from Clinton Street to Barr Street; also Improvement Resolution No. 441, which provides for paving Gay Street from Lewis Street to Hayden Street, and from Wallace Street to Colerick Street; also Improvement Resolution No. 443, which provides for paving Union Street from Main Street to Wayne Street, the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and upon motion the aforementioned Resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 442, which provides for paving Superior Street from Weller Street to a point 32 feet west of the east line of Jackson Street, upon motion the Board modified the aforementioned Resolution as follows: "By grading and paving the roadway to a width of twenty eight (28) feet". The Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to, or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of sufficient reason why such improvement should not be made, upon motion the aforesaid Resolution was confirmed as modified.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 444, which provides for paving Washington Boulevard East from Harmer Street to Glasgow Avenue; also Improvement Resolution No. 445, which provides for paving Barthold Street from High Street to Third Street, upon motion further action was deferred until Friday April 5th 1907 at 10 o'clock A. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances

against Declaratory Resolution No. 141, which provides for vacating that part of Field Street lying east of the east line of lots 18 and 29. Also for vacating the Alley between Grove Street and Field Street lying east of the east line of lot No. 18. Also for vacating the Alley abutting on the east line of lot No. 16. All in Oak Knoll Addition. Also for the opening of an Alley through the east ten (10) feet of lot No. 18 in Oak Knoll Addition, and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No. 141 was confirmed as in the original.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract: Paving Union Street from Wayne Street to Washington Street; Grading Baker Avenue from St. Joe Boulevard to Kentucky Avenue and paving with Cement the sidewalks on both sides of Baker Avenue from St. Joe Boulevard to Kentucky Avenue; Paving with Cement the sidewalk on the West side of Wells Street from a point seventy five feet north of Archer Avenue to St. Joseph Avenue; Paving with Cement the sidewalks on both sides of Woodlawn Avenue from Wells Street to Koch Street; Paving with Cement the sidewalk on the east side of Koch Street from Archer Avenue to St. Joseph Avenue; Paving with Cement the sidewalk on the north side of Pontiac Street from Smith Street to Oliver Street; for the construction of a Main Sewer in and along Nelson Street from the brick Sewer on Taylor Street to the Alley south of Taylor Street and branches; all of which were upon motion approved.

Improvement Resolution No. 446.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Union Street from the south property line of Wayne Street to the north property line of Washington Street, by grading and paving the roadway to a width of twenty eight (28) feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the gutters of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 447.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Baker Avenue from St. Joe Boulevard to Kentucky Avenue by grading the roadway to a width of Thirty (30) feet and grading to a width of ten (10) feet and paving with Cement to a width of five (5) feet the sidewalks on both sides all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 448.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the west side of Wells Street from a point seventy five feet north of Archer Avenue to St. Joseph Avenue by grading to a width of ten feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 449.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on both sides of Woodlawn Avenue from Wells Street to Koch Street by grading to a width of ten feet and paving with Cement to a width of four feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 450.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the east side of Koch Street from Archer Avenue to St. Joseph Avenue by grading to a width of ten feet and paving with Cement to a width of four feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 451.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the north side of Pontiac Street from Smith Street to Oliver Street by grading to a width of ten feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Main Sewer Improvement Resolution No. 20.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that the construction of a main sewer, which, from its size and character, is not only intended and adapted for use by property holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains, which may be hereafter constructed, be and the same is hereby ordered in and along Nelson Street from the brick sewer on Taylor Street to the Alley south of Taylor Street, in the Alley south of Taylor Street from Nelson Street to the Alley west of Nelson Street, in the Alley west of Nelson Street from the Alley south of Taylor Street, to the Alley north of Gollar Avenue, in the Alley north of Gollar Avenue from the Alley west of Nelson Street to the Alley on the west side of Electric Light Addition, in the Alley on the west side of Electric Light Addition from the Alley north of Gollar Avenue to the Alley south of Gollar Avenue. Also the following branches: In the Alley north of Michigan Avenue from the Alley west of Nelson Street to Garden Street, in the Alley west of Nelson Street from the Alley north of Gollar Avenue to Gollar Avenue, in the Alley between Gollar Avenue and Guthrie Street from the Alley on the west line of Electric Light Addition to Guthrie Street. And said sewer with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolution Nos. 446-447-448-449-450-451, and Main Sewer Improvement Resolution No. 20 be published in the Fort Wayne Journal Gazette on the 6th and 13th days of April 1907 and that the 25th day of April 1907 at 7 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned

Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements Adopted.

The petition of Martin Scheiman and 14 others asking the Board to change the Street signs on Hunstin Avenue east of Broadway which was formerly Ferguson Street was upon motion referred to the Superintendent of Streets with instuctions to make the necessary changes.

The petition of C. W. Smitly to construct under private contract a 5 foot Cement sidewalk on Oakland Street abutting on lots "D" and "E" Barr and Vaughn Supplement; also a 5 foot Cement sidewalk on High Street abutting on lot No. 1 Barr and Vaughn Sub; also a 5 foot Cement sidewalk on Oakland Street abutting on lot No. 1 Barr and Vaughn Sub. was upon motion granted.

The petition of Oscar F. Menefee to construct under private contract a 11 x 5 foot Cement sidewalk on Calhoun Street abutting on No. 1315 was upon motion granted.

The petition of A. Ruf for a 5 foot Cement sidewalk on the north side of Baltz Street from Lafayette Street to a point 625 feet east of Lafayette Street was received and placed on file.

The petition of B. Linnemann and 7 others for a Sewer in the Alley east of Andrew Street from Huffman Street to Spring Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Max Richter and 16 others for a Sewer between the Muncie and Nickel Plate Railroads west of Franklin Avenue was upon motion referred to the City Civil Engineer.

The Bond of the C. L. Centline Brewing Co covering the construction of a tunnel under Spy Run Avenue was upon motion approved.

Upon motion the City Civil Engineer was instructed to prepare a plat for opening a 12 ft Alley about 200 feet west of Broadway from Scott Avenue to a point about 217 feet north of Scott Avenue. Also for opening a 14 foot Alley from the east line of the proposed alley above mentioned west to the

south line of the Wabash Right-of-Way.

Upon motion the Board now took a recess until Friday, April 5th at 10 o'clock A. M.

The Board reconvened Friday April 5th 1907 at 10 o'clock A. M. for the purpose of considering the petition of property owners on Washington Boulevard East, asking the Board to modify Improvement Resolution No. 444, by substituting Brick for Asphalt as the material to be used in paving said Street. In order to ascertain the true number of property owners residing on said Street, upon motion the Board postponed action in the matter until Monday April 8th 1907 at 3 o'clock P. M.

The Board now took up the matter of hearing remonstrances against Improvement Resolution No. 445, which provides for paving Barthold Street from High Street to Third Street. A remonstrance having been filed by a majority of the resident property owners on said Street upon motion the remonstrance was sustained.

The Board then adjourned.

CLERK.

Office Board of Public Works.

Fort Wayne, Indiana, April 8th 1907.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lennon Henry Schwartz and Jesse Brosius.

This now being the date and time fixed by the Board when they would consider the petition of property owners on Washington Boulevard East, which petition provides that the Board substitute paving Brick for Sheet Lake Asphalt as the material to be used in paving said Street under Improvement Resolution No. 444, the Board finds that the petitioner are in the minority, therefore, upon motion the prayer of the petitioners was not granted. The Board now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to, or exceed the estimated cost of the proposed

improvement, and there appearing no other objections or remonstrances of any nature whatsoever upon motion the aforesaid Resolution was confirmed as in the original.

Moved that the work performed under Local Sewer Improvement Resolution No. 147, which provides for a vitified clay pipe Sewer in the Alley south of 3rd Street from the east line of Sherman Street to Oakland Street and in the Alley between Sherman Steet and Oakland Street from the Alley south of Third Street to the Alley north of High Street and in the Alley north of High Street from Sherman Street to Oakland Street by and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 10th and 17th days of April 1907 and that the 25th day April 1907 at 7:30 oclock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the afore=mentioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

The petition of J. M. Henry and 9 others which provides for paving Brackenridge Street from Broadway to Fairfield Avenue was received and placed on file.

The petition of John W. Davis to construct under private contract a 4 foot Cement sidewalk on Dearborn Street abutting on the south 30 feet of lot No. 158 Lake Side Park Addition was upon motion granted.

The petition of Oscar F. Menefee to construct under private contract a 5 foot Cement sidewalk on Williams Stret abutting on lot No. 4 Williams Addition was upon motion granted.

The Sewer Builders Bond of Albert Tomkinson was upon motion approved.

The Sewer Builders Bond of Herman Grossman was upon motion approved.

The Plumber and Gasfitters Bond of Philip F. Vasen was upon motion approved.

The Sewer Builders Bond of Miller Bros. was upon motion approved.

Upon motion the clerk was instructed to serve notice upon A. H. Hatterley, owner, Frank E. Baugher, lessee, and Paul P. Kinder, contractor, to discontinue the construction of an addition to the building located on the north 20 feet of the east 100 feet of lot No. 80, Original Plat to the City of Fort Wayne, Indiana, for the reason that said addition extended out on to the sidewalk, which is in violation of the ~~City~~ Ordinances.

In order to avoid all disputes in the future in regard to the time in which petitions for the changing of material to be used in paving Streets and Alleys may be filed, the Board upon motion adopted the following Resolution:
Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that all petitions which provide for changing the kind of material to be used in paving any Street or Alley in the City of Fort Wayne, from the kind of material as specified in the original Resolution adopted for paving any Street or Alley, shall be filed with the clerk of the Board of Public Works not later than midnight of the day preceding the day set for hearing and considering such petitions.

Upon motion the clerk was instructed to arrange for an appropriation of $7000.00 to the New Street Improvement account, which is the City Civil Engineers estimate of the City's portion for paving the following Streets: Berry Street from Calhoun Street to Fairfield Avenue; Brackenridge Street from Broadway to Fairfield Avenue; Walnut Street from Fairfield Avenue to Miner Street; Winter Street from Lewis Street to Pontiac Street; also Knitter Avenue.

The Board then adjourned

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, April 11th 1907.
Regular meeting held at 7.30 o'clock P. M.
Present: E. J. Lennon Henry Schwartz and Jene Brosius.

The City Civil Engineer submitted a plan showing the proposed opening of an Alley west of Broadway and north of Scott Avenue which was upon motion approved.

Declaratory Resolution No. 142.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open an Alley west of Broadway and north of Scott Avenue. Said opening to be made by condemning and appropriating for Alley purposes the following described parcels of land: The 12 feet west of the east 158 feet of the north 210 feet of Thompsons Out Lot No. 1. The north 7 feet of the west 315 feet west of the east 170 feet of Thompsons Out Lot No. 1.; the north 7 feet of lots No. 2, 3. and 4 of Thompsons First Addition, the east 14 feet of lot No. 11 and the north 12 feet of lot. 1 Thompsons Subdivision of lots 5 to 11 of Thompsons First Addition, a strip of ground 42 feet east and west by 7 feet north and south in the south west corner of lot No. 1 Ewings Out Lots and the south 7 feet of the east 479 feet of Ewings Out Lot No. 7. All of the above mentioned lots and parcels of land being situated in the south east quarter of Section 10, T. 30. N. R. 12. E. Allen County, Indiana. All as shown by a plan of such proposed opening of said Alley as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening of said Alley as above described is described as all lots or parcels of land not occupied by Streets and Alleys lying south of the Wabash Railway, west of Broadway and north of Scott Avenue. All of said Alley and lots and lands affected by said opening of said Alley being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved that notice to property owners affected by the opening of the Alley west of Broadway and north of Scott Avenue as described in Declaratory Resolution No. 142 be published in the Fort Wayne Journal Gazette on the 13th and 20th days of April 1907 and the 9th day of May 1907 at 7.30 o'clock P. M. be fixed a date and time when the Board will hear and

consider objections or remonstrances against the aforementioned Resolution.

Adopted.

The remonstrance of Chas. W. Rose and 10 others against the construction of Cement sidewalks on the west side of Smith Street from Pontiac Street to Creighton Avenue was received and upon the remonstrance was sustained with the understanding the the brick walk on said Street be raised and relaid within 20 days from the time the City Civil Engineer sets the stakes for said work.

The petition of Chas. Schreck to relay under private contract a 5 foot brick walk on E. Williams Street abutting on lot No. 208 Hamiltons 4th Addition was upon motion granted.

The petition of N. V. Anders and 14 others for a 5 foot Cement sidewalk on both sides of East Woodland Avenue from Clinton Street to Lafayette 4 feet from the curb was received and placed on file.

The petition of Max. W. Kirbach and 14 others for opening John Street from the Alley south of Colerick Street to Eckart Lane was received and upon motion the City Civil Engineer was instructed to prepare a plan showing such proposed opening.

The petition of Fred. Pankoke and 6 others for a Cement sidewalk on the north side of Eckart Street from Hanna Street to Smith Street was received and placed on file.

The petition of the Archer Printing Co and 3 others for a Cement sidewalk on the north side of Sixth Street from Webb Street to Harrison Street was received and upon motion plans and specifications were ordered for same.

The application of Fred. Marquardt for the position of Sewer Inspector was received and placed on file.

The Contract and Bond of The Journal Company for printing and binding the annual reports of the City for the year 1906 was upon motion approved.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, April 25th 1907.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon and Jere Brosius
Absent: Henry Schwartz.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolution No. 147, which provides for a vitrified clay pipe sewer in the Alley south of Third Street from the east line of Sherman Street to Oakland Street and in the Alley between Sherman Street and Oakland Street from the Alley south of Third Street to the Alley north of High Street and in the Alley north of High Street from Sherman Street to Oakland Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Local Sewer Improvement Resolution No. 147 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under the following resolutions as follows Improvement Resolution No. 446, estimate $2261.31. Improvement Res. No. 447, estimate $2116.20. Improvement Res. No. 448, estimate $800.32, Improvement Res. No. 449, estimate $340.02, Improvement Res. No. 450, estimate $208.05. Improvement Res. No. 451, estimate $222.00 Main Sewer Improvement Res. No. 20, estimate $3646.50.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 446, which provides for paving Union Street from Wayne Street to Washington Boulevard West, also Improvement Resolution No. 447, which provides for grading Baker Avenue and cement sidewalks on both sides of

Baker Avenue from St. Joe Boulward to Kentucky Avenue; also Improvement Resolution No. 448, which provides for cement sidewalks on the west side of Weller Street from a point 75 feet north of Archer Avenue to St. Joseph Avenue; also Improvement Resolution No. 449, which provides for cement sidewalks on both sides of Woodlawn Avenue from Weller Street to Koch Street; also Improvement Resolution No. 450, which provides for cement sidewalks on the east side of Koch Street from Archer Avenue to St. Joseph Avenue; also Main Sewer Improvement Resolution No. 20, which provides for a sewer in and along Nelson Street from the brick sewer on Taylor Street to the Alley south of Taylor Street and branches, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

The City Civil Engineer submitted plans and specifications for the following improvements, which were upon motion approved: Paving with Cement to a width of eight (8) feet the sidewalks on both sides of Wayne Street from Harrison Street to Fulton Street; paving with Cement to a width of seven (7) feet the sidewalks on both sides of Wayne Street from Fulton Street to Union Street; paving with Cement to a width of six (6) feet the sidewalks on both sides of Wayne Street from Union Street to College Street.

Sidewalk Improvement Resolution No. 452.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Wayne Street from the west curb line of Harrison Street to the east curb line of Fulton Street by grading to a width of seventeen feet and paving with Cement to a width of eight feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 453.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that in deemed necessary to improve the sidewalks on both sides of Wayne Street from the west curb line of Fulton Street to the east curb line of Union Street by grading to a width

of seventeen feet and paving with Cement to a width of seven feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 454.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on both sides of Wayne Street from the west curb line of Union Street to the east curb line of College Street by grading to a width of seventeen feet and paving with Cement to a width of Six feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolution Nos 452 - 453 - 454, be published in the Fort Wayne Journal Gazette on the 27th day of April and the 4th day of May 1907 and that the 16th day of May 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The petition of David Seibold and 23 others which provides for a sewer between Broadway and the St. Marys River from the Bluffton Road to Guthrie Street was received and upon motion the same was referred to the City Civil Engineer.

The petition of Charles Schreck to relay under private contract a 5 foot brick sidewalk on the west side of Smith Street from Creighton Avenue to Pontiac Street; also to relay a 5 foot brick sidewalk on Hayden Street abutting on lot No. 251 E. Hanna Sub. Addition was upon motion granted.

The petition of Ed. Koontz to construct under private contract a 5 foot Cement sidewalk on Knitter Avenue abutting on lots Nos. 12 to 19 Lumbard Park Addition was upon motion granted.

The petition of K. J. Bauer and 2 others for grading Barthold Street from Fourth Street to Spring Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The Plumbers and Gasfitter Bond of Fred. Weibel was upon motion approved.

Upon motion the City Civil Engineer was instructed to prepare plans specifications for a 4 foot Cement sidewalk on the south side of Polk Street from St Mary's Avenue to De Groff Street.

Upon motion the G. A. R. was granted permission to erect a Reviewing Stand at the corner of Wayne Street and Barr Street on the Market space.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Co to repair the pavement on East Lewis Street between their tracks and one foot on the outside of their tracks from Lafayette Street east.

Moved that the work performed under Improvement Resolution No. 431, which provides for grading Colerick Street and paving with Cement the sidewalk on the south side of Colerick Street from Hanna Street to Gay Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 29th day of April 1907, and that the 16th day of May 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lot or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 451, which provides for Cement sidewalks on the north side of Pontiac Street from Smith Street to Oliver Street, upon motion the hearing was postponed till Thursday May 2d. 1907 at 7:30 o'clock P. M. The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, May 6th 1907.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lennon and Jesse Brosius

Absent: Henry Schwartz.

The petition of C. W. Smitly to construct under private contract a 4½ foot Cement sidewalk on W. Third Street abutting on lot No. 20 Clarks Addition was upon motion granted.

The Sewer Builders Bond, also the Plumber and Gasfitter Bond of J. P. Martin & Co were upon motion approved.

The Sewer Builder Bond, also the Sidewalk Builder Bond of Joseph Derheimer were upon motion approved.

The petition of O. F. Menefee to construct under private contract a 5 foot Cement sidewalk on Taber Street abutting on lot No. 241 Williams Addition was upon motion granted.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Co to erect and maintain Electric Street light at the following places: at the intersection of St. Joe Boulevard and Baker Avenue; at the intersection of Polk Street and Franklin Avenue; at the intersection of Spy Run Avenue and Griswold Avenue; at the intersection of Michigan Avenue and Guthrie Street; at the intersection of Glasgow Avenue and Maumee Avenue.

The City Civil Engineer submitted a plan for widening and

straightening Lafayette Street from the north line of Essmond Street to the north line of Wiebke Street; also a plan showing the widening of Hanna Street from the south line of lot No. 10 Feichter Subdivision to Oxford Avenue, and on the east side from the south line of Industrial Park Addition to a point on the east side of Hanna Street where the south line of Oxford Avenue, produced east, intersects the same, which were upon motion approved.

Declaratory Resolution No. 143.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to straighten and establish a uniform width of fifty-five feet to Lafayette Street from the north line of Essmond Street to the north line of Wiebke Street. Said straightening and uniform width of fifty-five feet to be made by condemning and appropriating for Street purposes an irregular tract of land on the west side of Lafayette Street situated in the S. E. 1/4 of the N. E. 1/4 of Sec. 14, T. 30, N. R. 12. E., and described as follows:

Commencing with a width of two feet on the west side of Lafayette Street at the north line of Ormiston Heir Addition, thence north to the north line of lot No. 17 Dalmain Addition, at which point said irregular tract of land is four feet and four tenths of a foot in width. The width of ground taken from each lot or tract of land is more particularly shown by a plan of such proposed straightening of Lafayette Street as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the straightening of and establishing of a uniform width of Lafayette Street, as above described, is described as all lots or parcels of land not occupied by Streets and Alleys abutting on said Lafayette from the north line of Essmond Street to the north line of Wiebke Street. All of said property and lots and lands affected by the straightening and establishing of a uniform width to said above described Lafayette Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 144.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to widen Hanna Street on the west side from the south line of lot No. 10 Feichter Subdivision to Oxford Avenue and to widen Hanna Street on the east side from the south line of Industrial Park Addition to the south line of Oxford Avenue produced east across

Hanna Street. Said widening to be made by condemning and appropriating for Street purposes the following described parcel of lots and lands. The east five feet of lots Nos. 8, 9, 10, 11 and 12 of Trentman and Mannings Subdivision of L. O. L. No. 11. The east five feet of lot No. 10 Lasalle's Out Lots. The east five feet of lots 1, 2, 3 and 4 Koenig's Subdivision of Lasalle's Out Lot No. 9. The east five feet of Lasalle's Out Lots Nos. 2, 3, 7 and 8. The east 8 feet of Lot No. 1 Lasalle's Out Lot and the east ten feet of Hood's Out Lots Nos 9 and 10, all on the west side of Hanna Street. The west eight feet of lots Nos. 1 and 10 Eckart Subdivision of Pugh's Out Lots and the west eight feet of Pughs Out Lots No. 1, 2, 3, 4, 5 and 6, and the west nine feet of the north 373 feet of the east half of the S. W. 1/4 Section 13. T. 30. N. R. 12 E. on the east side of Hanna Street so called and recorded. All as shown by a plan of such proposed widening of Hanna Street as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially effected by the widening of said Hanna Street, as above described, is described as all lots or parcels of land not occupied by Streets or Alleys abutting on said Hanna Street from Pontiac Street to Oxford Avenue. All of said Hanna Street above described, and lots and lands effected by said widening, being situated in the W. 1/2 Sec. 13. T. 30, N. R. 12. E, and within the jurisdiction of the Board of Public Works of the City of Fort Wayne, Indiana.

Adopted.

Moved that notice to property owners effected by the straightening of Lafayette Street from the north line of Esmond Street to the north line of Wiebke Street as described in Declaratory Resolution No. 143; also to property owners effected by the widening of Hanna Street on the west side from the south line of lot No. 10 Feichter Subdivision to Oxford Avenue and on the east side from the south line of Industrial Park Addition to the south line of Oxford Avenue produced east across Hanna Street as described in Declaratory Resolution No. 144. be published in the Fort Wayne Journal Gazette on the 8th and 15th days of May 1907, and that the 6th day of June 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The City Civil Engineer submitted a plan showing the proposed opening of John Street from the Alley south of Colerick Street to Eckart Lane, which was upon motion approved.

The City Civil Engineer submitted a plan showing the proposed vacation of the 12 foot Alley on the north line of Lot No. 50 Zollars and Swayne's Addition and the opening of an Alley through the north 12 feet of Lot No. 51, the east 6 feet of Lot Lot No. 51 and the west 6 feet of Lot No. 3 Zollars and Swayne Addition, which was upon motion approved.

Declaratory Resolution No. 145.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend John Street from the Alley south of Colerick Street to Eckart Lane. Said opening and extending to be made by condemning and appropriating for Street purposes a tract of land Sixty feet (60) in width

described as follows: The Sixty (60) feet west of the east Thirty (30) feet of lot No. 3 of Eckart's Subdivision of Pugh's Out Lots Nos. 7 and 8, situated in the E. ½, N. W. ¼ Sec. 13, T. 30 N. R. 12. E.
All as shown by a plan of such proposed opening and extending of John Street, as above described, now on file in the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said John Street as above described, is described as all lots or parcels of land not occupied by Streets and Alleys lying south of Pontiac Street, west of Smith Street, north of Eckart's Subdivision and east of Hanna Street. All of said Street and lots and lands affected by the opening and extending of said John Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 146.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open an Alley twelve (12) feet in width, six (6) feet on each side of the line dividing lots No. 3 and 51 Follans and Swayne's Addition, and through the north twelve (12) feet of lot No. 51 Follans and Swayne's Addition. Also to vacate the twelve (12) foot Alley, which lies between lots Nos. 50 and 51 Follans and Swayne's Addition. All as shown by a plan of such proposed opening and vacation, now on file in the office of the Department of Public Works of said City. The cost of said opening and vacation, and all expenses connected therewith to be assessed against the property beneficially affected thereby.

Adopted.

Moved that notice to property owners affected by the opening and extending of John Street as described in Declaratory Resolution No. 145; also to property owners affected by the opening of a twelve foot Alley abutting on lots No. 3 and 51 Follans and Swayne's Addition, also for the vacation of the Alley between lots No. 50 and 51 Follans and Swayne's Addition as described in Declaratory Resolution No. 146, be published in the Fort Wayne Journal Gazette on the 13th and 20th days of May 1907 and that the 13th day of June 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The Clerk was instructed to order 2 dozen iron Cuspidors from W. F. Kaag and Sons at the price quoted which is $5.00 per dozen,

and 1 dozen Rubber mats from Wolf and Dessauer at the price quoted which is $7.00 per dozen, all of the above being for the City Hall.

The Board now took a recess till Friday May 10th at 10 o'clock A. M.

The Board reconvened Friday May 10th at 10 o'clock A. M. for the purpose of further considering the bids submitted for paving Dock Street. After carefully considering the bids the Board upon motion awarded the contract for paving Dock Street under Improvement Resolution No. 440 to The Moellering Construction Co. they being the lowest and best bidders.

The Board having determined that the cost of the work to be performed under Improvement Resolution No. 444, which provides for paving Washington Boulevard East from Harmer Street to Glasgow Avenue came within the limit fixed by law now finally awarded the contract for said work to The Cleveland Trinidad Paving Co. at their bid of $9.01 per lineal foot.

The Board then adjourned.

Whereas the Common Council of the City of Fort Wayne by ordinance duly passed authorized, instructed and directed the Board of Public Works to construct or cause to be constructed, maintained and operated a Municipal Electric Light Works, and instructed said Board to cause an election to be held in said City to determine whether or not the voters voting upon such question were in favor of the construction, operation and maintenance of such works, which election was accordingly held, and the majority of the voters voted in favor of the construction, operation and maintenance of such works; and
Whereas thereafter said City by and through its said Board of Public Works entered into a contract with Owen Ford whereby and under the provisions of which said Ford agreed to prepare plans and specifications for the construction of such Electric Light Works satisfactory to said Board of Public Works, which contract was thereafter approved and ratified by said Common Council; and
Whereas said Owen Ford has prepared plans and specifications for the construction of said electric light works and submitted the same to said Board of Public Works and which plans and specifications have been by the Board approved, and
Whereas there has been raised by taxation for the construction of such works the sum of # which is now available for such purposes, now therefore
Be it resolved that the Board of Public Works construct a Municipal Electric Light Works for the City of Fort Wayne under the laws governing the construction of such Electric Light Works, and be it further
Resolved, that notice to contractors be published in the Fort Wayne Journal Gazette on the 29th day of May and the 5th day of June, 1907, and that the 24th day of June, 1907 at 3 o'clock P. M. be fixed at date and time when the Board will receive and open sealed proposals for such Electric Light Works.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, June 6th 1907.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

Moved, that the work performed under Improvement Resolution No. 428, which provides for paving Buchanan Steet from Lafayette Steet to Hanna Steet; also Improvement Resolution No. 434, which provides for paving Fairfield Avenue from Pearl Steet to Berry Steet; also Improvement Resolution No. 435, which provides for cement sidewalks on both sides of Emily Steet from Gay Steet to Oliver Steet be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 8th day of June 1907, and that the 20th day of June 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolutions or against the Assessment Roll as approved by the Board and will determine the question

as to whether such lot or tract of land have been or will be benefited by said improvements in the amounts named on said Assessment Roll.

Adopted

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 431, which provides for grading Colerick Street and paving with cement the side-walk on the south side of Colerick Street from Hanna Street to Gay Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata Assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution No. 431 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 143, which provides for straightening Lafayette Street from Esmond Street to Wiebke Street; also Declaratory Resolution No. 144, which provides for widening Hanna Street on the west side from the south line of Lot No. 10 Feichter Sub. to Oxford Avenue, and on the east side from the south line of Industrial Park Addition to the south line of Oxford Avenue produced east, and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolutions No. 143 and 144 were confirmed as in the original.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under the following resolutions as follows:
Improvement Resolution No. 455, total cost $311.^{08}.
Improvement Resolution No. 456, " " $964.^{08}

This being a date and time previously fixed by the Board when

they would hear and consider objections or remonstrances against Improvement Resolution No. 455, which provides for cement sidewalks on the north side of Sixth Street from Weller Street to the east line of Lot No. 199 North Side Addition; also Improvement Resolution No. 456, which provides for grading Wildwood Avenue and cement sidewalks on both sides of Wildwood Avenue from Fairfield Avenue to Hoagland Avenue, the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Improvement Resolutions No. 455 and 456 be published in the Fort Wayne Journal Gazette on the 8th and 15th days of June 1907, and that the 27th day of June 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted

moved that notice to none-resident property owners of an assessment of Benefits and Damages in the matter of opening and extending Leith Street under Declaratory Resolution No. 121 be published in the Fort Wayne Journal Gazette on the 8th and 15th days of June 1907 and that the 11th day of July 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessment of Benefits or awards of Damages as approved by the Board. X

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of Assessments of Benefits or awards of Damages in the matter of opening Warsaw Street from De Wald Street to Creighton Avenue in accordance with Declaratory Resolution No. 138, there now appeared several property owners and verbally objected against their assessment of benefits. The Board however found their objections not well taken, and upon motion the Roll of Assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 138 was confirmed as in the original and ordered delivered to the Depart=ment of Finance.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the Roll of Assessments of Benefits or awards of Damages in the matter of opening and extending Leith Street from the west line of Lasalle's Out Lot No. 12 to Hanna Street in accordance with Declaratory Resolution No. 121, upon motion the final hearing was postponed till July 11th 1907 at 7:30 o'clock P. M. by reason of the fact that service could not be had on a number of property owners without publication.

Upon motion the City Civil Engineer was instructed to prepare plans for extending the Sewer in the Alley west of Runion Ave. north.

The following petition was received by the Board:

To the Honorable Board of Public Works, Gentlemen: We the undersigned residents of Fourth Street beg leef to call your attention to the fact that the Garbage wagons which are hauled up and down our Street three times a day are a nuisance, the stench is terrible, for they are usually left open, and the noise on the brick pavement is very annoying. It is our belief that these wagons could be left at the crematory thereby saving this unnecessary annoyance. Your petitioners kindly ask your assistance to abate the nuisance. Respfully

A. L. Dodane and 39 others.

Upon motion the clerk was instructed to notify Mr. Draker the Garbage collector to leave the wagons at the crematory.

The Bond of W. J. Esterline covering the construction of Cement Sidewalks on Holton Avenue abutting on lot No 14 DeVilbiss Addition was upon motion approved.

The Bond of Theobald Hofer covering the construction of Cement sidewalks on both sides of Clinton Street from Elizabeth Street to the side-track of The Fort Wayne and Wabash Valley Traction Co. was upon motion approved.

The petition of The Moellering Construction Co. for permission to construct under private contract a 5 foot Cement sidewalk on the north side of Woodland Avenue from Clinton Street to Barr Street was upon motion granted.

The petition of the Shoemaker Automobile Co. for permission to construct a frame Shute on Harrison Street south of Main Street for the purpose of running automobiles from the building to the Street was granted on condition that petitioner do not violate any City Ordinances.

The following applications for Coal Weighers Licens were upon motion granted: Independent Coal Co. 415 High Street; George N. Krudop, Cor. Francis & Hayden Street; Modernell Coal Co. Fulton Street and N.Y. C. & St. L. R.R.; W. M. Weller, Old Fort Place and Clay Street.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 432, which provides for Cement sidewalks on the west side of Grant Avenue from Alliger Street to the Wabash Rail Road; also Improvement Resolution No. 434, which provides for paving Fairfield Avenue from Pearl Street to Berry Street; also Improvement Resolution No. 435, which provides for Cement sidewalks on both sides of Emily Street from Gay Street to Oliver Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolutions, which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions No. 432, 434 and 435 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally

ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 428, which provides for paving Buchanan Street from Lafayette Street to Hanna Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, upon motion further hearing was postponed till Monday June 24th 1907 at 9 o'clock A. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 457, which provides for cement sidewalks on both sides of Washington Boulevard West, from Calhoun Street to Harrison Street; also Improvement Resolution No. 458, which provides for cement sidewalks on both sides of Washington Boulevard West from Harrison Street to Fairfield Avenue; also Improvement Resolution No. 462, which provides for cement sidewalks on the east side of Dimmen Avenue from Thompson Avenue to Hartnett Avenue; the Board finds that the benefit to abutting and adjacent property, including the benefit to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 459, which provides for cement sidewalks on both sides of Washington Boulevard West, from Fairfield Avenue to Swinney Park; also Improvement Resolution No. 460, which provides for cement sidewalks on both sides of Calhoun Street from the north line of Lot No. 1 Hamiltons 5th Addition on the east, and from the south line of Grand Street on the west to Creighton Avenue; also Improvement Resolution No. 461, which provides for cement sidewalks on both sides of Calhoun Street from Creighton Avenue to Marshall Street, there having been presented several remonstrances against these resolutions, upon motion the Board postponed further hearing till Monday June 24th 1907 at 9 oclock A. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 463, which provides for cement sidewalks on the south side of High Street from the east line of lot No. 13 McCulloch's Sub to Barthold Street, there now appeared a number of property owners affected by said proposed improvement and objected to the improvement being made unless the walk was extended to St. Mary's Avenue. The Board considered the objection well taken and upon motion all former action had, under Improvement Resolution No. 463 was rescinded.

The City Attorney presented a communication in relation to the vacation of Central Avenue in Riverside Addition, which was upon motion received and placed on file.

Upon motion the Board now took a recess until Monday, June 24th at 9 o'clock A. M.

The Board reconvened Monday June 24th at 9 o'clock A. M. Present: E. J. Lemon, Henry Schwartz and Jesse Brosius.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 459, which provides for Cement Sidewalks on both sides of Washington Boulevard West from Fairfield Avenue to Swinney Park, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 460, which provides for Cement sidewalks on both sides of Calhoun Street from the north line of lot No. 1 Hamilton 5th Addition on the east and from the south line of Grand Street on the west to Creighton Avenue, upon motion the aforesaid resolution was modified to read as follows: By grading and paving with Cement to a width of 9 feet and 8 inches the sidewalks on the east side of Calhoun Street from the north line of

Lot No 1 Hamiltons 5th Addition to Williams Street, and paving with Cement to a width of 7 feet from Williams Street to to Creighton Avenue; and grading and paving with Cement to a width of 9 feet and 8 inches on the west side from the south line of Grand Street to Creighton Avenue. The Board now finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolution was confirmed as modified.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No 461, which provides for Cement sidewalks on both sides of Calhoun Street from Creighton Avenue to Marshall Street, upon motion the aforesaid resolution was modified to read as follows: From Creighton Avenue to Esmond Street on the east side, and from Creighton Avenue to Killea Street on the west side. The Board now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as modified.

Upon motion the Bond of Wm. H. Schoppman covering the relaying of a 5 foot brick sidewalk on Buchanan Street between Lafayette Street and Nanna Street was approved.

Upon motion further hearing in the matter of accepting the work performed under Improvement Resolution No 428 was postponed till Thursday June 27th 1907 at 7:30 o'clock P. M.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, June 24th 1907.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jere Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for the construction of a Municipal Electric Light and Power Plant, upon motion the Board adjourned to the Council Chamber, owing to the large number of bidders present and there proceeded to open such proposals, obtaining the following results:

B. Borkenstein bid to do all work according to Section 11, for the sum of $17500.00. Section 12, $1576.00

Wm. Nassenstein bid on Section 11 $21281.00

H. Hilgeman & Bro " " " " $19900.00

The Heine Chimney Co bid on Section No 2, Chimney 120 feet high complete $2500.00, Chimney 160 feet high complete $4822.00

The Atlas Construction Co bid on Section No 2, Chimney 160 feet high complete $3630.00

The Weber Steel Concrete Chimney Co bid on Section No 2, Chimney 156 feet high complete $3400.00, Chimney 126 feet high, $2250.00

The Ryan Construction Co bid to furnish all labor and superintendance necessary for installing all material contemplated in Section No 9 and that portion of No 10 which pertains to the erection all transformers for the sum of $11355.50

The Westinghouse Electric & Manufacturing Co bid on Sections No 7 and 8 $49280.00

The Westinghouse Machine Co bid on Sections No 3 and 4 $41543.00

The Constructing Engineers Co. bid on one part of Section No 6 $10220.00

The Babcock & Wilcox bid on Section No 1 $14592.00.

" " " " on Superheater Additional $2772.00

The American Stoker Co bid on part of Section No 1, $5700.00

The Ricard Boiler & Engine Co bid on Section No 1 $10528.00

" " " " if McKenzie Chain Grate Stoker $14,878.00

" " " " " Detroit Stoker $14328.00

" " " if Foster Superheater is used add $2900.00

The Alberger Condenser Co bid on Section No 4, proposal A. $9567.00

" " " " " " " "B" $6491.00

The Electric & Steam Engineering Co bid on Sections No 2, 5, 7, 8, 10, 9, 12 and part of Section No 6 $83,394.00.

Same Company bid on Section No 5, 7, 8, 9 and 10 $77,300.00

" " " " " 5, 7, 8, 9, 10 and 12, $79,900.00

Jos. McWilliams & Co. bid on the whole plant complete $200,000.00
" " " " Section 1, 2, 3, 4, 5, 7, 8, 11 and 12, price $123000.00
Same Firm bid on Section No. 1, 2, 3, 4, 5, 7, 8, 9 and 10, $174,000.00
" " " " " " 1, 2, 3, 4, 5, 7 and 8 $96000.00
The F. Bissell Co. bid on material under Section No. 9 $23099.72
The Western Electric Co. bid on part of Section No. 3 $55956.00
The S. W. Joner Co. " " " " 6 $53000.00
" " " " " " " " 6 $57200.00
The Adams-Bagnall Electric Co on part of Section No. 7 $8772.00
J. Thompson & Sons Mfg. Co bid on Section No. 6 $63375.00
The American Diesel Engine Co " " " " $81,100.00
The International Gas Power Co. " " " " $79,100.00
Fort Wayne Electric Works bid on Section No. 3 $48150.00
" " " " " " " " " $45150.00
" " " " " " " " " $44480.00
" " " " " " " " 7 & 8 $25692.00
" " " " " " " " 7 & 8 $24892.00
" " " " " " " " 10 $2538.80
" " " " part of Section No. 9 $31,900.00
The Olds Construction Co. bid on Section No. 9, proposal No. 1, $45,136.58
" " " " " " " " No. 2 $49,390.68
The P. K. Engineering Co bid on Section No. 1 $12,535.00
" " " " " " " " 5 $5135.00
" " " " part Section No. 1 $4178.00
The Alphonse Custodis Chimney Construction Co. bid on Section
No. 2, proposal "A." 160 x 6.6 $4844.00
" " " "B." 160 x 6.6 $4614.00
" " " "C." 120 x 4. $2542.00
" " " "D." 120 x 4 $2398.00
The Moellering Construction Co. bid on Section No. 12, $1238.40
The McBride Electric Co bid on Section No. 5 $5950.00
" " " " " " " 7 $8300.00
" " " " " " " 8 $10,000.00
" " " " " " " 9 $42000.00
" " " " " " " 10 $2985.00
" " " " " " " 11 $15600.00

The Board now took a recess until 7:30 o'clock P. M.

The Board reconvened at 7:30 o'clock P. M. for the purpose of considering the bids submitted. After carefully considering all the proposals the Board upon motion made the following awards: For the work to be performed under Sections No. 1 and 5

the contract was awarded to The P. K. Engineering Company of St. Louis, Mo. at the price submitted namely:

Section No. 1	$14085.00
" " 5	5135.00
Total	$19,220.00

For the work to be performed under Section No. 2, the contract was awarded to the Alphons Custodis Chimney Construction Company of Chicago at the price of $4400.00

For the work to be performed under Sections No. 3, 4, 7, 8 and 10 the contract was awarded to The Fort Wayne Electric Works at the price submitted namely:

Sections No. 3, 4 and 5	$48150.00
" " 7 and 8	25692.00
" " 10	2538.80
Total	$76,380.80
Deduct Section No. 5	58000
Contract price	$70,580.80
Additional equipment as per agreement	3318.00
Total	$73,898.80

For the work to be performed under Sections No. 9 and 11 the contract was awarded to The McBride Electric Company of St. Paul, Minn. at the following price:

Section No. 9 as per bid	$42,000.00
" " 11 " " "	$15600.00
Total	$57,600.00
Additional for 9 circuits instead of 6 as determined by the Engineer under the specifications	$544.00
Additional for iron steps in Boiler room	50.00
Total	$58,194.00

Deductions as per bid and determination of Engineer:

Regular style iron poles as used on balance of work, instead of "fancy poles" as bid on	$150.00
Absolute cut-outs deducted as per bid	1000.00
No. 8 lead cable instead of No. 6	842.00
Standard quality Telephone and Fire Alarm cable instead of special	200.00
Total deductions	$2192.00
" of bid	$56002.00

For the work to be performed under Section No. 12 the contract was awarded to The Moellering Construction Company at their bid of $1238.40

Upon motion the Board adopted the following resolution: Resolved that the Gas Power and Oil Engine bids be rejected and that Steam Turbine Generators be adopted.

Adopted.

Moved that the City Attorney and Consulting Engineer be and the same are hereby directed to prepare proper and sufficient Contracts covering the bids submitted for the construction of the Municipal Electric Light and Power Plant.

Adopted.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, July 1st 1907

Regular meeting held at 3 o'clock P.M.

Present: E. J. Lemon, Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract, which were upon motion approved: Paving with cement the sidewalks on the south side of Fifth Street from Weller Street to Barthold Street; paving with cement the sidewalks on the east side of Weller Street from Miller Lane to Archer Avenue, and on the west side of Wells Street from Huffman Street to Archer Avenue; paving with vitrified paving block the Alley between Main Street and

Berry Street from Barr Street to Lafayette Street; paving Harmony Court with vitrified paving block from Main Street to the first Alley south of Main; grading Barthold Street from Fourth Street to Spring Street; grading Maud Street from Thomas Street to Holton Avenue; constructing a vitrified clay pipe Sewer in the Alley west of Runion Avenue from the present northern terminus of the Sewer in said Alley to a point 110 feet north.

Sidewalk Improvement Resolution No. 464.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the Sidewalk on the south side of Fifth Street from Wells Street to Barthold Street by grading to a width of Three feet and Seven inches and paving with Cement to a width of Three feet and Seven inches, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 465.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on the east side of Wells Street from Miller Lane to Archer Avenue and on the west side of Wells Street from Huffman Street to Archer Avenue by grading to a width of fifteen feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 466.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the Alley between Main Street and Berry Street from Barr Street to Lafayette Street, by grading its full width and paving with vitrified paving block upon a six inch broken stone foundation all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 467.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Harmony Court from Main Street to the first Alley south of Main Street

by grading its full width and paving with vitrified paving blok upon a six inch broken stone foundation, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 468.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Barthold Street from Fourth Street to Spring Street by grading the roadway to a width of twenty feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 469.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Maud Street from Thomas Street to Holton Avenue by grading the roadway to a width of twenty six (26) feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 150.

Resolved, by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley west of Runion Avenue from the present northern terminus of the sewer in said Alley to a point one hundred and ten feet north, said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Improvement Resolutions No. 464, 465, 466, 467, 468 and 469, and Local Sewer Improvement No. 150 be published in the Fort Wayne Journal Gazette on the 5th and 12th days of July 1907, and

the 25th day of July 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said city, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The City Civil Engineer submitted the following plans for openings and vacations which were upon motion approved: For opening and extending Harrison Street through the south 132 feet of Barnett's Out No. 14; for opening a 14 foot Alley between De Wald Street and Creighton Avenue from Warsaw Street to the east line of De Wald Square; also for vacating part of the Alley east of De Wald Square from De Wald Street to Creighton Avenue.

Declaratory Resolution No. 147.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Harrison Street through the south 132 feet of Barnett's Out Lot No. 14 located in the S. W. 1/2 of the N. E. 1/4 of Section 14, T. 30, N. R. 12 E. Said opening and extending to be made by condemning and appropriating for Street purposes a tract of land 50 feet in width described as follows: Commencing at a point on the south line of Ryan and Fancey's Subdivision, 277 feet west of the west line of Calhoun Street; Thence south parallel with the west line of Calhoun Street 132 feet; thence west 50 feet; thence north 132 feet; thence east 50 feet to place of beginning. All as shown by a plan of such proposed opening and extending of Harrison Street as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said Harrison Street, as above described, is described as all lots or parcels of land not occupied by Streets or Alleys lying south of Killea Street, west of the Alley west of Calhoun Street, north of Rudisill Avenue, and east of the Alley east of Webster Street. All of said Street and lots and lands affected by the opening and extending of Harrison Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 148.

For the opening of an Alley 14 feet in width between De Wald Street

and Creighton Avenue from Warsaw Street, as opened, to the east line of De Wald Square. Also for the vacation of that part of the Alley east of the De Wald Square from De Wald Street to Creighton Avenue, abutting on the west side of Lots Nos 99 and 114 Lasalle's Addition. Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend the Alley between De Wald Street and Creighton Avenue, from Warsaw Street, as opened, to the Alley east of Warsaw Street, to a width of 14 feet. Also to vacate the Alley east of Warsaw Street from De Wald Street to Creighton Avenue. All as shown by a plan of such proposed opening and vacation of said Alleys, as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and vacation of said Alleys, as above described, is described as all lots or parcels of land lying south of De Wald Street, west of lots Nos 99 and 114 Lasalle's Addition, north of Creighton Avenue and east of Warsaw Street as opened through the De Wald Square. All of said Alleys and lots and lands affected by the opening and vacation of said Alleys being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana July 11th 1907.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of Benefits or awards of Damages in the matter of opening Leith Street from the west line of Lasalle's Out Lot No 12 to Hanna Street in accordance with Declaratory Resolution No 121, there now appeared Chas. Krenmiller and several others and objected to the amount of assessments of Benefits

against their lots. The Board however decided that the objections were not just, and upon motion the roll of assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 121, were confirmed as in the original and ordered delivered to the Department of Finance.

Moved that the work performed under Improvement Resolution No. 440, which provides for paving Dock Street from Clinton Street to Barr Street; also Improvement Resolution No. 451, which provides for Cement sidewalks on the north side of Pontiac Street from Smith Street to Oliver Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 13th day of July 1907, and that the 25th day of July 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolutions or against the Assessment Roller as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said Assessment Roller.

Adopted.

Moved that an Assessment Roll of Benefits and Damages in the matter of straightening and establishing a uniform width of 55 feet for Lafayette Street from the north line of Esmond Street to Wiebke Street under Declaratory Resolution No. 143; also in the matter of widening Hanna Street on the west side from the south line of Lot No. 10 Reichter Sub. to Oxford Avenue, and on the east side from the south line of Industrial Park Addition to a point opposite Oxford Avenue under Declaratory Resolution No. 144 be and same be hereby approved and that notice of same to property holders affected thereby be given according to law and that the 15th day of August 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessments of Benefits or awards of Damages as approved by the Board.

Adopted.

The City Civil Engineer submitted specifications for the following work which were upon motion approved: Cement sidewalks on both sides of Wayne Street from Calhoun Street to Harmer Street; Cement sidewalks on both sides of Jefferson Street from Calhoun Street to Barr Street; Cement sidewalks on both sides of Washington Boulevard East from Calhoun Street to Barr Street; Cement sidewalks

on both sides of Lewis Street from Calhoun Street to Barr Street; Cement sidewalks on both sides of Clinton Street from Wayne Street to Lewis Street; Cement sidewalks on both sides of Barr Street from Wayne Street to Lewis Street; also a plan showing the proposed vacation of the Alley east of Force Street from Wallace Street to the northern terminus of the same, also showing the vacation of the Alley on the north line of lot No. 42 Foundry Addition; also for the vacation of the Alley located through lot No. 41 Foundry Addition.

Sidewalk Improvement Resolution No. 470.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Wayne Street from Calhoun Street to Harmer Street by grading and paving with Cement to the following widths; on the north side of Wayne Street from Calhoun Street to Clinton Street, by paving with Cement to a width of Eleven feet and eight inches (11 8/12), on both sides of Wayne Street from Clinton Street to Barr Street by grading to a width of Seventeen feet (17) and paving with Cement on the north side to a width of ten (10) feet and on the south side to a width of eight (8') feet, on both sides of Wayne Street from Barr Street to Lafayette Street by grading to a width of Seventeen (17) feet and paving with Cement to a width of eight (8) feet, and on both sides of Wayne Street from Lafayette Street to Harmer Street by grading to a width of Seventeen (17) feet and paving with Cement to a width of Seven (7) feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 471.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Washington Boulevard East from Calhoun Street to Barr Street by grading and paving with Cement to the following widths: on both sides of Washington Boulevard East from Calhoun Street to Clinton Street by paving with Cement to a width of Eleven feet and Eight inches (11. 8"), on both sides of Washington Boulevard East from Clinton Street to Barr Street by grading to a width of Seventeen feet (17) and paving with Cement to a width of Eight feet (8), all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 472.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Jefferson Street from Calhoun Street to Barr Street by grading and paving with Cement to the following widths: on both sides of Jefferson Street from Calhoun Street to Clinton Street by grading to a width of twelve (12) feet and paving with Cement to a width of Eight (8) feet, on both sides of Jefferson Street from Clinton Street to Barr Street, by grading to a width of Seventeen (17) feet and paving with Cement to a width of Seven and one half (7½) feet, all in accordance with the profile, Details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 473.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Lewis Street from Calhoun Street to Barr Street by grading to a width of Twelve (12) feet and paving with Cement to a width of Seven (7) feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 474.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the Sidewalks on both sides of Clinton Street from Wayne Street to Lewis Street by grading and paving with Cement to the following widths: on the west side of Clinton Street from Wayne Street to Lewis Street by grading to a width of twelve feet and paving with Cement to a width of Eight (8) feet, on the east side of Clinton Street from Wayne Street to Jefferson Street by grading to a width of twelve feet and paving with Cement to a width of Eight (8) feet, and on the east side of Clinton Street from Jefferson Street to Lewis Street by grading to a width of twelve feet and paving with Cement to a width of Seven (7) feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 475.

Resolved by the Board of Public Works of the City of Fort Wayne,

Indiana, that it is deemed necessary to improve the sidewalks on both sides of Barr Street from Wayne Street to Lewis Street by grading and paving with Cement to the following widths: on the west side of Barr Street from Wayne Street to Washington Boulevard East, by paving with Cement to a width of Nine feet and eight inches (9.8"), on the west side of Barr Street from Washington Boulevard East, to Lewis Street by grading to a width of Fourteen feet (14) and paving with Cement to a width of Eight (8) feet, on the east side of Barr Street from Washington Boulevard East, to Lewis Street by grading to a width of Fourteen (14) feet and paving with Cement to a width of Seven (7) feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Declaratory Resolution No. 149.

For the vacation of the Alley abutting on the north of Lot No. 42. Foundry Addition. Also for the vacation of the Alley through Lot No. 41 Foundry Addition. Also for the vacation of the Alley east of Force Street from Wallace Street to the northern terminus of the same.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the Alley abutting on the north of Lot No. 42. Foundry Addition, the Alley through Lot No. 41, Foundry Addition and the Alley east of Force Street from Wallace Street to the northern terminus of the same.

All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City. The cost of said vacation, and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected being situated in the City of Fort Wayne, County of Allen and State of Indiana. The City reserves hereby the right, power, privilege and authority to at any time hereafter enter the real estate over and upon which the last above described alley is located, and in which a sewer is situated, for the purpose of cleaning, flushing, maintaining and repairing said Sewer.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolutions No. 470, 471, 472, 473, 474 and 475, be published in the Fort Wayne Journal Gazette on the 13th and 20th days of July, 1907, and that the 1st day of August, 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions, and will decide whether the benefits

that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements

Adopted.

Moved that notice to property owners affected by the vacation of the Alley abutting on the north of lot No. 42, Foundry Addition; also the vacation of the Alley through lot No. 41, Foundry Addition; also the vacation of the Alley east of Force Street from Wallace Street to the northern terminus of same as described in Declaratory Resolution No. 149, be published in the Fort Wayne Journal Gazette on the 13th and 20th days of July 1907, and the 8th day of August 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

The Board, upon motion, entered into an agreement with The Barr Foundry and Machine Co. by which the City reserves the right and authority to enter at any time upon the Alley proposed to be vacated under Declaratory Resolution No. 149, for the purpose of cleaning, flushing, maintaining and repairing the sewer located in said Alley.

The Sewer Builders Bond, also the Plumbers and Gasfitters Bond of McPhail Bros. were upon motion approved.

Upon motion the petition of the Moellering Construction Co. to construct under private contract a 6 foot Cement sidewalk on Fulton Street abutting on lot No. 7, Block 23, Ewings Addition, was granted.

Upon motion the City Civil Engineer was instructed to prepare the plans for paving Winter Street to a width of 26 feet.

The Board then adjourned.

SECY.

Office Board of Public Works.

Fort Wayne, Indiana, July 18th 1907.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

Moved that the work performed under Improvement Resolution No. 448, which provides for cement sidewalks on the west side of Wells Street from a point 75 feet north of Archer Avenue to St. Joseph Avenue be and the same be hereby accepted, and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 20th day of July 1907, and the 8th day of August 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of Assessments of Benefits or Awards of Damages in the matter of opening an Alley west of Broadway, north of Scott Avenue in accordance with Declaratory Resolution No. 142, there now appeared L. M. Niezer, representing the Julius Remus Estate, and objected to the amount of Benefit assessed against the ground

owned by said Estate. The Board however, after carefully considering the matter, decided that the objection had no merit or justification, and there appearing no other objections or remonstrances whatever, upon motion the roll of Assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 142, was confirmed as in the original and ordered delivered to the Department of Finance.

The petition of Wm. Fielker and 6 others for a Sewer in the Alley south of Hendricks Street from Broadway to Fairfield Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of the Morris Coal Co. for permission to construct a driveway across the walk at No. 1426 Wells Street was upon motion granted.

The petition of Charles Weimar to construct under private contract a 5 foot Cement sidewalk on Warsaw Street abutting on lot No. 128 Lasalle's Addition was upon motion granted.

The petition of C. W. Smitley to construct under private contract a five foot Cement sidewalk abutting on No. 1312 Marion Street, also a full width Cement sidewalk on the east side of Wells Street abutting on lot No. 177 North Side Addition was upon motion granted.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, July 25th 1907.

Regular meeting held at 7½ o'clock P. M.

Present: E. J. Lemon Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted his estimates of the total cost of the work to be performed under the following Resolutions as follows:

Improvement Resolution No.	464	total cost	$645.60
" "	" 465	" "	$877.90
" "	" 466	" "	$1020.02
" "	" 467	" "	$500.00

Improvement Resolution No. 468 total cost $112.65
" " " 469 " " $ 87.75
Local Sewer Improvement Resolution No. 150 " $ 97.20

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 464, which provides for cement Sidewalks on the south side of Fifth Street from Weller Street to Barthold Street, there now was presented a remonstrance by Louisa Zimmermann and 5 other against said improvement. The Board after carefully considering the list of resident property owners on said Street finds that the remonstrants are in the minority, and upon motion refused the prayer of the remonstrants. The Board now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and upon motion the aforesaid Resolution was confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 465, which provides for cement sidewalks on the east side of Weller Street from Miller's Lane to Archer Avenue, and on the west side of Weller Street from Huffman Street to Archer Avenue; also Improvement Resolution No. 466, which provides for paving the Alley between Main Street and Berry Street from Barr Street to Lafayette Street; also Improvement Resolution No. 467, which provides for paving Harmony Court from Street to the first Alley south of Main Street; also Improvement Resolution No. 468, which provides for grading Barthold Street from Fourth Street to Spring Street; also Improvement Resolution No. 469, which provides for grading Maud Street from Thomas Street to Holton Avenue; also Local Sewer Improvement Resolution No. 150, which provides for a vitrified clay pipe sewer in the Alley west of Runion Avenue from the present terminus of the sewer to a point 110 feet north, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

Moved that notice to Contractors of the work to be performed under Improvement Resolutions No. 464, 465, 466, 467, 468, 469 and Local Sewer Improvement Resolution No. 150 be published

in the Fort Wayne Journal Gazette on the 27th day of July, and the 3rd day of August 1907, and that the 15th day of August 1907 at 7 30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract, which were upon motion approved: Vitified clay pipe sewer in the Alley south of Superior Street from the east line of Ewings Addition to Ewing Street and relaying the sewer on Webster Street from Superior Street to the first Alley south of Superior Street; Sewer on Barthold Street from the Alley between Fourth Street and Fifth Street to Spring Street and on Spring Street from Barthold Street to a point 50 feet west of Short Street; Sewer on Spring Street from Andrew Street to the Alley east of Andrew Street, in the Alley east of Andrew Street from Spring Street to the Alley south of Huffman Street and in the Alley south of Huffman Street from Andrew Street to Short Street; Cement sidewalk on the East side of Barr Street from Berry Street to Superior Street; Cement sidewalks on the east side of Webster Street from Creighton Avenue to Woodland Avenue; Grading Nuttman Avenue and Cement sidewalks on the south side of Nuttman Avenue from Beaver Avenue to Broadway.

Local Sewer Improvement Resolution No. 151.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley south of Superior Street from the east line of Ewings Addition to Ewing Street and relay the sewer on Webster Street from Superior Street to the first alley south of Superior Street, said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 152.

Resolved, by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving

sewage from collateral drains, be and the same is hereby ordered in and along Barthold Street from the Alley between Fourth Street and Fifth Street to Spring Street, and in along Spring Street from Barthold Street to a point fifty feet west of Short Street, said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 153.

Resolved, by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along Spring Street from Andrew Street to the Alley east of Andrew Street, from Spring Street to the Alley south of Huffman Street and in the Alley south of Huffman Street from Andrew Street to Short Street; said sewer shall be fifteen and twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 476.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the east side of Barr Street from Berry Street to Superior Street by paving with Cement to a width of nine feet and eight inches (9.8") all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 477.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the east side of Webster Street from Creighton Avenue to Woodland Avenue by grading to a width of sixteen feet and paving with Cement from Creighton Avenue to Suttenfield Street to a width of six feet and paving with Cement from Suttenfield Street to Woodland Avenue to a width of five feet all

in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 478.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Huttman Avenue from Beaver Avenue to Broadway by grading the roadway to a width of Twenty six (26) feet, and grading the sidewalk on the south side to a width of Twelve (12) feet and paving with Cement to a width of Five (5) feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Local Sewer Improvement Resolutions Nos. 151, 152, and 153, and Improvement Resolutions Nos. 476, 477 and 478 be published in the Fort Wayne Journal Gazette on the 27th day of July and the 3rd day of August 1907, and that the 15th day of August 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 440, which provides for paving Dock Street from Lilliston Street to Barr Street; also Improvement Resolution No. 451, which provides for Cement sidewalks on the north side of Pontiac Street from Smith Street to Oliver Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolutions, which Assessment Roll contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for

which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions Nos 440 and 451, was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 437, which provides for paving Berry Street from Calhoun Street to Harrison Street; also Improvement Resolution No. 438, which provides for paving Berry Street from Harrison Street to Fairfield Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolutions, upon motion the hearing was postponed till July 29th 1907, at 3 o'clock P. M.

The petition of B. C. Von Kahlden and 2 others for Cement sidewalks on the west side of Beaver Avenue from Packard Avenue to Home Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of August Buhrman and 10 others for grading the Alley between Leith Street and Killea Street from Harrison Street to the first Alley east of Woodland Avenue was received and placed on file.

The petition of Henry W. Pelger for permission to relay under private contract a 4 foot brick sidewalk on Oliver Street abutting on lots Nos 7 Simons Sub, and lots Nos 5, 6 and 7 Van Voorhis Sub was upon motion granted.

The petition of C. W. Gallmeier to construct under private contract 5 foot Cement sidewalks on both sides of Harrison Street from Marshall Street to Iowa Street was upon motion granted.

The Bond of the Moellering Construction Company covering the work to be performed under Section No. 12 of the specifications for the Municipal Electric Light and Power Plant was upon motion approved.

A communication from the Controller requesting the Board to

prepare and submit their estimate of the amount of money required for the operation of their Department during the year 1908 was received and placed on file.

Moved that the work performed under Improvement Resolution No. 454, which provides for cement sidewalks on both sides of Wayne Street from Union Street to College Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 31st day of July, 1907, and that the 15th day of August, 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

The plat of Gandy's Addition lying in the N. 1/2 of the S. 1/2 of N. E. 1/4 Section 18 Tp. 30. N. R. 13 E. was upon motion approved.

The Board then adjourned.

Improvement Resolution No. 462, which provides for cement sidewalks on the east side of Dimmen Avenue from Thompson Avenue to Hartnett Avenue:
Moellering Construction Co. bid per lineal foot .52 cts
Derheimer & Co. " " " " .56
Upon motion the contract for the work to be performed under Improvement Resolution No. 462 was awarded to Moellering Construction Co. they being the lowest and best bidders.

Upon motion the bids submitted under Improvement Resolution No. 457, 458, 459, 460 and 461 were taken under advisement till Friday, August 2d 1907, at 2 30 o'clock P. M.

The City Civil Engineer submitted his estimate of the total cost of work to be performed under public (Contract) as follows:
Improvement Resolution No. 470, total cost $6244.46
" " " 471, " " $1886.06
" " " 472, " " $1206.50
" " " 473, " " $1587.34
" " " 474, " " $2137.87
" " " 475, " " $2135.32

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 470, which provides for cement sidewalks on both sides of Wayne Street from Calhoun Street to Warner Street; also Improvement Resolution No. 471, which provides for cement sidewalks on both sides of Washington Boulevard East, from Calhoun Street to Barr Street, there now was presented a remonstrance against each of the aforementioned Resolutions. Upon motion the remonstrances were taken under advisement

and the hearing postponed till Friday August 2d. 1907 at 2 30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 472, which provides for cement sidewalks on both sides of Jefferson Street from Calhoun Street to Barr Street; also Improvement Resolution No. 473, which provides for cement sidewalks on both sides of Lewis Street, from Calhoun Street to Barr Street; also Improvement Resolution No. 474, which provides for cement sidewalks on both sides of Clinton Street from Wayne Street to Lewis Street the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

This being a date and time ~~previously~~ fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 475, which provides for cement sidewalks on both sides of Barr Street from Wayne Street to Lewis Street, there now was presented a remonstrance by John F. Rodabaugh and 18 others against said proposed improvement. Upon motion, the remonstrance was sustained and all former action taken under Improvement Resolution No. 475, was rescinded.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 147, which provides for opening Harrison Street through the south 132 feet of Barnett's Out Lot No. 14; also Declaratory Resolution No. 148, which provides for opening an Alley between De Wald Street and Creighton Avenue, from Warsaw Street to the east line of De Wald Square; also vacating the Alley on the east line of De Wald Square from De Wald Street to Creighton Avenue and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolutions No. 147 and 148 were confirmed as in the original.

Moved that the work performed under Improvement Resolution No. 453, which provides for cement sidewalks on both sides of Wayne Street from Fulton Street to Union Street, be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 3rd day of August 1907 and that the 15th day of August 1907, at

7.30 oclock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lot or tract of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

The remonstrance of W. D. Page against the construction of cement sidewalks on Washington Boulevard East from Calhoun Street to Barr Street; also against the construction of cement sidewalks on Clinton Street from Wayne Street to Lewis Street was received and placed on file.

The remonstrance of Nicholas Kinney and 31 others against the construction of cement sidewalks on Wayne Street from Calhoun Street to Harmer Street was received and placed on file.

The petition of Chas. R. Smith and 4 others on the south side of Kimaird Avenue from Broadway to Beaver Avenue for cement sidewalks on said Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of George Strodel and 24 other for permission to relay under private contract the brick sidewalks on both sides of Killin Street from Lewis Street to Hayden Street was upon motion granted.

The petition of B. W. Vesey and 14 others for cement sidewalks on both sides of Packard Avenue from Beaver Avenue to Broadway was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

Upon motion the City Civil Engineer was instructed to prepare a plat showing the proposed vacation of a highway west of The Fred. Eckart Packing Company south of Main Street.

The petition of Henry W. Pelger to relay under private contract a 4 foot brick sidewalk on Force Street abutting on lot No. 1 Parisot's Addition was upon motion granted.

The Housemovers Bond of F. L. Witt covering the removing of a house from lot No. 37 Hamilton 2d Addition to lot No. 6, Killin Addition on Green Street was upon motion approved.

The applications of Louis Schefman of 748 E. Wayne Street, also of Gurbuch & Rinehart of Taylor Street and Wabash R.R. for Coal Weighers License was upon motion granted.

A communication from Weatherhogg & Crocker pertaining to the construction of Cement sidewalks abutting on the property of Mrs. Hannah N. Mohr at the corner of Washington Boulevard East and Clinton Street was received and placed on file.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract which were upon motion approved: For paving Winter Street with Sheet Lake Asphalt from Lewis Street to Pontiac Street; for paving Brackenridge Street with Sheet Lake Asphalt from Fairfield Avenue to Broadway; for Cement sidewalks on the south side of Creighton Avenue from Fairfield Avenue to South Wayne Avenue; for Cement sidewalks on the east side of Webb Street from Carr Street to First Street; for Cement sidewalks on the south side of Madison Street from Harmer Street to Division Street.

Improvement Resolution No. 479.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Winter Street from the south property line of Lewis Street to the north property line of Pontiac Street excepting the intersection of Creighton Avenue by grading and paving the roadway to a width of twenty six (26) feet, with Sheet Lake Asphalt, upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 480.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Brackenridge Street from the west property line of Fairfield Avenue on the south to Broadway by grading and paving the roadway to a width of Seventeen (17) feet with Sheet Lake Asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting Streets and Alleys all in accordance with the profile

details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 481.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the south side of Creighton Avenue from Fairfield Avenue to South Wayne Avenue by grading to a width of ten feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 482.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the east side of Wells Street from Cass Street to First Street by paving with Cement to a width of Eight feet and Seven inches all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 483.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the south side of Madison Street from Harmer Street to Division Street by grading to a width of Eighteen feet and paving with Cement to a width of Six feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolutions No. 479, 480, 481, 482 and 483 be published in the Fort Wayne Journal Gazette on the 3rd and 10th days of August 1907, and that the 22d day of August 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements. Adopted.

Upon motion the Board took a recess till Friday August 2d 1907 at 2 30 o'clock P. M.

The Board reconvened Friday August 2d at 2 30 o'clock P. M.

The following communication was received from O. F. Menefee.

To the Honorable Board of Public Works,

Fort Wayne, Indiana: Gentlemen,

Owing to a misunderstanding on some work I have done, and for which I feel unjustly criticised, I wish to ask your Honorable Board to kindly let me withdraw my bids on all public work bid on by me at your regular meeting of August 1st 1907, with exceptions of the work as called for under Improvement Resolution No. 457.

I feel that my bids were low and just on work to be done under other resolutions but I am satisfied that with the criticism that has been unjustly brought upon me, by persons seeking personal favors, which I was not prepared to grant, would make other public work unpleasant until such is satisfactorily cleared up. My work I am positive will prove satisfactory to your Board, and therefore, would kindly request that you grant my withdrawal as above asked for.

Respfully Your
Oscar F. Menefee.

Upon motion the request of Oscar F. Menefee to withraw his bids submitted under Improvement Resolutions No. 458, 459, 460, 461 and 462 were granted.

The Board after carefully considering the bids submitted for various work to be performed under public contract, upon motion made the following awards: Improvement Resolution No. 457 was awarded to Oscar F. Menefee; No. 458, 459 and 461, were awarded to E. W. Seaman; No. 460 and 462 were awarded to Mallering Construction Co., there being the lowest and best bids submitted.

Moved that notice to Contractors of the work to be performed under Improvement Resolutions No. 470, 471, 472, 473 and 474 be published in the Fort Wayne Journal Gazette on the 5th and 12th days of August 1907 and that the 22d day of August 1907 at 7 30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions

Adopted.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 470, which provides for Cement sidewalks on both sides of Wayne Street from Calhoun Street to Harmer Street, the Board now took up the remonstrance which had been filed against said proposed improvement. After carefully considering the list of resident property owners on said Street affected by said proposed improvement the Board finds that the remonstrants are in the minority and upon motion refused the prayer of the remonstrants. The Board now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and upon motion the aforesaid Resolution was confirmed as in the original.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 471, which provides for Cement Sidewalks on both sides of Washington Boulevard East from Calhoun Street to Barr Street the Board now took up the remonstrance of W. D. Page. The Board having decided to exempt the walk of Mr. Page at the North West corner of Clinton Street and Washington Boulevard East, now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement, and there appearing no other objections or remonstrances whatsoever, upon motion the aforesaid Resolution was confirmed as in the original.

Upon motion the contract for the Heating Apparatus, Wiring, Plumbing and Gasfitting in the addition to No. 3 Engine was awarded to J. P. Martin & Co., they being the lowest and best bidders. This award was made conditioned on the Common Council making the necessary appropriation.

The Bond of the Alphouse Custodis Chimney Co. covering the work to be performed under Section No. 2 of the specification for the Municipal Electric Light and Power Plant was received and upon motion referred to the City Attorney.

The Board then adjourned.

George Wilhelm " " " " " " " " .65
Oscar F. Menefee " " " " " " " " .58 2/5
Fort Wayne Cement Stone Co. " " " " " " " " .65

Upon motion the contract for the work to be performed under Improvement Resolution No. 465 was awarded to Oscar F. Menefee he being the lowest and best bidder.

Improvement Resolution No. 466, which provides for paving the Alley between Main Street and Berry Street from Barr Street to Lafayette Street:

Derheimer & Co. bid for the work complete per lineal foot $2.68
Moellering Construction Co. " " " " " " " " $2.51

Upon motion the contract for the work to be performed under Improvement Resolution No. 466, was awarded to Moellering Construction Co. they being the lowest and best bidders.

Improvement Resolution No. 467, which provides for paving Harmony Court from Main Street to the 1st Alley south of Main St.

Moellering Construction Co. bid for the work complete per lineal foot $3.14
Derheimer & Co. " " " " " " " " $3.41

Upon motion the contract for the work to be performed under Improvement Resolution No. 467 was awarded to Moellering Construction Co. they being the lowest and best bidders.

Improvement Resolution No. 468, which provides for grading Barthold Street from Fourth Street to Spring Street:

Derheimer & Co. bid for the work complete per lineal foot .54 cts
Moellering Const. Co. " " " " " " " " .37
George Wilhelm " " " " " " " " .28

Upon motion the contract for the work to be performed under Improvement Resolution No. 468 was awarded to George Wilhelm he being the lowest and best bidder.

Improvement Resolution No. 469, which provides for grading Maud Street from Thomas Street to Holton Avenue:

Derheimer & Co. bid for the work complete per lineal foot .23½ cts
Moellering Const. Co. " " " " " " " " .32
George Wilhelm " " " " " " " " .30

Upon motion the contract for the work to be performed under

Improvement Resolution No. 469 was awarded to Derheimer & Co. they being the lowest and best bidder.

Local Sewer Improvement Resolution No. 150, which provides for a vitified clay pipe Sewer in the alley west of Runion Avenue from the present terminus of the sewer to a point 110 ft north:
Moellering Const. Co. bid for the work complete per lineal foot: $1.24
Derheimer & Co. " " " " " " " " .77
Fred. N. Ruelling " " " " " " " " .90
Upon motion the contract for the work to be performed under Local Sewer Improvement Resolution No. 150 was awarded to Derheimer & Co. they being the lowest and best bidder.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 453, which provides for Cement sidewalks on both sides of Wayne Street from Fulton Street to Union Street; also Improvement Resolution No. 454, which provides for Cement sidewalks on both sides of Wayne Street from Union Street to College Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under aforementioned resolutions, upon motion further hearing was postponed till August 19th 1907 at 3 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the Roll of Assessments of Benefits or awards of Damages in the matter of straightening Lafayette Street from Esmond Street to Wiebke Street in accordance with Declaratory Resolution No. 143, there now was presented a communication from J. F. Tievey, owner of lot No. 15, Dalman's Addition, asking the Board to fix his damage at $50.00 claiming that his property was injured in that amount by straightening said Street. A remonstrance was also filed by Frank J. Voltie and 8 others against straightening of said Street. The resolution having been confirmed on the 6th day of June, 1907, the Board declared the remonstrance out of order. In the matter of J. F. Tievey the Board finds that the benefits accruing to his property equal the damages, and there appearing no other objections or remonstrances of any nature whatsoever, upon motion the roll of Assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 143 was confirmed as in the original and ordered delivered to the Department of Finance.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of Benefits or awards of Damages in the matter of widening Hanna Steet on the west side from the south line of lot No. 10 Feichter Sub. to Oxford Avenue and on the east side from the south line of Industrial Park to the south line of Oxford Avenue produced east in accordance with Declaratory Resolution No. 144, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the roll of assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 144 was confirmed as in the original and ordered delivered to the Department of Finance.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under public contract as follows:

Improvement Resolution No. 476,	total cost	$1234.64
" " " 477,	" "	$608.96
" " " 478,	" "	$1304.25
Local Sewer Improvement Resolution No. 151	" "	$576.00
" " " " " 152	" "	$837.34
" " " " " 153	" "	$1510.30

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 476, which provides for cement sidewalks on the east side of Barr Street from Berry Street to Superior Street; also Improvement Resolution No. 478, which provides for grading Kuttman Avenue and cement sidewalks on the south side of Kuttman Avenue from Beaver Avenue to Broadway; also Local Sewer Improvement Resolution No. 151, which provides for a vitrified clay pipe sewer in the Alley south of Superior Street from the east line of Ewings Addition to Ewing Street and relaying the sewer on Webster Street from Superior Street to the first Alley south; also Local Sewer Improvement Resolution No. 152, which provides for a vitrified clay pipe sewer on Barthold Street from the Alley between Fourth Street and Fifth Street to Spring Street and on Spring Street from Barthold Street to a point 50 feet west of Short Street; also Local Sewer Improvement Resolution No. 153, which provides for a vitrified clay pipe sewer on Spring Street from Andrew Street to the Alley east of Andrew Street, in the Alley east of Andrew Street from Spring Street to the Alley south of Huffman Street and in the Alley south of Huffman Street from Andrew Street to Short Street, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of

the proposed improvements and there appearing no objection or remonstrances of any nature whatsoever, upon motion the aforesaid resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 477, which provides for cement sidewalks on the east side of Webster Street from Creighton Avenue to Woodland Avenue, upon motion the hearing was postponed to August 22d, 1907, at 7 30 o'clock P. M.

The City Civil Engineer submitted plans and specifications for various work to be performed under public contract, which were upon motion approved as follows: for cement sidewalks on the east side of Greenwood Avenue from the alley south of Main Street to the alley south of Illinois Street; for grading Beaver Avenue and cement sidewalks on the west side of Beaver Avenue from Home Avenue to Packard Ave; for paving Knitter Avenue from Main Street to Lot No. 18 Lumbard Park Addition.

Sidewalk Improvement Resolution No. 484.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the east side of Greenwood Avenue from the first Alley south of Main Street to the first Alley south of Illinois Street by grading to a width of Eight feet and paving with Cement to a width of four and one half feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 485.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Beaver Avenue from Home Avenue to Packard Avenue by grading the roadway to a width of twenty six feet and grading the sidewalk on the west side to a width of twelve feet and paving with Cement to a width of five feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Improvement Resolution No. 486.

Resolved by the Board of Public Works of the City of Fort Wayne,

Indiana, that it is deemed necessary to improve Knitter Avenue from the north property line of Main Street to the north line of lot No. 18 Lumbard Park Addition by grading and paving the roadway to a width of twenty four feet with vitrified paving block upon a six inch broken stone foundation, by placing a marginal finish at all Street and Alley intersections, curbing with new curb stone and paving the wings of all connecting Street and Alley. all in accordance with profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owner of the adoption of Improvement Resolutions No. 484, 485 and 486 be published in the Fort Wayne Journal Gazette on the 17th and 24th days of August 1907, and that at the 5th day of September 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned resolutions and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The petition of C. W. Smitley to construct under private contract Cement sidewalks on the east side of Wells Street from the right-of-way of the Lake Erie and Western Railway to First Street was upon motion granted.

The Plumber and Gasfitter Bond of A. Hattersley & Sons was upon motion approved.

The Sewer Builder Bond of Byron E. Hattersley was upon motion approved.

The Sidewalk Builder Bond of John B. Grosjean was upon motion approved.

The remonstrance of Chas. A. Stockbridge and 4 others against the construction of Cement sidewalks on the east side of Webster Street from Creighton Avenue to Woodland Avenue was received and placed on file.

The remonstrance of Anselm Emelber and 8 others against the construction of Cement sidewalks on the east side of Barr Street from

Berry Street to Superior Street was received and placed on file.

The petition of J. A. Lamboley and 43 for an Electric Street Light at the corner of Fox Avenue and Creighton Avenue was received and placed on file.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for 5 foot cement sidewalks on both sides of Lafayette Street from Esmond Street to Wiebke Street; also for 5 foot cement sidewalks on both sides of Wanna Street from Pontiac Street to Oxford Avenue on the west side and on the east side from the south line of Industrial Park Addition to the south line of Oxford Avenue produced east.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, August 19th 1907.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lemon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 453, which provides for cement sidewalks on both sides of Wayne Street from Burton Street to Union Street; also Improvement Resolution No. 454, which provides for cement sidewalks on both sides of Wayne Street from Union Street to College Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolutions, which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there

appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions Nos 453 and 454 was finally accepted and the Assessment Rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

The petition of B. S. Hasmell and one other for Cement sidewalks on the south side of Kinnaird Avenue from Beaver Avenue to South Wayne Avenue was received and placed on file.

The remonstrance of Elizabeth Kronmiller and 15 others against the construction of 5 foot Cement sidewalks on the west side of Wanna Street from Pontiac Street to Oxford Avenue was received and placed on file.

The Contract and Bond of John B. Grosjean covering the work to be performed under Improvement Resolution No 464 was upon motion approved.

The Bond of S. B. Bechtel covering the construction of Cement sidewalks on Webster Street abutting on lots Nos 225 and 226 Williams Addition was upon motion approved.

The petition of Fred. Siemendorff for permission to construct under private contract 4 foot Cement sidewalks abutting on Nos. 1410, 1412, 1416, 1420 and 1422 Rillie Street was upon motion granted.

The petition of C. Schieck for permission to relay a 5 foot brick sidewalk on Creighton Avenue abutting on lot No 27 Rillies Addition was upon motion granted.

The petition of C. W. Smitley for permission to construct under private contract a Cement sidewalk abutting on No 737 Third Street was upon motion granted.

The petition of Emmett Martin for permission to construct under private contract a Cement sidewalk on the east side of Wells Street from Carr Street to the right-of-way of L. S. & M. S. R. R. was upon motion granted.

An easement for Sewer purposes through land owned by A. C. Baker and C. Gebhart was received from said parties and upon motion was placed on record.

The contract of N. Hilgeman and Bro. for constructing the Addition to No. 3 Engine House was refered to the City Attorney with instructions to make certain amendments to same.

The application of A. J. Laugohr for a position as inspector of public work was received and placed on file.

The City Civil Engineer submitted plans and specifications for cement sidewalks on the south side of Polk Street from St. Mary's Avenue to De Groff Street which were upon motion approved.

Sidewalk Improvement Resolution No. 487.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the south side of Polk Street from St. Marys Avenue to De Groff Street by grading to a width of Eight feet and paving with cement to a width of four (4) feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Improvement Resolution No. 487, be published in the Fort Wayne Journal Gazette on the 27th of Aug. and 3rd day of September 1907, and that the 19th day of September 1907 at 7:30 o clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to the aforementioned improvement and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The Board then adjourned.

" " "	7	" " " "	$1.02

Upon motion the bids submitted under Impt. Resolution No. 474 were taken under advisement till Friday August 23rd at 1:30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against

Improvement Resolution No. 477, which provides for cement sidewalks on the east side of Webster Street from Creighton Avenue to Woodland Avenue, there now was presented a remonstrance by C. A. Stockbridge and 4 others against said proposed improvement. The Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no other objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolution was confirmed as in the original.

The City Civil Engineer submitted his estimate of work to be performed under public contract under the following Improvement Resolutions as follows:

Improvement Resolution No.	479,	Engineer estimate		$34.797.00
" "	" 480,	"	"	$2868.75
" "	" 481	"	"	$404.76
" "	" 483	"	"	$164.44

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 479, which provides for paving Winter Street from Lewis Street to Pontiac Street, there now was presented a petition by a number of property owners on said Street asking the Board to substitute brick for Asphalt as the material to be used in paving said Street. Upon motion further hearing in the matter was postponed until Friday August 23rd 1907 at 2 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 480, which provides for paving with Asphalt Brackenridge Street from Fairfield Avenue to Broadway; also Improvement Resolution No. 481, which provides for cement sidewalks on the south side of Creighton Avenue from Fairfield Avenue to South Wayne Avenue; also Improvement Resolution No. 483, which provides for cement sidewalks on the south side of Madison Street from Harmer Street to Division Street, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever upon motion the aforesaid Resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they

would hear and consider objections or remonstrances against Improvement Resolution No. 482, which provides for cement sidewalks on the east side of Wells Street from Cass Street to First Street, upon motion further hearing was postponed until October 3rd 1907 at 7 30 o'clock P. M.

The plat of Federal Place being a subdivision of lots Nos 1 and 2 of McLachlans to Mechanicsburg Addition was upon motion approved.

The petition of George Siter and one other for cement sidewalks on the east side of Indiana Avenue from Dayton Avenue to the first Alley south of Cottage Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Mary A. Lynch and 18 others which provides for paving Harrison Street from Grand Street to Butler Street was received and placed on file.

The petition of Wm. H. Brower and 16 others which provides for cement sidewalks on both sides of Packard Avenue from Beaver Avenue to Broadway was received and placed on file.

The petition of Lizzie Bushman and 6 others which provides for cement sidewalks on the west side of Indiana Avenue from Dayton Avenue to Cottage Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Fred. Fiemeendorff for permission to construct under private contract a 4 foot cement sidewalk on Lillie Street abutting on Nos. 1325 and 1401 was upon motion granted.

The petition of Henry W. Felger for permission to relay under private contract a 4 foot brick sidewalk on John Street abutting on lots Nos 1, 2 and 3 Reehlings Sub. was upon motion granted.

The petition of Moellering Construction Co. for permission to construct under private contract a 7½ foot cement sidewalk on Berry Street abutting on lot No. 507 Hanna's Addition was upon motion granted.

The Contract and Bond of George Wilhelm covering the work to be performed under Improvement Resolution No. 468 was upon motion approved.

The Contract and Bonds of Derheimer et al Co. covering the work to be performed under Improvement Resolution No. 469, and Local Sewer Improvement Resolution No. 150 were upon motion approved.

The Contract and Bond of Oscar P. Menefee covering the work to be performed under Improvement Resolution No. 465 was upon motion approved.

The Contracts and Bonds of the Moellering Construction Co. covering the work to be performed under Improvement Resolutions No. 466 and 467 were upon motion approved.

The Bond of Emmett Martin covering the construction of Cement sidewalks on the east side of Wells Street from Carr Street to the right-of-way of the L. S. & M. S. R.R. was upon motion approved.

The Board now took a recess till Friday August 23rd 1907 at 2 o'clock P. M.

The Board reconvened August 23rd 1907 at 2 o'clock P. M. with all member present.

The Board after carefully considering all the bids submitted for the work to be performed under Improvement Resolution No. 474, upon motion awarded the contract to the Moellering Construction Co. they being the lowest and best bidders.

This now being the date and time previously fixed by the Board when they would consider the petition of property owners on Winter Street from Lewis Street to Pontiac Street, which petition provides that the Board substitute paving block for Asphalt as the material to be used in paving said Street under Improvement Resolution No. 479, the Board finds that the petitioners are in the majority, and upon motion the prayer of the petitioners was granted. Upon motion the aforesaid Resolution was modified to read as follows: "And paving with vitrified paving block." The Board now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no other objection or remonstrances of any nature whatsoever, upon motion the aforesaid Resolution was confirmed as modified.

The Board then adjourned.

H. U. Becker
CLERK.

Office Board of Public Works.

Fort Wayne, Indiana, Sept. 5th 1907.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the Roll of Assessment of Benefits or Awards of Damages in the matter of opening Harrison Street through the south 132 feet of Barnetts Out Lot No. 14 in accordance with Declaratory Resolution No. 147; also in the matter of opening an Alley between De Wald Street and Creighton Avenue from Warsaw Street to the east line of De Wald

Square, also vacating the Alley on the east line of De Wald Square from De Wald Street to Creighton Avenue in accordance with Declaratory Resolution No. 148; also in the matter of vacating the Alley north of lot No. 42 Foundry Addition, also vacating the Alley through lot No. 41 Foundry Addition, also vacating the Alley east of Force Street from Wallace Street to the northern terminus of the same in accordance with Declaratory Resolution No. 149, and there appearing no objections or remonstrances whatever, upon motion the Roll of assessments of Benefits and Awards of Damages approved under Declaratory Resolutions No. 147, 148 and 149 were confirmed as in the original and ordered delivered to the Department of Finance.

Moved that the work performed under Improvement Resolution No. 442, which provides for paving Superior Street from Wells Street to a point 32 feet west of the east line of Jackson Street; also Improvement Resolution No. 443, which provides for paving Union Street from Main Street to Wayne Street; also Improvement Resolution No. 446, which provides for paving Union Street from Wayne Street to Washington Boulevard West; also Improvement Resolution No. 456, which provides for grading Wildwood Avenue and cement sidewalks on both sides of Wildwood Avenue from Fairfield Avenue to Hoagland Avenue be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 7th day of September 1907, and that the 26th day of September, 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolutions or against the Assessment Rolls as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said Assessment Rolls.

Adopted.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under the following Improvement Resolutions as follows:

Improvement Resolution No.	484	estimated cost		$189.00
"	" 485	"	"	$1309.50
"	" 486	"	"	$4214.90

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 484, which provides for cement

sidewalks on the east side of Greenwood Avenue from the first Alley south of Main Street to the first Alley south of Illinois Street, upon motion the hearing was postponed till September 12th 1907, at 7 30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 485, which provides for grading Beaver Avenue and cement sidewalks on the west side of Beaver Avenue from Home Avenue to Packard Avenue; also Improvement Resolution No. 486, which provides for paving Knitters Avenue from the north line of Main Street to the north line of lot No. 18 Lumbard Park Addition, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Improvement Resolutions No. 485 and 486 be published in the Fort Wayne Journal Gazette on the 7th and 14th days of September, 1907, and that the 26th day of September 1907, at 7 30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted.

The Contract and Bond of the Moellering Construction Company, covering the work to be performed under Improvement Resolution No. 474 was upon motion approved.

The petition of L. M. Shepler for the opening of an Alley between Maumee Avenue and Lewis Street from Walton Avenue to the first alley west was received and upon motion the City Civil Engineer was instructed to prepare a plat showing the proposed opening.

The petition of J. N. Jacobs and 17 others for a Street light at the corner of Kew Ave. and Clinton Street was received and placed on file.

The petition of J. N. Jacobs and 18 others for a Street light at the North Side Pumping Station was received and placed on file.

The petition of J. H. Jacobs and 18 others for a Street Light at the intersection of Jacobs Road and Clinton Street was received and placed on file.

The Bond of the American Steel Concrete Co. covering the construction of Cement sidewalks on the west side of Clinton Street from Holman Street to the first Alley north, and on the north side of Holman Street from Clinton Street to the first Alley west was upon motion approved.

The Bond of F. J. Braun covering the relaying of a brick walk abutting on No. 429 W. Superior Street was upon motion approved.

The petition of the American Steel Concrete Co for permission to construct Cement sidewalks at the corner of Clinton and Holman Streets was upon motion granted.

The petition of Ernst Timme et Son for permission to construct 4 foot Cement sidewalk on the south side of Saville Avenue from Broadway to Indiana Avenue was upon motion granted.

The petition of Keller & Braun for permision to construct an 8 foot Stone flag sidewalk on Wayne Street abutting on lots Nos. 472 and 473 Hannas Addition and frt. lot No. 2 Block 28 Ewings Addition was upon motion granted.

The petition of Fred. Jiemendorff for permission to construct a 5 foot Cement sidewalk on Wagner Street abutting on lots Nos. 11, 12 and 13 Balter, Koenig and Wagners Addition was upon motion granted.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for a vitrified clay pipe sewer in the Alley north of 5th Street from Short Street to the Sewer east of Short Street.

Upon motion the clerk was instructed to notify the Barber Asphalt Paving Company to repair various Street pavements in the City on which the Guaranty has not expired.

Upon motion the clerk was instructed to arrange for an appropriation of $300.00, said money to be used in removing obstructions, which have accumulated in the St. Marys and Maumee Rivers in the vicinnity of the Columbia Street

Bridge.

Upon motion the clerk was instucted to notify W. N. Dreier, Lavina De Wald and B. W. Saunders owners of property on Rillie Steet to raise and relay the brick sidewalks abutting on their property on said Steet.

Upon motion the clerk was instucted to request the Controller to transfer $500.00 from the Maintenance and Repair of Streets account to the Sewer Repair account, this fund being practically exhausted.

A remonstrance by a majority of resident property owners having been filed on the 29th day of August, 1907, against the construction of Cement sidewalks on the south side of Creighton Avenue from Fairfield Avenue to South Wayne Avenue, and the Board deeming said improvement a public necessity, upon motion resolved to petition the Common Council to pass an ordinance ordering the construction of said sidewalk.

The Board then adjourned.

Nelson Street from the brick Sewer on Taylor Street and branches, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, upon motion further hearing in the matter was deferred until Monday, September 23rd at 3 o'clock P. M.

Upon motion all former action taken under Improvement Resolution No. 436, which provides for brick sidewalks on both sides of Lafayette Street from Esmond Street to Wiebke Street was rescinded.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public Contract which were upon motion approved;
For Cement sidewalks on both sides of Lafayette Street from the north line of Esmond Street to Wiebke Street; for Cement sidewalks on both sides of Hanna Street, on the west side from Pontiac Street to Oxford Avenue and on the east side from McKee Street to the City limits; for grading Short Street from Fifth Street to Huffman Street; for a Sewer in the Alley between Hoestis Avenue and Grace Avenue from the brick sewer on Fox Avenue west.

Sidewalk Improvement Resolution No. 488.
Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks of both sides of Lafayette Street from the north line of Esmond Street to Wiebke Street by grading to a width of twelve feet and paving with Cement to a width of five feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public works of said City.
Adopted.

Sidewalk Improvement Resolution No. 489.
Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Hanna Street, on the west side from Pontiac Street to Oxford Avenue and on the east side from McKee Street to the City limits by grading to a width of twelve feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City. Adopted.

Improvement Resolution No. 490.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Short Street from Fifth Street to Huffman Street by grading the roadway to a width of twenty four feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 154.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, That the construction of a local Sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the Alley between Huestis Avenue and Grace Avenue from the brick sewer on Fox Avenue to a point thirty feet east of the Alley west of Fox Avenue, said Sewer shall be twelve inches in diameter, and said Sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

The petition of D. R. Bowers and 3 others for Cement sidewalks on the north side of Prospect Avenue from Lot No. 1 Snyders Sub. to the St. Joe River was received and placed on file.

The petition of F. G. Ezug for permission to construct an 8 foot Concrete Driveway abutting on No. 2939 Gay Street was upon motion granted.

The petition of Fred. Giemendorff for permission to construct under private contract a Cement sidewalk on Woodland Avenue abutting on Williams Park Lot "A." was upon motion granted.

The Bond of Wilgeman Bros. covering the construction of an addition to No. 3 Engine House was upon motion approved.

The Housemovers Bond of Sutton Bros. was upon motion approved.

The Sewer Builders Bond of Charles F. Fritschler was upon motion approved.

The Board now took a recess till Friday September 20th at 10 o'clock A. M.

The Board reconvened Friday September 20th at 10 oclock A. M. Upon motion the contract for the work to be performed under Local Sewer Improvement Resolution No. 151 was awarded to Fred. N. Fuelling, he being the lowest and best bidder.

Upon motion further consideration of the bids submitted for the paving of Winter Street under Improvement Resolution No 479 was postponed till Monday, September 23rd at 3 oclock P. M.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, Sept. 23rd 1907.
Regular meeting held at 3 o'clock P. M.
Present: Ed. J. Lennon, Henry Schwartz, Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Main Sewer Improvement Resolution No. 20, which provides for a vitrified clay pipe sewer in and along Nelson Street from the brick sewer on Taylor Street and branches, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, upon motion further hearing in the matter was postponed until October 3rd 1907, at 7:30 o'clock P. M.

Upon motion the Board fixed Thursday, September 26th at 7:30 o'clock P. M. for further consideration of the bids submitted under Improvement Resolution No. 479.

Upon motion the bid submitted under Improvement Resolution

No. 480, which provides for paving Brackenridge Street from Fairfield Avenue to Broadway was rejected, the Board considering the same to be excessive.

Moved that notice to property owners of the adoption of Improvement Resolutions No. 488, 489, 490 and Local Sewer Improvement Resolution No. 154 be published in the Fort Wayne Journal Gazette on the 25th day of September and the 2d day of October 1907, and that the 17th day of October 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said city, if any, will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The petition of N. Roembke and 3 others which provides for paving Division Street from Maumee Avenue to Lewis Street was received and placed on file.

The petition of C. W. Gallmeier for permission to relay under private contract a 4 foot brick sidewalk on Lillie Street, abutting on Lillies Out Lot No. 17 was upon motion granted.

The petition of the Fort Wayne Roofing & Paving Co. for permission to construct under private contract a 7 foot cement sidewalk on Harrison Street abutting on lot No. 425 Hanna's Addition was upon motion granted.

The Bond of F. G. Enz covering the construction of a driveway at No. 2939 Gay Street was upon motion approved.

Upon motion the City Attorney was instructed to prepare proper notices to be served upon the Barber Asphalt Paving Co. and E. W. Seaman, Contractor, to repair certain Street and sidewalks upon which the guaranty has not expired; also a notice to the Fort Wayne Gas Co., N. C. Paul, Receiver, and Wehrenberg and Busching Contractors, to remove a lot of brick from the sidewalk on east Superior Street.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works

Fort Wayne, Indiana, Sept. 26th 1907.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz, Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for various work to be performed under public contract, the Board now proceeded to open such proposals and obtained the following results:
Improvement Resolution No. 485, which provides for grading Beaver Avenue and cement sidewalks on the west side of Beaver Avenue from Home Avenue to Packard Avenue;

Derheimer & Co.	bid for	grading the roadway per lineal foot	.33 1/3 cts
"	"	cement sidewalk " " "	.67 1/2 "
H. W. Gallmeier & Co.	"	grading the roadway " " "	.37 1/2
"	"	cement sidewalk " " "	.67 1/2
Moellering Const. Co.	"	grading the roadway " " "	.36
"	"	cement sidewalks " " "	.66

Upon motion the contract for the work to be performed under Improvement Resolution No. 485 was awarded to Derheimer & Co. they being the lowest and best bidder.

Improvement Resolution No. 486, which provides for paving Knitter Avenue from the north line of Main Street to the north line of Lot No. 18 Lumbard Park;
Moellering Const. Co. bid for Metropolitan or other block per lineal foot $5.69
There being no other bids upon motion this bid was taken under advisement until Monday, September 30th at 3 o'clock P. M.

Moved, that the work performed under Improvement Resolution No. 441, which provides for paving Gay Street from Lewis Street to Hayden Street and from Wallace Street to Calerick Street; also Improvement Resolution No. 452, which provides for cement sidewalks on both sides of Wayne Street from Harrison Street to Fulton Street; also Improvement Resolution No. 462, which provides for cement sidewalks on the east side of Dimmen Avenue from Thompson Avenue to Hartnett Avenue, be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 28th day of September 1907, and that the 17th day of October 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolutions or against the Assessment Roll as approved by the Board and

will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said Assessment Rolls.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 442, which provides for paving Superior Street from Wells Street to Jackson Street; also Improvement Resolution No. 443, which provides for paving Union Stree from Main Street to Wayne Street; also Improvement Resolution No. 446, which provides for paving Union Street from Wayne Street to Washington Boulevard West; also Improvement Resolution No. 456, which provides for grading Wildwood Avenue and cement sidewalks on both sides of Wildwood Avenue from Fairfield Avenue to Hoagland Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under the aforementioned Resolutions, upon motion further hearing in the matter was postponed until October 3rd 1907, at 7:30 o'clock P. M.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under Improvement Resolution No. 487, which is $312.22.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 487, which provides for cement sidewalks on the south side of Polk Street from St. Marys Avenue to De Groff Street, the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolution was confirmed as in the original.

Moved that notice to Contractors of the work to be performed under Improvement Resolution No. 487 be published in the Fort Wayne Journal Gazette on the 28th day of September and the 5th day of October 1907, and that the 17th day of October 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed

under the aforementioned Resolution.

Adopted.

The Board having carefully considered the bids submitted under Improvement Resolution No. 479, upon motion awarded the contract for the same to the Moellering Construction Co. they being the lowest and but bidders.

Upon motion the contract for the work to be performed under Improvement Resolution No. 481 was not awarded, the matter being postponed until October 10th 1907, pending the action of the Common Council.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 484, which provides for Cement sidewalks on the east side of Greenwood Avenue from the Alley south of Main Street to the Alley south of Illinois Street upon motion all proceedings had in the matter were rescinded the work having been done under private contract.

The remonstrance of George W. Steinacker and 8 others against paving Division Street from Maumee Avenue to Lenox Street was received and placed on file.

The petition of Leo L. DeHaven and 9 others which provides for grading the Alley between Hillside Avenue and Bayer Avenue from Baker Avenue to Eliza Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

Upon motion the Bond of Frank Coblentz covering the construction of Area ways on Calhoun Street and Jefferson Street abutting on lot No. 417, Hanna's Addition was approved.

The Sidewalk Builders Bond of Fred. Jiemeidorff was upon motion approved.

The petition of Frank Coblentz for permission to construct Area ways on Calhoun and Jefferson Street abutting on lot No. 417, Hanna's Addition was upon motion granted.

The petition of John B. Grosjean for permission to construct under private contract a 4 foot Cement sidewalk on the west side of

Oakland Street between High Street and Third Street was upon motion granted.

The petition of The Fort Wayne Roofing & Paving Co. for permission to construct a 7 foot cement sidewalk on Jefferson Street abutting on lot No. 425 Hanna's Addition; also a 5 foot cement sidewalk on Union Street abutting on lot No. 117 Rockhill Addition was upon motion granted.

The petition of Conrad Kern for permission to relay under private contract a 4 foot brick sidewalk on Stophlet Street was upon motion granted.

The petition of O. F. Menefee for permission to construct under private contract a 6 foot cement sidewalk on Creighton Avenue abutting on lot No. 213 Williams Addition; also a 5 foot cement walk on Warsaw Street abutting on lot No. 13 Burnam Sub. and lot No. 192 Lasalle Add. was upon motion granted.

The petition of Martha Geary for permission to construct under private contract cement sidewalks on Wayne Street abutting on Nos. 1603, 1701 to 1707 was upon motion granted.

The Contracts and Bonds of Anton Rieg covering the work to be performed under Local Sewer Improvement Resolutions No. 152 and 153 were upon motion approved.

The Contract and Bond of Derheimer & Co. covering the work to be performed under Improvement Resolution No. 478 was upon motion approved.

It having come to the notice of the Board that Albert Tomkinson, Licensed Sewer Builder, had tapped a sewer without taking out the proper permit, said Tomkinson now appeared in answer to a summons and pleaded guilty to the charge. Upon motion the Sewer Builders Licens of Albert Tomkinson was now revoked.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for cement sidewalks on the south side of Creighton Avenue from Hoagland Avenue to Fairfield Avenue and from South Wayne Avenue to Fox Avenue.

The Board now took a recess until Saturday September 28th at 2 o'clock P. M.

The Board reconvened at 2 o'clock P. M. September 28th 1907.

X The Alphons Custodis Chimney Construction Co, having asked for, were, upon motion granted permission to sublet the construction of the foundation for the Stack for the Municipal Electric Light Plant to the Moellering Construction Co.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, Oct. 3rd. 1907.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Kennon, Henry Schwartz and Jesse Brosier.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 442, which provides for paving Superior Street from Wells Street to a point 32 feet west of the east line of Jackson Street; also Improvement Resolution No. 443, which provides for paving Union Street from Main Street to Wayne Street; also Improvement Resolution No. 446, which provides for paving Union Street from Wayne Street to Washington Street; also Improvement Resolution No. 456, which provides for grading Wildwood Avenue, and paving with cement the sidewalks on both sides of Wildwood Avenue from Fairfield Avenue to Hoaglund Avenue; also Improvement Resolution No. 457, which provides for paving with cement the sidewalks on both sides of Washington Boulevard West, from Calhoun Street to Harrison Street; also Improvement Resolution No. 461, which provides for paving with cement the sidewalks on both sides of Calhoun Street from Creighton Avenue to Esmond Street on the east side and from Creighton Avenue to Killea Street on the west side; also Improvement Resolution No. 464, which provides for paving with cement the sidewalks on the south side of Fifth Street from Wells Street to Barthold Street; also Main Sewer Improvement Resolution No. 20, which provides for a vitrified clay pipe sewer in and along Nelson Street from the brick sewer on Taylor Street and branches; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolutions, which Assessment Roll contain a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution Nos. 442, 443, 446, 456, 457, 461, 464 and Main Sewer Improvement Resolution No. 20 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 482, which provides for cement sidewalks on the east side of Wells Street from Carr Street to First Street, upon motion all former action taken under Improvement Resolution No. 482, was rescinded, the work having been done under private contract.

The City Civil Engineer submitted a plan showing the vacation of a Street 40 feet in width from Main Street south to the south line of the right-of-way of the L. S. & M. S. Railway Co. which was upon motion approved.

Declaratory Resolution No. 150.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate a Street that is forty feet (40) in width laying 110 feet west of the west line of lot No. 111 Rockhill 2d Addition, and extending from Main Street to the south line of the right-of-way of the Lake Shore and Michigan Southern Railway Co. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. The City hereby reserves the right, power, privilege and authority to at any time hereafter enter the real estate above described, in and upon which a public sewer is located for the purpose of cleaning, flushing, maintaining and repairing or enlarging said sewer.

Adopted.

Moved that notice to property owners affected by the vacation of a Street 40 feet in width from Main Street south to the south line of the right-of-way of the L. S. & M. S. Railway Co. as described in Declaratory Resolution No. 150, be published in the Fort Wayne Journal Gazette on the 5th and 12th days of October 1907, and the 31st day of October 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

Moved, that notice to Contractors of the work to be performed under Improvement Resolution No. 486, be published in the Fort Wayne Journal Gazette on the 5th and 12th days of October 1907, and that the 24th day of October 1907, at 7:30 o'clock P. M. be fixed

a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolution. Adopted.

The petition of Alice E. Smethers and 13 others for an Electric Street light at the intersection of Jacob Avenue and Wells Street was received and placed on file.

The petition of C. W. Gallmeier for permission to relay under private contract a 6 foot brick sidewalk on Fulton Street abutting on lot No. 12 Block 25 Ewings Addition was upon motion granted.

The petition of R. L. Rooney for permission to construct under private contract a Cement sidewalk on Delay Street abutting on lot No. 15 Hanna's Addition was upon motion granted and the Bond covering the same approved.

The office of Street Superintendent having been made vacant by the death of W. L. Bock, upon motion Charles Mc Kendry was appointed to the position thus made vacant.

Upon motion the Board decided to avail itself of the option granted to the City in the Contract between The Fort Wayne Electric Works and the City of Fort Wayne, to order the additional 75 Light Transformers and 3 additional 75 Light Constant Current Control Panels, together with all the apparatus and appliances needed therewith, for the additional sum of $3318.00 as provided in said Contract; also to avail itself of the option granted to the City in the Contract between the P. K. Engineering Co. and the City of Fort Wayne, to order the installation of Rooney Stokers, thereby dispensing with the rocking graters. The sum to be paid is mentioned in said Contract, namely, $3240.00 less the sum of $750.00 for said graters, which will leave on the sum to be paid in addition to the contract price, the sum of $2490.00.

The Board then adjourned.

CLERK.

Office Board of Public Works

Fort Wayne, Indiana, October 17th 1907.
Regular meeting held at 7½ o'clock P. M.
Present: E. J. Lennon, Henry Schwartz, Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for the construction of cement sidewalks on the south side of Polk Street from St. Marys Avenue to De Groff Street under Improvement Resolution No. 487, the Board now proceeded to open such proposals and obtained the following result:

Oscar F. Menefee bid for the work complete per lineal foot	.66 2/5 cts.
Derheimer & Co " " " " " " " "	.58 2/3
L. W. Gallmeier & Co " " " " " " " "	.59
Moellering Construction Co " " " " " " " "	.47½

Upon motion the contract for the work to be performed under Improvement Resolution No. 487, was awarded to the Moellering Construction Co., they being the lowest and best bidder.

The City Civil Engineer submitted his estimates of the work to be performed under public contract as follows:

Improvement Resolution No.	488,	total cost;	$2252.00
" "	489,	" "	$3492.00
" "	490,	" "	$286.00
Local Sewer Impt. Res. "	154,		$252.00

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 488, which provides for cement sidewalks on both sides of Lafayette Street from Esmond Street to Wiebke Street; also Improvement Resolution No. 490, which provides for grading Short Street from Fifth Street to Huffman Street; also Local Sewer Improvement Resolution No. 154, which provides for a vitrified clay pipe Sewer in the Alley between Hanna Avenue and Grace Avenue from the brick Sewer on Fox Avenue to a point 30 feet east of the Alley west of Fox Avenue, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Improvement Resolution No. 490 and Local Sewer Improvement

Resolution No. 154, be published in the Fort Wayne Journal Gazette on 19th and 26th days of October and the 7th day of November, 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 489, which provides for cement sidewalks on both sides of Hanna Street, on the west side from Pontiac Street to Oxford Avenue and on the east side from McKee Street to the City Limits, there now was presented a remonstrance by Elizabeth Krommiller and 15 others against the construction of a 5 foot cement sidewalk on the west side of Hanna Street from Pontiac Street to Oxford Avenue. Upon motion further hearing was postponed until October 31st 1907, at 7:30 o'clock P. M.

Moved, that the work performed under Improvement Resolution No. 459, which provides for cement sidewalks on both sides of Washington Boulevard West, from Fairfield Avenue to Swinney Park; also Improvement Resolution No. 460, which provides for cement sidewalks on both sides of Calhoun Street from the north line of lot No. 1 Hamiltons 5th Addition to Creighton Avenue on the east side and from Grand Street to Creighton Avenue on the west side be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 19th day of October 1907, and that the 7th day of November, 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolutions or against the Assessment Roll as approved by the Board and will determine the question as to whether such lot or tract of land have been or will be benefited by said improvements in the amounts named on said Assessment Roll.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 452, which provides for cement sidewalks on both sides of Wayne Street from Harrison Street to Fulton Street; also Improvement Resolution No. 462, which provides for cement sidewalks on

the east side of Dinnen Avenue from Thompson Avenue to Hartnett Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the afore-mentioned Resolutions, which Assessment Roll contain a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever upon motion the work performed under Improvement Resolutions Nos 452 and 462 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 441, which provides for paving Gay Street from Lewis Street to Goderich Street, also against the Assessment Roll covering said work, upon motion the hearing was postponed until October 18th 1907 at 2 o'clock P.M.

The petition of Fred. Siemendorff for permission to construct under private contract a 5 foot cement sidewalk on Wagner Street abutting on lots Nos 8 to 16 Balter, Koenig and Wagner Addition was upon motion granted.

The petition of C. W. Gallmeyer for permission to relay under private contract a 5 foot brick sidewalk on E. Creighton Avenue abutting on lot No. 113 Lasalle's Addition was upon motion granted.

The petition of Albert L. Young and 22 others for a Street Light at the intersection of Oakley and Poplar Streets was received and placed on file.

The Nauseonver Bond of Sutton Bros. was upon motion approved.

A communication was received from W. C. Gross pertaining to the condition of the new sidewalk pavement on Washington Boulevard West, which was upon motion placed on file.

The Board now upon motion took a recess until Friday,

October 18th at 2 o'clock P. M.

The Board reconvened at 2 o'clock P. M. Friday, October 18th 1907.

This now being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 441, which provides for paving Gay Street from Lavin Street to Hayden Street and from Wallace Street to Colerick Street, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever upon motion the work performed under Improvement Resolution No. 441 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

The Board then adjourned.

Main Sewer Improvement Resolution No. 21.

Resolved, By the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a Main Sewer, which from its size, and character, is not only intended and adapted for use by property holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains already constructed, or which may be hereafter constructed, be, and the same is hereby ordered: Commencing at the inter-section of the Alley east of Walton Avenue in Lake Side Park Addition Plat "B." with the Maumee River, thence north in and along said Alley to the Alley south of Lake Avenue in said Addition, thence west in said Alley to a point on the line between Lots Nos. 450 and 451 Lake Side Park Addition Plat "B", thence north on said line and in the Alley between Walton Avenue and Garfield Avenue to Vermont Avenue, thence west on Vermont Avenue to Kentucky Avenue, thence north on Kentucky Avenue 250 feet, thence west through the lands owned by Gebhart and Baker and the roadway on the south side of Rissings Addition to the first Alley east of St. Joe Boulevard, thence north in the Alley east of St. Joe Boulevard to the north line of Baker Avenue. Said Sewer to be a four foot inside diameter two ring brick sewer from the Maumee River to the Alley east of St. Joe Boulevard and a twenty four inch vitrified clay pipe sewer in the Alley east of St. Joe Boulevard from the roadway on the south of Rissings Addition to the north line of Baker Avenue, and be built in accordance with the profile, specifica-tions, and detailed plans on file in the office of the Department of Public Works, and all of said work and material of every kind is to be in accordance with the profile, specifications and detailed plans now on file in the office of the Board of Public Works of said City.

The total cost of said improvement shall be paid by the holders of property beneficially affected thereby in proportion to the benefits received, including not only the property abutting on the line of said sewer, but also all property, which may be beneficially affected by the construction of said sewer, which lies within the fol-lowing described territory in the City of Fort Wayne, County of Allen and State of Indiana to-wit: Commencing at the intersection of the east line of Lake Side Park Addition Plat "B" with the Maumee River, thence north along said east line to Lake Avenue, thence west on Lake Avenue to Walton Avenue, thence north on Walton Avenue to Griswold Avenue, thence west on Griswold Avenue to Malcolm Street, thence north on Malcolm Street to the north line of Rettit Addition, thence west on the north line of Rettit's Addition to

St. Joe Gravel Road, thence north-east on St. Joe Gravel Road to Charlotte Avenue, thence west on the center line of Charlotte Avenue and the center line of Charlotte Avenue produced west to the St. Joseph River, thence in a southerly direction following the meanderings of the St. Joseph River to the north line of Lake Side Park Addition Plat "A.", thence east along the north line of Lake Side Park Addition Plat "A" to Crescent Avenue, thence south on Crescent Avenue to the Maumee River, thence in an easterly and southerly course following the meanderings of the Maumee River to the place of beginning.

The entire cost of said sewer, including the portions of the sewer, which cross streets and alleys to be assessed against the property holders beneficially affected. It is expressly intended and provided that the City of Fort Wayne shall pay no part of the cost of the construction of said sewer. Assessments, if deferred, are to be paid in ten equal annual installments, with interest, at the rate of five per cent per annum. A bond or bonds shall be issued to the contractor in payment for said work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement.

All proceedings had and work done in the constuction of said Main Sewer, and its appurtenances, manner of assessment of property, collection of assessments and issuance of bonds therefor shall be as provided for in an act of the General Assembly of the State of Indiana entitled "An Act Concerning Municipal Corporations approved March 6th 1905", and in accordance with and pursuant to the provision of all amendatory and supplemental acts thereto passed by the General Assembly of the State of Indiana.

Adopted.

Moved that notice to property owners of the adoption of Main Sewer Improvement Resolution No. 21 be published in the Fort Wayne Journal Gazette on the 11th and 18th days of November 1907, and that the 5th day of December 1907, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement

and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The Board entered into an agreement with the Fort Wayne Gas Company and Henry L. Paul, Receiver, granting said Gas Company permission to connect their natural Gas Main with the artificial Gas Main for the purpose of furnishing the General Electric Co. with an additional Gas supply to operate their plant on the west side of Clinton Street between Holman Street and Montgomery Street.

The Board then adjourned.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No 470, which provides for cement sidewalks on both sides of Wayne Street from Calhoun Street to Harmer Street; also Improvement Resolution No 477, which provides for cement sidewalks on the east side of Webster Street from Creighton Avenue to Woodland Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolutions, which assessment Roll contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever upon motion work performed under Improvement Resolutions No 470 and 477 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

Moved that the work performed under Local Sewer Improvement Resolution No 151, which provides for a local sewer in the Alley south of Superior Street from the east line of Ewing's Addition to Ewing Street and relaying the sewer on Webster Street from Superior

Street to the first Alley south of Superior Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 16th and 23rd days of November 1907, and that the 5th day of December, 1907, at 7.30 oclock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

Moved, that the work performed under Improvement Resolution No. 466, which provides for paving the Alley between Street and Berry Street; also Improvement Resolution No. 467, which provides for paving Harmony Court from Main Street to the first Alley south of Main Street; also Improvement Resolution No. 472, which provides for cement sidewalks on both sides of Jefferson Street from Calhoun Street to Barr Street; also Improvement Resolution No. 473, which provides for cement sidewalks on both sides of Lewis Street from Calhoun Street to Barr Street; also Improvement Resolution No. 474, which provides for cement sidewalks on both sides of Clinton Street from Wayne Street to Lewis Street; also Improvement Resolution No. 483, which provides for cement sidewalks on the south side of Madison Street from Hamer Street to Division Street be and the same be hereby accepted, and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 16th day of November and that the 5th day of December 1907, at 7.30 oclock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolutions or against the assessment Rolls as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said assessment rolls.

Adopted.

The City Civil Engineer submitted a plat showing the proposed opening of an Alley through the north part of Lots Nos. 6-7 and 8 Lillies Out Lots; also a plat showing the proposed opening of an Alley between Emily Street and Elizabeth Street from Spy Run Avenue to Spy Run Creek, also the opening of an Alley on the east side of Spy Run Creek from Emily Street to Elizabeth Street which were upon motion approved.

Declaratory Resolution No 151.

For the opening of an Alley through the north part of lots Nos 6, 7 and 8 Rillier Out Lots in the S. E. 1/4 of the S. E. 1/4 of Sec. 1 T. 30, N. R. 12, E.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend the alley north of Lewis Street from the east line of McCullochs First Addition through the north part of lots Nos. 8, 7 and 6 of Rillier Out Lots to Lillie Street. Said opening and extending to be made by condemning and appropriating for alley purposes the south 10 feet of the north 55 feet of Rillier Out Lots Nos 6 and 7 and a piece of land through Lillies Out Lot No 8, commencing at a point 45 feet south of the N. E. corner of said Out Lot No 8, thence northwesterly to a point 36 feet south of the N. W. corner of said Out Lot No 8, thence south 14 feet, thence south-easterly to a point 55 feet south of the N. E. corner of said Out Lot No 8, thence north 10 feet to place of beginning.
All as shown by a plan of such proposed opening and extending of said Alley as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said Alley, above described, is described as all lots or parcels of land not occupied by streets or alleys lying south of Summit Street, and the north line of lots Nos. 6, 7 and 8 of Lillie's Out Lots, west of Lillie Street, north of Lewis Street and east of McCulloch Street. All of said Alley and lots and lands affected by the opening and extending of said alley being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 152.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open an alley ten feet in width between Emily Street and Elizabeth Street from Spy Run Avenue to Spy Run Creek. Also to open an alley ten feet in width on the east side of Spy Run Creek from Emily Street to Elizabeth Street. Said opening to be made by condemning and appropriating for Alley purposes the north five feet of lots Nos. 17, 14, 5, 7, 9, 11, 13 and the south five feet of lots 18, 3, 4, 6, 8, 10 and 12 of E. E. Rudisill's Addition, and the north five feet of lots 2, 16 and 18, and the south five feet of lots 1, 3, 5, 7, 9, 11, 13, 15 and 17 of N. J. Rudisill's Addition. Also a strip of ground ten feet in width, 150 feet south of Elizabeth Street to conform to the lines described in N. J. Rudisill's Addition, and to intersect the Alley from Emily Street to Elizabeth Street. Also a strip of ground five feet in width the east line of which commences at a point on the north line of Emily Street three feet east of the S. W. corner of lot 16 N. J. Rudisill's

Addition, thence northwest to a point on the south line of Elizabeth Street 115 feet west of lot No 17, H. J. Rudisill's Addition.
All as shown by a plan of such proposed opening of said alley, as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening of said above described alley is described as all lots or parcels of land not occupied by streets or alleys lying north of Emily Street, east of Spy Run Creek, south of Elizabeth Street and west of Spy Run Avenue. All of said alley and lots and lands affected by the opening of said alley being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening of an Alley through the north part of lots Nos. 6, 7 and 8 Lillie Out Lots, as described in Declaratory Resolution No 151, also to property owners affected by the opening of an alley between Emily Street and Elizabeth Street from Spy Run Avenue to Spy Run Creek, also an alley on the east side of Spy Run Creek from Emily Street to Elizabeth Street as described in Declaratory Resolution No. 152 be published in the Fort Wayne Journal Gazette on 16th and 23rd days of November, 1907, and that the 12th day December 1907 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The petition of William Harris and 14 others which provides for cement sidewalks on the north side of Wagner Street from Spy Run Avenue to a point 100 feet east of the west line of Mr. Harris property was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The Plumbers and Gasfitters Bond of John and Meyer was upon motion approved.

The Board received from the Allen County Loan and Savings Assn. and Anthony J. Meyer an Easement for sewer purposes through the east 10 feet of lot No 4 in Titus Addition to the City of Fort Wayne, which was, upon motion ordered to be placed on record.

Upon motion the clerk was instructed to advertise for sealed proposals for the collection of the Kitchen Garbage during the year 1908, said proposals to be received until Monday, December 2d 1907 at 3 o'clock P. M.

The petition of The Home Telephone Company for permission to extend their underground system on Columbia Avenue from Lafayette Stret to St. Joe Boulevard thence south to the first alley was, upon motion refused.

The Board then adjourned.

Office Board of Public Works

Fort Wayne, Indiana, November 15th 1907.

Special meeting held at 2 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

There was presented to the Board for approval, as provided for in the General Specifications, a contract entered into by and between W. Miller and the Mc Bride Electric Co. for the furnishing of all labor and material viz: dimension lumber, templets, window and door frames, sash, glass and hardware complete, to be installed in the new addition to Pump House No 1, City of Fort Wayne Water Works, in strict accordance with the plans and specifications as prepared by Mr. Owen Ford, Construction Engineer. The said Miller having had a contract with the Mc Bride Electric Co. for the construction of the foundations for said building, without the consent of the City and it being evident to the Board that said Miller was unable to properly handle such work in a satisfactory manner to the Board, upon motion the Board refused to approve of said contract and notified C. F. Mc Bride of the Mc Bride Electric Co. to that effect.

The Board then adjourned.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against

Local Sewer Improvement Resolution No. 155 which provides for a vitrified clay pipe sewer in the Alley between Rivernet Avenue and Elmwood Avenue from the brick sewer on Tecumseh Street to the Alley west of Crescent Avenue and in the Alley west of Crescent Avenue from Rivernet Avenue to Elmwood Avenue; also Local Sewer Improvement Resolution No. 156, which provides for a vitrified clay pipe sewer in and along Brossard Lane from the sewer in the Alley west of Wells Street to Short Street; also Local Sewer Improvement Resolution No. 157, which provides for a vitrified clay pipe Sewer in and along Spring Street from the sewer on Andrew Street to the Alley between Andrew Street and Sherman Street, in the alley between Andrew Street and Sherman Street from Spring Street to the Alley south of Huffman Street and in the Alley south of Huffman Street from Andrew Street to Sherman Street; also Local Sewer Improvement Resolution No. 158 which provides for a vitrified clay pipe sewer in and along the Alley between Franklin Avenue and De Groff Street and through lot No. 4 Titus Addition from the brick sewer on High Street to the Alley north of Burgen Street, in the Alley north of Burgen Street from the Alley between Franklin Avenue and De Groff Street to Windsor Street and in the Alley south of High Street from Franklin Avenue to De Groff Street, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No. 21, which provides for a brick and clay pipe Sewer in Lake Side Park Addition and Forest Park Addition, upon motion further hearing in the matter was postponed until Monday December 16th 1907, at 3 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 151, which provides for opening an Alley through the north part of lots Nos. 6, 7 and 8 Lillier Out Lots in the S. E. 1/4 of the S. E. 1/4 Sec. 1 T. 30, N. R. 12 E.; also Declaratory Resolution No. 152, which provides for the opening of an Alley ten feet in width between Emily Street and Elizabeth Street from Spy Run Avenue to Spy Run Creek, also for the opening of an Alley ten feet in width on the east side of Spy Run Creek from Emily Street to Elizabeth Street and there appearing no objections or remonstrances of any nature what-

soever, upon motion Declaratory Resolutions Nos. 151 and 152 were confirmed as in the original.

Moved that the work performed under Local Sewer Improvement Resolution No. 152, which provides for a local sewer on Barthold Street from the alley between Fourth Street and Fifth Street to Spring Street and on Spring Street from Barthold Street to a point 50 feet west of Short Street; also Local Sewer Improvement Resolution No. 153, which provides for a local sewer on Spring Street from Andrew Street to the alley east of Andrew Street, in the alley east of Andrew Street from Spring Street to the alley south of Huffman Street and in the alley south of Huffman Street from Andrew Street to Short Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 14th and 21st days of December, 1907, and that the 2d day of January 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolutions or against the Assessment Rolls as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said Assessment Rolls.

Adopted.

Moved that notice to Contractor of the work to be performed under Local Sewer Improvement Resolution Nos. 155, 156, 157 and 158 be published in the Fort Wayne Journal Gazette on the 14th and 21st days of December, 1907, and that the 2d day of January 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving with Sheet Lake Asphalt Reith Street from Hoagland Avenue to Hanna Street.

The petition of the Fort Wayne and Wabash Valley Traction Company for permission to erect a pole in the alley between Smith Street and Oliver Street, south of Thayer Street was received and placed on file.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, Dec. 16th 1907.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This now being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No. 21, which provides for a brick and vitrified clay pipe sewer in Lake Side Park and Forest Park Addition, upon motion the specifications were modified to include "Reinforced Concrete Pipe" as one of the materials to be used in the construction of said sewer. Thereupon, upon motion, further hearing in the matter of confirming Main Sewer Improvement Resolution No. 21 was postponed until December 19th 1907, at 7:30 o'clock P. M.

Upon motion the City Civil Engineer was instructed to amend the specifications for Main Sewer No. 21 to include Reinforced Concrete Pipe.

The Contract and Bond of the Old Coal Co. covering the furnishing of Coal for the City Hall was upon motion approved.

The Contract and Bond of the Pioneer Coal and Wood Co. covering the furnishing of coal for the City Crematory during the year 1908, was upon motion approved.

The application of Geo. Shartzer for position as foreman of the Street Cleaning Department was received and placed on file.

The petition of the Fort Wayne and Wabash Valley Traction Co. for permission to erect poles in the Alley between John and Gay Street south of Buchanan Street, also in the Alley between Hanna Street and Francis Street from Lewis Street to Hough Street was granted upon the condition that said poles be high enough to allow the City of Fort Wayne to erect a thirty foot pole line in said Alley if the City so desires.

The petition of Peter Balter for permission to construct under private contract Cement sidewalks on Montgomery Street and Barr Street abutting on lots No. 15 and 16 Hamiltons 1st Addition was granted on condition that he put in the sidewalk intersections on said corner.

Upon motion of Mr. Brosius the contract for collecting the kitchen garbage in the City of Fort Wayne during the year 1908, was awarded

to Frank A. Drake at his bid of $46.69 cts by the following vote viz: Ayes 2, Schwartz, Brosius. Nays 1. Lennon.

Upon motion the clerk was instructed to notify the Penn. R.R. Co. to discontinue switching cars on Murray Street and Toledo Street during such hours as provided in their franchise.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, Dec. 19th 1907.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for printing and publishing the Council proceedings during the year 1908, the Board now proceeded to open such proposals and obtained the following results:

The Journal Gazette Co. bid per column inch .28 1/2 cts
" Fort Wayne Sentinel " " " " .26 1/2 "

Upon motion the contract for printing and publishing the Council proceedings during the year 1908 was awarded to The Fort Wayne Sentinel, they being the lowest and but bidders.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 469, which provides for grading Maud Street from Thomas Street to Holton Avenue also Improvement Resolution No. 490, which provides for grading Short Street from Fifth Street to Huffman Street; also Local Sewer Improvement Resolution No. 150, which provides for a vitrified clay pipe sewer in the alley west of Runion Avenue from the present terminus of the sewer to a point 110 feet north; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolutions, which Assessment Roll contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment

of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions Nos 469 and 490, and Local Sewer Improvement Resolution No 150 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

The City Civil Engineer submitted a plat showing the proposed widening of Taylor Street in front of lots Nos 44 and 45 Kinde's 2d Addition, which was upon motion approved.

Declaratory Resolution No 153.

For the widening of Taylor Street in front of lots Nos 44 and 45 Kinders 2d Addition.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to widen Taylor Street in front of lots Nos 44 and 45 Kinde's 2d Addition to the City of Fort Wayne, Indiana. Said widening to be made by condemning and appropriating for Street purposes the north five feet of lots Nos 44 and 45 in Kinde's 2d Addition to the City of Fort Wayne, Indiana, situated in the N. 1/2 of S. W. 1/4 Section 11, T. 30. N. R. 12 E.

All as shown by a plan of such proposed widening of Taylor Street as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the widening of said Taylor Street, as above described, is described as all lots or parcels of land not occupied by Streets or Alleys abutting on said Taylor Street between Fairfield Avenue and Broadway. All of said Street and lots and lands affected by the widening of said Taylor Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the widening of Taylor Street as described in Declaratory Resolution No 153 be published in the Fort Wayne Journal Gazette on the 21st and 28th days of December 1907 and the 16th days of January 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted.

Moved, that the work performed under Local Sewer Improvement Resolution

No 154, which provides for a local sewer in the Alley between Huestis Avenue and Grace Avenue from the brick sewer on Fox Avenue to a point 30 feet east of the Alley west of Fox Avenue be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 21st and 28th days of December 1907, and that the 2d day of January 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

The remonstrance of J. A. Haley and 14 others against the construction of Cement sidewalks on the east side of Wells Street from First Street to Miller Lane was received and placed on file.

The Plumber and Gasfitter Bond of S. B. Brokaw was upon motion approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No. 21, which provides for a brick and vitrified clay pipe sewer in Lake Side Park Addition and Forest Park Addition, upon motion of Mr. Brosius, Main Sewer Improvement Resolution No. 21 was amended to read as follows: Said sewer shall be constructed of two rings of brick or reinforced concrete pipe five inches in thickness. The inside diameter of the sewer to be four feet, from the Maumee River to the alley east of St. Joe Boulevard, and a twenty-four inch (24") vitrified clay pipe or reinforced concrete pipe from the roadway on the south of Rissing's Addition to the north line of Baker Avenue. After being so amended the Board now finds that the benefits to abutting and adjacent property including the property as fully described in said Main Sewer Improvement Resolution No. 21, are equal to or exceed the estimated cost of the proposed improvement, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolution was confirmed as modified.

It having been reported to the Board that C. B. Schmuck was erecting a building outside of the property line on Webster Street, said Schmuck was warned by the Board not to proceed with said work until said property line had been legally established by an official survey.

Upon motion of Mr. Brosius all former action taken under Main Sewer Improvement Resolution No. 21 was rescinded.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for a two ring brick, reinforced concrete pipe and vitrified clay pipe sewer in Lake Side Park Addition and Forest Park Addition.

Upon motion the clerk was instructed to submit to the Controller an itemized statement of the money required for the City Hall during the year 1908.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, Dec. 23rd 1907.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted specifications for a Main Sewer in Lake Side Park Addition and Forest Park Addition which were upon motion approved.

Main Sewer Improvement Resolution No. 22.

Resolved, By the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a Main Sewer, which from its size and character, is not only intended and adapted for use by property holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains already constructed, or which may be hereafter constructed, be, and the same is hereby ordered: Commencing at the intersection of the Alley east of Walton Avenue in Lake Side Park Addition Plat "B." with the Maumee River, thence north in and along said Alley to the Alley south of Lake Avenue in said Addition, thence west in said Alley to a point on the line between Lots Nos. 450 and 451 Lake Side Park Addition Plat "B.", thence north on said line and the Alley between Walton Avenue and Garfield Avenue to Vermont Avenue, thence west on Vermont Avenue

to Kentucky Avenue, thence north on Kentucky Avenue about 250 feet, thence west through the lands owned by Gebhart and Baker and the roadway on the south side of Rissinger Addition to the first Alley east of St. Joe Boulevard, thence north in the first Alley east of St. Joe Boulevard to the north line of Baker Avenue. Said sewer to be a four foot inside diameter two ring brick sewer or a reinforced concrete pipe sewer of the same dimensions from the Maumee River to the Alley east of St. Joe Boulevard and a twenty-four inch vitrified clay pipe sewer or a reinforced concrete pipe sewer of the same dimensions in the first alley east of St. Joe Boulevard from the ~~roadway~~ on the south of Rissinger Addition to the north line of Baker Avenue, and be built in accordance with the profile, specifications, and detailed plans on file in the office of the Department of Public Works, and all of said work and material of every kind is to be in accordance with the profile, specifications and detailed plans now on file in the office of the Board of Public Works of said City. The total cost of said improvement shall be paid by the holders of property beneficially affected thereby in proportion to the benefits received, including not only the property abutting on the line of said sewer, but also all property, which may be beneficially affected by the construction of said sewer, which lies within the following described territory in the City of Fort Wayne, County of Allen and State of Indiana to-wit: Commencing at the intersection of the east line of Lakeside Park Addition Plat "B" with the Maumee River, thence north along said east line to Lake Avenue, thence west on Lake Avenue to Walton Avenue, thence north on Walton Avenue to Griswold Avenue, so called, thence west on Griswold Avenue to Malcolm Street, thence north on Malcolm Street to the north line of Rettit's Addition, thence west on the north line of Rettit's Addition to St. Joe Gravel Road, thence North-east on St. Joe Gravel Road to Charlotte Avenue, thence west on the center line of Charlotte Avenue and the center line of Charlotte Avenue, produced west, to the St. Joseph River, thence in a southerly direction following the meanderings of the St. Joseph River to the north line of Lakeside Park Addition Plat "A", thence east along the north line of Lakeside Park Addition Plat "A", to Crescent Avenue, thence south on Crescent Avenue to the Maumee River, thence in an easterly and southerly course following the meanderings of the Maumee River to the place of beginning. The entire cost of said sewer, including the portions of the sewer, which cross streets and alleys to be assessed against the property holders beneficially affected. It is expressly intended and provided that the City of Fort Wayne shall pay no part of the cost of the construction of said sewer. Assessments, if deferred, are

to be paid in ten equal annual installments, with interest, at the rate of five percent per annum. A Bond or Bonds shall be issued to the Contractor in payment for said work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said Contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement. All proceedings had and work done in the construction of said Main Sewer, and its appurtenances, manner of assessment of property, collection of assessment and issuance of bonds therefor shall be as provided for in an act of the General Assembly of the State of Indiana entitled "An Act Concerning Municipal Corporations, approved March 6th, 1905", and in accordance with and pursuant to the provisions of all amendatory and supplemental acts thereto passed by the General Assembly of the State of Indiana.

Adopted.

Moved, that notice to property owners of the adoption of Main Sewer Improvement Resolution No 22 be published in the Fort Wayne Journal Gazette on the 24th and 31st day of December 1907 and that the 9th day of January 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

Upon motion the Contract and Bond of The Fort Wayne Sentinel, covering the printing and publishing of the Council Proceedings during the year 1908 was approved.

The Board then adjourned.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No 22, which provides for a Main Sewer in Lake Side Park Addition and Forest Park Addition, there now was presented a remonstrance by E. A. Nelson and 41 others against the construction of said sewer. Upon motion further hearing in the matter was postponed until Thursday January 16th 1908, at 7 30 o'clock P. M.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under Main Sewer Improvement Resolution No 22, which is $32,800 00.

The Sewer Builders Bond of Anton Rieg was upon motion approved.

The following proposition was received from the McBride Electric Co:

Fort Wayne, Indiana, Jan. 6th 1908.

Honorable Board of Public Works:

We herewith submit to you our proposition to make the following changes in the size of wire as set forth: Beginning at Calhoun and Superior Streets, and from there to the corner of Lewis Street and Lafayette Street we will install three No. 4 B. & S. Gauge wires instead of three No 6 as now specified. Going toward the west we will begin at the same point, namely Calhoun and Superior Street and install three No 4 B. & S. Gauge wires instead of three No 8 B. & S. Gauge wires as far as the corner of Ewing and Washington Blvd. West. We will install the above mentioned work for the sum of eight hundred and seventy five dollars ($875 00) and turn over to the City in addition the same amount of No 8 and 6 wire, which will be left over.

On the other hand if we retain this wire, and simply make the change in the size of copper on the above Streets, we will make the change for the sum of four hundred and thirty-five dollars ($435 00). The amount of wire to be turned over to the City if first proposition is accepted is 14200 feet of No 6 and 10,000 feet of No 8 wire.

Respectfully submitted,
McBride Electric Co.
By G. N. Beggrew, Manager

Upon motion the Board accepted the proposition of the Mc Bride Electric Co reserving the right to reject the first or second clause of said proposition after the wire is strung.

The proposition of J. N. Hartman and C. N. Spalding to attend to the valve in the Lakeside Sewer was upon motion accepted.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, Jan. 16th 1908.
Regular meeting held at 7 30 P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No 22, which provides for a Main Sewer in Lake Side Park Addition and Forest Park Addition, there now appeared a number of property owners affected by the construction of said sewer and objected to said improvement being made on the ground that the estimated cost of the proposed sewer would exceed the benefits derived from sewer. After hearing arguments on both sides of the question, upon motion further hearing in the matter was postponed until January 30th, 1908, at 7 30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No 153, which provides for widening Taylor Street in front of lots Nos 44 and 45 Kinder 2d Addition, and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No 153 was confirmed as in the original.

The petition of W. D. Baxendale praying for relief from damage, being done to his property at the north east corner of Maria Street and Runion Avenue by reason of the faulty construction of a sewer which runs through his property was received and placed on file.

The petition of the Fort Wayne and Wabash Valley Traction Company for permission to erect poles at various places, was upon motion granted as follows: One pole on Jackson Street between Brooklyn Avenue and Ravina Street; one pole in the Alley bounded by Van Buren, Broadway, Jefferson and Wilt Steets; three poles on Illinois Street and two poles in the rear of Perry Avenue; three poles in the Alley between Hood Street and Fisher Street, east of Holton Avenue.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving with Sheet Lake Asphalt Suttenfield Street from Hanna Street to Lafayette Street.

The Board received the following proposals for cleaning the walls in the City Hall, which were upon motion taken

under advisement: Mong and Misner bid for the work complete $ 205.00
Thomas W. Loyd " " " " " $ 190.00

The Board instructed the clerk to advertise for bids for printing and binding the annual reports of the various departments of the City for the year 1907, said bids to be opened February 6th 1908, at 7:30 o'clock P. M.

The Board then adjourned.

The petition of Fred. L. Deuter and 18 others which provides for grading High Street and cement sidewalks on both sides of High Street from Runion Avenue to and across Feeder Canal was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The application of S. Arantz for the position of Sewer Inspector was received and placed on file.

The following communication was received and upon motion referred to the City Attorney and City Civil Engineer.

Fort Wayne, Ind, Feb. 16th 1908.

Board of Public Works, City.

Gentlemen: Among the items in the assessments which were turned over to this Company as payment for the intercepting sewer was one against the West 41 feet Block 2, Ewings addition amounting to $4.00. An investigation of the records which was confirmed by the City Civil Engineer showed that this piece of property does not exist as against Dennis McCarthy as it was charged against another person and collected from him. In as much as this Company would have received the $4.00 we would ask that $4.00 be refunded to us by the City.

Yours truly

E. W. Cook, Sec.

The Sewer Builders Bond, also the Plumber and Gasfitter Bond of John P. Schwegman were upon motion approved.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for cement sidewalks on both sides of Superior Street from Harrison Street to Spy Run Avenue Bridge.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for Cement sidewalks on both sides of Harrison Street from Superior Street to Baker Street.

The Board then adjourned.

Moved, that the work performed under Local Sewer Improvement Resolution No. 156, which provides for a local sewer in Brossard Lane from the sewer in the alley West of Webb Street to Short Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 24th day of February and the 2d day of March 1908 and that the 12th day of March 1908 at 7.30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned Resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

The City Civil Engineer submitted plans and specifications for the following work to be done under public contract which were upon motion approved: For a local sewer on Creighton Avenue and in the Alley between Euclid Street and Savannah Street from the Alley east of Walton Avenue to Mercer Street; for a local sewer on Pontiac Street and in the Alley between Winter Street and Lillie Street from Winter Street to the south line of Zauner's Addition; for a local sewer in the Alley south of Fisher Street from Holton Avenue to Reed Street; for a local sewer in the alley west of Fairfield Avenue from the alley north of Hendricks Street to the alley south of Hendricks Street and in the alley south of Hendricks Street from the alley west of Fairfield Avenue to a point

43 feet east of Martin Street; for a local sewer in the alley south of High Street from the alley east of St. Mary's Avenue to a point 12 feet east of the west line of lot No 12 Wagners Subdivision.

Local Sewer Improvement Resolution No 159.

Resolved by the Board of Public Works of the City of Port Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along Creighton Avenue and the alley between Euclid Street and Savannah Street from the alley east of Walton Avenue to Mercer Street. Said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No 160.

Resolved by the Board of Public Works of the City of Port Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along Pontiac Street and the alley between Winter Street and Lillie Street from Winter Street to the south line of Gaumer's Subdivision of Hough's Out Lot No 1. Said sewer shall be twelve and fifteen inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No 161.

Resolved by the Board of Public Works of the City of Port Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley south of Fisher Street from Walton Avenue to Reed Street. Said sewer shall be 12 inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 162.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley west of Fairfield Avenue from the alley north of Hendricks Street to the alley south of Hendricks Street and in the alley south of Hendricks Street from the alley west of Fairfield Avenue to a point fourty three (43) feet east of Martin Street. Said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No. 163.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley south of High Street from the alley east of St. Mary's Avenue to a point twelve feet east of the west line of lot No. 12 Wagners Subdivision. Said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Local Sewer Improvement Resolutions No. 159, 160, 161, 162 and 163 be published in the Fort Wayne Journal Gazette on the 21st and 28th days of February 1908 and that the 12th day of March 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Port Wayne, Indiana, March 12th 1908

Regular meeting held at 7 3o o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolution No. 156 which provides for a vitrified clay pipe sewer in Brossard Lane from the sewer in the alley west of Weller Street to Short Street, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, upon motion the hearing was postponed until Monday March 16th 1908 at 3 o'clock P. M.

The City Civil Engineer submitted his estimates of the total cost of the work to be performed under the following resolutions as follows:

Local Sewer Improvement Resolution No. 159,	total cost	$814.95
" " " "	160, " "	563.20
" " " "	161, " "	234.00
" " " "	162 "	595.20
" " " "	163, " "	287.00

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No. 159, which provides for a vitrified clay pipe sewer on Creighton Avenue and in the alley between Euclid Street and Savannah Street from the alley east of Walton Avenue to Mercer Street; also Local Sewer Improvement Resolution No. 160, which provides for a vitrified clay pipe sewer on Pontiac Street and in the alley between Winter Street and Lillie Street from Winter Street to the south line of Gaumer Addition; also Local Sewer Improvement Resolution No. 161, which provides for a vitrified clay pipe sewer in the alley south of Fisher Street from Holton Avenue to Reed Street; also Local Sewer Improvement Resolution No. 162, which provides for a vitrified clay pipe sewer in the alley west of Fairfield Avenue from the alley north of Hendricks Street to the alley south of Hendricks Street, in the alley south of Hendricks Street from the alley west of Fairfield Avenue to a point 43 feet east of Martin Street; also Local Sewer Improvement Resolution No. 163, which provides for a vitrified clay pipe sewer in the alley south of High Street from the alley east of St. Mary's Avenue to a point twelve feet east of the west line of lot No. 12 Wagner's Sub.

the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Port Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolutions were confirmed as in the original.

Moved that notice to Contractors of the work to be performed under Local Sewer Improvement Resolutions Nos. 159, 160, 161, 162 and 163 be published in the Port Wayne Journal Gazette on the 14th and 21st days of March 1908 and that the 2nd day of April 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted.

The City Civil Engineer submitted plans and specifications for the following improvements which were upon motion approved: Paving with sheet asphalt Columbia Avenue from a point 144 feet east of the Bridge crossing the Maumee River to Crescent Avenue; paving Suttenfield Street with sheet asphalt from Lafayette Street to Hanna Street; paving Leith Street with sheet asphalt from Hanna Street to Hoagland Avenue; paving Lafayette Street with sheet asphalt from the north property line of Leith Street on the west side of Lafayette Street to the south property line of Leith Street on the east side of Lafayette Street; paving Hoagland Avenue with sheet asphalt from the north property line of Leith Street to the south property line of Leith Street; paving Walnut Street with sheet asphalt from Fairfield Avenue to Miner Street; paving Taylor Street with vitrified paving brick from Fairfield Avenue to Broadway; paving Taylor Street with vitrified paving brick from Broadway to the St. Marys River; paving Harrison Street with sheet asphalt from Grand Street to Butler Street.

Improvement Resolution No. 500.

Resolved by the Board of Public Works of the City of Port Wayne, Indiana, that it is deemed necessary to improve Columbia Avenue from a point 144 feet east of the east end of the Bridge crossing the Maumee River to a point 6 feet east of the west line of Crescent Avenue, by grading and paving the roadway to a width of 36 feet with sheet asphalt upon a six inch Portland Cement concrete foundation, by placing a marginal finish at all Street and alley intersections, curbing with new curb stone and paving the wings of all connecting Streets and alleys all

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Port Wayne, Indiana, March 30th 1908.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted specifications for a Main Sewer in and along the alley north of Clifton Avenue from the St. Mary's River to Thompson Avenue and on Thompson Avenue to the alley south of Home Avenue, and in the alley south of Home Avenue from Thompson Avenue to

Broadway, and on Cottage Avenue from Broadway to the Sewer on Beaver Avenue and branches, which were upon motion approved.

Main Sewer Improvement Resolution No. 23.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a Main Sewer, which from its size and character is not only intended and adapted for use by property holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains already constructed or which may be hereafter constructed, be and the same is hereby ordered: Commencing at the intersection of the alley north of Clifton Avenue with the St. Mary's River; thence east following the center line of said alley to the center line of Thompson Avenue; thence south along the center line of Thompson Avenue to the alley south of Home Avenue; thence east along the alley south of Home Avenue to Broadway; thence east crossing Broadway, and in and along Cottage Avenue to the sewer on Beaver Avenue. Said sewer shall be a forty-two inch inside diameter single ring brick sewer. Also a branch sewer commencing at the intersection of the east line of lot No. 16 Broadway Park Addition with the alley south of Home Avenue; thence in a southerly direction along the line dividing lots No. 16 and 22, and 18 and 19 of Broadway Park Addition to the alley on the north of Diernan's Addition; thence following said alley to the alley west of Broadway; thence south in the alley west of Broadway to its southern terminus; thence in and through the west part of lots Nos. 15 and 16 Dimmen's High Bank Addition; the north part of lot No. 33 Broadway Park, and lots No. 10, 9, 8, 7, 6 and 5 B. W. and S. W. Vesey's Subdivision; thence east through the south part of lot No. 5 of said Vesey's Subdivision to Broadway; then east crossing Broadway and in the alley between Organ Avenue and Kuttman Avenue to the alley east of Broadway. Said branch sewer shall be an eighteen inch vitrified clay pipe sewer. Also a branch sewer commencing at the intersection of the center line of Thompson Avenue with the alley north of Clifton Avenue; thence north on Thompson Avenue to the alley between Park Avenue and Home Avenue; thence east in the alley between Park Avenue and Home Avenue to Broadway. Said branch sewer shall be a fifteen and twelve inch vitrified clay pipe sewer. All of said sewers to be built in accordance with the profile, specifications and detailed plans on file

in the office of the Department of Public Works, and all of said work and material of every kind is to be in accordance with the profile, specifications and detailed plans now on file in the office of the Board of Public Works of said City. The total cost of said improvement shall be paid by the holders of property beneficially affected thereby in proportion to the benefits received, including not only the property abutting on the line of said sewer, but also all property which may be beneficially affected by the construction of said sewer, which lies within the following described territory in the city of Fort Wayne, County of Allen and State of Indiana to wit: Commencing at the intersection of Home Avenue and Beaver Avenue; thence south on Beaver Avenue to Wildwood Avenue; thence east on Wildwood Avenue to South Wayne Avenue; thence south on South Wayne Avenue to Rudisill Avenue; thence west on Rudisill Avenue to the St. Mary's River; thence in a northerly direction following the meanderings of the St. Mary's River to the north line of lot No. 13 Broadway Park; thence east on the north line of lot No. 13 Broadway Park to Thompson Avenue; thence north on Thompson Avenue to Park Avenue; thence east on Park Avenue to Broadway; thence south on Broadway to Home Avenue on the east of Broadway; thence east on Home Avenue to Beaver Avenue the place of beginning. The entire cost of said sewer, including the portions of said sewer which cross streets and alleys to be assessed against the property-holders beneficially affected. It is expressly intended and provided that the City of Fort Wayne shall pay no part of the cost of the construction of said sewer. Assessments, if deferred, are to be paid in ten equal annual installments with interest at the rate of five per-cent per annum. A bond or bonds shall be issued to the Contractor in payment for said work unless the property-owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property-owners or owners for said work or for the collection of the same or for the payment of any bond or bonds, certificate or certificates issued to said contractor in payment for such work, except for such moneys as shall have been actually re= ceived by the City from the assessment for such improvement All proceedings had and work done in the construction of said main sewer, and its appurtenances, manner of

assessment of property, collection of assessments and issuance of bonds therefore, shall be as provided for in an Act of the General Assembly of the State of Indiana entitled "An Act Concerning Municipal Corporations, approved March 6th 1905", and in accordance with and pursuant to the provisions of all amendatory and supplemental acts thereto passed by the General Assembly of the State of Indiana.

Adopted.

Moved that notice to property owners of the adoption of Main Sewer Improvement Resolution No. 23 be published in the Fort Wayne Journal Gazette on 1st and 8th days of April 1908 and that the 23rd day of April 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The petition of E. H. Trelan and 28 other which provides for a Street Light at the intersection of Smith and Wallace Streets was received and placed on file.

The petition of J. O. Brown and 12 others which provides for Cement sidewalks on both sides of Main Street from the St. Mary's River Bridge to the City Limits was received and placed on file.

The remonstrance of Louisa Habel and 12 others against the paving of Taylor Street from Broadway to the St. Mary's River Bridge was received and placed on file.

The petition of the Fort Wayne and Wabash Valley Traction Co. for permission to erect poles in various parts of the City were granted as follows: On the alley west of Riedmiller Avenue between Taylor Street and Hale Avenue, and on Hale Avenue from the above alley to the St. Mary's River; also one pole in the alley east of Hoagland Avenue between Suttenfield Street and Woodland Avenue.

The Plumbers and Gasfitters Bond of Hugh O'Connell was

upon motion approved.

The communication of H. V. Ward relative to the construction of Cement sidewalks on West Berry Street was received and placed on file.

Upon motion Charles Rietdorf was appointed Sewer Inspector.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, April 20th 1908.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 510, which provides for cement sidewalks on the north side of Laselle Street from Lafayette Street to Hanna Street, there now was presented a remonstrance by Wargt. Feulner and 12 others against said proposed improvement. The Board finds that the remonstrants are in the majority and upon motion the remonstrance was sustained and all former action taken under Improvement Resolution No. 510 was rescinded.

The Board now took up the remonstrance against paving Taylor Street which had been filed with the Board on the 17th of April 1908. Inasmuch as one of the remonstrants desired to withdraw his name from the remonstrance, and the Board not being entirely satisfied that such withdrawal could be considered, upon motion the matter was deferred till April 23rd 1908 at 7:30 o'clock P. M.

The remonstrance of Frank Deck and 36 others against paving Suttenfield Street from Lafayette Street to Hanna Street was received and upon motion further hearing was postponed until April 23rd 1908 at 7:30 P. M.

The remonstrance of Dorothea Bayer and 8 others against the construction of cement sidewalks on the west side of Sherman Street from Fourth Street to Huffman Street was received and placed on file.

The petition of B. S. Haswell and 4 others which provides for exempting the brick sidewalk on the east side of Indiana Avenue in the first square south of Cottage Avenue was upon motion granted.

The Sewer Builders Bond of Herman Grossman was upon motion approved.

The application of John Edward Smith for a position as fireman at the Municipal Electric Light Plant was received and placed on file.

The petition of L. W. Gallmeier to relay under private contract a 4 foot brick sidewalk on Huestis Avenue abutting on lot No. 4 Suter Sub; also a 5 foot brick walk on Bay Street abutting on lot No. 31 Bass et Hanna's Addition was upon motion granted.

The Contract and Bond of Grosjean et al covering the work to be performed under Improvement Resolution No. 496 was upon motion approved.

The Contracts and Bonds of Derheimer et al covering the work to be performed under Improvement Resolutions Nos. 493 and 494 were upon motion approved.

† The application of Herman Gutjahr for a position as Electrical Engineer was received and placed on file.

The City Civil Engineer submitted a plat showing the proposed widening of the Street on the east side of Williams Oak Hill Grove Addition and vacating the north six feet of Spring Street on the south of said Addition; also a plat showing the proposed vacation of the alley west of Fairfield Avenue from Hendricks Street to the alley south and the alley south of Hendricks Street abutting on the east 24 feet of lot No. 67, Bonds Third Addition; also for the opening of an alley between lots 66 and 67 Bonds Third Add. from Hendricks Street to the first alley south, both of which were upon motion approved.

Declaratory Resolution No. 154.

For the widening of the Street on the east side of Williams Oak Hill Grove Addition, and for the vacation of the north six feet of Spring Street on the south side of said Addition:

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to widen the Street on the east side of Williams Oak Hill Grove Addition to the City of Fort Wayne, Indiana. Said widening to be made by condemning and appropriating for Street purposes the west six feet of lot No. 30 Huffman's Addition, and the west twelve feet of the space of ground south of lots Nos. 30 and 31 Huffmans Addition; also a strip of ground off of the east side of of lots Nos. 6, 7, 8, 9, 10, 11 and 12 of Williams Oak Hill Grove Addition, being in width 4½ feet at the south-east corner of lot No. 12 and ⅔'s of a foot at the north-east corner of lot No. 6. Also for the vacation of the north six feet of Spring Street on the south side of Williams Oak Hill Grove

Addition. All of the above described territory so situated in the S. W. 1/4, Sec. 35, T. 31 N. R. 12 E. All as shown by a plan of such proposed widening and vacation as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the widening of said Street, and the vacation of the north part of said Street, as above described, is described as lot No 30, Huffman's Addition, and space of ground south of lots 30 and 31, Huffman's Addition, and lots 6, 7, 8, 9, 10, 11, 12 and 13 Williams Oak Hill Grove Addition. All of said Streets and lots and lands affected by said widening and vacation being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No 155.

For the vacation of the Alley west of Fairfield Avenue from Hendricks Street to the alley south, and the alley south of Hendricks Street, abutting on the east 24 feet of lot No 67, Bonds Third Addition. Also for the opening of an alley between lots 66 and 67 Bonds Third Addition, from Hendricks Street to the first alley south.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the first alley west of Fairfield Avenue from Hendricks Street to the alley south, and the alley south of Hendricks Street abutting on the east 24 feet of lot No 67 Bond's Third Addition. Also for the opening of an alley 10 feet in width between lots 66 and 67 Bonds Third Addition, from Hendricks Street to the first alley south. Said opening to be made by condemning and appropriating for alley purposes the east 4 feet of lot No 66 and the west six feet of lot No 67 Bond's Third Addition. All as shown by a plan of such proposed vacation and opening of said alleys as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and vacation of said alleys, as above described, is described as lots 66, 67, 68, 69 and 70 of Bonds Third Addition. All of said alleys and lots and lands affected by the vacation and opening of said alleys being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved that notice to property owners affected by the widening of the Street on the east side of Williams Oak Hill Grove

Addition and the vacation of the north six feet of Spring Street on the south of said Addition as described in Declaratory Resolution No 154; also to property owners affected by the vacation of the alley west of Fairfield Avenue and the opening of an alley between lots Nos 66 and 67 Bond's Third Addition as described in Declaratory Resolution No 155 be published in the Fort Wayne Journal Gazette on the 22d and 29th days of April 1908, and the 21st day of May 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, April 23d 1908.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

Moved that the work performed under Local Sewer Improvement Resolution No 158, which provides for a local sewer in the alley between Franklin Avenue and De Groff and through lot No 4 Pitts Add. from the brick sewer on High Street to the alley north of Burgen Street and in the alley north of Burgen Street from the alley between Franklin Avenue and De Groff Street to Windsor Street and in the alley south of High Street from Franklin Avenue to De Groff Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 25th day of April and the 2d day of May 1908, and that the 14th day of May 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No. 23, which provides for a main sewer in the alley north of Clifton Avenue and various branches the Board finds that the benefits to abutting and adjacent property and all other property which may be beneficially affected by the construction of said sewer are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under Main Sewer Improvement Resolution No. 23, which is $10,196.00.

The Board now took up the remonstrance which had been filed against paving Taylor Street from Broadway to the St. Mary's River Bridge. The City Attorney having decided that two withdrawals from said remonstrance were legal the Board now finds that the remonstrants are in the minority and upon motion the prayer of the remonstrants was refused by the following vote: Ayes: Schwartz and Brosius; Nays: Lennon.

There now was presented a remonstrance by Anna M. & B. H. Dentman and 29 others against paving Leith Street under Improvement Resolution No. 502. The Board after carefully considering the list of resident property owners on said Street finds that the remonstrants are in the majority and upon motion the prayer of the remonstrants was granted and all former action taken under the aforesaid resolution was rescinded.

The Board now took up the remonstrance of the property owners on Suttenfield Street against paving said Street from Lafayette Street to Hanna Street. After carefully considering the list of resident property owners on said Street the Board finds that the remonstrants are in the minority and upon motion the prayer of the remonstrants was refused by the following vote: Ayes: Schwartz and Brosius; Nays: Lennon.

Upon motion all former action taken under Improvement Resolutions Nos. 503 and 504 was rescinded.

The following Contracts and Bonds were upon motion approved: With Geo. Wilhelm for the work to be performed under Improvement Resolutions Nos. 491 - 495 and 499; with Charles S. Bash for the work to be performed under Improvement Resolutions Nos 497 and 498; with Oscar F. Menefee for the work to be performed under Improvement Resolution No. 489. with the Moellering Construction Co. for the work to be performed under Improvement Resolutions Nos 476 and 488.

The Plumbers and Gasfitters Bond of R. W. Clark was upon motion approved.

The Plumbers and Gasfitters Bond of Wm J. Dell was upon motion approved.

The Housemovers Bond of Charles R. Boerger was upon motion approved.

The Housemovers Bond of Mrs. L. Witte was upon motion approved.

The Sidewalk Builders Bond Chas. C. Walda was upon motion approved.

The Bond of John W. Vordemark covering the repairing of a sidewalk abutting on lot No. 77 Old Plat was upon motion approved and the necessary permit granted.

The petition of C. W. Smitly to construct under private contract cement sidewalks on Superior Street abutting on lots Nos. 9, 10, 11, 12, 14, 15 and 16 Old Plat was upon motion granted.

The application of Chas. Kammeyer for a position as fireman in the Municipal Electric Plant was received and placed on file.

The remonstrance of Effie Squires and 25 others against paving John Street from Wallace Street to Creighton Avenue was received and placed on file.

Moved that notice to Contractors of the work to be performed under Improvement Resolutions Nos. 480, 486, 500, 501, 507 and 509 be published in the Fort Wayne Journal Gazette on the 25th day of April and the 2d day of May 1908 and that the 14th day of May 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the afore-mentioned resolutions.

The request of the Fort Wayne and Wabash Valley Traction Co. for permission to make certain changes in their track system at Harrison and Main Street, Columbia and Clinton Street, Columbia and Clinton, Columbia and Calhoun Street was upon motion granted.

The Board then adjourned.

The City Civil Engineer submitted plans and specifications for a Brick Sewer in Lakeside Park and Forest Park Addition which were upon motion approved.

Main Sewer Improvement Resolution № 24.

Resolved, By the Board of Public Works of the City of Port Wayne, State of Indiana, that the construction of a main sewer, which from its size and character is not only intended and adapted for use by property-holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains already constructed, or which may be hereafter constructed, be and the same is hereby ordered: Commencing at the intersection of the center line of Morton Street with the Maumee River; thence north in and along the center line of Morton Street and the center line of Morton Street, produced north, to the center line of Vermont Avenue; thence west following the center line of Vermont Avenue to the alley between California Avenue and Crescent Avenue. Said sewer shall be a four foot inside diameter two ring brick sewer and to be built in accordance with the profile, specifications and detailed plans on file in the office of the Department of Public Works of said City. And all of said work and materials of every kind is to be in accordance with the profile, specifications and detailed plans on file in the office of the Board of Public Works of said City. The total cost of said improvement shall be paid by the holders of property beneficially affected thereby in proportion to the benefits received, including not only the property abutting on the line of said sewer, but also all property which may be beneficially affected by the construction of said sewer, which

lies within the following described territory in the City of Fort Wayne, County of Allen and State of Indiana to wit: Commencing at the intersection of the east line of Lakeside Park Addition, Plat "B" with the Maumee River; thence north along said east line to Lake Avenue; thence west on Lake Avenue to Walton Avenue; thence north on Walton Avenue to State Street; thence west on State Street to Malcolm Street; thence north on Malcolm Street to the north line of Pettit's Addition; thence west on north line of Pettits Addition to Crescent Avenue; thence south-west on Crescent Avenue to State Street; thence west on State Street to Kentucky Avenue; thence south on Kentucky Avenue to Tennessee Avenue; thence east on Tennessee Avenue to Crescent Avenue; thence south on Crescent Avenue to Maumee River; thence in an easterly and southerly course following the meanderings of the Maumee River to place of beginning. The entire cost of said sewer, including the portions of the sewer, which cross streets and alleys, to be assessed against the property-holders beneficially affected. It is expressly intended and provided that the City of Fort Wayne shall pay no part of the cost of the construction of said sewer. Assessments, if deferred, are to be paid in ten equal annal installments, with interest, at the rate of 5 per cent per annum. A bond or bonds shall be issued to the contractor in payment for said work, unless the property owner pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement. All proceedings had and work done in the construction of said main sewer and its appurtenances, manner of assessment of property, collection of assessment and issuance of bonds therefor shall be as provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations, approved March 6th 1905" and in accordance with and pursuant to the provisions of all amendatory and supplemental acts thereto passed by the General Assembly of the State of Indiana.

Adopted.

Moved that notice to property owners of the adoption of Main Sewer Improvement Resolution No. 24, be published in the Fort Wayne Journal Gazette on the 1st and 8th days of May, 1908 and that the 21st day of May 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The Board received several complaints from the Fort Wayne and Wabash Valley Traction Co and from the Home Telephone and Telegraph Co relative to the stringing of wires by the McBride Electric Co. These matter having already been attended to by the McBride Electric Co, no action was deemed necessary by the Board.

The Board then adjourned.

Adopted.

Owing to an error in the notice to property owners of the adoption of Declaratory Resolution No. 145, which provides for opening and extending John Street from the alley south of Colerick Street to Eckart Lane, all former action taken under said resolution was upon motion rescinded.

Declaratory Resolution No. 156.

For the opening and extending of John Street from the

alley south of Colerick Street to Eckart Lane.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend John Street from the alley south of Colerick Street to Eckart Lane. Said opening and extending to be made by condemning and appropriating for Street purposes a tract of land sixty (60) feet in width described as follows: The sixty (60) feet west of the east thirty (30) feet of lot No. 3 of Eckart's Subdivision of Pugh's Out Lots No. 7 and 8, situated in the E. 1/2 N. W. 1/4 Sec. 13 T. 30 N. R. 12 E. All as shown by a plan of such proposed opening and extending of John Street, as above described, now on file in the office of the Department of Public Works of said City. The property, which may be injuriously or beneficially affected by the opening and extending of said John Street, as above described, is described as all lots or parcels of land not occupied by Streets and alleys lying south of Pontiac Street, west of Smith Street, north of the south line of Eckart's Subdivision and east of Hanna Street. All of said Street and lots and lands affected by the opening and extending of said John Street being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening and extending of John Street from the alley south of Colerick Street to Eckart Lane as described in Declaratory Resolution No. 156 be published in the Fort Wayne Journal Gazette on the 2d and 9th days of June 1908 and that the 2d day of July, 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolutions No. 163, which provides for a vitrified clay pipe sewer in the alley south of High Street from the alley east of St. Mary's Avenue to a point 12 feet east of the west line of lot No. 12 Wagner's Subdivision, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, which Assessment

Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Local Sewer Improvement Resolution No. 163 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

The Board received the following bids for painting the Walton Avenue bridge:

Hipkins and Druly	bid for the work complete	$270.00
Wm. Tyler	" Asphalt Varnish paint	$386.00
" "	" Graphite and oil paint	$471.00

Upon motion the contract for painting the Walton Avenue bridge was awarded to Hipkins and Druly they being the lowest and best bidder.

Upon motion the Fort Wayne Roofing and Paving Co. was granted permission to construct under private contract Cement sidewalks as follows: on west Jefferson Street abutting on lots Nos. 402, 403 and 404 Hanna's Addition; also abutting on lots Nos. 426 and 427 Hanna's Addition.

The petition of Fred. Siemendorff for permission to construct under private contract Cement sidewalk on Berry Street abutting on lots Nos. 84, 85, 86, 87, 88 and 89 Rockhill's Addition was upon motion granted.

The petition of Wm. Goodfellow for permission to construct under private contract Cement sidewalks on Harrison Street abutting on lots Nos. 195 and 196 Williams Addition was upon motion granted.

The petition of Eliza Raab and others for permission to construct under private contract Cement sidewalks on the north side of Jefferson Street from Erving Street to the vacated alley east was upon motion granted.

The petition L. A. Woodworth and others for permission to construct under private contract Cement sidewalks on the north side of Berry Street from Jackson Street to Union Street was upon motion granted.

The following petitions for sewer by the Forest Park Co and others were upon motion granted, and the City Civil Engineer was instructed to prepare plans and specifications for same: beginning at the end of the Main Sewer at the intersection of the alley next east of Crescent Avenue on Vermont Street, thence west to the alley next west of Crescent Avenue, thence north along said alley to Griswold Avenue and southwardly in said alley to Tennessee Ave; sewer in the alley between Alabama Avenue and Florida Avenue, commencing at the Main sewer in Vermont Avenue, thence north to Delaware Avenue; sewer in the alley between Crescent Avenue and California Avenue, from the sewer on Vermont Avenue to Tennessee Avenue; sewer in the alley between California Avenue and Alabama Avenue from the Main sewer in Vermont Avenue, thence north along said alley to Griswold Avenue; sewer in the alley between Crescent Avenue and California Avenue from the Main sewer in Vermont Avenue to Griswold Avenue.

Upon motion the Contracts and Bonds of the Metropolitan Engineering and Construction Co covering the work to be performed under Improvement Resolutions Nos 480, 500, 501 and 507 were approved.

The Board then adjourned.

E. J. Lennon
Henry Schwartz
Jesse Brosius

Office Board of Public Works.

Fort Wayne, Indiana May 29th 1908.

Special meeting held at 10 o'clock A. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This now being the date and time fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No 511 which provides for Cement sidewalks on Main Street, from Maiden Lane to Rockhill Street on the south side and from Harrison Street to the St. Mary's River on the north side; also a date and time when the Board would hear

and consider objections or remonstrances against Improvement Resolution No. 512, which provides for Cement sidewalks on both sides of Main Street from the St. Marys River to the east line of the Right-of-way of the Grand Rapids and Indiana Railroad, the Board finds that the remonstrances which had been filed against the aforementioned resolutions did not contain a majority of the resident property owners on said Street and upon motion refused the prayer of the remonstrants. The Board now finds that the benefits to abutting and adjacent property, are equal to or exceed the estimated cost of the proposed improvements and upon motion the aforesaid resolutions were confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Improvement Resolutions No. 511, 512, 513 and 514 be published in the Fort Wayne Journal Gazette on the 2d and 9th days of June 1908 and that the 18th day of June 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

The Board then adjourned.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of Assessments of Benefits or awards of Damages in the matter of opening an alley north of Lewis Street from the east line of Mc Cullochs 1st Addition to Lillie Street in accordance with Declaratory Resolution No. 151 and there appearing no objections or remonstrances of any nature whatsoever upon motion the roll of assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 151 was confirmed as in the original and ordered delivered to the Department of Finance.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of Assessments of Benefits or Awards of Damages in the matter of opening an alley between Emily Street and Elizabeth Street from Spy Run Avenue to Spy Run Creek, also opening an alley east of Spy Run Creek from Emily Street to Elizabeth Street in accordance with Declaratory Resolution No. 152, and there appearing no objections or remonstrances whatever upon motion the roll of Assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 152 was confirmed as in the original and ordered delivered to the Department of Finance.

There now appeared Jacob Kessens and several other resident property owners on Lewis Street affected by the opening of an alley north of Lewis Street under Declaratory Resolution No. 151 and objected to the amount of their assessments of Benefits. The Board having previously confirmed said assessment roll of benefits however decided to give all the interested persons a hearing and upon motion the action of the Board confirming said assessment roll was rescinded and the final hearing of remonstrances against said roll of assessments was fixed for Thursday July 2d. 1908 at 7:30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of Benefits or awards of Damages in the matter of vacating the alley west of Fairfield Avenue

from Hendricks Street to the alley south; also opening an alley between lots Nos 66 and 67 Bonds 3rd Addition from Hendricks Street to the first alley south in accordance with Declaratory Resolution No 155 and there appearing no objections or remonstrances whatever upon motion the roll of assessments of Benefits and awards of Damages approved under Declaratory Resolution No 155 was confirmed as in the original and ordered delivered to the Department of Finance.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolution No 162 which provides for a vitrified clay pipe sewer in the alley west of Fairfield Avenue from the alley north of Hendricks Street to the alley south of Hendricks Street and in the alley south of Hendricks Street from the alley west of Fairfield Avenue to a point 43 feet east of Martin Street, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, which assessment roll contains a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever upon motion the work performed under Local Sewer Improvement Resolution No 162 was finally accepted and the assessment roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

Moved that notice to contractors of the work to be performed under Main Sewer Improvement Resolution No 24 be published in the Port Wayne Journal Gazette on the 29th day of June and the 6th day of July 1908 and that the 16th day of July 1908 at 7:30 oclock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolution.

Adopted.

The petition of Walter Hoenig and 15 others which provides for

a street light at the intersection of Spring and Sherman Street was received and placed on file.

The Board received a communication from the Mc Bride Electric Co relative to the cutting of the wires for the Municipal Electric Light Plant which was upon motion placed on file.

The Board also received a communication from the Mc Bride Electric Co relative to the purchase of an additional number of mast arms for the Municipal Electric Light Plant which was upon motion referred to Mr. Skinner, the Inspector and the City Attorney.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for Cement sidewalks on the east side of Victoria Avenue from Piqua Avenue to Court Street.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Co that the City desired to have said Company light the streets of the City for 30 days beginning with the 1st day of August 1908.

The plat of Walkers Addition, being a subdivision of Lassalle's Out Lot No 12, lots No 1 to 19 inclusive was upon motion approved.

The Contracts and Bonds of the Moellering Construction Company covering the work to be performed under Improvement Resolutions No 511 and 513 were upon motion approved.

The petition of B. Arens for permission to relay a brick sidewalk on Gay Street abutting on lot No 4 J. T. Hanna's Sub. was upon motion granted.

The petition of C. Schreck for permission to relay a brick walk on Center Street abutting on lot No 149 Rockhill's 2nd Addition was upon motion granted.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for Cement sidewalks on the east side of Warsaw Street from Pontiac Street north to the present Cement walk and on the east side of Warsaw Street from De Wald Street to Creighton Avenue.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Port Wayne, Indiana, July 2d 1908.
Regular meeting held at 7.30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted his estimate of the cost of work to be performed under public contract as follows:
Local Sewer Improvement Resolution No 164, total cost $1300.20
" " " " " 165 " " 502.50

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No 164, which provides for a vitrified clay pipe sewer in the alley between Harrison Street and Webster Street from Darrow Avenue to Rudisill Avenue; also Local Sewer Improvement Resolution No 165, which provides for a vitrified clay pipe sewer on Wayne Street from the brick sewer on Nelson Street to Garden Street the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Port Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances

against the roll of Assessments of Benefits or awards of Damages in the matter of vacating St. Joe Road from the east line of Kentucky Avenue to the west line of Crescent Avenue in accordance with Declaratory Resolution No. 136; also a date and time when the Board would hear and consider objections or remonstrances against the roll of Assessments of Benefits or awards of Damages in the matter of vacating that part of Field Street lying east of the east line of lots No. 18 and 29 Oak Knoll Addition and vacating the alley between Grove Street and Field Street lying east of of the east line of lot No. 18, also vacating the alley abutting on the east side of lot No. 16 Oak Knoll Addition; also for the opening of an alley through the east ten feet of lot No. 18 Oak Knoll Addition in accordance with Declaratory Resolution No. 141 and there appearing no objections or remonstrances of any nature whatever upon motion the roll of assessments of benefits and awards of damages approved under Declaratory Resolutions No. 136 and 141 were confirmed as in the original and ordered delivered to the Department of Finance.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of benefits or awards of damages in the matter of opening an alley north of Lewis Street from McCulloch 1st Addition to Rillie Street there now appeared Jacob Kessens and objected to the amount of benefits assessed. The Board however decided that the objection had no merit or justification and there appearing no objections or remonstrances of any other nature, upon motion the roll of assessments of benefits and awards of damages approved under Declaratory Resolution No. 151 was confirmed as in the original and ordered delivered to the Department of Finance.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of benefits or awards of damages in the matter of widening the street on the east side of Williams Oak Hill Grove Addition and vacating the north 6 feet of Spring Street in accordance with Declaratory Resolution No. 154 there now appeared Christian Kinzle and objected to amount of damages awarded him. Upon motion further hearing was postponed until July 6th 1908 at 3 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 156 which provides for opening John Street from the alley south of Goleric Street to Eckart Lane and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No. 156 was confirmed as in the original.

Upon motion the Board adopted the following Resolution.

Dike Improvement Resolution No. 1

It appearing by a petition signed by a large majority of the resident free holders residing within the territory hereinafter described, that the dike hereinafter mentioned is necessary for the public welfare of the portion of the City of Fort Wayne set forth in said petition and described hereinafter in this resolution, and it further appearing by said petition that it is the desire of the signers thereof that the Board of Public Works of the City of Fort Wayne cause the dike so hereinafter mentioned to be constructed and to assess the cost thereof against the persons owning the real estate within the territory so described, and the persons so signing said petition as well as other persons owning property in said territory having many times requested the construction of such dike, the cost of the construction of which to be paid for in the manner above stated. It is therefore resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is necessary for the public welfare of that portion of said City located within the following boundaries; all the lands and lots lying within the corporate limits of the City between the Maumee River, Walton Avenue and the St. Joseph River, that there be erected a levee commencing at the point where Lake Avenue crosses the eastern line of the corporate limits of said City, running thence in a southerly direction to the bank of the Maumee River, following the line of the present levee or dike as near as practicable; thence along the north bank of the said Maumee River to the north abutment of the bridge across said River; thence from the western end of said north abutment of said bridge along the line of the levee as near as practicable on the north side of said river to the eastern abutment of the bridge across said Maumee River on Columbia Avenue; thence from the north end of said east abutment of said bridge on Columbia Avenue following the eastern bank

of said St. Joseph River or St. Joe Boulevard to Parnell Avenue in said City; and the construction of said dike is hereby ordered.

Be it further resolved that the City Civil Engineer be and he is hereby ordered and directed to prepare, and place on file in this office, the plans, drawings and specifications for the proper completion of said work.

E. J. Lennon
Henry Schwartz
Jesse Brosius.
Board of Public Works of City of Fort Wayne.

The petition of Ada R. Sprague and 16 others which provides for cement sidewalks on the north side of Edgewater Avenue from Columbia Avenue to Crescent Avenue and on the west side of Crescent Avenue from Edgewater Avenue to Lake Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The petition of N. E. Sprague and 6 others which provides for cement sidewalks on the west side of Crescent Avenue from Lake Avenue to Edgewater Avenue was received and placed on file.

The petition of Wm. Ahlersmeyer and 4 others which provides for cement sidewalks on the east side of Wabash Avenue from Maumee Avenue to Wayne Trace was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The application of Sherman Hull for a position of fireman in the Municipal Electric Light Plant was received and placed on file.

Moved that notice to Contractors of the work to be performed under Local Sewer Improvement Resolutions Nos 164 and 165 be published in the Fort Wayne Journal Gazette on the 7th and 14th days of July 1908 and that the 30th day of July 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted

The City Civil Engineer submitted plans and specifications for

Cement sidewalks on the north side of Washington Boulevard West from the west property line of Webster Street to a point ten and a half feet east of the same, which were upon motion approved.

Sidewalk Improvement Resolution No. 515.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the north side of Washington Boulevard West, from the west property line of Webster Street to a point ten and a half feet east of the same, by grading to a width of seventeen feet and paving with Cement to a width of seven feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolution No. 515 be published in the Fort Wayne Journal Gazette on the 7th and 14th days of July 1908, and that the 30th day of July 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The petition of Peter Balter for permission to construct under private contract a cement sidewalk on Washington Boulevard East, abutting on lot No. 62 Hanna's Addition was upon motion refused.

The petition of Keller and Braun for permission to repair a stone flag sidewalk on West Main Street abutting on lot No. 2 Block 17 Ewings Addition was upon motion granted.

The sidewalk builders bond of Keller and Braun was upon motion approved.

The Bond of the Moellering Construction Company covering the construction of a manhole in the alley between Main Street and Columbia Street from Barr Street to Clinton Street was upon motion approved.

The Plumbers and Gasfitters Bond of Edward Derheimer was upon motion approved.

Upon motion the clerk was instructed to notify Val. Berger to remove a fence which is obstructing an Alley between Riethmiller Avenue and Phenix Street.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, July 6th 1908.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of benefits or awards of damages in the matter of widening the street on the east side of Williams Oak Hill Grove Addition, and vacating the north six feet of Spring Street on the south of said Addition, the Board now took up the remonstrance of Christian Kingle, who objected to the amount of damages awarded him, showing to the satisfaction of the Board that the cost of removing a barn from the property condemned was greater than the amount as fixed by the Board. Upon motion the Board now modified the roll of assessments of benefits and awards of damages under Declaratory Resolution No. 154 by increasing the award of damages sustained by said Christian Kingle in the amount of $20.00. There appearing no other objections or remonstrances of any nature whatever, upon motion the roll of assessments of benefits and awards of damages was confirmed as modified, and ordered delivered to the Department of Finance.

The petition of P. A. Randall asking the Board to place the surplus dirt from Knitter Avenue, which is being paved,

on Manufacturers Avenue to fill the approach to a concrete bridge was received and placed on file.

The application of Geo. Myers for the position of line foreman for the new Lighting Plant was received and placed on file.

The application of S. Clayton Headford for a position as oiler at the new Municipal Lighting Plant was received and placed on file.

Upon motion the City Civil Engineer was instructed to prepare plans for paving with sheet asphalt the alley intersection on the south side of Jefferson Street between Fulton Street and Fairfield Avenue.

The Sidewalk Builders Bond of Julian Grosjean was upon motion approved.

The following petitions for permission to construct under private contract cement sidewalks were upon motion granted: to Julian Grosjean on Short Street, abutting on lot No. 17 Becks Addition; on Crescent Avenue abutting on lot No. 426 Lakeside Park Addition; to the Fort Wayne Cement Stone Co. on Hanna Street abutting on No. 2413.

Upon motion the City Civil Engineer was instructed to prepare a plan showing the proposed condemnation of tracts of land for sewer purposes under Main Sewer Improvement Resolution No. 23.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works

Fort Wayne, Indiana, July 9th 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennow, Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract which were upon motion approved: for a local sewer in the alley between Euclid Street and Savanna Street from the alley north of Antoinette Street to Mercer Street; for cement sidewalks on both sides of Washington Boulevard East, from Barr Street to Harmer Street; for cement sidewalks on both sides of Short Street from Fifth Street to Huffman Street.

Local Sewer Improvement Resolution No 166.

Resolved by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley between Euclid Street and Savanna Street from the alley north of Antoinette Street to Mercer Street. Said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile, and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No 516.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Washington Boulevard East from the curb line on the east side of Barr Street to the curb line on the west side of Harmer Street by grading to a width of seventeen feet and paving with cement to a width of seven feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No 517.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Short Street from Fifth Street to Huffman Street by grading the sidewalks to a width of eight feet and paving

with lement to a width of four feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolutions Nos 516 and 517 and Local Sewer Improvement Resolution No 166 be published in the Fort Wayne Journal Gazette on the 11th and 18th days of July 1908 and that the 30th day of July 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The City Civil Engineer submitted a plan showing the proposed condemnation of Right-of-Way for sewer purposes for sewer to be constructed under Main Sewer Improvement Resolution No 23, which plan was upon motion approved.

Declaratory Resolution No 157.

For the condemning of a right-of-way for sewer purposes across lots Nos. 16, 18, 19 and 22 and the north part of lot No 33 in Broadway Park. Also across Nos. 15 and 16 High Banks Addition, and lots Nos 4, 5, 6, 7, 8, 9 and 10 B. W. and S. W. Vesey's Subdivision of lots Nos. 33, 34, 35 and 36 of Broadway Park.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary and advisable to condemn for sewerage purposes a strip of ground eight (8) feet in width across and over and under lots No 16, 18, 19 and 22, and the north part of lot No 33 in Broadway Park Addition, and lots Nos 15 and 16 in High Banks Addition. Also lots Nos. 4, 5, 6, 7, 8, 9 and 10 in B. W. and S. W. Vesey's Subdivision of lots Nos. 33, 34, 35 and 36 of Broadway Park. Said lots being situated in Thompson's Out Lot No 4 in the N. E. 1/4, Sec. 15, T. 30 N. R. 12. E. Said strip of land to be condemned for said sewerage purposes to have a width of 8 feet and described as follows to wit: The west four (4) feet of lots Nos. 18 and 19 and the east four (4) feet of lots Nos 16 and 22 all in Broadway Park. Also commencing at a point on the north line of lot No 15 High Banks Addition 125 feet west of the west line of Broadway; thence southwest

at an angle of 14 degreer 13' to the east line of the alley west of Broadway 351 feet crossing and entering upon lots Nos. 15 and 16 High Banks Addition. North part of lot 33 Broadway Park and lots Nos. 4, 5, 6, 7, 8, 9 and 10 B. W. and S. W. Vesey's Subdivision to a point four (4) feet north of the south line lot No. 5 B.W. and S.W. Vesey's Subdivision; thence east parallel with the said south line of said lot No. 5 102 feet to the west line of Broadway; thence south on the west line of Broadway eight (8) feet; thence west parallel with the south line of said lot No. 5 110 feet; thence north-east at an angle of 86 degreer 29 minutes to the south line of said lot No. 5 359 feet to the north line of lot No. 15 High Banks Addition; thence east eight feet to the place of beginning. All as shown by a plan of such proposed condemnation of a strip of land for the right-of-way for a sewer, as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the condemnation of the above described strip of land for sewerage purposes is described as all lots or parcels of land not occupied by streets or alleys lying south of the alley south of Home Avenue, west of Broadway, north of the Bluffton Road (so called) and east of the St. Mary's River to Hartnett Avenue east of Dimmew Avenue, Hartnett Avenue to Thompson Avenue, east of Thompson Avenue to the alley south of Home Avenue. All of the above described lots and lands affected by the condemnation of a right-of-way for sewerage purposes as described above being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the condemnation of a right-of-way for sewer purposes as described in Declaratory Resolution No. 157 be published in the Fort Wayne Journal Gazette on the 11th and 18th days of July 1908, and that the 6th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution.

Adopted.

The remonstrance of P. R. Hartnett and 10 others against the construction of cement sidewalks on Edgewater Avenue as petitioned for was received and placed on file.

The remonstrance of A. Fuelber and N. B. Berghoff against the City maintaining a market on Barr Street from Berry Street to the first alley north was received and upon motion the

same was referred to the City Attorney.

The petition of The Tri State Loan and Trust Company which provides for vacating Paragon Avenue, Shady Grove Avenue and part of Arlington Avenue in Archer's Brookside Addition was received and upon motion the City Civil Engineer was instructed to prepare a plan showing such proposed vacation.

The Bond of Edmund Schroeder covering the relaying of brick sidewalks on Gay Street abutting on lots Nos 76 and 77 Barr and Hannas Addition and lot No 10 Foundry Addition was approved and the necessary permit granted.

The Sidewalk Builders Bond of the Fort Wayne Cement Stone Co. was upon motion approved.

The petition of J. B. Grosjean for permission to construct under private contract cement sidewalks on the east side of Runion Avenue from the alley north of Main Street to the alley south of Wheeler Street was upon motion granted.

The petition of the Fort Wayne and Wabash Valley Traction Co for permission to erect poles was granted as follows: two poles in the alley between Huffman and Putnam Streets west of Sherman Street; three poles between Jones, Wilt, College and Rockhill Streets.

The Housemovers Bond of Sutton Bros. was upon motion approved.

The petition of H. C. Haeltje asking the Board to fill up the alley on the north side of Michigan Avenue east of Nelson Street was received and placed on file.

Moved that the work performed under Local Sewer Improvement Resolution No 160, which provides for a vitrified clay pipe sewer in and along Pontiac Street and the alley between Winter Street and Lillie Street from Winter Street to the south line of Gaumers Subdivision be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 13th and 20th days of July 1908, and that the 30th day of July 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by

the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

Adopted.

Moved, that the work performed under Improvement Resolution Nº. 485, which provides for grading Beaver Avenue and paving with cement the sidewalk on the west side of Beaver Avenue from Nome Avenue to Packard Avenue; also the work performed under Improvement Resolution Nº. 489 which provides for paving with cement the sidewalks on both sides of Hanna Street, on the west side from Pontiac Street to Oxford Avenue, and on the east side from McKee Street to the city limits; also the work performed under Improvement Resolution Nº. 492 which provides for grading Boltz Street and paving with cement the sidewalks on both sides of Boltz Street from Lafayette Street to the east line of Boltz's and Romy's Additions; also the work performed under Improvement Resolution Nº. 495, which provides for cement sidewalks on both sides of Packard Avenue from Beaver Avenue to Broadway be and the same be hereby accepted, and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 13th day of July 1908 and that the 23rd day of July 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolutions or against the Assessment Rolls as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said assessment rolls.

Adopted.

The petition of the Fort Wayne Cement Stone Co. for permission to construct under private contract a cement sidewalk on Hurd Street abutting on lot Nº. 26 E. Creighton Avenue Addition was upon motion granted.

The Board then adjourned.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for the construction of a sewer under Main Sewer Improvement Resolution No. 24 in Forest Park and Lakeside Park Additions, the Board now proceeded to open such proposals and obtained the following result:
Derheimer & Co. bid for the work complete per lineal foot $5.44
There being no other bids submitted, upon motion the bid of Derheimer and Co. was taken under advisement till Friday, July 17 1908 at 1:30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 478, which provides for grading Kuttman Avenue and paving with cement the sidewalks on the south side of Kuttman Avenue from Beaver Avenue to Broadway; also against the work performed under Improvement Resolution No. 491, which provides for cement sidewalks on the north side of Woodland Avenue from Lafayette Street to a point 16⅔ feet west of the east line of lot No. 463 Hamiltons 4th Addition; also against the work performed under Improvement Resolution No. 496, which provides for grading Kinnaird Avenue from Beaver Avenue to Broadway and paving with cement the sidewalks on the south side of Kinnaird Avenue from South Wayne Avenue to Broadway, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under the aforementioned resolutions, which assessment rolls contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions No. 478, 491 and 496 was finally accepted and the assessment rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed when the Board would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 497, which provides for grading Sinclair Street from a point 365 feet west of St. Mary's Avenue and paving with cement the sidewalks on the north side of Sinclair Street from St. Mary's Avenue to Leora Street; also the work performed under Improvement Resolution No. 498, which provides for grading Third Street and paving with cement the sidewalks on the south side of Third Street from Franklin Avenue to the west line of Romy Grove Addition, upon motion the hearing was postponed until July 20th 1908 at 3 o'clock P. M.

Moved, that the work performed under Improvement Resolution No. 479, which provides for paving Winter Street from Lewis Street to Pontiac Street; also the work performed under Improvement Resolution No. 512, which provides for paving with cement the sidewalks on both sides of Main Street from the St. Mary's River to the G. R. & I. R. R. be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 18th day of July 1908, and that the 6th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolutions or against the Assessment Rolls as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said assessment rolls.

Adopted.

Moved that an Assessment Roll of Benefits and Damages in the matter of opening John Street from the alley south of Goldrick Street to Eckart Lane under Declaratory Resolution No. 156, be and the same be hereby approved and that notice of same to property holders affected thereby be given according to law and that the 27th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessments of benefits or awards of damages as approved by the Board.

Adopted.

The City Civil Engineer submitted a plan showing the proposed vacation of certain streets and alleys in Forest Park Addition

which plan was, upon motion approved.

Declaratory Resolution No. 158.

For the vacation of a part of Tennessee Avenue, Alabama Avenue, and Florida Avenue; also for the vacation of a part of the alley east of Alabama Avenue, and a part of the alley east of Florida Avenue.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate parts of streets and alleys described as follows: Tennessee Avenue from California Avenue to Morton Avenue; Alabama Avenue from Tennessee Avenue to Vermont Avenue; Florida Avenue from Tennessee Avenue to Vermont Avenue; the alley east of California Avenue from Vermont Avenue to Tennessee Avenue; the alley east of Alabama Avenue from Vermont Avenue to Tennessee Avenue, and the alley east of Florida Avenue from Vermont Avenue to Tennessee Avenue. All as shown by a plan of such proposed vacations of the above described parts of streets and alleys now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the vacation of certain streets and alleys as described in Declaratory Resolution No. 158 be published in the Fort Wayne Journal Gazette on the 18th and 25th days of July 1908, and the 13th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution.

Adopted.

The petition of Keller and Braun for permission to repair a Stone walk on Main Street abutting on lot No. 3 Block 14 Ewings Addition was upon motion granted.

The petition of Julian Grosjean for permission to construct under private contract Cement sidewalks on the east side of Short Street abutting on lots Nos. 16 Becks, 11 and 12 Feeder and 14, 13, 12, 11 and 1 Baltz's Addition was upon motion granted.

The Sewer Builders Bond of Peter Baltz was upon motion approved.

The City Attorney submitted his opinion on the petition of A. Buelber and H. C. Berghoff relative to the maintenance of the market on Barr Street from Berry Street to Main Street which was received and placed on file. Whereas, in the opinion of the City Attorney this petition should have been filed with the Board of Public Safety, upon motion the same was referred to said Board.

The petition of Sam. M. Foster which provides for vacating the alley from Columbia Street to the St. Mary's River between lots Nos 3, 4, 16 and 17 County Addition was received and upon motion the City Civil Engineer was instructed to prepare a plan showing such proposed vacation.

Upon motion the request of the School City of Fort Wayne for permission to construct an area in the alley west of Marion Street between Second Street and Third Street was granted subject to all the provisions of General Ordinance No 141 and all supplementary acts thereto.

The Board now took a recess until Friday July 17th 1908, at 1.30 o'clock P. M.

The Board reconvened at 1.30 o'clock P. M. Friday July 17th 1908 for the purpose of considering the bid of Derheimer & Co submitted under Main Sewer Improvement Resolution No 24. The Board finds that the price submitted for said work would exceed the Engineer's estimate on said improvement and as the law prohibits the Board awarding any contract for the construction of a sewer when the cost exceeds the Engineer estimate, upon motion the proposal submitted by Derheimer & Co was rejected.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, July 20th 1908.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 497, which provides for grading Sinclair Street from a point 365 feet west of St. Mary's Avenue to Leora Street and paving with cement the sidewalks on the north side of Sinclair Street from St. Mary's Avenue to Leora Street; also against the work performed under Improvement Resolution No. 498, which provides for grading Third Street and paving with cement the sidewalks on the south side from Franklin Avenue to the west line of Romy Grove Addition; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolutions which Assessment Roll contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions Nos. 497, and 498 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

Upon motion all former action taken under Main Sewer Improvement Resolution No. 24 was rescinded, as all bids submitted for the construction of said sewer exceeded the estimate of the City Civil Engineer.

The City Civil Engineer submitted a plan showing the proposed vacation of the alley east of Lafayette Street from the St. Mary's River to the N. Y. C. & St. L. R. R. which was upon motion approved.

Declaratory Resolution No. 159.

For the vacation of the alley east of Lafayette Street from the

St. Mary's River to the N. Y. C. & St. L. R. R.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the alley east of Lafayette Street in County Addition between lots Nos. 69 and 70, 3 and 4, and 16 and 17, and 21 and 22 from the St. Mary's River to the New York, Chicago and St. Louis Railroad. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved that notice to property owners affected by the vacation of the alley east of Lafayette Street from the St. Mary's River to the N. Y. C. & St. L. R. R. as described in Declaratory Resolution No. 159 be published in the Fort Wayne Journal Gazette on the 21st and 28th days of July, 1908, and that the 20th day of August 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution

Adopted.

The City Civil Engineer submitted plans and specifications for a brick sewer in Lakeside Park and Forest Park Additions, which were upon motion approved.

Main Sewer Improvement Resolution No. 25.

Resolved, By the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a main sewer, which from its size and character is not only intended and adapted for use by property-holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving sewage from collateral drains already constructed, or which may be hereafter constructed be and the same is hereby ordered: Commencing at the intersection of the center line of Morton Street with the Maumee River; thence north in and along the center line of Morton Street and the center line of Morton Street, produced north, to the center line of Vermont Avenue; thence west following the center line of Vermont Avenue to the alley between California Avenue and Crescent Avenue. Said sewer shall be a four foot inside diameter two ring brick sewer, and to be built in accordance with the profile, specifications and

detailed plans on file in the office of the Department of Public Works of said City. And all of said work and materials of every kind is to be in accordance with the profile, specifications and detailed plans on file in the office of the Board of Public Works of said City. The total cost of said improvement shall be paid by the holders of property beneficially affected thereby in pro-portion to the benefit received, including not only the property abutting on the line of said sewer, but also all property which may be beneficially affected by the construction of said sewer, which lies within the following described territory in the City of Fort Wayne, County of Allen and State of Indiana to-wit: Commencing at the intersection of the east line of Lakeside Park Addition, Plat "B" with the Maumee River; thence north along said east line to Lake Avenue; thence west on Lake Avenue to Walton Avenue; thence north on Walton Avenue to State Street; thence west on State Street to Malcolm Street; thence north on Malcolm Street to the north line of Pettit Addition; thence west on north line of Pettit Addition to Crescent Avenue; thence south-west on Crescent Avenue to State Street; thence west on State Street to Kentucky Avenue; thence south on Kentucky Avenue to Tennessee Avenue; thence east on Tennessee Avenue to Crescent Avenue; thence south on Crescent Avenue to Maumee River; thence in an easterly and southerly course following the meanderings of the Maumee River to place of beginning. The entire cost of said sewer, including the portions of the sewer, which cross streets and alleys, to be assessed against the property-holders beneficially affected. It is expressly intended and provided that the City of Fort Wayne shall pay no part of the cost of construction of said sewer. Assessments, if deferred, are to be paid in ten equal annual installments, with interest, at the rate of 5 per cent per annum. A bond or bonds shall be issued to the contractor in payment for said work, unless the property-owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement. All proceedings had and work done in the construction of said main sewer and its appurtenances, manner of assessment of property, collection of assessment and issuance of bonds therefor shall be as provided for in an act of the General

Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations, approved March 6th 1905", and in accordance with and pursuant to the provisions of all amendatory and supplemental acts thereto passed by the General Assembly of the State of Indiana.

Adopted.

Moved that notice to property owners of the adoption of Main Sewer Improvement Resolution No 25 be published in the Fort Wayne Journal Gazette on the 21st and 28th days of July 1908 and that the 6th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefit that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The Board received the following bids for painting the Police Station, office room and court room;

J. J. Steinman bid for the work complete	$62.50
Oliver S. Joner " " " " "	56.80
Chas. H. Meyer & Co " " " " "	68.00
Welton & Kumora " " " " "	50.00

Upon motion the contract for painting the above mentioned rooms was awarded to Welton and Kumora they being the lowest and best bidders.

The Sidewalk Builders Bond of Wm. Geake was upon motion approved.

The Bond of C. A. Rehmke covering the relaying of a brick walk on Gay Street abutting on lot No 105 Barr and Hanna's Addition was upon motion approved.

The Sewer Builders Bond of John Auer was upon motion approved.

The petition of R. L. Ronny and 3 others which provides for grading the alley east of Spy Run Avenue from Wagner Street to Baltes Avenue was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of Chas. Stellhorn and one other which provides for vacating the alley between Phillips Street and Huestis Avenue from Miner Street to the alley west of Miner Street was received and placed on file.

Upon motion the City Civil Engineer was instructed to modify the order for Cement sidewalks on both sides of Lewis Street as follows: from Barr Street to Hanna Street.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Co. to proceed at once to pave between their tracks and one foot on the outside of the tracks on Columbia Avenue from the Bridge crossing the Maumee River to Cresent Avenue.

Upon motion the clerk was instructed to notify the N. Y. C. & St. L. R. R. Co. to repair the walk on Fulton Street on the right-of-way of said Company.

The petition of Wm. Geake for permission to construct under private contract a stone flag sidewalk on Berry Street abutting on lots Nos. 6, 5, 4 and 3 Block 22 Ewings Addition was upon motion granted.

The petition of A. W. Kintz and Son for permission to relay a brick driveway on Main Street abutting on lot No. 546 Hannas Addition was upon motion granted.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works

Fort Wayne, Indiana, July 23rd 1908.
Regular meeting held at 7:30 P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 485, which provides for grading Beaver Avenue and paving

with Cement the sidewalks on the west side of Beaver Avenue from Home Avenue to Packard Avenue; also against the work performed under Improvement Resolution No. 492, which provides for grading Boltz Street and paving with Cement the sidewalks on both sides of Boltz Street from Lafayette Street to the east line of Boltz's and Romy's Additions; also against the work performed under Improvement Resolution No. 495, which provides for paving with Cement the sidewalks on both sides of Packard Avenue from Beaver Avenue to Broadway; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under the aforementioned resolutions, which assessment rolls contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever upon motion the work performed under Improvement Resolutions No. 485, 492 and 495 was finally accepted and the Assessment Rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 489, which provides for Cement sidewalks on both sides of Hanna Street, on the west side from Pontiac Street to Oxford Avenue and on the east side from McKee Street to the City limits, upon motion the hearing was postponed until July 30th 1908 at 7:30 o'clock P. M. owing to the fact that one of the property owners on said Street claimed that several of the Cement blocks were cracked.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract which were upon motion approved: for paving with Sheet Asphalt Sixth Street from Carr Street to Wells Street; for Cement sidewalks on both sides of Lewis Street from Carr Street to Hanna Street; for Cement sidewalks on the east and north side of Edgewater Avenue from Columbia Avenue to Crescent Avenue and on the west side of Crescent Avenue from Edgewater Avenue to Lake Avenue.

92 Wells

Improvement Resolution No. 518.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Sixth Street from the east property line of Barr Street produced north across Sixth Street to the east property line of Wells Street, by grading and paving the roadway to a width of twenty-four (24) feet with Sheet Asphalt upon a six inch Portland Cement concrete foundation by placing a marginal finish at all street and alley intersections, curbing with new curb stone and paving the wings of all connecting streets and alleys, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 519.

Resolved By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the side-walks on both sides of Lewis Street from the curb line on the east side of Barr Street to the curb line on the west side of Hanna Street, by grading to a width of twelve feet and paving with Cement to a width of six feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 520.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on the east and north sides of Edgewater Avenue from Columbia Avenue to its intersection with Crescent Avenue and on the west side of Crescent Avenue from its intersection with Edgewater Avenue to Lake Avenue, by grading to a width of ten feet and paving with Cement to a width of five feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Improvement Resolutions Nos 518, 519 and 520 be published in the Fort Wayne Journal Gazette on the 25th day of July and the first day of August 1908, and that the 13th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned resolutions and will decide whether

the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The Board of Public Safety having referred back to the Board of Public Works the remonstrance of Fuelber and Berghoff against maintaining a market on Barr Street between Berry Street and Main Street, upon motion now the same was referred to the City Attorney.

The Bond of Lyman Kaylor covering the relaying of a brick sidewalk on Francis Street abutting on lot No 602 Hanna's Addition was upon motion approved and the necessary permit granted.

The Sewer Builders Bond of H. O'Connell was upon motion approved.

The petition of Julian Grosjean for permission to construct under private contract Cement sidewalks on the west side of Short Street from Fifth Street to the alley south of Huffman Street was refused unless said contractor would construct the walk to Huffman Street.

A communication was received from S. B. Fleming relative to making repairs on the pavement on east Lewis Street. Upon motion the same was filed, to be taken up with the Citizens Committee, which has been appointed by the residents of Lewis Street for the purpose of bringing about much needed repairs on said street.

Upon motion the clerk was instructed to notify the Fort Wayne Gas. Co. to fill up all trenches where said Company has been making repairs to Gas mains.

The petition of the Fort Wayne and Wabash Valley Traction Co. for permission to erect three poles on the west side of Calhoun Street from the alley north of Superior Street to Eureka Street was upon motion granted.

The Board then adjourned.

Office Board of Public Works.

Port Wayne, Indiana, July 30th 1908.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lemon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for work to be performed under Public Contract, upon motion the Board now proceeded to open such proposals and obtained the following results:

Local Sewer Improvement Resolution No. 164, which provides for a vitrified clay pipe sewer in the alley between Harrison Street and Webster Street from the brick sewer on Darrow Avenue to Rudisill Avenue;

Anton Rieg bid for the work complete per lineal foot #1.05
Derheimer et al " " " " " " " 1.00
Moellering Construction Co " " " " " " " 1.09

Upon motion the contract for the work to be performed under Local Sewer Improvement Resolution No. 164, was awarded to Derheimer et al Co they being the lowest and best bidders.

Local Sewer Improvement Resolution No. 165, which provides for a vitrified clay pipe sewer on Wayne Street from the brick sewer on Nelson Street to Garden Street;

Derheimer et al Co bid for the work complete per lineal foot #1.42
Moellering Construction Co " " " " " " " 1.16

Upon motion the contract for the work to be performed under Local Sewer Improvement Resolution No. 165 was awarded to Moellering Construction Co they being the lowest and best bidders.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 489, which provides for cement sidewalks on both sides of Hanna Street, on the west side from Pontiac Street to Oxford Avenue and on the east side from McKee Street to the city limits, upon motion the hearing was postponed until August 6th 1908,

at 7:30 o'clock P.M. owing to the fact that the contractor had not yet replaced several broken blocks in said sidewalk.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolution No. 159, which provides for a vitrified clay pipe sewer on Creighton Avenue and in the alley between Euclid Street and Savannah Street from the alley east of Walton Avenue to Mercer Street; also against the work performed under Local Sewer Improvement Resolution No. 160, which provides for a vitrified clay pipe sewer on Pontiac Street and in the alley between Winter Street and Lillie Street from Winter Street to the south line of Jauner's Addition; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under the aforementioned resolutions, which Assessment Rolls contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Local Sewer Improvement Resolutions Nos. 159 and 160 was finally accepted and the assessment rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 515, which provides for cement sidewalks on the north-west corner of Washington Boulevard West and Webster Street the Board finds that the benefits to abutting and adjacent property, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original.

The City Civil Engineer submitted his estimate of the cost of work to be performed under public contract as follows:

Improvement Resolution No. 515		total cost	$14.70
"	" No. 516	"	4448.88
"	" No. 517	"	500.00

Local Sewer Improvement Resolution No. 166 total cost $336.30

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 516, which provides for cement sidewalks on both sides of Washington Boulevard East from Barr Street to Harmer Street there now was presented a remonstrance of N. Ed. Granger and 56 others against the making of said improvement during the present year. The said remonstrants did not object to the improvement being made next year, which arrangement was satisfactory to the Board and the property owners on said street. The Board now finds that the benefits to abutting and adjacent property, are equal to or exceed the estimated cost of the proposed improvement and there appearing no further objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 517 which provides for cement sidewalks on both sides of Short Street from Fifth Street to Huffman Street upon motion the hearing was postponed until Thursday August 13th 1908 at 7:30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No. 166, which provides for a vitrified clay pipe sewer in the alley between Euclid Street and Savannah Street from the alley north of Antoinette Street to Mercer Street the Board finds that the benefits to abutting and adjacent property, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original..

Moved, that notice to Contractors of the work to be performed under Improvement Resolution No. 515 and Local Sewer Improvement Resolution No. 166 be published in the Fort Wayne Journal Gazette on the 1st and 8th days of August 1908 and that the 20th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract, which were upon motion approved: Cement sidewalks on the north side of Antoinette Street from Walton Avenue to Savannah Street; Cement sidewalk on the south side of Maple Avenue from Broadway to Thompson Avenue; Cement sidewalks on both sides of Hillside Avenue from Delaware Avenue to the south line of Rissings Addition.

Sidewalk Improvement Resolution No. 521.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the north side of Antoinette Street from Walton Avenue to Savannah Street by grading to a width of ten feet and paving with Cement to a width of four feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 522.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the south side of Maple Avenue from Broadway to Thompson Avenue by grading to a width of ten feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 523.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Hillside Avenue from Delaware Avenue to the south line of Rissings Addition, by grading to a width of ten feet and paving with Cement to a width of four feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Improvement Resolutions Nos. 521, 522 and 523 be published in the the Fort Wayne Journal Gazette on the 1st and 8th days of August 1908, and that the 20th day of August 1908 at 7:30 o'clock P. M. be

fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements, and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

The Sidewalk Builders Bond of Chas. Schieck was upon motion approved.

The Sewer Builders Bond of Albert Rolf and Bro. was upon motion approved.

The petition of the Fort Wayne and Wabash Valley Traction Co. for permission to erect one pole at the corner of Nelson and Guthrie Streets; three poles in the alley south of Dollar Avenue; two poles in the alley between Hugh and Eliza Streets, west of McCulloch Street; one pole on Barr Street south of Montgomery Street was received and placed on file.

The application of Floyd N. Patterson for a position as Fireman at the Municipal Lighting Plant was received and placed on file.

The application of Fred. W. Sheldon for a position as Line Foreman for the Municipal Lighting Plant was received and placed on file.

The following petitions for permission to construct under private contract sidewalks were upon motion granted: To F. Siemendorff a five foot cement sidewalk on Runion Avenue abutting on lot No. 20 Nelson's Addition; to John B. Grosjean four foot cement sidewalks on both sides of Bayer Avenue from Delaware Avenue to Forest Avenue; to Fred. N. Buelling a five foot stone flag walk on Ohio Street abutting on lot No. 218. E. Hanna 3rd Addition; to Julian Grosjean four foot cement sidewalks on the west side of Short Street from Fifth Street to Huffman Street.

The petition of C. Schieck for permission to relay under private contract a brick sidewalk on Van Buren Street abutting on lot No. 170 Rockhill's Addition was upon motion refused.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for a Storm sewer to drain the

territory bounded on the north by the N. Y. C. & St. L. R. R. on the east by the L. E. & W. R. R. on the south by Mill Creek, and on the west by the G. R. & I. R. R.

The petition of Geo. J. Kierspe and 6 others which provides for filling the first alley north of Michigan Avenue from Nelson Street to the first alley west of Broadway was received and placed on file.

Upon motion the clerk was instructed to notify the Metropolitan Engineering and Construction Co. to deposit the dirt which is being excavated from various streets in the City at such places as the Board designates.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, August 6th 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objection or remonstrances against the work performed under Improvement Resolution No. 479, which provides for paving Winter Street from Lewis Street to Pontiac Street; also against the work performed under Improvement Resolution No. 512, which provides for paving with cement the sidewalks on both sides of Main Street from the St. Mary's River to the G. R. & I. R. R.; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under

the aforementioned resolutions, which assessment rolls contain a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution No. 479, and 512 was finally accepted and the assessment rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This now being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 489, which provides for cement sidewalks on both sides of Hanna Street, on the west side from Pontiac Street to Oxford Avenue and on the east side from McKee Street to the City limits, upon motion the hearing was postponed until Monday, August 10th 1908, at 3 o'clock P. M. owing to the fact that the contractor had not yet replaced several broken blocks in said sidewalk.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under Main Sewer Improvement Resolution No. 25, which is #15,536.64.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No. 25 which provides for a main sewer in Lake side Park and Forest Park Additions, the Board finds that the benefits to abutting and adjacent property are equal to or exceed the estimated cost of the proposed improvement, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original.

Moved, that notice to contractors of the work to be performed under Main Sewer Improvement Resolution No. 25 be published in the Fort Wayne Journal Gazette on the 8th and 15th days of August 1908 and that the 27th day of August 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed

under the aforementioned resolution.

Adopted.

Moved that the work performed under Improvement Resolution No. 494, which provides for cement sidewalks on both sides of Indiana Avenue from Cottage Avenue to Dayton Avenue; also the work performed under Improvement Resolution No. 511, which provides for cement sidewalks on both sides of Main Street from Harrison Street to the St. Mary's River on the north side, and from Waiden Lane to Rockhill Street on the south side be and the same be hereby accepted and that notice to property holders affected thereby be published in the Port Wayne Journal Gazette on the 8th day of August 1908 and the 27th day of August, 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolutions or against the Assessment Roller as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said assessment rolls.

Adopted.

The City Civil Engineer submitted plans and specifications for cement sidewalks on the west side of Sherman Street from High Street to Fourth Street which were upon motion approved.

Sidewalk Improvement Resolution No. 524.

Resolved, By the Board of Public Works of the City of Port Wayne, Indiana, that it is deemed necessary to improve Sherman Street from High Street to Fourth Street by grading the roadway to a width of thirty feet and grading the sidewalk on the west to a width of ten feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Improvement Resolution No. 524 be published in the Port Wayne Journal Gazette on the 8th and 15th days of August 1908 and that the 27th day of August 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the

property to be assessed abutting and adjacent to the aforementioned improvement and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The City Civil Engineer submitted a plan showing the proposed opening of an alley from Elizabeth Street to the alley south of Elizabeth Street and widening the alley from the alley south of Elizabeth Street to Nussbaum Avenue which was upon motion approved.

Declaratory Resolution No. 160.

For the opening of an alley from Elizabeth Street to the alley south of Elizabeth Street and widening the alley from the alley south of Elizabeth Street to Nussbaum Avenue.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open an alley from Elizabeth Street to the alley south of Elizabeth Street, and widen the alley from the alley south of Elizabeth Street to Nussbaum Avenue. Said opening and widening to be made by condemning and appropriating for alley purposes the east ten feet of lot No. 3 N. J. Rudisill's Addition, and the east one foot of lot No. 1 Moellerings Sub. All as shown by a plan of such proposed opening and widening of said alley, as above described, now on file in the Department of Public Works of said City. The property, which may be injuriously or beneficially affected by the opening and widening of said alley, as above described, is described as all lots or parcels of land not occupied by streets and alleys lying south of Kamm Street, west of St. Joseph River, north of St. Mary's River and east of Spy Run Creek. All of said alleys and lots and lands affected by the opening and widening of said alley being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening of an alley from Elizabeth Street to the alley south of Elizabeth Street and widening the alley from the alley south of Elizabeth Street to Nussbaum Avenue as described in Declaratory Resolution No. 160 be published in the Fort Wayne Journal Gazette on the 8th and 15th days of August 1908 and the 3rd day of September 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 157, which provides for condemning a right-of-way for sewer purposes across lots Nos. 16, 18, 19 and 22 and the north part of lot No. 33 in Broadway Park; also across Nos. 15 and 16 High Banks Addition and lots Nos. 4, 5, 6, 7, 8, 9 and 10 B. W. & S. W. Vesey's Subdivision of lots Nos. 33, 34, 35 and 36 of Broadway Park, and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No. 157 was confirmed as in the original.

The Board received the following proposals for furnishing Screens for the Police Court room:

Seavey Hardware Co.	bid for	Court Room	$22.75
" " "	"	Battery "	6.35
C. C. Schlatter & Co.	"	Court Room	22.00
H. Pfeiffer & Son	"	" " $21.00	and 17.25
" " "	"	Battery Room 8.50	" 8.00
Phenix Screen & Awning Co.	"	Court Room	$21.00

Upon motion the bids were taken under advisement.

The petition of Sam. M. Foster which provides for a sewer in the alley between Columbia Street and Superior Street from Clay Street to Lafayette Street was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The petition of Gottlieb Laemle and 3 others which provides for grading the alley between Huffman Street and Putnam Street from St. Mary's Avenue to Oakland Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

a petition by Joseph A. Miller and 7 others which provides for replatting Kindlingers Addition was received and placed on file.

The Sidewalk Builders Bond of the Moellering Construction Co. was upon motion approved.

The Bond of Alex. Mentzer covering the relaying of a brick walk on Center Street abutting on lot No. 88 Rockhill's 2d. Addition was upon motion approved.

The Bond of John E. Feltz covering the construction of cement sidewalks on Clifton Avenue abutting on lots Nos. 16-17-18

J. E. Felts Sub. was upon motion approved and the necessary permit granted.

The Contract and Bond of the Moellering Construction Company covering the work to be performed under Local Sewer Improvement Resolution No. 165 was upon motion approved.

The Bond of J. B. Robinett covering the construction of a Cement sidewalk on Third Street abutting on lots Nos. 31 and 32 Romy Grove Addition was approved and the necessary permit granted.

The Bond of W. P. Smick covering the construction of a brick sidewalk on St. Mary's Avenue abutting on lot No. 12 Archers Addition was upon motion approved and the necessary permit granted.

The Sidewalk Builders Bond of Conrad Kern was upon motion approved.

The following petitions for permission to construct under private Cement sidewalks were granted: Grosjean et Bo on the south side of Wayne Street 80 feet west of Nelson Street, and on the north side of Wayne 260 feet west of Nelson Street; Fred. Siemendorff on Maumee Avenue abutting on lot No. 40 Comparetts Addition.

The petition of Conrad Kern for permission to relay under private contract a brick walk on Creighton Avenue abutting on lots Nos. 8 and 9 Hanna and Fishers Addition was upon motion granted.

The following applications for employment were received by the Board: from Daniel Mullen for position as Line Foreman; from Wm. E. Wilson for position as Lamp trimmer; from P. J. Moran for position as fireman at Pumping Station.
Upon motion the applications were placed on file.

The Board then adjourned.

CLERK.

Office Board of Public Works.

Fort Wayne, Indiana, August 10th 1908.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 489, which provides for cement sidewalks on both sides of Nanna Street, on the west side from Pontiac Street to Oxford Avenue and on the east side from McKee Street to the City limits, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution which assessment roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution No. 489 was finally accepted and the assessment roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

Moved, that the work performed under Improvement Resolution No. 488, which provides for cement sidewalks on both sides of Lafayette Street from Esmond Street to Wiebke Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 12th day of August 1908 and the 27th day of August, 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

Adopted.

The petition of Albert E. Stapleford asking the Board to have the dirt which is to be excavated on Columbia Avenue, deposited on

his lot at No. 724 Columbia Avenue, was upon motion granted.

A communication from the Controller requesting the Board to prepare and submit their estimate of the amount of money required for the operation of their Department during the year 1909 was received and placed on file.

Upon motion the contract for furnishing screens for the Police Court room was awarded to the Seavey Hardware Company, they being the lowest and best bidders.

Upon motion the Board adopted the following Resolution:

Be it resolved by the Board of Public Works of the City of Fort Wayne, that the City Engineer be and he is hereby instructed to prepare plans and specifications together with an estimate of the cost for the repair of the following named streets which were constructed under the improvement resolutions the numbers of which are set opposite the names of the streets:

Name of Street	No. of Resolution
Creighton Avenue	129
High Street	148
Cass Street	146
Calhoun Street from Superior to Main Streets	124
Calhoun Street from Main to Lewis Streets	126
Calhoun Street from Lewis Street to Ry.	127
Harrison Street	133
Suttenfield Street	130
Woodland Avenue	131
Hoagland Avenue	132

Such plans and specifications to include only such repairs as are necessary to put such streets in a condition to comply with the guarantee of the Alcatraz Construction Company which company constructed the pavements.

E. J. Lennon
Henry Schwartz
Jesse Brosius.
Board of Public Works.

The Sewer Builders Bond of John Fletter was upon motion approved.

The Bond of Herman Grossman covering the construction of cement sidewalks on the west side of Broadway abutting on the property of the Emmanuel Lutheran Church Congregation was

upon motion approved.

The Bond of Henry Bork covering the relaying of a brick sidewalk on Gay Street abutting on lot No. 28 Industrial Park was upon motion approved.

The petition of Fred. Giemendorff for permission to construct under private contract a cement sidewalk on Lewis Street abutting on Nos. 730 and 734 was upon motion granted.

The petition of the Moellering Construction Co. for permission to construct under private contract a cement sidewalk on Harrison Street abutting on lot No. 461 Hanna's Addition was upon motion granted.

The following sidewalk permits were upon motion granted: to Wm. Geake to repair a Stone flag sidewalk on Berry Street abutting on lots Nos. 1-2 Block 22 Ewings Addition; to Wm. Geake to construct a Stone flag sidewalk on Berry Street abutting on lots Nos. 11-12 Block 16 Ewings Addition; to Keller and Braun to relay a Stone flag sidewalk on Main Street abutting on Nos. 908 to 916.

The Board then adjourned.

Henry Schwartz
Jesse Brosius
BOARD OF PUBLIC WORKS.

Attest:
H. W. Becker
Clerk.

Office Board of Public Works.

Fort Wayne, Indiana, August 13th 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

Moved, that the work performed under Improvement Resolution No. 509 which provides for Cement sidewalks on the north side of Buchanan Street from Lafayette Street to Hanna Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 15th day of August, 1908, and the 3rd day of September 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by

the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 517 which provides for cement sidewalks on both sides of Short Street from Fifth Stred to Huffman Street upon motion further hearing was postponed until August 20th 1908 at 7.30 oclock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 158, which provides for vacating certain Streets and Alleys in Forest Park Addition and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No. 158 was confirmed as in the original.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under various resolutions as follows:

Improvement Resolution No. 518	total cost		$2433.50
"	"	519	" " 2751.70
"	"	520	" " 2502.50

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 518, which provides for paving with Sheet Asphalt Sixth Street from Barr Street to Weller Street; also Improvement Resolution No. 519, which provides for cement sidewalks on both sides of Lewis Street from Barr Street to Wanna Street the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid Resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 520, which provides for cement sidewalks on the east and north sides of Edgewater Avenue from Columbia Avenue to Crescent Avenue, and on the west side

of Crescent Avenue from Edgewater Avenue to Lake Avenue, the Board now took up the remonstrance of P. R. Hartnett and 10 others, which had been filed against said proposed improvement. After carefully considering the list of resident property owners on said streets affected by said proposed improvement the Board finds that the remonstrants are in the minority and upon motion refused the prayer of the remonstrants. The Board now finds that the benefits to abutting and adjacent property, are equal to or exceed the estimated cost of the proposed improvement and upon motion the aforesaid resolution was confirmed as in the original.

Moved, that notice to contractors of the work to be performed under Improvement Resolutions No. 518, 519 and 520 be published in the Fort Wayne Journal Gazette on the 15th and 22nd days of August 1908, and the 3rd day of September, 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted.

Upon motion the clerk was instructed to notify the Fort Wayne and Wabash Valley Traction Company to maintain that part of Broadway over Shawnee Run between their tracks and one foot upon the outside of said tracks, said Shawnee Run having been recently filled in by the City.

The remonstrance of Francis Boley against the construction of cement sidewalks on the west side of Hillside Avenue from Delaware Avenue to the south line of Rissings Sub. was received and placed on file.

The application of John H. Dailey for a position as Engineer at the Municipal Lighting Plant was received and placed on file.

The Board received the following proposals for repairing the boiler in the City Hall:

The Engineering Co bid for the work complete $124.00
Frank Gruber Boiler Works " " " $127.00

Upon motion the contract for repairing the boiler in the City Hall was awarded to The Engineering Co they being the lowest and best bidders.

The proposal of Chas. E. Welch & Bro. to furnish four 36" galvanized ventilators to be placed on the ridge of Municipal Lighting Plant Building for the sum of $290 Cts was received and taken under advisement.

The Sewer Builders Bond, also the Plumber and Gasfitters Bond of W. J. Cordier were upon motion approved.

Petitions for permission to construct under private contract cement sidewalks were granted as follows: to C. W. Smitly on Wayne Trace abutting on lots Nos. 63, 66 and 67 Fletchers Addition; to N. Grossman, on the west side of Broadway, north of Scott Avenue; to Fort Wayne Roofing and Paving Co on Pearl Street abutting on lot No 3 Block 9 Ewings Addition.

The proposal of the Fort Wayne Electric Works to hang all the lamps for the Municipal Lighting Plant for the sum of $200 Cts, also the proposal of the McBride Electric Co deducting $200 Cts. from their contract price if released from that part of their contract which requires them to hang the lamps above referred to were referred to the City Attorney.

Upon motion the clerk was instructed to ask the Controller to arrange for appropriations as follows: $3000 Cts to the Street Cleaning account, $1000 Cts to the Maintenance and Repair of Streets account and $500 Cts to the sewer repair account.

The Board then adjourned.

Attest. N. W. Becker

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, August 17th 1908.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jene Brosius.

Moved, that an Assessment Roll of Benefits and Damages in the matter of vacating alleys and streets in Forest Park Addition east of California Avenue, south of Vermont Avenue, west of Morton Avenue and north of Tennessee Avenue and vacating

Tennessee Avenue from the east line of California Avenue to the west line of Morton Avenue under Declaratory Resolution No. 158 be and the same be hereby approved and that of same to property holders affected thereby be given according to law and that the 3rd day of September 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessment of benefits or awards of damages as approved by the Board.

Adopted.

Upon motion the Board entered into a contract with the McBride Electric Co. to hang all the arc lamps for the Municipal Electric Lighting Plant at the City's expense and deducting from the contract price of said McBride Electric Co. $2.00 Cts.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving with vitrified paving block Calhoun Street from Superior Street to Eureka Avenue.

Upon motion the City Civil Engineer was instructed to prepare plans for opening and extending the alley east of Runion Avenue from its present terminus to the alley south of Wheeler Street.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for a sewer in the alley east of Runion Avenue north to the alley south of Wheeler Street, and in the alley south of Wheeler Street from the alley east of Runion Avenue to the G. R. & I. R. R.

Upon motion the Board approved a contract with the Fort Wayne Electric Works for hanging all the arc lamps for the Municipal Lighting Plant for the sum of $200 Cts.

The Sewer Builders Bond of Henry Oetting was upon motion approved.

The petition of J. E. K. France for permission to construct under private contract cement sidewalks on Calhoun Street abutting on lots Nos. 72, 73, 74, 75, 76, 77, 78, 79, 80, 82 and 83 South Calhoun Street Addition was upon motion granted.

The petition of Phillip Wyss for permission to construct under private contract a cement driveway on College Street abutting on lot No. 225 Rockhill's Addition was upon motion granted.

The petition of Thomas Ahern for permission to construct under private contract a cement sidewalk on Lewis Street abutting on lot No 6 Lewis Addition was refused owing to the fact that this work is to be done under public contract under Improvement Resolution No 519.

The Board entered into a contract with the Fort Wayne and Wabash Valley Traction Company authorizing said Company to remove from its tracks on State Street two switches now located between Baker Avenue and Parnell Avenue and to place in lieu thereof and maintain one switch beginning at the present starting point on the east of the switch now maintained at Baker Avenue and extending west fourteen hundred feet, and upon motion ordered the same submitted to the Common Council for approval.

The Board then adjourned.

REMARKS FROM PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, August 20th 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for work to be performed under public contract, the Board now proceeded to open such proposals and obtained the following results:
Improvement Resolution No 515 which provides for cement sidewalks on the North west corner of Washington Boulevard West and Webster Street;
Moellering Construction Co bid for the work complete per lineal foot $1.25
There being no other bids upon motion the contract for the work to be performed under Improvement Resolution No 515 was awarded to the Moellering Construction Co

Local Sewer Improvement Resolution No 166 which provides for a vitrified clay pipe sewer in the alley between Euclid Street and Savannah Street from Antoinette Street to Mercer Street;
Moellering Construction Co bid for the work complete per lineal foot .89 cts

Dorheimer & Co. bid for the work complete per lineal foot .86 cts
Fred. H. Fuelling " " " " " " " .79
Anton Rieg " " " " " " " .79

There being a tie between Fred. H. Fuelling and Anton Rieg, the Board upon motion decided by lot as to whom the contract should be awarded to, Fred. H. Fuelling being declared the winner, upon motion the contract for the work to be performed under Local Sewer Improvement Resolution No. 166 was awarded to Fred. H. Fuelling.

This now being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 517, which provides for cement sidewalks on both sides of Short Street from Fifth Street to Huffman Street upon motion further hearing was postponed until August 24th 1908 at 3 o'clock P. M.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under various resolutions as follows:

Improvement Resolution No. 521 total cost $349.24
" " " 522 " " $805.70
" " " 523 " " $642.88

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 521, which provides for cement sidewalks on the north side of Antoinette Street from Walton Avenue to Savannah Street; also Improvement Resolution No. 522, which provides for cement sidewalks on the south side of Maple Avenue from Broadway to Thompson Avenue, the Board finds that the benefits to abutting and adjacent property are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 523, which provides for cement sidewalks on both sides of Hillside Avenue from Delaware Avenue to the south line of Rissing's Addition, . there now was presented a remonstrance by Francis Boley

against said proposed improvement. The Board however refused the prayer of the remonstrator, he being a minority of the resident property owners on said Street affected by said proposed improvement. The Board now finds that the benefits to abutting and adjacent property are equal to or exceed the estimated cost of the proposed improvement and upon motion the aforesaid resolution was confirmed as in the original.

Moved, that notice to contractors of the work to be performed under Improvement Resolutions Nos 521, 522 and 523 be published in the Fort Wayne Journal Gazette on the 22nd and 29th days of August 1908 and that the 10th day of September 1908 at 7.30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 159 which provides for vacating the alley east of Lafayette Street from the St. Mary's River to the N. Y. C. & St. L. R. R. and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolution No 159 was confirmed as in the original.

The plat of Remans's Addition, being a subdivision of lot No 4, of the E. 1/2 of S. E. 1/4 Sec. 34 Tp 31. N. R. 12 E. was upon motion approved.

The City Civil Engineer submitted a plan showing the proposed vacation of Paragon Avenue, Shady Grove Avenue and a part of Arlington Avenue in Archer's Brookside Addition, which was upon motion approved.

Declaratory Resolution No 161.

For the vacation of Paragon Avenue, Shady Grove Avenue and that part of Arlington Avenue, commencing at a point 74 feet south of Shady Grove Avenue and thence north to a point 218 feet north of Paragon Avenue.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the following avenues or parts thereof in Archer's Brookside Addition: Paragon Avenue from Brookside Avenue to Arlington Avenue; Shady Grove avenue from Brookside avenue to Arlington avenue and Arlington Avenue from a point seventy four feet

south of Shady Grove Avenue to a point two hundred and eighteen feet north of Paragon Avenue. All as shown by a plan of such proposed vacations now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected being situated in Archer's Brookside Addition in the S.W. 1/4, Sec. 4 T. 30. N.R. 12 E.

Adopted.

Moved, that notice to property owners affected by the vacation of Paragon Avenue, Shady Grove Avenue and a part of Arlington Avenue as described in Declaratory Resolution No 161, be published in the Fort Wayne Journal Gazette on the 22d and 29th days of August 1908 and that the 17th day of September 1908 at 7:30 o clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution.

Adopted

The City Civil Engineer submitted plans and specifications for the following improvements which were upon motion approved: Grading Barr Street and Cement sidewalks on both sides from DeWald Street to Creighton Avenue; Cement sidewalks on both sides of Victoria Avenue from Pigua Avenue to Cour Street; Cement sidewalks on both sides of Wildwood Avenue from Calhoun Street to Harrison Street.

Sidewalk Improvement Resolution No 525.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Barr Street from De Wald Street to Creighton Avenue by grading the roadway to a width of twenty four feet and grading the sidewalk on both sides to a width of eighteen feet and paving with Cement to a width of five feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No 526.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Victoria Avenue from Pigua Avenue to Cour Street by grading to a width of ten feet and

paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 527.

Resolved, by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Wildwood Avenue from Calhoun Street to Harrison Street by grading to a width of ten feet and paving with Cement to a width of five feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Improvement Resolutions Nos. 525, 526 and 527 be published in the Fort Wayne Journal Gazette on the 22nd and 29th days of August 1908, and that the 10th day of September 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned Resolutions and will decide whether the benefits that will accrue to the property to be assessed, abutting and adjacent to each of the aforementioned improvements, and to said City, if any, will be equal to, or exceed the estimated cost of the proposed improvements.

Adopted.

Upon motion the City Civil Engineer was instructed to prepare a plat showing the proposed opening of an alley east of Short Street from the alley north of Fifth Street to the alley south of Huffman Street.

The Bond of Phillip N. Wyss covering the construction of a Cement driveway on College Street abutting on lot No. 225 Rockhill's Addition was upon motion approved.

The Sidewalk Builders Bond of Derheimer and Company was upon motion approved.

Petitions for permission to construct under private contract Cement sidewalks were granted as follows: to Fred. Jiemendorff on Fulton Street abutting on lot No. 6 Block 31 Ewings Addition; to A. Baus Jr. on St. Mary's Avenue abutting on lot No. 11 Archer's Addition; to

J. B. Grosjean on East Superior Street abutting on lots Nos 71, 9 and 8 County Addition.

The application of C. O. Rathouse for a position as Superintendent of Line Work for the Municipal Lighting Plant was received and placed on file.

A communication from C. D. Emmons relative to the location of a Street at Meyer and Fairfield Avenue was received and placed on file.

The application of E. O. Merica for a position as lineman for the Municipal Lighting Plant was received and placed on file.

The City Attorney submitted articles of Agreement by and between the City of Fort Wayne, by and through its Board of Public Works and the Common Council, and the Fort Wayne and Wabash Valley Traction Company for removing the wires from Spy Run Avenue, which agreement was taken under advisement until Monday August 24th 1908 at 3 o'clock P. M.

The Board now took a recess until Saturday August 22d 1908 at 1.30 o'clock P. M.

The Board reconvened Saturday August 22d 1908 at 1.30 o'clock P. M.

Upon motion the plat of Griffither Addition to Fort Wayne, being a part of the W. ½, S. W. ¼ Sec. 24 Wayne Tp. was approved.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Port Wayne, Indiana, August 27th 1908,
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for the construction of a Sewer under Main Sewer Improvement Resolution No. 25, the Board now proceeded to open such proposals and obtained the following result:
Derheimer & Co. bid for the work complete, per lineal foot - $5.44
There being no other bids presented and the bid of Derheimer & Co. being within the Engineers estimate, upon motion, the contract for the work to be performed under Main Sewer Improvement Resolution No. 25 was awarded to Derheimer & Co.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under Improvement Resolution No. 524, as follows: Total cost - - - - - - - - - - - - - - - - - - $786.70

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 488, which provides for Cement sidewalks on both sides of Lafayette Street from Esmond Street to Wiebke Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefit each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution No. 488 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 494, which provides for Cement sidewalks on both sides of Indiana

Avenue from Cottage Avenue to Dayton Avenue; also against the work performed under Improvement Resolution No. 511, which provides for cement sidewalks on both sides of Main Street from Harrison Street to the St. Mary's River, upon motion the hearing was postponed until Monday August 31st 1908 at 3 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of benefits or awards of damages in the matter of opening John Street from the alley south of Colerick Street to Eckart Lane in accordance with Declaratory Resolution No. 156, upon motion the final hearing was postponed until October 8th 1908 at 7:30 o'clock P. M. by reason of the fact that service could not be had on a number of property owners affected by said opening without publication.

Moved, that notice to non-resident property owners of an assessment of benefits and damages in the matter of opening John Street from the alley south of Colerick Street to Eckart Lane under Declaratory Resolution No. 156 be published in the Port Wayne Journal Gazette on the 1st, 8th and 15th days of September 1908, and that the 8th day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessments benefits or awards of damages, as approved by the Board.

Adopted

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No. 524, which provides for grading Sherman Street and cement sidewalks on the west side of Sherman Street from High Street to Fourth Street, upon motion the hearing was postponed until September 3rd 1908 at 7:30 o'clock P. M.

The City Civil Engineer submitted a plan showing the proposed opening of an alley east of Short Street from Brossards Lane to the alley south of Huffman Street, which was upon motion approved.

Declaratory Resolution No. 162.

For the opening of an alley ten feet in width the west line of which is 115 feet east of Short Street, the alley opening to be made from Brossard's Lane to the alley south of Huffman Street.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to

open an alley east of Short Street, from Brossard's Lane to the alley south of Huffman Street; said opening to be made by con= demning and appropriating for alley purposes the east five feet of lots Nos. 11, 12, 13 and 14 of P. C. Baltz's Sub; a strip of ground ten feet in width through lots Nos. 11 and 12 Feeder Addition, and lot No. 15 Berks Homestead Addition, all as shown by a plan of such proposed opening of said alley as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening of said alley as above de= scribed is described as all lots or parcels of land not occupied by streets and alleys lying north of Brossard Lane, east of Short Street, south of the alley south of Huffman Street and west of a point 331 feet east of Short Street; all of said alley and lots and lands affected by the opening of said alley as above described being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted

Moved, that notice to property owners affected by the opening of an alley east of Short Street from Brossard Lane to the alley south of Huffman Street as described in Declaratory Resolution No. 162 be published in the Fort Wayne Journal Gazette on the 1st and 8th days of September 1908 and the 1st day of October 1908, at 7.30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the afore= mentioned Resolution.

Adopted.

The City Civil Engineer submitted specifications for a sewer in the alley east of Short Street from Brossard Lane to the alley south of Huffman Street, which were upon motion approved.

Local Sewer Improvement Resolution No. 167.

Resolved, By the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley east of Short Street from the sewer in Brossard Lane to a point sixty feet south of the alley south of Huffman Street. Said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and

specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved, that notice to property owners of the adoption of Local Sewer Improvement Resolution No. 167 be published in the Fort Wayne Journal Gazette on the 1st and 8th days of September 1908, and that the 1st day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The Board received the following proposals for furnishing oak lumber for Bridge floors:

Hilker Bros. 3" White Oak and Burr Oak per thousand feet $34.00
Perrine-Armstrong Co. " " " " " 32.00

Upon motion the contract for Lumber for Bridge floors was awarded to Perrine-Armstrong Co. they being the lowest and best bidders.

Moved, that an Assessment Roll of Benefits and Damages in the matter of condemning a right-of-way for sewer purposes under Declaratory Resolution No. 157, be and the same be hereby approved and that notice of same to property holders affected thereby be given according to law and that the 24th day of September 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessments of benefits or awards of damages as approved by the Board.

Adopted.

We, the undersigned, owners of the property affected by the opening of the above alley do hereby dedicate to the City of Fort Wayne, Indiana, for alley purposes sufficient lands for the opening of said alley.

Caroline Votrie
Barbara Sandford
Louisa Dalman
Mrs. Mary Spangler.

Upon motion the above deed was accepted and the plat showing said alley was approved.

The petition of Fritz Baur for permission to relay a brick sidewalk on Force Street abutting on lot No. 15 Barbour's Sub. was upon motion granted and the Bond covering the same approved.

The petition of C. W. Gallmeier for permission to construct under private contract a cement sidewalk on Taylor Street abutting on lot No. 1 Interurban Addition; also a cement sidewalk on De Wald Street abutting on lots Nos 23 and 24 Fairfield Addition was upon motion granted.

The Contract and Bond of the Moellering Construction Co covering the work to be performed under Improvement Resolution No. 515, was upon motion approved.

The Bond of E. L. Tenney covering the relaying of a brick walk on Masterson Avenue abutting on lot No. 171 Hamilton's 4th Addition was upon motion approved.

The Board then adjourned.

CLERK

Office Board of Public Works

Fort Wayne, Indiana, September 10th 1908.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would receive and open sealed proposals for various work to be performed under public contract, the Board now proceeded to open such proposals and obtained the following results:

For the work to be performed under Improvement Resolution No 521, which provides for cement sidewalks on the north side of Antoinette Street from Walton Avenue to Savannah Street:

L. W. Gallmeier & Co. bid for the work complete per lineal foot .58 cts
Geo. Wilhelm " " " " " " " .54 4/10
Moellering Construction Co " " " " " " " .56

Upon motion the contract for the work to be performed under Improvement Resolution No 521 was awarded to Geo. Wilhelm, he being the lowest and best bidder.

For the work to be performed under Improvement Resolution No 522, which provides for cement sidewalks on the south side of Maple Avenue from Broadway to Thompson Avenue;

John B. Grosjean bid for the work complete per lineal foot .58 cts
L. W. Gallmeier & Co " " " " " " " .50 7/8
Geo. Wilhelm " " " " " " " .69 65/100
Moellering Const. Co " " " " " " " .57 1/2

Upon motion the contract for the work to be performed under Improvement Resolution No 522 was awarded to L. W. Gallmeier and Co they being the lowest and best bidders.

For the work to be performed under Improvement Resolution

No 523, which provides for cement sidewalks on both sides of Hillside Avenue from Delaware Avenue to the south line of Rissings Addition:

George Wilhelm bid for the work complete per lineal foot .51 9/10 cts
C. W. Gallmeier and Co " " " " " " " .50 1/2
Moellering Const. Co " " " " " " " .49 9/10

Upon motion the contract for the work to be performed under Improvement Resolution No 523 was awarded to Moellering Construction Co they being the lowest and best bidder.

The City Civil Engineer submitted his estimates for work to be performed under public contract as follows:

Improvement Resolution No 525	total cost	$542.80
" " " 526	" "	733.18
" " " 527	" "	373.80

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement Resolution No 525, which provides for grading Barr Street and cement sidewalks on both sides from De Wald Street to Creighton Avenue; also Improvement Resolution No 526, which provides for cement sidewalks on both sides of Victoria Avenue from Pigua Avenue to Cour Street; also Improvement Resolution No 527, which provides for cement sidewalks on both sides of Wildwood Avenue from Calhoun Street to Harrison Street the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolutions were confirmed as in the original.

Moved that notice to Contractors of the work to be performed under Improvement Resolutions Nos 526 and 527 be published in the Fort Wayne Journal Gazette on the 12th and 19th days of September 1908 and that the 1st day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted.

The City Civil Engineer submitted specifications for improving the Dike in Lakeside Plat "B" which were upon motion approved.

The petition of Henry Drier for permission to erect a fence across Fairfield avenue, north of Superior Street was upon motion refused.

The City Civil Engineer submitted specifications for a Main Sewer in the territory bounded on the west by the G. R. & I. R. R. on the north by the N. Y. C. & St. L. R. R. on the east by the L. S. & M. S. R. R. which were upon motion approved.

Main Sewer Improvement Resolution No 26.

Resolved, by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a main sewer, which from its size and charater is not only intended and adapted for the surface drainage of property which abuts along the line of said sewer, but is also intended and adapted for draining the surface of lands not abutting along the line of said sewer, and is also intended and adapted for receiving surface drainage from collateral surface drains already constructed or which may hereafter be constructed, be, and the same is, hereby ordered: Commencing at a point in the north bank of Mill Creek five (5) feet east of the east line of the right of way of the Grand Rapids and Indiana Railroad; thence north to the alley north of Main Street; thence east in the alley north of Main Street to the center of Knitter Avenue; said storm or surface drainage sewer shall be twenty-four (24) inches inside diameter and to be built in accordance with the profile, specifications and detail plans on file in the office of the Department of Public Works of said City; and all of said work and materials of every kind is to be in accordance with the profile, specifications and detail plans so on file in the office of said Board of Public Works of said City. The total cost of said improvement shall be paid by the holders of property beneficially affected thereby in proportion to the benefits received, including not only the property abutting on the line of said sewer, but also all property which may be beneficially affected by the construction of said sewer, which lies within the following described territory in the City of Fort Wayne, County of Allen, State of Indiana, to-wit: Commencing at the intersection of the west line of the right-of-way of the Lake Shore and Michigan Southern Railroad and the north line of Main Street; thence along the said west line of said right-of-way to its intersection with the south line of the right-of-way of the New York, Chicago and St Louis Railroad; thence west along said south line of said right-of-way to its intersection with the east line of the right-of-way

of the Grand Rapids and Indiana Railroad; thence south along said east line of said right-of-way to its intersection with the north line of Main Street; thence east on said north line of Main Street to the place of beginning. The entire cost of said sewer, including the portions of the sewer which cross streets and alleys, to be assessed against the property holders beneficially affected whose property lies within the territory above described. It is expressly intended and provided that the City of Fort Wayne shall pay no part of the cost of the construction of said sewer. Assessments, if deferred, are to be paid in ten annual equal installments, with interest at the rate of five per cent per annum, and bond or bonds shall be issued to the Contractor in payment for said work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be, or be held, responsible for any sum or sums due from said property owner or owners for said work or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates issued to said Contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement. All proceedings had and work done in the construction of said sewer, manner of assessing the property, collection of assessments, and issuance of bonds therefor shall be as provided in an Act of the General Assembly of the State of Indiana entitled "An Act Concerning Municipal Corporations, Approved March 6th 1905" and in accordance with and pursuant to the provisions of all amendatory and supplemental acts thereto passed by the General Assembly of the State of Indiana.

Adopted.

Moved, that notice to property owners of the adoption of Main Sewer Improvement Resolution No. 26 be published in the Fort Wayne Journal Gazette on the 12th and 19th days of September 1908, and that the 1st day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

Moved, that notice to property owners of the adoption of Dike Improvement Resolution No. 1 be published in the Fort Wayne

Journal Gazette on the 12th and 19th days of September 1908 and that the 24th day of September 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement and to said City, if any, will be equal to, or exceed the estimated cost of the proposed improvement.

Adopted

Moved, that notice to Contractors of the work to be performed under Dike Improvement Resolution No. 1 be published in the Fort Wayne Journal Gazette on 12th and 19th days of September 1908, and that the 1st day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolution.

Adopted.

The petition of Mrs. L. Ehrman for a sewer in the alley between Montgomery Street and Holman Street from Lafayette Street to Barr Street was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for same.

The petition of J. S. & E. House for permission to construct under private contract a Cement sidewalk on Broadway abutting on No. 2131 Broadway was upon motion granted.

The contract and bond of the Moellering Construction Co. covering the work to be performed under Improvement Resolution No. 519 was upon motion approved.

The Sewer Builders Bond of Henry Leykauf was upon motion approved.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works

Fort Wayne, Indiana, September 17th 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Pennow, Henry Schwartz and Jene Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 493, which provides for grading Harrison Street and paving with cement the sidewalks on both sides of Harrison Street from Main Street to Darrow Avenue, also the work performed under Improvement Resolution No. 501, which provides for paving Suttenfield Street from Lafayette Street to Hanna Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under the aforementioned resolutions which Assessment Rolls contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions No. 493 and 501 was finally accepted and the assessment rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 515, which provides for a cement sidewalk on the north west corner of Washington Boulevard West and Webster Street, upon motion the hearing was postponed until Monday September 21st 1908 at 3 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 161 which provides for vacating Paragon Avenue, Shady Grove Avenue and part of Arlington Avenue in Brookside Addition, upon motion the hearing was postponed until Monday September 21st 1908 at 3 o'clock P. M.

The petition of S. Chaska & Co and 17 others for a Street Light at the

intersection of Pearl Street and Harrison Street was received and placed on file.

The petition of Charles W. Briggs and 3 others which provides for opening an alley north of Erie Street from Hanover Street to the east line of lot No. 3 Gillette's Addition was received and upon motion the City Civil Engineer was instructed to prepare a plan showing such proposed opening.

A communication from Marion Deagarden and 26 others relative to the condition of the St. Mary's River where the Fairfield Avenue Sewer empties into said River, also to the condition of said River at the foot of Calhoun Street was received and upon motion taken under advisement.

The petition of Ernst Zimmer for permission to repair a Stone flag sidewalk on Columbia Street abutting on No. 223 was upon motion granted.

Moved, that notice to none-resident property owners of an Assessment of Benefits and Damages in the matter of condemning a right-of-way for sewer purposes under Declaratory Resolution No. 157, be published in the Fort Wayne Journal Gazette on the 19th, 26th days of September and the 3rd day of October 1908 and that the 22nd day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against said assessment of benefits or awards of damages as approved by the Board.

Adopted.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works

Fort Wayne, Indiana, September 21st 1908.
Regular meeting held at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This now being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No 515, which provides for a cement sidewalk on the north-west corner of Washington Boulevard West and Webster Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned Resolution, which assessment roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution No 515 was finally accepted and the assessment roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No 161, which provides for vacating Paragon Avenue, Shady Grove Avenue and part of Arlington Avenue in Archer's Brookside Addition, there now appeared John Archer, a property owner in said Addition and objected against the vacation of said Streets. The Tri State Loan and Trust Company, petitioners for said vacation having agreed to withdraw their petition for said vacation and to pay all costs incurred by the adoption and publication of said Resolution, upon motion all former action taken under Declaratory Resolution No 161 was rescinded.

The petition of Wm. H. Shambaugh and 12 others which provides for extending Berry Street west and south-west to intersect Washington Boulevard at Swinney Park was received and upon motion the City Civil Engineer was instructed to prepare a plan showing such proposed extension of Berry Street.

The petition of A. B. Houck and 14 others which provides for a street light at the intersection of Melita Street and Webster Street was received and placed on file.

The following petitions to construct work under private contract were upon motion granted: To Fort Wayne Cement Stone Co., Cement sidewalks on Hendricks Street and Fairfield Avenue abutting on lots Nos 68-69 and 70 Bonds 3rd Addition; to Henry Weigand, Cement sidewalk on Washington Boulevard East, abutting on lot No 119 Whites 1st Addition; to Fred. Ziemendorff, Cement sidewalks on East De Wald Street abutting on lots No 299 to 306 inclusive Hamiltons 4th Addition; to John B. Grosjean Cement sidewalk on West Third Street abutting on lot No 1 Sweetsers Amended Addition; to C. W. Gallmeier, Cement sidewalks on Taylor Street and Broadway, abutting on lot No 1 B. D. Miners Addition; to A. E. Thomas and others to construct Cement kurb on Edgewater Avenue abutting on lots Nos 160, 175 and 176 Lakeside Park Addition; to W. W. Clutter to relay a brick sidewalk on Dearborn Street, abutting on lot No 161 Lakeside Park Addition.

The Contract and Bond of the Moellering Construction Company covering the work to be performed under Improvement Resolution No 523 was upon motion approved.

The Bond of W. W. Clutter covering the relaying of a brick sidewalk on Dearborn Street abutting on lot No 161 Lakeside Park Addition was upon motion approved.

The Bond of Henry Weigand covering the construction of a Cement sidewalk on Washington Boulevard East, abutting on lot No 119 Whites 1st Addition was upon motion approved.

The Housemovers Bond of Sutton Brothers was upon motion approved.

Upon motion the clerk was instructed to ask the Controller to arrange for the following appropriations:

To the Street Cleaning account	$1500.00
" " Maintenance and Repair of Streets account	500.00
" " Sewer Repair account	500.00

Upon motion the City Civil Engineer was instructed to prepare a plan showing the proposed opening of Fourth Street from the alley east of Clinton Street to Spy Run Avenue, on the east side of Spy Run Creek from the north line of J. Ruppes property to the south line of

the brick building on Fred. Goshorn's property.

Upon motion the clerk was instructed to notify William Calvin to remove a building maintained by him on that portion of Lafayette Street between the south line of the right-of-way of the New York, Chicago and St. Louis Railroad and the north line of Columbia Street.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works

Fort Wayne, Indiana, September 24th 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

Moved, that the work performed under Improvement Resolution No. 514, which provides for cement sidewalks on both sides of Jefferson Street from Calhoun Street to Garden Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 26th day of September 1908, and that the 15th day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

Adopted.

Moved, that the work performed under Local Sewer Improvement Resolution No. 164, which provides for a vitrified clay pipe sewer in the alley between Harrison Street and Webster Street from the brick sewer on Darrow Avenue to Rudisill Avenue be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 26th day of September and the 3rd day of October 1908,

and that the 15th day of October 1908 at 7:30 oclock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

Adopted.

The City Civil Engineer submitted specifications for a sewer in the alley between Superior Street and Columbia Street from Lafayette Street to a point two hundred and fifty five feet east of the east line of Lafayette Street, which were upon motion approved.

Local Sewer Improvement Resolution No 168.

Resolved By the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley between Superior Street and Columbia Street from the brick sewer on Lafayette Street to a point two hundred and fifty five feet east of the east line of Lafayette Street. Said sewer shall be fifteen inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Local Sewer Improvement Resolution No 168 be published in the Fort Wayne Journal Gazette on the 26th day of September and the 3rd day of October 1908 and that the 15th day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under Dike Improvement Resolution No 1 as follows:

Total cost: $9350.00

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Dike Improvement Resolution No 1 which provides for improving the Dike in Lakeside Park Addition the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever upon motion the aforesaid resolution was confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No 157, which provides for condemning for sewer purposes a right-of-way across lots Nos 16, 18, 19 and 22 and the north part of lot No 33 in Broadway Park; also across lots Nos 15 and 16 High Banks Addition and lots Nos 4, 5, 6, 7, 8, 9 and 10 B. W. & S. W. Vesey's Subdivision of lots Nos 33, 34, 35 and 36 Broadway Park; upon motion the hearing was postponed until Thursday October 22nd 1908 at 7:30 o'clock P. M. by reason of the fact that several property owners affected by said condemning of a right-of-way could not be served with a personal notice owing to their non-residence and legal notice could only be given by publication.

The petition of William Martin and 30 others which provides for a Street light on Hendricks Street was received and placed on file.

The petition of Mathias Doctor and 11 others which provides for a Street light at the intersection of Walton Avenue and Pontiac Street was received and placed on file.

The petition of Lew L. De Haven and 24 others which provides for a Street light at the intersection of Hillside and Forest Avenue was received and placed on file.

The following petitions for permission to perform work under private contract were granted: Fred. Giemendorff, 6 foot cement sidewalk on Broadway abutting on lot No 5 Broadway Place; cement sidewalk on east Suttenfield Street abutting on lot No 427 Hamilton's 4th Add; Edith K. Andrews, cement curbing on Edgewater Avenue, in front of lot No 105 Lakeside Park Addition; B. S. Schreck relay a brick sidewalk on Gay Street abutting on lots No 8, 9 and 10 Foundry Addition; Keil and Keil, Stone flag sidewalk on Greeley Street, abutting on lots Nos 7, 8 and 9 Block 6 Ewings Addition,

and relaying brick sidewalk on Fulton Street abutting on lot Nº 7 Block 6 Ewings Addition.

The Housemovers Bond of Sutton Brothers was upon motion approved.

The Bond of Christian Seabold covering the opening of a trench for the purpose of repairing a sewer on Clinton Street abutting on lot Nº 227 Hamiltons 4th Addition was upon motion approved.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works

Fort Wayne, Indiana, October 5th 1908.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lennow, Henry Schwartz and Jesse Brosius.

The Board having received proposals for constructing Cement sidewalks on both sides of Wildwood Avenue from Calhoun Street to Harrison Street, on October 1st 1908, now upon motion, awarded the contract for the work to be performed under Improvement Resolution No 527 to Oscar F. Meneffee, he being the lowest and best bidder.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No 26, which provides for a vitrified clay pipe sewer, commencing at a point in the north bank of Mill Creek five east of the east line of the right-of-way of the G. R. & I. R. R. thence north to the alley north of Main Street, thence east in the alley north of Main Street to the center of Knitter Avenue, upon motion the hearing was postponed until October 8th 1908, at 7:30 o'clock P. M. by reason of the fact that the Board had not yet secured easements for a right-of-way for said sewer through lot No 20, H. L. Rockhill's Addition and through a tract of land owned by Henry Eckart.

The City Civil Engineer submitted a report of the approximate number of square yards necessary to repair the streets paved by the Alcatraz Construction Co. in 1898 and the estimated cost of same as follows:

Improvement Resolution № 124	Calhoun Street	from Superior Street	to Main Street	1455 yds.
" " " 126	"	" Main "	" Lewis "	3800 "
" " " 127	"	" Lewis "	Railroad	3041 "
" " " 129	Creighton Ave.	" Calhoun "	Lafayette Street	583 "
" " " 130	Suttenfield St.	" Harrison "	" Lafayette "	634 "
" " " 131	Woodland Ave.	" Hoagland Ave.	" Lafayette "	1667 "

" " " 148	High St.	" Wells "	" St. Mary's Ave.	142 "
Total				14921 yds

Lineal feet of curbing to be reset:

Creighton Avenue	696 feet
Suttenfield Street	899 "
Woodland Avenue	106 "
Hoagland Avenue	1329 "
Harrison Street	30 "
Total	3060 feet

14921 square yards at $1.50 per yard	$22381.50
3060 lineal feet of curbing reset at 15ct per foot	459.00
	$22840.50

Upon motion the above report of the City Civil Engineer was taken under advisement.

The petition of Henry Wehrenberg for permission to raise and relay the alley pavement in the rear of lot № 95 Old Plat was upon motion granted.

The petiton of Oscar F. Menefee for permission to construct a cement sidewalk on Columbia Avenue abutting on lot № 396 Lakeside Park Addition was upon motion granted.

The petition of John Grosjean for permission to construct a cement curbing abutting on № 1001 Edgewater Avenue was upon motion granted.

The petition of Keller & Braun for permission to relay a Stone flag sidewalk on Calhoun Street abutting on lot № 453 Nanna's Addition was upon motion granted.

The Plumbers and Gasfitters Bond of the Kork Construction Company was upon motion approved.

The Sidewalk Builders Bond of Oscar F. Menefee was upon motion approved.

The Contract and Bond of Oscar F. Menefee covering the work to be performed under Improvement Resolution No 526 was upon motion approved.

The Board now, upon motion took a recess until Tuesday Oct. 6th at 3 o'clock P. M.

The Board reconvened at 3 o'clock P. M. October 6th 1908, all members present. There being no business before the Board upon motion the Board adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works

Fort Wayne, Indiana, October 8th 1908.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of Assessments of Benefits or Awards of Damages in the matter of opening and extending John Street from the alley south of Colerick Street to Eckart Lane in accordance with Declaratory Resolution No 156, and there appearing no objections or remonstrances whatsoever, upon motion the roll of Assessments of Benefits and Awards of Damages approved under Declaratory Resolution No 156 was confirmed as in the original and ordered delivered to the Department of Finance.

This now being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No 26, which provides for a vitrified clay pipe sewer in and along a line five feet east of the east line of the right-of-way of the G. R. & I. R. R. from Mill Creek

to the alley north of Main Street and in the alley north of Main Street from the G. R. & I. R. R. to the center of Knitters Avenue, upon motion the hearing was postponed until October 15th 1908 at 7:30 o'clock P. M. by reason of the fact that the Board had not yet secured the proper easements through certain lots and lands.

Moved, that the work performed under Improvement Resolution No 507 which provides for paving Taylor Street from Broadway to the St. Mary's River; also the work performed under Improvement Resolution No 513 which provides for cement sidewalks on both sides of Berry Street from Harrison Street to College Street be and be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 10th day of October 1908, and that the 22nd day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolutions or against the Assessment Rolls as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said Assessment Rolls.

Adopted.

Moved, that the work performed under Improvement Resolution No 518 which provides for paving Sixth Street from Lafayette Street to Webster Street; also the work performed under Improvement Resolution No 520, which provides for cement sidewalks on the east and north sides of Edgewater Avenue from Columbia Avenue to Crescent Avenue and on the west side of Crescent Avenue from Edgewater Avenue to Lake Avenue be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 10th day of October 1908 and that the 29th day of October 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolutions or against the Assessment Rolls as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvements in the amounts named on said Assessment Rolls.

Adopted.

The City Civil Engineer submitted a plan showing the proposed opening and extending of West Berry Street from the west line of Nelson Street to Swinney Park; also a plan showing the proposed widening, opening and extending of Spring Street from Short Street

to a point 266 feet east of Andrew Street; also a plan showing the proposed opening and extending of the alley north of Erie Street from Hanover Street to the alley between Hanover Street and Schick Street, all of which were upon motion approved.

Declaratory Resolution No 163.

For the opening and extending of West Berry Street from the west line of Nelson Street to Swinney Park.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Berry Street from the west line of Nelson Street to Swinney Park. Said opening and extending to be made by condemning and appropriating for street purposes an irregular strip of land not less than forty feet in width following the berm bank on the south side of the St. Mary's River from the west line of Nelson Street to the south line of the alley north of Washington Boulevard West. Also a part of the north-west corner of Lot No 3 W. H. White's Subdivision. All as shown by a plan of such proposed opening and extending of said Berry Street, as above described now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said Berry Street, as above described, is described as all lots or parcels of land not occupied by streets and alleys lying south of the alley north of Berry Street and the St. Mary's River, west of Broadway, north of the alley south of Wayne Street, and including lot No 3 W. H. White's Subdivision and east and south of the St. Mary's River. All of said Berry Street and lots and lands affected by the opening and extending of said Berry Street, as above described, being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No 164.

For the widening, opening and extending of Spring Street from Short Street to a point 266 feet east of Andrew Street.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to widen, open and extend Spring Street from Short Street to a point two hundred and sixty-six feet east of Andrew Street. Said widening, opening and extending to be made by condemning and appropriating for street purposes a strip of land twenty-five feet in width, representing the north half of Spring Street as proposed to be widened from the east line of the twenty-six foot street on the east side of Oak Hill Grove Addition to the west line of lot No 13 Feeder Addition. Also a strip of land fifty feet in width through part of lots Nos 13 and 14 Feeder Addition

Lot No. 1 Gauser's Addition, and lot No. 18 Beck's Homestead Addition. All as shown by a plan of such proposed widening, opening and extending of said Spring Street, as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the widening, opening and extending of said Spring Street, as above described, is described as all lots and parcels of land not occupied by street and alleys lying south of Huffman Street from Jesse Avenue to Short Street, west of Short Street, north of Fifth Street from Short Street to Barthold Street, north of Fourth Street from Barthold Street to Schilling Avenue, and east of Schilling Avenue south of Spring Street and east of Jesse Avenue, south of Huffman Street. All of said Spring Street and lots and lands affected by the widening, opening and extending of said Spring Street, as above described, being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 165.

For the opening and extending of the alley north of Erie Street from Hanover Street to the alley between Hanover Street and Schick Street.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend the alley north of Erie Street from Hanover Street to the alley between Hanover Street and Schick Street. Said opening and extending to be made by condemning and appropriating for alley purposes the south twelve feet of a tract of land lying north of Weller's Addition in the N. E. 1/4 of the S. E. 1/2 of Sec. 1 T. 30. N. R. 12 E. All as shown by a plan of such proposed opening and extending of said alley, as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said alley, as above described, is described as all lots or parcels of land not occupied by streets and alleys lying north of Erie Street, east of Schick Street, south of the N. Y. C. & St. L. R. R., and west of Hanover Street. All of said alleys and lots and lands affected by the opening and extending of said alley, as above described, being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the opening and extending of Berry Street from Nelson Street to Swinney Park, as described in Declaratory Resolution No. 163; also to property owner affected by the widening, opening and extending of Spring Street from Short Street to a point 266 feet east of Andrew Street as described in Declaratory Resolution No. 164; also to property owners affected by the

opening and extending of the alley north of Erie Street from Hanover Street to the alley between Hanover Street and Schick Street as described in Declaratory Resolution No 165 be published in the Fort Wayne Journal Gazette on the 10th and 17th day of October 1908 and the 5th day of November, 1908, at 7:30 oclock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The following communication was received and placed on file:

Fort Wayne, Indiana, Oct. 8th 1908.

I, L. H. McAfee appeared before the Board of Public Works, and stated that through a misunderstanding with his sub-contractor who was to put in his concrete work, and his inability to procure dirt at the price he figured on, that it has placed him in a position where he is unable to enter into the proper contract with the Board of Public Works for the construction of the Lakeside Dike.

(Signed) L. H. McAfee.

The petition of H. C. Straugnaan and 7 others which provides for grading the alley between Wayne Street and Erie Street from Harmer Street to Bogue Street was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of The Fort Wayne Lutheran Hospital Assn. and 4 others which provides for paving with asphalt Wildwood Avenue from Fairfield Avenue to South Wayne Avenue was received and placed on file.

The petition of Frank J. Belot and 19 others which provides for an Electric Street light on Spy Run Avenue north of the Bridge crossing the St. Mary's River was received and placed on file.

The petition of Roman Zoeller and 19 others which provides for lowering the sidewalk on the south side of Pontiac Street from Calhoun Street to Lafayette Street was received and upon motion taken under advisement.

The petition of the Fort Wayne and Wabash Valley Traction Co. for permission to erect one pole in the alley between Nanna and Force Street, from McKee Street to Colerick Street was upon motion granted.

The petition of Fred. Westphal and 3 others asking the Board to remove

the drinking fountain from the north-west corner of Wanna and Montgomery Streets was upon motion taken under advisement.

The Contract and Bond of Oscar F. Menefee covering the work to be performed under Improvement Resolution Nº 527 was upon motion approved.

The Consulting Engineer, Owen Ford, submitted his report on the construction of the Municipal Electric Light Plant, which report was upon motion taken under advisement.

The Board now upon motion took a recess until Friday Oct. 9th 1908 at 5 o'clock P. M.

The Board reconvened at 5 o'clock P. M. October 9th 1908, all members being present.

L. N. Mc Afee having failed and refused to enter into a contract for improving the Dike in Lakeside Park Addition under Dike Improvement Resolution Nº 1, upon motion the Board now awarded the contract for said work to the Herman Papp Construction Company at the price submitted October 1st 1908.

The clerk was instructed to have the plats of street and alley openings, widenings and vacations covered by Declaratory Resolutions Nºs 121, 135, 137-138, 140, 142, 143, 144, 146, 147, 148 and 149 recorded.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works

Fort Wayne, Indiana, October 12th 1908.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lemon, Henry Schwartz and Jesse Brosius.

Moved, that the work performed under Improvement Resolution Nº 480, which provides for paving Brackenridge Street from Fairfield Avenue to Broadway with Sheet Lake Asphalt be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the

14th day of October 1908, and that the 29th day of October 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll.

Adopted.

Upon motion the Contract and Bond of The Herman Tapp Construction Co. covering the work to be performed under Dike Improvement Resolution No 1 was approved.

The petition of G. N. Miller and 23 others which provides for a sewer to drain the territory south of Main Street to the St. Mary's River between Greenwood Avenue and Watkins Street was received and upon motion the same was refered to the City Civil Engineer and the Board of Public Health.

The petition of W. G. Kimmel and 2 others for a sewer on Beaver Avenue, Indiana Avenue and in the alley between Packard Avenue and Organ Avenue etc. was received and placed on file.

The petition of Lawrence Koeneman and 18 others which provides for a Street light at the corner of Lafayette and Dalman Street was received and placed on file.

The petition of Roman Goeller and 19 others for permission to lower the sidewalk on the south side of Pontiac Street from Calhoun Street to Lafayette Street was granted, provided, the work would be done according to the grade given by the City Civil Engineer.

The Housemovers Bond of Sutton Bros. was upon motion approved.

The petition of John B. Grosjean for permission to construct under private contract a Cement sidewalk on West Lewis Street abutting on lot No 402 Hanna's Addition was upon motion granted.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, October 15th 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jene Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No 514, which provides for cement sidewalks on both sides of Jefferson Street from Calhoun Street to Garden Street; also against the work performed under Local Sewer Improvement Resolution No 164, which provides for a vitrified clay pipe sewer in the alley between Harrison Street and Webster Street from the brick sewer on Darrow Avenue to Rudisill Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work performed under the aforementioned Resolutions which Assessment Rolls contain a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolution No 514, and Local Sewer Improvement Resolution No 164 was finally accepted and the Assessment Rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

Moved, that the work performed under Local Sewer Improvement Resolution No 166 which provides for a vitrified clay pipe sewer in the alley between Euclid Street and Savannah Street from Antoinette to Mercer Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 17th and 24th days of October 1908 and that the 5th day of November 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll. Adopted.

moved, that the work performed under Improvement Resolution No 521 which provides for cement sidewalks on the north side of Antoinette Street from Walton Avenue to Savannah Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 17th day of October 1908, and that the 5th day of November 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said Assessment Roll. Adopted.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Main Sewer Improvement Resolution No 26 which provides for a vitrified clay pipe sewer in and along a line 5 feet east of the east line of the Right-of-way of the G. R. & I. R. R. from Mill Creek to the alley north of Main Street and in the alley north of Main Street from the G. R. & I. R. R. to the center of Knitter Avenue the Board finds that the benefits to abutting and adjacent property including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever upon motion the aforesaid resolution was confirmed as in the original.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under Local Sewer Improvement Resolution No 168 as follows: Total cost $342.00

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No 168 which provides for a vitrified clay pipe sewer in the alley between Superior Street and Columbia Street from the brick sewer on Lafayette Street to a point 255 feet east of the east line of Lafayette Street the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvement and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Main Sewer Improvement Resolution No. 26 and Local Sewer Improvement Resolution No. 168 be published in the Fort Wayne Journal Gazette on the 17th and 24th days of October 1908 and that the 12th day of November 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolutions.

Adopted.

Upon motion the City Civil Engineer was instructed to prepare a plat showing the proposed opening of the alley east of Runion Avenue from the terminus of the present alley to the alley south of Wheeler Street.

The petition of the Fort Wayne and Wabash Valley Traction Company for permission to erect poles was granted as follows: 4 poles, 2 east and 2 west of Short Street in the alley between Archer Avenue and Putnam Street; 2 poles in the alley between Cottage and Wildwood Avenue, one east and one west of Beaver Avenue; two poles in the alley between Berry and Wayne Streets, west of Nelson Street; one pole in the first alley between Michigan Avenue and Dollar Avenue west of Nelson Street.

The petition of Margaret Goeppert and one other which provides for vacating the alley west of Smith Street from Pontiac Street to McKee Street was received and upon motion the City Civil Engineer was instructed to prepare a plat showing such proposed vacation.

A number of cracks having developed in the surface of the pavement on Suttenfield Street between Lafayette Street and Hanna Street, which work was but recently completed by the Metropolitan Engineering and Construction Company and which work had been, on the 3rd day of September 1908, accepted by the Board of Public Works and for which work the Assessment Roll had been confirmed on the 17th day of September 1908, motion was now made that the action of the Board heretofore taken on September 3rd 1908 and September 17th 1908 with regard to the said pavement on Suttenfield Street be reconsidered, which motion prevailed by a unanimous vote.

Motion was now made that the action of the Board taken on the 3rd day of September 1908, by which the work of constructing an asphalt pavement on Suttenfield Street from Lafayette Street to Hanna Street was accepted by the Board be set aside, owing to the fact that since said acceptance of aforesaid work certain defects have made their appearance, which make it evident that the pavement is not of the standard and quality prescribed and

provided for in the specifications for said work and the contract made thereunder. This motion was adopted by a unanimous vote.

Motion was now made that the action taken by the Board on September 17th 1908, by which the Assessment Roll for the construction of an asphalt pavement on Sutterfield Street from Lafayette Street to Nanna Street under Improvement Resolution No 501 and the final acceptance thereof be rescinded. This motion was adopted by a unanimous vote.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, October 22d 1908.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 507, which provides for paving Taylor Street from Broadway to the St. Mary's River Bridge, also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, upon motion the hearing was postponed by reason of the fact that several cracks had developed in said pavement and which defects the contractor had agreed to remedy before said work should be accepted. The Board now upon motion fixed Thursday November 12th 1908, 7:30 o'clock P. M. a date and time when they would hear and consider objections or remonstrances against said work also against said Assessment Roll.

This being a date and time previously fixed by the Board when

they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No 513, which provides for cement sidewalks on both sides of Berry Street from Harrison Street to College Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution which Assessment Roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever upon motion the work performed under Improvement Resolution No 513 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of Assessments of Benefits or Awards of Damages in the matter of condemning a right-of-way for sewer purposes across lots Nos. 16, 18, 19 and 22 and the north part of lot No 33 in Broadway Park; also across lots Nos. 15 and 16 High Banks Addition, and lots Nos. 4, 5, 6, 7, 8, 9 and 10 B. W. and S. W. Vesey's Subdivision of lots Nos. 33, 34, 35 and 36 Broadway Park in accordance with Declaratory Resolution No 157 and there appearing no objections or remonstrances whatever upon motion the roll of assessments of benefits and awards of damages approved under Declaratory Resolution No 157 was confirmed as in the original and ordered delivered to the Department of Finance.

Moved, that the work performed under Local Sewer Improvement Resolution No 165, which provides for a vitrified clay pipe sewer on Wayne Street from the brick sewer on Nelson Street to Garden Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 24th and 31st days of October 1908, and that the 12th day of November 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved

by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

Adopted.

Moved, that the work performed under Improvement Resolution No 519, which provides for cement sidewalks on both sides of Lewis Street from Barr Street to Hanna Street be and the same be hereby accepted and that notice to property holders affected thereby be published in the Fort Wayne Journal Gazette on the 24th day of October 1908, and that the 12th day of November 1908, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the work performed under the aforementioned resolution or against the Assessment Roll as approved by the Board and will determine the question as to whether such lots or tracts of land have been or will be benefited by said improvement in the amounts named on said assessment roll.

Adopted.

Moved, that notice to contractor of the work to be performed under Main Sewer Improvement Resolution No 23 be published in the Fort Wayne Journal Gazette on the 24th and 31st days of October 1908, and that the 12th day of November 1908 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolution.

Adopted.

The following communication was received from the Superintendent of Streets:

Honorable Board of Public Works:

Gentlemen: Below I beg to advise you that the following material was consumed in making repairs to the East Lewis Street pavement; also the amount of the pay roll for same: 9½ barrels of cement, 19 yards of sand, 6450 paving brick; pay rolls for labor $417.40.

The brick used in making these repairs was taken from the City Yards, and would request that same be replaced, and if this is not done would like to have the value of the brick, replaced to the "Maintenance and Repair of Streets" account, which would be, figured at $15.00 per thousand making the total amount to be placed to the "Maintenance and Repair of Streets" account $96.75

Respt. Chas. McKendry
Superintendent of Streets

Upon motion the above communication was placed on file.

The following communication was received from the Moellering Construction Co.

Fort Wayne, Ind. Oct. 22nd 1908.

Hon. Board of Public Works, City.

Gentlemen: This is to certify that we have this day entered into a private contract with the Moellering Construction Company for a cement walk in front of our property on the north side of Lewis Street between Lafayette Street and Barr Street which was included in the Moellering Construction Company's Contract, but could not be done at the time on account of building now in course of construction and contemplated between now and Spring and which portion we therefore ask you to exempt from their contract.

John Snelzer Jr.
Wm. Haller
Mary Haffner.

Upon motion the above communication was received and approved.

The petition of the Fort Wayne and Wabash Valley Traction Company for permission to erect one pole in the alley between Washington and Wayne Street, Calhoun and Clinton Streets was upon motion granted.

The petition of Joseph F. Zurbuch for permission to construct under private contract a cement sidewalk on Jane Street abutting on lot No 12 Siemons to Mechanicsburg Addition was upon motion granted and the Bond covering the same approved.

The petition of L. W. Gallmeier to relay a brick walk abutting on No 1207 Huestis Avenue was upon motion granted.

The petition of E. A. K. Hackett for permission to drill a well in the alley in the rear of No 114 West Wayne Street and to erect a drinking fountain in front of No 114 West Wayne Street was upon motion granted.

Upon motion the clerk was instructed to order eight City Directories for the various Departments in the City Hall.

Upon motion the Board now took a recess until Friday October 23rd at 3 o'clock P. M.

The Board reconvened at 3 o'clock P. M. October 23d 1908.

Upon motion the clerk was instructed to ask the Controller to arrange for an appropriation of #22840.50 to the "Maintenance and Repair of Streets" account, said amount being the City Civil Engineers estimate of the cost of repairs to be made on Calhoun, Suttenfield, Harrison, Barr and High Street, and on Creighton, Woodland Hoagland and Fairfield Avenue, which Streets have been paved by the Alcatraz Construction Company, and upon which the Guaranty is about to expire.

Upon the request of the Superintendent of Streets, the Board, upon motion, instructed the clerk to ask the Controller to arrange for an appropriation of #1500.00 to the Street Cleaning account, which fund is practically exhausted.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, November 17th 1908.

Special meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This now being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No 480, which provides for paving Brackenridge Street from Fairfield Avenue to Broadway; also against the work performed under Improvement Resolution No 507, which provides for paving

Taylor Street from Broadway to the St. Mary's River bridge; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the afore-mentioned work, there now appeared a number of owners of property on said streets and objected to the final acceptance of said work, inasmuch as the said work showed a number of defects, unless the Board could make satisfactory arrangements with the Metropolitan Engineering and Construction Company, contractors for the above mentioned work for the placing of said streets in a first class condition. The contractor, on the other hand claimed that the defects as noted by the property owners and the Board of Public Works would all disappear with the appearance of warm weather. With a view to the final acceptance of the work performed under Improvement Resolutions Nos 480 and 507 the Board now upon motion fixed Thursday, December 3rd 1908 at 7:30 o'clock P.M. as a date and time when they would hear and consider objections or remonstrances from property owners affected by said improvements.

The following communication was presented to the Board:

To the members of the Board of Public Works, of the City of Fort Wayne: The undersigned begs to report that a meeting was held on Monday evening, November 16, 1908, by a number of the residents of Columbia Avenue, and upon a motion as to whether they should advise the Board of Public Works to accept or reject the street pavement on said street, the first ballot resulted in 9 in favor of the Board accepting it, with the $4000.00 bond or contract to be entered into as contemplated by the Board, and 12 voted against accepting the said street at all; after further discussion one vote was changed, making the vote stand 10 for acceptance and 11 for rejection.

T.J. Logan, Chairman of Meeting.

Upon motion the above communication was received and placed on file.

Moved that notice to Contractors of the work to be performed by repairing Calhoun Street, Creighton Avenue, Suttenfield Street, Woodland Avenue, Hoagland Avenue, Harrison Street, Cass Street, Fairfield Avenue and High Street according to the plans and specifications of the City Civil Engineer, and which plans and specifications have been approved by the Board of Public Works, be published in the Fort Wayne Journal Gazette on the 1st and 8th days of December 1908 and the 21st day of December 1908 at 3 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the above mentioned work.

Adopted.

The petition of Paul Richter and 40 others for a street light on Hendricks Street between Fairfield Avenue and Martin Street was received and placed on file.

The petition of F. E. Johnson and 18 others for a street light on St. Mary's Avenue near Fourth Street was received and placed on file.

The petition of B. R. Barva and W. L. Hagerman which provides for vacating four feet on each side of Lafayette Street from the St. Mary's River to the first alley south of Superior Street was received and upon motion taken under advisement.

X The following applications for positions in the Municipal Lighting Plant were received: N. B. Blair, George W. Shirey and Chas. Christie. Upon motion these applications were placed on file.

The Plumbers and Gasfitters Bond of Wm. L. Hilbish was upon motion approved.

The Sewer Builders Bond of Thomas Thern was upon motion approved.

The petition of the Fort Wayne and Wabash Valley Traction Company for permission to erect poles in the alley between Elizabeth Street and Emily Street from Spy Run Avenue west was upon motion granted.

X Notice was served upon the Board by Wm. Kaough of the assignment of $505.00 by the McBride Electric Company to be paid out of the

money owing to it by the City of Fort Wayne for the construction of the Electric Light and Power Plant. Upon motion the notice was received and placed on file.

The City Civil Engineer submitted plans for the following public improvements: for vacating the first alley west of Smith Street from the north line of McKee Street to the north line of Grier's Addition; for vacating the alley between Winter Street and Lillie Street from Creighton Avenue to the first alley north of Creighton Avenue; for vacating the first alley west of Marion Street from Brossard Lane to the north line of Reeder Addition; for opening and extending Eliza Street from Francis Street to Nanna Street; for opening and extending Sturgis Street from the alley east of Broadway to Broadway, also vacating part of Sturgis Street from Fulton Street to the alley west of Fulton Street. Upon motion the plans were all approved.

Declaratory Resolution No 166.

For the vacation of the first alley west of Smith Street from McKee Street to the north line of Grier's Addition.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the first alley west of Smith Street from McKee Street to the north line of Grier's Addition. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected by the vacation of the above described alley being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No 167.

For the vacation of the alley between Winter Street and Lillie Street from Creighton Avenue to the first alley north of Creighton Avenue.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the alley between Winter Street and Lillie Street from Creighton Avenue to the first alley north of Creighton Avenue. This vacation is subject to the right of the City to at all times maintain therein the public sewer therein located and subject to the right of the City to enter upon said vacated alley for the purpose of making repairs or otherwise as herein set out and that any obstructions hereafter made upon the same by any property-owner or owners of property abutting thereon,

interfering with the Board of Public Works in the exercise of this easement herein reserved, shall be removed by the said Board at the expense of said property-owner or owners. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected by the vacation of the above described alley being situated in the City of Fort Wayne, County of Allen and State of Indiana:

Adopted.

Declaratory Resolution No 168.

For the vacation of the first alley west of Marion Street in Beck's Addition from Brossard Lane to the north line of Feeder Addition.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the first alley west of Marion Street in Becks Addition from Brossard Lane to the north line of Feeder Addition. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected by the vacation of the above described alley being situated in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No 169.

For the opening and extending of Eliza Street from Francis Street to Hanna Street.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Eliza Street from Francis Street to Hanna Street. Said opening and extending to be made by condemning and appropriating for street purposes the south twenty-five feet of lots numbers 598 and 605 in Hanna's Amended Addition. All as shown by a plan of such proposed opening and extending of Eliza Street, as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said Eliza Street as above described is described as all lots and parcels of land not occupied by streets and alleys lying south of Lewis Street, west of Lillie Street, north of the Wabash Railway and P. F. W. & C. Ry. and east of Lafayette Street. All of said Eliza Street and lots and lands affected by the opening and extending of said Eliza Street, as above described,

being situated in Sec. 12, T. 30. N. R. 12. E. in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Declaratory Resolution No. 170.

For the opening and extending of Sturgis Street from the alley east of Broadway to Broadway; also for the vacation of the north twelve feet, and the south fourteen feet of Sturgis Street from Fulton Street to the alley west of Fulton Street.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to open and extend Sturgis Street from the alley east of Broadway to Broadway. Said opening and extending to be made by condemning and appropriating for street purposes the south twenty-five feet of lot No. 5, and the north fifteen feet of lot No. 6 in Bond's First Addition to the City of Fort Wayne, Indiana; also for the vacation of the north twelve feet and the south fourteen feet of Sturgis Street from Fulton Street to the alley west of Fulton Street. All as shown by a plan of such proposed opening and extending and vacation, as above described, now on file in the office of the Department of Public Works of said City. The property which may be injuriously or beneficially affected by the opening and extending of said street, and the vacation of parts of said street, as above described, is described as all lots or parcels of land not occupied by streets and alleys lying south of Jefferson Street, west of the alley east of Fulton Street, north of Brackenridge Street, and the alley south of Wilt Street and east of Van Buren Street. All of said Sturgis Street and lots and lands affected by the opening and extending and vacation, being situated in Sec. 11, T. 30, N. R. 12 E., in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the vacation of the first alley west of Smith Street from McKee Street to the north line of Grier's Addition, as described in Declaratory Resolution No. 166; also to property owners affected by the vacation of the alley between Winter Street and Rillie Street from Creighton Avenue to the first alley north of Creighton Avenue as described in Declaratory Resolution No. 167; also to property owners affected by the vacation of the first alley west of Marion Street from Brossard Lane to the north line of Keeler Addition as described in Declaratory Resolution No. 168; also to property owners affected by the opening and extending of Eliza Street from Francis Street to Hanna Street as described in Declaratory Resolution No. 169; also to property owners affected by the opening and extending of Sturgis Street from the alley east of Broadway to Broadway; also

vacating part of Sturgis Street from Fulton Street to the alley west of Fulton Street as described in Declaratory Resolution No 170, be published in the Fort Wayne Journal Gazette on the 2d and 9th days of December 1908, and the 7th day of January 1909 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned Resolutions.

Adopted.

The Board now upon motion took a recess until Tuesday December 1st 1908 at 2 o'clock P. M.

The Board reconvened at 2 o'clock P. M. December 1st 1908.
Upon motion the contract for printing and publishing the Council proceedings during the year 1909 was awarded to the News Publishing Company at 22½ cts per lineal inch.

Upon motion the City Civil Engineer was instructed to prepare a plat showing the proposed opening and extending of the 1st alley west of Spy Run Avenue from the south line of lot No 6 Bossler's Sub. to the north line of lot No 1 Archer's Addition.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works

Fort Wayne, Indiana, December 3rd 1908.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No 486, which provides for paving Knittle Avenue from Main Street to the north line of lot No 18 Lumbard Park Addition; also against the work performed under Improvement Resolution No 523, which provides for cement sidewalks on both sides of Hillside Avenue, from Delaware Avenue to the south line of Rissing's Addition; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Rolls covering the work

performed under the aforementioned Resolutions, which Assessment Roll contain a description of each piece or parcel of ground thus assessed, together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Improvement Resolutions Nº 486 and 523 was finally accepted and the Assessment Rolls confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution Nº 480, which provides for paving Brackenridge Street from Fairfield Avenue to Broadway; also the work performed under Improvement Resolution Nº 507, which provides for paving Taylor Street from Broadway to the St. Mary's River Bridge, there now was presented a remonstrance by Wm. Griebel and 33 other property owners on Taylor Street against the acceptance of the work as performed by the Metropolitan Engineering and Construction Company under Improvement Resolution Nº 507. Upon motion further hearing in the matter of the work performed Improvement Resolutions Nº 480 and 507 was postponed until Thursday, December 10th 1908 at 7:30 o'clock P. M.

The remonstrance of Anna B. Morris and 31 other property owners on Sutterfield Street from Lafayette Street to Hanna Street against the work performed under Improvement Resolution Nº 501 was received and placed on file.

The remonstrance of the property owners on Columbia Avenue against the work performed under Improvement Resolution Nº 500, was received and placed on file.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution Nº 164, which provides for widening, opening and extending Spring Street from Short Street to a point 266 feet east of Andrew Street, upon motion further hearing was postponed until January 14th 1909 at 7:30 o'clock P. M.

Upon motion the Board granted permission to F. J. Rumpf to constru

an area way under the sidewalk abutting on the south 40 feet of lot No 167 Old Plat Addition.

The Track Elevation Resolution was read. Upon motion the Board took the same under advisement until Friday, December 4th 1908 at 3 o'clock P. M.

The Board now took a recess until December 4th 1908 at 3 o'clock P. M.

The Board reconvened at 3 o'clock P. M. December 4th 1908.

Upon motion the clerk was instructed to ask the Controller to arrange for the following appropriations: $500.00 to the Street Cleaning account; $200.00 to the City Hall account; $10.55 to the Furniture and Fixtures account, the amounts being deemed necessary to defray the expenses under there accounts during the remainder of the year.

The Board now upon motion adopted the following Resolution.

Rail Road Track Elevation Resolution No 1

Whereas Hanna, Lafayette, Calhoun, Broadway, College and Taylor Streets, and Fairfield and Thompson Avenues at the points where they are crossed and intersected by the right of way of either The Pittsburg, Fort Wayne and Chicago Railway Company, Pennsylvania Company, or The Wabash Railroad Company are located in portions of the City of Fort Wayne which are densely settled and either important residence or business districts of the City, and

Whereas the maintenance of grade crossings at said points is dangerous to the lives and property of the public, and detrimental to the business interests of the citizens, of said City and makes the use of and travel on said streets by the public at said crossings dangerous, and

Whereas a necessity exists for the alteration of each of said grade crossings by the elevation of the steam railroad tracks crossing said streets at each of said grade crossings, Therefore

Be it Resolved by the Board of Public Works of the City of Fort Wayne, That the alteration by the elevation of the steam railroad tracks, of the street and railroad intersections and crossings hereinafter specifically referred to in by said Board deemed necessary.

Be it further Resolved, that The Pittsburg, Fort Wayne and Chicago Railway Company, Pennsylvania Company, The Wabash Railroad Company, Grand Rapids and Indiana Railway Company, The Cincinnati, Hamilton and Dayton Railway Company,

Judson Harmon, as Receiver of The Cincinnati, Hamilton and Dayton Railway company and The Cincinnati, Richmond and Fort Wayne Railroad company be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Hanna Street in said City, each of said companies to elevate the tracks owned or leased, maintained and operated, by it so that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under such tracks after such roadway or street has been depressed and lowered eleven and five-tenths feet, and at the time of the elevation of said tracks by said company or companies said City shall cause the surface of said Hanna Street at its intersection with said railroad tracks to be lowered and depressed eleven and five-tenths feet from its present grade.

By it further Resolved that The Pittsburg, Fort Wayne and Chicago Railway company, Pennsylvania Company, Grand Rapids and Indiana Railway company, and The Cincinnati, Richmond and Fort Wayne Railroad company be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Lafayette Street in said City, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway or street under such tracks after such roadway or street has been depressed and lowered eight and four-tenths feet, and at the time of the elevation of said tracks by said company or companies said City shall cause the surface of said Lafayette Street at its intersection with said railroad tracks to be lowered and depressed eight and four-tenths feet from its present grade.

Be it further Resolved that The Wabash Railroad company, The Cincinnati, Hamilton and Dayton Railway company and Judson Harmon, as Receiver of the Cincinnati, Hamilton and Dayton Railway company, be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks, owned, or leased, maintained and operated, by said company or companies at the intersection of said railroad tracks with Lafayette Street in said City, each of said companies to elevate the tracks so owned, or leased, maintained and operated, by it so that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of said

roadway under said tracks after such roadway or street has been depressed and lowered eight and two-tenths feet, and at the time of the elevation of said tracks by said company or companies said City shall cause the surface of said Lafayette Street at its intersection with said railroad tracks to be lowered and depressed eight and two-tenths feet from its present grade.

Be it further Resolved that The Pittsburg, Fort Wayne and Chicago Railway Company, Pennsylvania Company, Grand Rapids and Indiana Railway Company, The Cincinnati, Hamilton and Dayton Railway Company, Judson Harmon, as Receiver of The Cincinnati, Hamilton and Dayton Railway Company, The Cincinnati, Richmond and Fort Wayne Railroad Company and The Wabash Railroad Company be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Calhoun Street in said City, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of sixteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under such tracks after such roadway or street has been depressed and lowered eight and three-tenths feet, and at the time of the elevation of said tracks by said company or companies said city shall cause the surface of said Calhoun Street at its intersection with said railroad tracks to be lowered and depressed eight and three-tenths feet from its present grade.

Be it further Resolved that The Pittsburg, Fort Wayne and Chicago Railway Company, Grand Rapids and Indiana Railway Company and Pennsylvania Company be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Fairfield Avenue in said City, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway or street under such tracks after such roadway or street has been depressed and lowered seven and thirty-five one hundredths feet, and at the time of the elevation of said tracks by said company or companies said city shall cause the surface of said Fairfield Avenue at its intersection with said railroad tracks to be lowered and depressed seven and thirty-five one hundredths feet from its present grade.

Be it further Resolved, That The Wabash Railroad Company,

be, and it is hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned by it at the intersection of said railroad tracks with Fairfield Avenue in said city, said company to so elevate the tracks owned by it that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway or street under such tracks after such roadway or street has been lowered and depressed five and five-tenths feet from its present grade, and at the time of the elevation of said tracks by said company said city shall cause the surface of said Fairfield Avenue at its intersection with said railroad tracks to be lowered and depressed five and five-tenths feet from its present grade.

Be it further Resolved that The Pittsburg, Fort Wayne and Chicago Railway Company, Grand Rapids and Indiana Railway Company and Pennsylvania Company, be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Broadway Street in said City, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of sixteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under said tracks after such roadway or street has been depressed and lowered eleven and fifteen one-hundredths feet, and at the time of the elevation of said tracks by said company or companies said city shall cause the surface of said Broadway Street at its intersection with said railroad tracks to be lowered and depressed eleven and fifteen one-hundredths feet from its present grade.

Be it further Resolved that The Pittsburg, Fort Wayne and Chicago Railway Company, Grand Rapids and Indiana Railway Company, and Pennsylvania Company be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with College Street in said city, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under such tracks after such roadway or street has been depressed and lowered eleven feet, and at the time of the elevation of said tracks by said company or companies said city shall cause the surface of said College Street at its intersection with said railroad tracks to be lowered and depressed eleven feet from its present grade.

Be it further Resolved that The Wabash Railroad Company be,

and it is hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned by said company at the intersection of said railroad tracks with Taylor Street in said City, said company to elevate the tracks so owned by it so that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under such tracks after such roadway or street has been depressed and lowered six feet, and at the time of the elevation of said tracks by said company said city shall cause the surface of said Taylor Street at its intersection with said railroad tracks to be lowered and depressed six feet from its present grade.

Be it further Resolved that The Wabash Railroad Company be, and it is hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned by said company at the intersection of said railroad tracks with Broadway Street in said city, said company to elevate the tracks so owned by it so that there will be a clearance or difference of sixteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under said tracks after such roadway or street has been depressed and lowered ten and eight-tenths feet, and at the time of the elevation of said tracks by said company said city shall cause the surface of said Broadway Street at its intersection with said railroad tracks to be lowered and depressed ten and eight-tenths feet from its present grade.

Be it further Resolved that The Wabash Railroad Company be, and it is hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned by said company at the intersection of said tracks with Thompson Avenue in said City, said company to elevate the tracks so owned by it so that there will be a clearance or difference of thirteen feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway or street under said tracks after such roadway or street has been depressed and lowered ten and four-tenths feet, and at the time of the elevation of said tracks by said company said city shall cause the surface of said Thompson Avenue at its intersection with said railroad tracks to be lowered and depressed ten and four-tenths from its present grade.

Be it further Resolved, that Monday, December 21, 1908, at nine o'clock A. M. be, and the same is hereby, fixed when any person or company herein mentioned, or whose track or tracks may be affected by said work, may appear and remonstrate as to the grade or grades or clearances herein provided for, and at which time said Board of Public Works will approve, change or modify their

resolution.

D. C. McCarthy
Notary Public, Allen County, Indiana.
My Commission Expires March 5, 1910

Upon motion the clerk was instructed to have the above easement recorded.

The City Civil Engineer submitted plans and specifications for a sewer in the alley north of Scott Avenue from a point 173 feet west of Broadway to Thompson Avenue. Upon motion the plans and specifications were approved.

Local Sewer Improvement Resolution No 169.

Resolved By the Board of Public Works of the City of Fort Wayne, State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley north of Scott Avenue and through lot No 4 Thompson's First Addition from a point 173 feet west of Broadway to Thompson Avenue, said sewer shall be twelve and fifteen

inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Local Sewer Improvement Resolution No. 169 be published in the Fort Wayne Journal Gazette on the 19th and 26th days of December 1908 and the 14th day of January 1909 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to the aforementioned improvement will be equal to or exceed the estimated cost of the proposed improvement.

Adopted.

This being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 480, which provides for paving Brackenridge Street from Fairfield Avenue to Broadway; also the work performed under Improvement Resolution No. 507, which provides for paving Taylor Street from Broadway to the St. Mary's River Bridge, upon motion the hearing was again postponed until January 7th 1909 at 7:30 o'clock P. M. the contractor not having remedied several defects in said pavements.

The request of the Fort Wayne and Wabash Valley Traction Company for permission to make several changes in their track at the corner of Harrison and Main Street, also at the corner of Columbia and Calhoun Street was upon motion granted.

The petition of Mary E. Young and 5 others which provides for vacating that part of St. Joe Road from State Street to Crescent Avenue was received and upon motion the City Civil Engineer was instructed to prepare a plat showing such proposed vacation.

The request of the Fort Wayne and Wabash Valley Traction Company for permission to erect poles was granted as follows: two poles on Pigua Avenue, one at the intersection of Pigua and Rudisill Avenue and one pole north of Rudisill Avenue; one pole in the alley Mary and Wheeler Street, west of Runion Avenue.

The communication from the Fort Wayne and Wabash Valley Traction Co. relative to a new route proposed for a pole line west of Spy Run Avenue was received and upon motion the same was referred to the City Attorney, City Civil Engineer and Council Committee having said matter

in charge.

Upon motion the City Civil Engineer was instructed to prepare a plat showing the proposed opening of River Street from Bossler Avenue to the south line of Rawton Park.

The Board then adjourned.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, December 21st 1908.
Special meeting held at 9 o'clock a. m.
Present: E. J. Lennon, Henry Schwartz, Jesse Brosius.

This being the date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Railroad Track Elevation Resolution No 1, which provides for elevating the railroad tracks at Hanna, Lafayette, Calhoun, Broadway, College and Taylor Streets, and Fairfield and Thompson Avenues at the points where they are crossed and intersected by the right of way of either the Pittsburg, Fort Wayne and Chicago Railway company, Pennsylvania company or The Wabash Railroad company, there now was presented a remonstrance by Zollars and Zollars, Attorneys for the Pittsburg, Fort Wayne and Chicago Railway company and the Pennsylvania company against said proposed improvement. There also was presented by Zollars & Zollars, Attorneys for the Cincinnati, Richmond and Fort Wayne Railroad company, and the Grand Rapids and Indiana Railway company, a notice of waiver of ownership in any of the railroads mentioned in said resolution, which notice was signed by Benj. H. Hudson, Superintendent of the Grand Rapids and Indiana Railway company and the Cincinnati, Richmond and Fort Wayne Railroad company, all of which was duly attested by Anna Krudop, Notary Public.

Upon motion the notice of waiver of ownership of said Grand Rapids and Indiana Railway company and the Cincinnati, Richmond and Fort Wayne Railroad company was placed on file.

Upon motion the remonstrance of the Pennsylvania company and the Pittsburg, Fort Wayne and Chicago Railway company was taken

under advisement until Wednesday December 23rd 1908 at 2 o'clock P. M.

There now appeared J. L. Sullivan, Division Superintendent; W. S. Dauer, Engineer of maintenance of way, Chief Engineer L. O. Cunningham and Attorney W. V. Stuart for The Wabash Railroad Company and asked for a postponement of the hearing, by reason of the fact that they desired to present in writing a remonstrance against said proposed improvement. Upon motion the Board fixed Wednesday December 23rd 1908 at 2 o'clock P. M. a date and time when they would hear and consider such remonstrance and take final action on said Railroad Track Elevation Resolution No 1.

There also appeared J. N. Bass for the Bass Foundry and Machine Co, and A. D. Kessler for the Kerr Murray Mfg. Co and verbally objected to said proposed improvement, claiming that the same would seriously damage their respective properties.

The Board now, upon motion took a recess until Wednesday December 23rd 1908, at 2 o'clock P. M.

Fort Wayne, Indiana, December 29th 1908

The Board reconvened in Special Session at 3 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

Motion was made by Mr. Brosius to amend Railroad Track Elevation Resolution No. 1 as follows:

Railroad Track Elevation Resolution No. 1.

Whereas, Calhoun, Broadway and Taylor Streets, and Fairfield Avenue, at the points where they are crossed and intersected by the right-of-way of either The Pittsburg, Fort Wayne and Chicago Railway Company, Pennsylvania Company or The Wabash Railroad Company are located in portions of the City of Fort Wayne which are densely settled and either important residence or business districts of the

City, and

Whereas, the maintenance of the grade crossings at said points is dangerous to the lives and property of the public, and detrimental to the business interests of the citizens of said City and make the use of and travel on said streets by the public at said crossings dangerous, and

Whereas, a necessity exists for the alteration of each of said grade crossings by the elevation of the steam railroad tracks crossing said streets at each of said grade crossings, Therefore,

Be it Resolved By The Board of Public Works of the City of Fort Wayne,

That the alteration, by the elevation of the steam railroad tracks, of the street and railroad intersections and crossings hereinafter specifically referred to in by said Board deemed necessary:

Be It Further Resolved, That The Pittsburg, Fort Wayne and Chicago Railway Company, Pennsylvania Company, Grand Rapids and Indiana Railway Company, The Cincinnati, Hamilton and Dayton Railway Company, Judson Harmon, as Receiver of The Cincinnati, Hamilton and Dayton Railway Company, The Cincinnati, Richmond and Fort Wayne Railroad Company and The Wabash Railroad Company be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Calhoun Street in said City, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of fifteen and one-half feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under such tracks after such roadway or street has been depressed and lowered Eight and three-tenths feet, and at the time of the elevation of said tracks by said company or companies said City shall cause the surface of said Calhoun Street at its intersection with said railroad tracks to be lowered and depressed Eight and three-tenths feet from its present grade.

Be It Further Resolved, That The Pittsburg, Fort Wayne and Chicago Railway Company, Grand Rapids and Indiana Railway Company and Pennsylvania Company be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Fairfield Avenue in said City, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of

twelve and one-half feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway or street under such tracks after such roadway or street has been depressed and lowered seven and thirty-five one hundredths feet, and at the time of the elevation of said tracks by said company or companies, said city shall cause the surface of said Fairfield Avenue at its intersection with said railroad tracks to be lowered and depressed seven and thirty-five one hundredths feet from its present grade.

Be It Further Resolved, That The Wabash Railroad Company be, and it is hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned by it at the intersection of said railroad tracks with Fairfield Avenue in said City, said Company to so elevate the tracks owned by it that there will be a clearance or difference of twelve and one-half feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway or street under such tracks after such roadway or street has been lowered and depressed five and five-tenths feet from its present grade, and at the time of the elevation of said tracks by said Company said City shall cause the surface of said Fairfield Avenue at its intersection with said railroad tracks to be lowered and depressed five and five-tenths feet from its present grade.

Be It Further Resolved, That The Pittsburg, Fort Wayne and Chicago Railway Company, Grand Rapids and Indiana Railway Company and Pennsylvania Company, be, and they are hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned, or leased, maintained and operated, by each of said companies respectively at the intersection of said railroad tracks with Broadway Street in said City, each of said companies to elevate the tracks owned, or leased, maintained and operated, by it so that there will be a clearance or difference of fifteen and one-half feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under said tracks after such roadway or street has been depressed and lowered nine feet, and at the time of the elevation of said tracks by said Company or companies said City shall cause the surface of said Broadway Street at its intersection with said railroad tracks to be lowered and depressed nine feet from its present grade.

Be It Further Resolved, That The Wabash Railroad Company be, and it is hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks by said company at the intersection of said railroad tracks with Taylor Street in in said City, said company to elevate the tracks so owned by it so that there will be a clearance or difference of twelve feet

between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under such tracks after such roadway or street has been depressed and lowered six feet, and at the time of the elevation of said tracks by said company said City shall cause the surface of said Taylor Street at its intersection with said railroad tracks to be lowered and depressed six feet from its present grade.

Be It Further Resolved, That The Wabash Railroad Company be, and it is hereby, required, ordered and directed to elevate, or cause to be elevated, the steam railroad tracks owned by said company at the intersection of said railroad tracks with Broadway Street in said City, said company to elevate the tracks so owned by it so that there will be a clearance or difference of fifteen and one-half feet between the bottom of the superstructure over such highway and under such tracks and the surface of the roadway under said tracks after such roadway or street has been depressed and lowered nine feet, and at the time of the elevation of said tracks by said company said City shall cause the surface of said Broadway Street at its intersection with said railroad tracks to be lowered and depressed nine feet from its present grade.

Be It Further Resolved, That Monday, December 21st, 1908, at nine o'clock a.m. be, and the same is hereby, fixed when any person or company herein mentioned, or whose track or tracks may be affected by said work, may appear and remonstrate as to the grade or grades or clearances herein provided for, and at which time said Board of Public Works will approve, change or modify this resolution.

Fort Wayne, Indiana, January 7th 1909.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 166, which provides for vacating the first alley west of Smith Street from McKee Street to the north line of Grier's Addition; also a date and time when they would hear and consider objections or remonstrances against Declaratory Resolution No. 167, which provides for vacating the alley between Winter Street and Lillie Street from Creighton Avenue to the first alley north; also a date and time when they would hear and consider objections or remonstrances against Declaratory Resolution No. 168, which provides for vacating the first alley west of Marion Street from Brossard Lane to the north line of Feeder Addition, and there appearing no objections or remonstrances of any nature whatsoever, upon motion Declaratory Resolutions No. 166, 167, and 168 were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 169, which provides for opening Eliza Street from Francis Street to Hanna Street, there now was presented a remonstrance by Elizabeth Stumpf and 49 others against said proposed opening. Upon motion further hearing was postponed until February 4th 1909 at 7:30 o'clock P. M.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 170, which provides for opening Sturgis Street from the alley east of Broadway to Broadway, and vacating the north twelve feet and the south fourteen feet of Sturgis Street from Fulton Street to the alley west of Fulton Street, there now was presented a remonstrance by Henry Kreseler and 29 others against said proposed improvement. Upon motion further hearing was postponed until February 4th 1909 at 7:30 o'clock P. M.

Moved that an Assessment Roll of Benefits and Damages in the matter of vacating the alley east of Lafayette Street from the St. Mary's River to the N. Y. C. & St. L. R. R. be and the same be hereby approved and that notice of same to property holders affected thereby be given according to law and that the 21st day of January 1909 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances

against said assessments of benefits or awards of damages as approved by the Board.

Adopted.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Improvement Resolution No. 480, which provides for paving Brackenridge Street from Fairfield Avenue to Broadway; also against the work performed under Improvement Resolution No. 507 which provides for paving Taylor Street from Broadway to the St. Mary's River, upon motion the hearing was postponed until February 11th 1909 at 7:30 o'clock P. M. by reason of the fact that the contractor had not yet repaired certain defects in said pavements.

The Board received a petition by Rhesa Swinney and 23 others asking the Board to accept the pavement as constructed under Improvement Resolution No. 507 by the Metropolitan Engineering and Construction Co. on Taylor Street between Broadway and the St. Mary's River, after reducing the assessments for doing said work 25% lower than the amount as shown by the assessment roll now on file in the office of the Board of Public Works. Upon motion the petition was placed on file.

The application of Wm. Tyler for a position as lineman was received and placed on file.

The petition of the Fort Wayne and Wabash Valley Traction Co. for permission to erect one pole on Wildwood Avenue east of Webster Street was upon motion granted.

The Sewer Builders' Bond of Robert Spice was upon motion approved.

The Cleveland Stone Company presented to the Board of Public Works a claim for $842.50 for material furnished to the Metropolitan Engineering and Construction Company, which company had the contract for paving various Streets in the City of Fort Wayne. Upon motion the claim was received and placed on file.

The Board then adjourned.

Adopted.

Anton Rieg presented to the Board of Public Works a claim #1781.62 for material and labor furnished to the Metropolitan Engineering and Construction Company upon the several Streets paved by said Company in 1908. Upon motion the claim was received and placed on file.

A communication was received from the Home Telephone Company relative to the changing of their lines in the alley between Wayne and Washington Streets, east of Hanover Street which was referred to Kenner and Boolican of the Lighting Department.

A communication from Edward White relative to a sum of money paid by him to the Moellering Construction Company for certain repairs to the pavement on East Wayne Street abutting on the White Fruit House was received and placed on file.

The Herman Papp Construction Co reported the work to be performed under Dike Improvement Resolution No 1, completed. Upon motion the report was received and placed on file.

The Board received the following proposals for furnishing 10,000 feet of copper wire:

Western Electric Co of Chicago, bid per Cwt. f. o. b. Fort Wayne	#16.10
Monarch Electric & Wire Co " " " " " " "	16.10
The W. G. Nagel Electric Co " " " " " " "	16.10
P. Bissel Co of Toledo " " " " " " "	16.10
Central Electric Co " " " " " " "	15.75

Upon motion the contract for 12000 feet or more of copper wire was

awarded to the Central Electric Co they being the lowest and best bidders.

At a conference held November 24th 1908 in the Mayors office between the Mayor, the Board of Public Works and the City Attorney, it was decided to establish the following rates for current for incandescent lighting:
For from 1 to 50 K.W. 8 cts per K.W. net
" all over 50 K.W. 6 " " " " " .
A penalty of 25% to be charged and added to all bills not paid by the 10th day of the month following the month in which the meter was read. A minimum charge of 50cts per month will be made for each service maintained.
Upon motion these rates were now adopted by a unanimous vote.

The following is a copy of a letter sent to McBride Electric Company, contractors for certain portions of the Municipal Light Plant:

Fort Wayne, January 8th 1908.

McBride Electric Company,

St. Paul, Minn.

Gentlemen: The undersigned has many times, since you reported to it that the Fort Wayne Municipal Lighting Plant was completed, notified you of many portions of the work that were defectively installed by you and of many parts of the work called for by the contract that have not been performed by you. We also called your attention to the fact that several lights, called for by the contract, were not put up at all by you and that several lights had been put up at wrong points. You failed absolutely to pay any attention to the notices and failed to perform that work which you had left undone or to repair the work which you had improperly put up. We merely write this letter to you to notify you that the City intends to complete and remedy the above mentioned, incomplete and defective work, and this will done by the City without any further notice to you in regard to the matter.

Yours truly,
Board of Public Works.

Upon motion the clerk was instructed to copy in full in Miscellaneous Record No 2, a contract entered into November 28th 1908, by and between the Lake Shore and Michigan Southern R. R. Co. and the City of Fort Wayne for the construction of a side track to connect with Pumping Station No 1.

Upon motion A. J. Hugnenard was promoted to the position of extra engineer at the Municipal Lighting Plant, at a salary of $65.00 per month and Chas. Christie was appointed extra fireman at a salary of $55.00

per month, it being understood that these appointments are to be probationary for a period of sixty days.

Upon motion Samuel Lamb was transferred from the Lighting Plant to Pumping Station No 2, and Mr. Binkley was transferred to the Lighting Plant.

The Board then adjourned.

Henry Schwartz
Jesse Brosius

Office Board of Public Works.

Fort Wayne, Indiana, January 12th 1909.

Special meeting held at 8 o'clock P. M.

Present: E. J. Rennow, Henry Schwartz and Jesse Brosius.

There now was presented to the Board a communication from the Council Committee on Railroad Track Elevation, recommending certain changes in Railroad Track Elevation Resolution No 1, adopted by the Board on the 3rd day of December, 1908, and modified and confirmed on the 29th day of December, 1908.

A motion was now made by Mr. Brosius to amend Railroad Track Elevation Resolution No 1 as follows: By striking out the words "eight and three-tenths feet" in that part of the resolution referring to the depressing of Calhoun Street and inserting in lieu thereof the words "nine and twenty-five one hundredths feet."

By striking out the words "seven and thirty-five one hundredths feet" in that part of the resolution referring to the depressing of Fairfield Avenue at its intersection with the right-of-way of The Pittsburg, Fort Wayne and Chicago Railway Company and inserting in lieu thereof the words "eight and twenty-five one hundredths feet."

By striking out all that part of the resolution referring to the elevation of tracks and depressing of streets at Broadway Street and at Taylor Street at its intersection with right-of-way of The Wabash Railroad Company.

The motion of Mr. Brosius was now adopted by a unanimous vote.

Upon motion now Railroad Track Elevation Resolution No 1 as amended was submitted to the Common Council for approval.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Port Wayne, Indiana, January 21st 1909.

Regular meeting held at 7:30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the roll of assessments of Benefits or awards of Damages in the matter of vacating the alley east of Lafayette Street from the St. Mary's River to the N. J. C. & St. L. Railroad in accordance with Declaratory Resolution No. 159, and there appearing no objections or remonstrances whatever, upon motion the roll of assessments of Benefits and awards of Damages approved under Declaratory Resolution No. 159 was confirmed as in the original and ordered delivered to the Department of Finance.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolution No. 168, which provides for a vitrified clay pipe sewer in the alley between Superior Street and Columbia Street from the brick sewer on Lafayette Street to a point 255 feet east of the east line of Lafayette Street; also against the work performed under Main Sewer Improvement Resolution No. 26, which provides for a storm sewer in and along a line five feet east of the east line of the right-of-way of the G. R. and I. Railroad from Mill Creek to the alley north of Main Street and in the alley north of Main Street from the G. R. and I. R. R. to the center of Knitter Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, which assessment roll contain a discription of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Local Sewer Improvement Resolution No. 168 and Main Sewer Improvement Resolution No. 26 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

The City Civil Engineer submitted his estimate of the cost of the work to be performed under Local Sewer Improvement Resolution No. 169 as follows:

Total cost of improvement $1117.60

This now being the date and time previously fixed by the Board when they

would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No. 169, which provides for a vitrified clay pipe sewer in the alley north of Scott Avenue and through Lot No. 4 Thompsons first Addition from a point 173 feet west of Broadway to Thompson Avenue, there now was presented a communication from L. W. Niezer, Attorney for the Julius Remus heirs, relative to any assessment which might be made for said sewer against the property of said heirs and which property is part of Ewing's Out Lot No. 7, which communication was placed on file. The Board now finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to, or exceed the estimated cost of the proposed improvement, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolution was confirmed as in the original.

Moved, that notice to Contractors of the work to be performed under Local Sewer Improvement Resolution No. 169 be published in the Fort Wayne Journal Gazette on the 23rd and 30th days of January 1909 and that the 11th day of February 1909 at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned resolution.

Adopted.

The City Civil Engineer submitted a plat showing the proposed vacation of St. Joe Road from State Street to Crescent Avenue, which was upon motion approved.

Declaratory Resolution No. 171.

For the vacation of St. Joe Road from State Street to Crescent Avenue.

Resolved, By the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate that portion of the St. Joe Road, so called, from its intersection with the north line of State Street to its intersection with the west line of Crescent Avenue. All as shown by a plan of such proposed vacation now on file in the office of the Department of Public Works of said City. The cost of said vacation and all expenses connected therewith to be assessed against the property beneficially affected thereby. All of said property affected by the vacation of the above described road being situated in the S. E. 1/4 of N. E. 1/4, Sec. 36, T. 31. N. R. 12 E., in the City of Fort Wayne, County of Allen and State of Indiana.

Adopted.

Moved, that notice to property owners affected by the vacation of St. Joe Road from State Street to Crescent Avenue as described in Declaratory Resolution No. 171, be published in the Fort Wayne Journal Gazette on the 23rd and 30th days of January 1909 and the 18th day of February 1909 at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against the aforementioned resolution.

The request of the Fort Wayne and Wabash Valley Traction Company to erect

poler in the alley between California and Illinois Avenues, Delaware and Vermont Avenues was upon motion granted.

The Sewer Builders Bond of Peter Balter was upon motion approved.

The Board received a communication from the International Union of Steam Engineers, indorsing the application of J. F. Reiling for a position of Engineer at the municipal Lighting plant, which was placed on file.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving with vitrified paving block Calhoun Street from Superior Street to Eureka Avenue.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for stone flag sidewalks on Calhoun Street from the alley north of Superior Street to Baker Street on the west side and to Chestnut Street on the east side.

A number of applications for electric from the Municipal Light and Power Plant were received and placed on file.

Whereas Railroad Track Elevation Resolution No 1, of the City of Fort Wayne, adopted by its Board of Public Works, in which is prescribed, in general, the amount of change in the grades of the streets therein referred to and the amount, in feet, of the clearances required at the different street and railway intersections therein referred to between the surface of the streets as proposed by the new grades and the bottom of the superstructure over such high-way, was on the 12th day of January 1909 approved, ratified and confirmed by the Common Council of the City of Fort Wayne, therefore:

Be It Resolved by the Board of Public Works of the City of Fort Wayne, that The Pittsburg, Fort Wayne and Chicago Railway Company, Pennsylvania Company, Grand Rapids and Indiana Railway Company, and The Cincinnati, Richmond and Fort Wayne Railroad Company each be, and they are hereby, ordered, required and directed to prepare, or cause to be prepared, and file with the Board of Public Works of said City detail plans and specifications, complete and in particular, of all that work known as superstructure, including the retaining walls or abutments at the sides of said street, called for by said Railroad Track Elevation Resolution No 1, at the intersection of Calhoun Street in said City and the right-of-way owned, or leased, maintained and operated, by each of said companies, and said Board of Public Works shall prepare, or cause to be prepared, and place on file at its said office, detail plans and specifications, complete and in particular, of all that work called for by said Railroad Track Elevation Resolution No 1, at the intersection of said street with said right-of-way beneath said

superstructure including the approaches on said street and sidewalks to such intersection, as well as all paving or repaving of said street and changes in the drainage on that part of the street the grade of which is changed by such improvement

Be it further resolved that The Wabash Railroad Company, The Cincinnati, Hamilton and Dayton Railway Company and Judson Harmon, as Receiver of The Cincinnati, Hamilton and Dayton Railway Company, each be, and they are hereby, ordered, required and directed to prepare, or cause to be prepared, and file with the Board of Public Works of said City, detail plans and specifications, complete and in particular, of all that work known as superstructure, including the retaining walls or abutments at the sides of said street, called for by said Railroad Track Elevation Resolution No 1, at the intersection of Calhoun Street in said City and the right-of-way owned, or leased, maintained and operated, by each of said Companies, and said Board of Public Works shall prepare or cause to be prepared, and place on file at its said office, detail plans and specifications, complete and in particular, of all that work called for by said Railroad Track Elevation Resolution No 1, at the intersection of said street with said right-of-way beneath said superstructure including the approaches on said street and sidewalks to such intersection, as well as all paving and repaving of said street and changes in the drainage on that part of the street the grades of which is changed by such improvement.

Be it further resolved that The Pittsburg, Fort Wayne and Chicago Railway company, Grand Rapids and Indiana Railway Company, and Pennsylvania company, each be, and they are hereby, required, ordered and directed to prepare, or cause to be prepared, and file with the Board of Public Works of said City, detail plans and specifications, complete and in particular, of all that work known as superstructure, including the retaining walls or abutments at the sides of said street called for by said Railroad Track Elevation Resolution No 1, at the intersection of Fairfield Avenue in said City and the right-of-way owned, or leased, maintained and operated, by each of said Companies, and said Board of Public Works shall prepare, or cause to be prepared and place on file at its said office, detail plans and specifications complete and in particular, of all that work called for by said Railroad Track Elevation Resolution No 1, at the intersection of said street with said right-of-way beneath said superstructure including the approaches on said street and sidewalks to such intersection, as well as all paving or repaving of said street and changes in the drainage on that part of the street the grade of which is changed by such improvement.

Be it further resolved that said City, by its Board of Public Works, The Pittsburg, Fort Wayne and Chicago Railway company, Grand Rapids and Indiana Railway company, The Cincinnati, Richmond and Fort Wayne Rail-road company, Pennsylvania company, Judson Harmon, as Receiver of the Cincinnati, Hamilton and Dayton Railway company, The Cincinnati,

Hamilton and Dayton Railway Company and The Wabash Railroad Company each be, and they are hereby required, ordered and directed to prepare, and file in the office of the Board of Public Works, at the time they file such plans and specifications, itemized estimates of the complete cost of all the work and materials referred to, described and mentioned in, and shown by, each of the plans and specifications, filed by it.

Be it further resolved that all of said plans, specifications and estimates of costs shall be by said Railroad Companies and said City prepared and filed in the office of said Board of Public Works within thirty days from the time notice of the adoption of this resolution is given and received by said Companies.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No 169, which provides for opening Eliza Street from Francis Street to Hanna Street, there now was presented a remonstrance from F. W. Schoppman and 187 others against said proposed opening. After carefully considering the remonstrance, upon motion the same was sustained.

Upon motion now all former action taken under Declaratory

Resolution No. 169 was rescinded.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 170, which provides for opening Sturgis Street from the alley east of Broadway to Broadway and vacating part of Sturgis Street from Fulton Street to the alley west of Fulton Street, there now was presented a remonstrance from B. Gutermuth and 17 others against said proposed opening. There also was presented a communication from C. A. Reker and 6 others relative to the estimate of assessment as set out on blue prints submitted by the Board. The Board after carefully going over the various objections as brought before them, decided that the objections were not well taken, but that said proposed opening was a necessity and a public utility, upon motion the prayer of the remonstrants was refused. Upon motion now Declaratory Resolution No. 170 was confirmed as in the original by a unanimous vote.

The petition of the Fort Wayne and Wabash Valley Traction Co. for permission to erect poles was granted as follows: four poles in the alley between St. Joe and Hillside Avenue, north of Delaware Avenue; two poles in the alley between Herman and Pape Avenue, east of St. Mary's Avenue.

The petition of The Home Telephone and Telegraph Co. for permission to extend its conduit system in the alley between Barr and Lafayette Streets, Wayne and Washington Streets, reserving one duct for the use of the City, was upon motion granted, and the bond covering said work was upon motion approved.

The application of Chas. R. Boerger for permission to remove a house from lot No. 24 Baker Addition to lot No. 13 Moran's Sub. on Nanna Street was upon motion granted and the bond covering the same approved.

The application of Chas. R. Boerger for permission to remove a house from lot No. 1 Martin Sub. to lot No. 180 Industrial Park Addition on Colerick Street was upon motion granted and the bond covering the same approved.

The contract of Geo. N. Kundop covering the furnishing of coal for the City Crematory during the year 1909, was upon motion approved.

The petition of Wm. J. Fuhrman and 31 others which provides for paving Leith Street with brick from the west line of Hoagland Avenue to the west side of Calhoun Street and from the east side of Calhoun Street to Nanna Street was received and upon motion the City Civil Engineer was instructed to prepare plans and specifications for a vitrified brick pavement upon a

six inch broken stone foundation with a sand filler on Leith Street from Hoagland Avenue to Hanna Street.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving with vitrified paving brick Lafayette Street from the north line of Leith Street on the west side to the south line on the east side.

Upon motion the City Civil Engineer was instructed to prepare plans and specifications for paving with brick the alley between Jefferson and Lewis Street, from Clinton Street to Barr Street; also plans and specifications for paving with brick the alley between Clinton and Barr Street from Lewis Street to the alley north of Lewis Street.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, February 25th 1909.
Regular meeting held at 7:30 o'clock P. M.
Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

The City Civil Engineer submitted his estimate of the total cost of the work to be performed under various resolutions as follows:

Local Sewer Improvement Resolution No 170,	total cost		$2897.40
" " "	"	171,	" "	2673.88

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No. 170, which provides for a vitrified clay pipe sewer in and along Vermont Avenue from the alley between California Avenue and Crescent Avenue to the alley between Kentucky Avenue and Crescent Avenue and in the alley between Kentucky Avenue and Crescent Avenue from Vermont Avenue to State Street; also Local Sewer Improvement Resolution No. 171, which provides for a vitrified clay pipe sewer in and along the alley between Crescent Avenue and California Avenue from Tennessee Avenue to State Street, the Board finds that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Local Sewer Improvement Resolution No. 167, which provides for a vitrified clay pipe sewer in the alley east of Short Street from the sewer in Brossard Lane to a point 60 feet south of the alley south of Huffman Street; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the aforementioned resolution, which assessment roll contains a description of each piece or parcel of ground thus assessed together with the names of the holders of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground, which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Local Sewer Improvement Resolution No. 167 was finally accepted and the assessment roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

The petition of the Trustees of the Church of God and 11 others, which provides for cement sidewalks on both sides of Wildwood Avenue from the east side of Calhoun Street to the west side of Lafayette Street, and on Wildwood Avenue from the east side of Webster Street to the west side of Harrison Street was received and upon motion

the City Civil Engineer was instructed to prepare plans for same.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, March 18th 1909.

Regular meeting held at 7.30 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Main Sewer Improvement Resolution No. 35, which provides for a Main Sewer in Forest Park and Lakeside Park Additions upon motion the hearing was postponed until March 22nd 1909, at 3 o'clock P. M. by reason of the fact the contractor had not properly filled in some of the trenches.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Declaratory Resolution No. 164, which provides for widening, opening and extending Spring Street from Short Street to a point 266 feet east of Andrew Street, the Board now took up the remonstrance of Theodore Geller and 54 others against said proposed improvement. It appearing to the satisfaction of the Board that a vast majority of the property owners affected by said opening and extending of Spring Street were opposed to the improvement, upon motion all former action taken under Declaratory Resolution No. 164 was rescinded.

The City Civil Engineer submitted his estimates of the total cost of the work to be performed under public contract as follows:

Local Sewer Improvement Resolution No. 172, total cost	$2490.40
" " " " " 173 " "	$2445.12
Improvement Resolution No. 528 " "	$1850.10

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Local Sewer Improvement Resolution No. 172, which provides for a vitrified clay pipe sewer in the alley between California Avenue and Alabama Avenue from Vermont Avenue to State Street, also Local Sewer Improvement Resolution No. 173, which provides for a vitrified clay pipe sewer in the alley between Alabama Avenue and Florida Avenue from Vermont Avenue to State Street, the Board finds that the benefits that the benefits to abutting and adjacent property, including the benefits to the City of Fort Wayne, if any, are equal to or exceed the estimated cost of the proposed improvements, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the aforesaid resolutions were confirmed as in the original.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against Improvement

Resolution No 528, which provides for paving the alley between Jefferson and Lewis Street from Clinton Street to Barr Street, also the alley between Clinton Street and Barr Street from Lewis Street to the alley north, upon motion the hearing was postponed until March 25th 1909, at 7:30 oclock P. M. the Board not yet having received a copy of the new law governing such improvements.

The City Civil Engineer submitted plans and specifications for the following work to be performed under public contract: For a sewer in the alley north of Tiernan Addition from Thompson Avenue to the alley east of Thompson Avenue; sewer in the alley between Organ Avenue and Kuttman Avenue from the alley east of Broadway to a point 20 feet west of the east line of Youngs Addition; cement sidewalks on the south side of Hartnett Avenue from Broadway to the west line of High Banks Addition; cement sidewalks on the south side of Sawilla Avenue and on the east side of Broadway from the alley east of Broadway to Home Avenue; cement sidewalks on both sides of Swayne Street from South Wayne Avenue to Fox Avenue; cement sidewalks on the west side of Hoagland Avenue from Home Avenue to Downing Avenue; cement sidewalks on both sides of Wildwood Avenue from Webster Street to Lafayette Street; cement sidewalks on both sides of Third Street from Weller Street to St. Mary's Avenue; cement sidewalk on the north side of Wagner Street from North Monroe Street to Spy Run Avenue; cement sidewalk on the east side of St. Joe Boulevard from Columbia Avenue to Old Fort Street; cement sidewalk on the south side of Jefferson Street from Harmer Street to Division Street; grading the alley east of Spy Run Avenue from Wagner Street to Balter Avenue.

Upon motion the above plans and specifications were all approved.

Local Sewer Improvement Resolution No 174.

Resolved, by the Board of Public Works of the City of Fort Wayne, State of Indiana, that the constuction of a local sewer, intended and adopted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley north of Tiernan's Addition from Thompson Avenue to the alley east of Thompson Avenue; said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Local Sewer Improvement Resolution No 175.

Resolved, by the Board of Public Works of the City of Fort Wayne,

State of Indiana, that the construction of a local sewer, intended and adapted only for local use by the property holders whose property abuts thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby ordered in and along the alley between Organ Avenue and Nuttman Avenue from the alley east of Broadway to a point twenty feet west of the east line of Young's Addition; said sewer shall be twelve inches in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 529.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the south side of Hartnett Avenue, from Broadway to the west line of High Banks Addition, by grading to a width of twelve feet and paving with Cement to a width of Four (4) feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 530.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on the south side of Savilla Avenue and on the east side of Broadway from the alley east of Broadway to Home Avenue, by grading full width and paving with Cement to a width of Five (5) feet all in accordance with profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 531.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Swayne Street from South Wayne Avenue to Fox Avenue by grading to a width of eight feet and paving with Cement to a width of Four (4) feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 532.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the west side of Hoagland Avenue from Home Avenue to Downing Avenue, by grading to a width of twelve feet and paving with Cement to a width of Five (5) feet all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public

Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 533.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Wildwood Avenue from Webster Street to Lafayette Street, by grading to a width of ten feet and paving with cement to a width of Five (5) feet (all walks now laid to a proper line and grade to be exempt) all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 534.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalks on both sides of Third Street from Wells Street to St. Mary's Avenue, by grading full width and paving with cement to a width of five feet, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 535.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the north side of Wagner Street from North Monroe Street to Spy Run Avenue by grading to a width of ten feet and paving with cement to a width of five feet all in accordance with profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 536.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the east side of St. Joe Boulevard from Columbia Avenue to Old Fort Street, (excepting all cement walks now laid to a proper line and grade) by grading full width and paving with cement to a width of six feet and seven inches all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Sidewalk Improvement Resolution No. 537.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the sidewalk on the south side of Jefferson Street from Harmer Street to Division Street, by grading to a width of eighteen feet and paving with cement to a width of Six (6) feet, all in accordance with the profile, details, drawings and specification on file in the office of the Department of Public Works of said City. Adopted.

Alley Improvement Resolution No. 538.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to improve the alley east of Spy Run Avenue, from Wagner Street to Walter Avenue, by grading full width, all in accordance with the profile, details, drawings and specifications on file in the office of the Department of Public Works of said City.

Adopted.

Moved that notice to property owners of the adoption of Local Sewer Improvement Resolutions Nos. 174 and 175, and Improvement Resolutions Nos. 529, 530, 531, 532, 533, 534, 535, 536, 537 and 538 be published in the Fort Wayne Journal Gazette on the 20th and 27th days of March 1909, and that the 15th day of April 1909, at 7:30 o'clock P. M. be fixed a date and time when the Board will hear and consider objections or remonstrances against each of the aforementioned resolutions and will decide whether the benefits that will accrue to the property to be assessed abutting and adjacent to each of the aforementioned improvements and to said City, if any, will be equal to or exceed the estimated cost of the proposed improvements.

Adopted.

Moved that notice to contractors of the work to be performed under Local Sewer Improvement Resolutions Nos. 172 and 173 be published in the Fort Wayne Journal Gazette on the 20th and 27th days of March, 1909, and that the 15th day of April 1909, at 7:30 o'clock P. M. be fixed a date and time when the Board will receive and open sealed proposals for the work to be performed under the aforementioned Resolutions.

Adopted.

The petition of Harry Swift and 15 others which provides for paving Harrison Street from Woodland Avenue to Bowser Street with sheet lake asphalt was received and placed on file.

The petition of Barbara Siter and 3 others for a sewer in the alley west of Thompson Avenue, from the first alley south of Clifton Avenue to the Main sewer north, was received and upon motion the City Civil Engineer was instructed to prepare plans for same.

The petition of V. Huff for a sewer in the alley between Walton Avenue and Rillie Street from Pontiac Street to the south line of Gaumer's Addition was received and taken under advisement.

BOARD OF PUBLIC WORKS.

Office Board of Public Works.

Fort Wayne, Indiana, March 22nd 1909.

Special meeting held at 10 o'clock A. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the plans, specifications and estimates submitted by the Railroad Companies affected by Railroad Track Elevation Resolution No 1, and also against the plans, specifications

and estimates submitted by the City Civil Engineer, there now was presented by The Wabash Railroad Company, a remonstrance against the plans, specifications and estimates submitted by the City Civil Engineer. Upon motion the remonstrance was taken under advisement.

There also was presented a remonstrance by the Pennsylvania Company, and The Pittsburg, Fort Wayne and Chicago Railroad Company against said proposed Railroad track elevation, which was received and upon motion taken under advisement.

There also was presented a remonstrance by the Fort Wayne and Wabash Valley Traction Company against said proposed track elevation which was received and upon motion taken under advisement.

The representative of the Wabash Railroad Company notified the Board that said Company would have plans, specifications and estimates ready to submit to the Board of Public Works not later than March 31st 1909.

Upon motion now the Board fixed March 31st 1909 at 11 o'clock A. M. a date and time when they would hear and consider objections or remonstrances against the plans, specifications and estimates as submitted by the various Railroad Companies and the City of Fort Wayne.

Upon motion the Board fixed Tuesday March 23rd 1909 at 9.30 o'clock A. M. a date and time for hearing and considering objections or remonstrances from property owners affected by Railroad Track Elevation Resolution No. 1.

The Board then adjourned.

BOARD OF PUBLIC WORKS

Office Board of Public Works.

Fort Wayne, Indiana, March 22nd 1909.

Regular meeting held at 3 o'clock P. M.

Present: E. J. Lennon, Henry Schwartz and Jesse Brosius.

This now being a date and time previously fixed by the Board when they would hear and consider objections or remonstrances against the work performed under Main Sewer Improvement Resolution No. 25, which provides for a brick sewer in and along Morton Street from the Maumee River to Vermont Avenue, and in and along Vermont Avenue from Morton

Street to the alley between California Avenue and Crescent Avenue; also a date and time when the Board would hear and consider objections or remonstrances against the Assessment Roll covering the work performed under the afore=mentioned Resolution, which Assessment Roll contains a description of each piece or parcel of ground thus assessed, together with the names of the hold=ers of each piece or parcel of ground thus assessed and the amount of pro rata assessment of each piece or parcel of ground which pro rata assessment is based upon the actual benefits each piece or parcel of ground has received from the improvement for which it is assessed, and there appearing no objections or remonstrances of any nature whatsoever, upon motion the work performed under Main Sewer Improvement Resolution No. 25 was finally accepted and the Assessment Roll confirmed and ordered forthwith delivered to the Department of Finance. All of which was finally ordered and approved.

A number of application for electric current from the Municipal Electric Light and Power Plant were received and placed on file.

A communication from the Peoples Trust Company relative to the condition of the alley intersection on the east side of Calhoun Street between Wayne and Washington Streets was upon motion referred to the Street Superintendent.

The following proposals for a new roof on Engine House No. 4 were received:
Gerding and Ammann Bros. bid for the work complete $153.00
The Ft. Wayne Roofing & Paving Co. " " " " " $149.55
Upon motion the contract for the above work was awarded to The Fort Wayne Roofing & Paving Co., they being the lowest and best bidders.

The petition of A. H. Meyers and 88 others relative to improving Spy Run Avenue from the St. Mary's River Bridge to the city limits was received and placed on file.

The Board entered into an agreement with the American Bonding Company, of Baltimore, for the payment by said Company to the City of Fort Wayne, the sum of $15,500.00, thereby releasing said Bonding Company from all further liability on the contracts of the Alcatraz Construction Company covering the paving of various streets in the City of Fort Wayne, and upon motion ordered the agreement submitted to the Common Council for approval.

The Plumbers and Gasfitters Bond of F. H. Stoll was upon motion approved.

The petition of C. W. Gallmeier for permission to construct under private contract cement sidewalks on Taylor Street, abutting on lots Nos. 14, 15, 16, 17, 18 and 19 B. D. Miners Addition was upon motion granted.

The petition of John B. Grosjean for permission to construct under private contract cement sidewalks on St. Joe Boulevard abutting on lots Nos 11, 16 and 17 Lakeside Park Addition was upon motion granted.

The Traveler Insurance Company acknowledged receipt of notice of an accident to Edward Payton, a city employe, which acknowledgement was placed on file.

The Board then adjourned.
